THIS BOOK IS THE RESULT OF RESEARCH CONDUCTED OVER 25 YEARS.

[This is a part of the book called 'HOW TO HEAR THE VOICE OF GOD AND SEE IN THE SPIRIT'].

If GOD can hear, then HE can also speak. But many people want GOD to hear them, yet they themselves **do not listen to HIM**. Prayer is two ways communication you speak to HIM and also hear from HIM. If you just praying and you don't know how to hear HIS voice when HE talks back to you, it means you are wasting your time.

Remember this always, 'Serving GOD without knowing HIS voice is a risk that can lead you away from HIM' 'If you do not recognize GOD'S voice, you may end up following the wrong direction, while thinking you are serving HIM''.

'Many serve GOD with passion, but few serve HIM with understanding of HIS voice' 'The greatest danger of serving GOD is not ignorance of HIM, But ignorance of HIS voice'.

'Without knowing GOD'S voice, your service can be driven by emotions, not by HIS will'.

Why do we pray? We pray to hear from GOD AND RECEIVE HIS WISDOM-NOTHING ELSE' 'We pray not out of habit or mere tradition, but to hear from GOD and receive HIS wisdom and guidance. Prayer is our direct connection to divine, understanding -it is through prayer that we access the knowledge and direction only GOD can give.

YES!! This is not just a book-it is my letter to you and to the world, within these pages, I have written only what life has taught me, through the guidance of HOLYSPIRIT and through painfully purposeful, experiences. I didn't use A.I Artificial intelligence. There is no shortcut to spiritual maturity. Growth in the spirit requires that we walk through every season, face every lesson, and embrace every process. Just as soap cannot become pure and effective without passing through a refining process, so must we be shaped through life's challenges.

Do not be afraid of difficult moments. They are not meant to break you, but to build you. You cannot become a teacher without first sitting in the classroom. This is more than the words-it is journey of transformation. For more details, Find the book of HOW TO LIVE ABOVE THE PAIN OF LIFE.

IF YOU WANT TO SUCCEED YOU MUST FOLLOW THE INSTRUCTION.

Never jump to do a business because someone is doing it, that somebody went overseas in a pattern of succeed, **it does not mean you will succeed in that same paternity** does not work with that same pattern, that's why HE IS GOD. HE divides a red sea through Moses through a rod, HE divides water through ELIJAH to a mantle, each one had a different patterning give each one a specific instruction, and when you obey HIS instruction, HE deliver you from destruction and enjoy distinction.

GOD'S FIRST LANGUAGE IS NOT ENGLISH OR YOUR HUMAN LANGUAGE.!!

THE LORD IS ALWAYS SPEAKING BUT HE IS NOT TALKATIVE=The LORD is more determined and excited to speak to us than we are to hear from HIM. We must realize that GOD is always speaking but HE is not human and HIS first language is not ENGLISH.!! If we can grasp this revelation and realize that most of us don't really know how well we see and hear GOD, we can begin to tune to HIS station."

Leading by the GOD, **means allowing HIM to guide your thought, decisions, and actions** every day-not just in a big moment, but in a small, daily choices, it is spiritual life style build on relationship, not just rules. Start with relationship not religion.

OUR HEART IS A COMMUNICATION POINT.

You have to know this, our heart is a communication point, contact point where GOD lives, not tongue, not body, not book, not idea, not influence, not feelings. You must have a heart decision, before you can make it in life. You must have a heart decision, when you begin to have this, your life begin to change. Because all what you are doing is of 'fake'. On the outside. Everything about you on the outside. You copy people everywhere you go. People buy this, you want to buy the same. People plant hair like this, you want to plant it. Many are sitting down in the church looking at the attire, different attires and when they leave here, they want to buy the same attire. You must have a heart decision, ***sit down, let GOD speak to your heart. You will not look like others.*** In the world where imitation is at its peak and comparison has become the order of the day, you must make decision from your heart to success in life and to have peace.

Allow GOD to speak to your heart, and be willing to act on what HE says. When your decisions are born **from God's voice, you will** no longer live by imitation or comparison. Let your life be led by divine direction, not by copying others, your destiny begins with a heart that chooses GOD.

LEARNING HOW TO FOLLOW GOD'S LEADING?

If you want to know how to identify the voice of GOD find the book called how to hear the voice of GOD and how to see in the spirit. Call this number +255 76717800 what sup. GOD'S VOICE IS THE SOLUTION TO YOUR PROBLEM.

Do you know why you need to hear GOD before any decision you make? Because what you do today wait for you Infront.

YOUR SITUATION CAN SPEAK[VOICE].

Open your spirit to hear from GOD, for you to be able to receive information from GOD, you must open your spirit to HOLYSPIRIT firstly. Because while you are praying you can pick something, through prayer it helps you to pick something or information, prayer is like a Rader. You must be in charge with the control tower.4Sometimes GOD use your difficult time to talk to you. when things become so difficult, GOD is not involved, because HIS commandments are not grievously, 1john 5: 3.you prepare to travel abroad, the agent took your money, you borrow every were. Without recover you borrow again, they took the money, you borrow again they took again, when it is GOD times it will happen easily it is not time you will keep struggling, Ask GOD, Father what are you saying on this matter. What is the light you are giving it to me. I have a decision to flight, I have a decision to go ahead, find it if GOD is involved? You want to get married to somebody, ask yourself is GOD involve? Attraction is good but direction is better, you

can be attracted to a thief, don't you know thief have lovers? Even witches have lovers. Because it cannot be wrong if it is a right time. Whenever GOD send you it is the best place on earth,

JOHN 10:27 MY SHEEP **HEAR MY VOICE**, AND FOLLOW ME.

If you find yourself in a wrong place, where GOD does not want you to be, you might notice that your heart is troubled. It's not you that is being troubled, it is GOD in you that is not comfortable with that place, just know most stress, trouble anxiety you feel, are not yours, it's GOD that expresses HIMSELF through you. So, if you are born to a family where there is poverty, you are the property and the riches, if you enter into a city where, there are so much unbelief, you enter in a family where there so much idol worshipping, and you feel there is no presence of GOD here, you are the light of that nation. GOD will open your eyes to see trouble because, you are the solution for it. One sign that you are a solution to a trouble, is you are the one that is annoyed the most. You are the one feel distress about it the most, and the solution is with you. It's not with somebody else; the solution is with you, many people don't know the sign and the movement they feel, and they just think, OH, I'm just tired of life' 'The bible says to whom much is given, much is expected, there's something that will be pushing you, when you are in a small place that you're not supposed to be. GOD inside you can be distressing you, you are not supposed to be here, it is not a bad sign, there's what they call desire. Desire is not a bad sign, you are living in one bed room, dirty house, and you are desiring two, it's not a bad sign. Sometimes GOD speak also through desire. GOD speak through you or communicate through your heart that is a candle lamp, HE can speak to you through desire, the desire to pray, desire to separate yourself from people, desire to go for long fast. You don't just know what is driving you, but will be a desire. A girl that was fifteen, went to get pregnant. When she discovered her stomach was getting big, she was happy and went to tell her mother that, she's getting fat, it's the mother that notice a difference and say, 'NO' you are pregnant and when they caught the young boy that impregnated here, he was still fifteen. And the boy said 'I 'm not the father, they say 'why do you think you are not the father? 'He says, 'I only did it once''. One coming to talk to you today, because some of you, you are like that young girl that is fifteen years old that think the stomach is just getting big, YOU DON'T KNOW WHY YOU ARE GOING TROUGH WHAT YOU ARE GOING TROUGH. You don't know it's GOD that is trying to push you or communicate to you, because there's something HE HAS placed in you, **and you must fulfill it**.

CIRCUMSTANCES=GOD can speak to us and direct us through circumstances of our lives. This dynamic occurs as GOD opens and closes the doors of opportunity. It is easy to misunderstand this principle and think that any time we came up against an obstacle in our life that GOD cannot be in it. However, keep in mind that any time we are doing something for GOD, THE DEVIL WILL OPPOSE THAT. So, the secret to know what your doing is the voice of GOD to you, check it firstly if it is relay to GOD'S will. Also measure by your spirit, that are you feeling peace over that opportunity, then the peace of GOD in your heart will help you to determine it firstly.

SPIRITUAL HAPPENINGS=Another way GOD use to speak to us, is by, SPIRITUAL HAPPENINGS. There are supernatural incidents that correlate with natural events, notice in the book of numbers, Aaron's rod come alive after being dead, and bore blossoms and ripe almond as a sign from GOD that he was anointed to be a leader of Israel. **[Numbers 17:2-8.]**

LEARN TO CONSULT HOLY SPIRIT=You ask yourself this, I have made my mind to do this business, I have made my mind to do this job, what make you to made up that mind? Did you consult WITH THE HOLYSPIRIT? Hoh! no. why? because they just not train to do that, they never thought about that, they won't rise for that., some are spiritual babies they don't bother to ask HOLYSPIRIT. Most people are **carnal mind** that is the problem. The secret of life is to find consult TO HOLYSPIRIT in everything you are doing. They are walking by the level of their human mind.

HOW TO KNOW WHEN GOD SPEAKS TO YOU!!

If you want to know when GOD talks to you, if It is GOD, don't **speculate** otherwise you go in a wrong direction in life, don't speculate, don't say, I know when GOD talk to me, Hoo! what does it sound like? **You want to know when it is GOD speaking? Know the written word, HIS voice will never be different from what HE'S written.**

FOCUS ON GOD WHEN YOU LISTENING TO MEN OF GOD. =When somebody is speaking focus on what GOD is saying through HIM, because GOD speaks through donkey, just **focus** on what GOD is saying, He can say something that will change your life forever. [Just **focus** to what God's saying.

ALSO, GOD SPEAK THROUGH LOVE. We learn this from JESUS himself and from POPE JOHN PAUL II, in hearing GOD through love is less about a physical voice and more about learning to recognize HIS nature, because the bible teaches that GOD is love. [1john4:8]so when you tune your heart to love, you beginning to recognize HIS voice more clearly. Here's howe you can grow in that. Start with love as a foundation. GOD'S voice will never contradict love. **If what you feel and hear brings; PEACE, KINDNESS, FORGIVENESS, COMPASSION, It Aligns with GOD heart.**

Test what you hear

- 1.Does this lead to love?
- 2.Does this bring peace?
- 3.Does this reflect JESUS?

If yes=it's likely GOD leading you. SIMPLE TRUTH, GOD doesn't shout over confusion speak through peace, love and truth.

HOW SATAN SPEAK [What is the voice of the devil?]

As a believer you are military personnel, when the devil begin to give you **thoughts** and **imagination** that look at your life?, do you think GOD means well for you?, look at your life !!, that is not time for you to cry, it is time for you to be verbal, what Satan put in your mind as a thought, reply him as **a word**, when He give you as a thought, reply him in **expression**, reply him **verbally**. **Always the voice of Satan is to make you to question GOD'S ability to help you.** To make you doubt and question GOD'S word over your life.

THE DEVIL'S VOICE. SATAN ATTACKS THROUGH STRESS AND FRUSTRATION.

One of the greatest strategies the devil uses is to bring stress and frustration into your life, so that you fail to hear the voice of GOD.

Stress is used to **distract you and pull you away** from prayer. He can even use the people closest to you to create confusion and pressure, all with one goal-to stop you from praying and hearing GOD clearly. Satan can use your relatives and your friends to attack you mind to block your spiritual eyes, he can use your Husband or your wife, parents, children anybody closest to you.

SOLUTION=After doing research and asking myself this question for a long time, I discovered the solution; whenever you are in prayer, you must close every door and shut down every pathway the devil uses to access you [MATHEW18:18]. **THIS IS TO PREVENT THE ENEMY FROM USING THE PEOPLE AROUND YOU TO ATTACK AND DISTRACT YOU.**

When he fills your mind with stress and anxiety, he begins to gain ground over you. At that point, you, you become spiritual mute and deaf-you cannot speak to GOD effectively, you cannot hear HIS voice. Refer PHILIPPIANS4:4-6.

When demons come to scan you, they check your sleep life, laziness, they check your sex life, they check your entertainment life, they check your eating life style, they just find your area of weakness. There was a lady who eat every time even in the midnight she eats, she doesn't know about fasting. Satan they will scan it, yes and you must be that individual that, your only lust is HOLY GHOST IS JESUS. So that's the orientation you must sustain, for you to be a candidate that will always win, I have seen people that have made two victories ,then one loss, two victories is because there's an appetite, that has not been conquered ,so when HE says we wrestle not against flesh and blood, He says that a master program, that previously we had to put our body under subjection, previously we have to put everything that has the ability to influence us. In its proper place so right now, we are no longer wrestling with flesh and blood, we can now engage principalities, we can engage powers. HE SAID WE WRESTLE NOT AGAINST FLESH AND BLOOD. The secret Satan use is to attack your silent time with GOD; He will make you so buzzy to insure you lack self-time with GOD. [SILENT PRIVATE TIME WITH GOD].

The number one strategy Satan use is to attack your time with GOD. Satan will make sure to **attack you so that you don't get quiet time with GOD.** He uses great effort to prevent you from having moment of silence with GOD-ONE-ON=ONE FACE TO FACE. He will not allow you to reason with GOD or to think together with HIM.

Satan tactics, he makes sure to use someone to provoke you so that through your response, he can gain access to you. A person may say something that deeply hurt you, and you wonder how it happened-but it is Satan operating behind them. That is a trap of the enemy, set to capture you.

LEVEL OF SEE.

The three levels of seen you must understand, if you real want to see in the spirit.

Number one is spiritual awareness which is called the **inner known**, you sense something spiritual ,you see it within yourself, forex sample you walking in a room and feel heaviness in that

room, you can feel the presence of another spirit in that room, you can see within yourself, or you just know something is in this room, it is an inner known, you just perceive, you just knowing, and this is the beginning of level of spiritual realm, when man of GOD beginning to know things, **you beginning to perceive things**, you enter the place and you perceive something is wrong in this place, or there is angelic being in this place, that is the first level of spiritual sight, that the person is given access to the spiritual things, so at this level we perceive, at this level we know, we are able to perceive the presence of Angels and demons, To be able to tell what type of spirit it is, if you minister to this level, there are blessing you enter, when you enter the church you can discern the atmosphere, the temperature of that church, by perception it is the first dimension of the first level of seeing in the realm of the spirit. Please know this, every believer you should be able **to perceive things**, even if you enter in the Hotel room, you must perceive what is in that place. I must know what is happen in that place, you can't just enter and lie down, you must able to know, perceive tell, what is in this room and what is not there. In order to help other people to overcome spiritual attack in that area. If you don't know, this is why many **people die before their time because of spiritual attack**. The inner known is the first level of see in the spirit in the realm.

THE SECOND LEVEL OF SEEN IS THE INNER VISION; from the first level of perception you move to inner vision, the inner vision, is when you beginning to see picture, when you beginning to see short vision, at this real or at this level, the individual can see pictures, all of a suddenly you can be praying, you can see a flash of a picture, or flash of a women, or you see a face of your brother or sister or someone., You were not thinking about your mam or that person, and sometimes, the face of a person that appear to you, you were not thinking of HIM or her. When you praying your prayer and all of a suddenly HOLYSPIRIT bring that picture to you, so you should know that GOD is **trying to communicate to you**. Even during ministration take note of this, you can just be ministry, walking around preaching all of a suddenly you can see a face of someone, that is GOD message to you to pray for HIM. GOD don't bring picture for entertainment, or enjoyment, if you see the picture, it means that GOD is trying to communicate something to you about that person. Never ignore picture or dreams that appear to you in your prayer or in your silent moment in meditation, or in ministration or when you are stand Infront of the people. **Never ignore them, and at this level, how faithful you are in that picture, will determine how GOD will move** you or upgrade you. So do not ignore spiritual burden, that burden is for lifting you up to hear GOD more and more AND SEE CLEARLY IN THE SPIRITUAL REALM. There was this man came to me and by the grace of GOD, When he come to me he didn't tell me the is a case false statement, He just came to me, He just want me to pray for HIM, When He came he seat it weas one by one with my friend, As he speaking I just saw a court Infront, it came like a picture it didn't come like a vision, I just saw a picture and I tell him, there is a case disturb you, I ask sir do you have anything to do in the court, The old man crying and screaming, I said what is happening, he was crying, because HOLYSPIRIT revile what is going on secretly. Me I was just saw a picture. I saw a pad lock, it means Denial, can't go ahead and tell him more what I saw, that will be immaturity as a Christian watcher ministry. As a young watcher you don't say what you see, you interpret what you see before you said it, if you don't interpret what you see don't say it. It is your responsibility to interpret it to the understanding of receiver, you don't present it the same way you receive it, sometimes you want to do business with someone, but in your dream, you see snakes, it means the spirit of deception don't do it, with that manor he will become an enemy Leiter. Your responsibility as a watcher in Christ is not just insight but, but ability to interpret the voice and the sight you have seen. Interpretation.

LEVEL TWO=don't take it for granted when you see pictures, push for the meaning and the interpretation of those pictures, Then GOD will be going to be use to do something greater, either in picture, vision or revelation. And sometimes during prayer you see flashes, the vision that can last for four seconds, or sometimes you can **see the symbolic message**, Glass of water, camera, whatever it is, know GOD is speaking something, or know GOD is trying to communicate something to you, so attend to it.

THEN THE THIRD DIMENSION WHICH IS THE HIGHER AND REAR DIMENSION IS THE OPEN VISION.=The open vision is talking about external perception, where you are able to access to the spirit realm, and you are able to see things, you are able to sustain a dimension, where there is a communication in the realm of the spirit even when you are weak your senses are active to the physical world, meanwhile ,you are stilling seen in another world, in an open vision the way you are seen in the physical is how you see it in the spiritual, Many people who see the open vision at first time ,actual thought it wasn't a vision, sometimes it can be so real, to the extent you think it is not a vision, while it was a vision, another world will just interface your world. You will just see another world without your knowledge. How many you sometimes are like you saw someone Infront of you, all of the person disappear again that are open vision, look like, and you ask that person, Ey!! I saw you, but you where there, because open vision when it happen they look like realty, it is another world ,you just have access to another world, and it just look like real it look so real, many people who do not understand this real ,normally think there is no this real, know it is real, the one who enjoy this is prophet EZEKIEL 37.From one vision to another vision, even himself he was confused, that was a how GOD was dealing with EZEKIEL. Open vision every day, that is the high level of see in thew spirit. Let me say this as a man of GOD when you see this, when you enter this real or dimension, if you're not careful you will become very predecease it is the dimension when you see vision with your eyes open. What ELISHA servant saw it was open vision, his senses were not close to the physical world, you will also have access to the spiritual world, so he saw the charioted saw the horses, surrounded the mountain with angels ready to kill the military but by the command of Elisha didn't kill then, we were ready to strike, he was already surrounded them. They were surrounded by the army of GOD, IN THE REALM OF THE SPIRIT, SO YOU SEE IT WAS REAL. **But it wasn't visible**. Spirit realm is real but not visible to everybody. So open eyes are when you are able to see in the physical, and also able to see in the spirit world,

You have to advantage you have sight in the physical and sight in the spiritual, Paul had an open vision, In a book of. Revelation PAUL had open vision, OPEN eyes is when you are able to see the physical also you are able to see their spiritual, **it is not difficult when you ask HOLYSPIRIT**. He will do it for you. Very important open vision are highest dimension ,even though we have close vision, but close vision is when you are no longer on this earth, when your **consciousness** have been taken from you, forex sample some people when you are praying for them and they under the anointing ,they no longer see or know what happening in the physical realm, there are people before you realize ,they wake up Infront, and they wandering how did I get to the front, they don't know even how? They are wandering, how did I get here, there was a close vision, some of them you see them arguing, they go there because there was close vision. They will argue some will even travel many years ago, and some of them see the demons that we call traveling in the spirit with close vision, in Act chapter 9.Paul saw the closed vision the bible say, and when the PAUL saw the vision the people were around PAUL ,they didn't see the vision, it is only PAUL Who saw it, even in that vision PAUL senses was not active ,that was close

encounter ,where senses are closed to the physical world, in a close vision, we can close the church go home and you don't know, it is not like your sleeping, You are in a vision but your physical body you are not having control over it. It is jousting laying down. That is why KATHRYN KUHLMAN died, it took a family one week to declare him dead, because several times ,it will do like is dead, and before he announced ,she is back, so this time ,it took them one weak ,when they announce the death of a man, it was after one week, after died in one week, They now came out publicly ,because they have done everything ,doctors upon doctors, confirm that is dead, they now say is dead, because you don't want to announce him dead, and before you realize the following day is back.

THERE THREE WAYS TO ACCESS INFORMATION FROM THE SPIRIT REALM

- 1, By hearing in the spirit
- 2.By senses in the spirit
- 3.By seen [eyes in the spirit]

This statement looks complicated but it is the really concept **[In the spirit world we hear by our eyes and we see by our ears.]** Physical realm is different with spiritual realm. [This is a part of the book called 'HOW TO HEAR THE VOICE OF GOD AND SEE IN THE SPIRIT'].

MATTHEW8:8 "SAY THE WORD ONLY, AND MY SOUL SHALL BE HEALED." So, the voice of GOD brings healing, GOD'S voice is a solution to your problem. Find what GOD is saying about your situation?

ISAIAH 30:21AND THINE **EAR SHALL HEAR A VOICE WORD BEHIND** THEE, SAYING, THIS IS THE WAY, WALK YE IN IT. WHEN YOU TURN TO THE RIGHT AND WHEN YOU TURN TO THE LEFT. So, learn to access the voice of GOD.

ALSO find the book called SECRET OF LIFE. = IN this book it shows and it will teach you the secret of life in GOD'S umbrella. IN THIS KINGDOM YOU LOSE TO WIN, YOU DIE TO LIVE, YOU GIVE TO RECEIVE, YOU GO DOWN TO GO UP, YOU ARE LAST TO BECOME FIRST, THIS IS THE ORDER GOD HAS PUT, SO THAT AT THE END OF THE DAY, ANYBODY WHO MAKES IT, CAN NOT TAKE THE GLORY, HE WILL ALWAYS GIVE GLORY TO GOD BECAUSE IF GOD DOES NOT COME IN ,THERE IS NO WAY YOU WILL HAVE SUCCEEDED.

Also find the book called HOW TO CUT OFF THE CHAIN OF POVERTY. =After 25 years of research I realize this, I learn money is not wishes but it is attracted, moneys flow in direction of values, when you offer values money comes, **YOU WANT TO SEE MONEY, THEN OFFER VALUES.** Money is exchange of values, money offer value, Mooney moves, that is why it called currency, money hate delay, money like speed. That is why we don't save to be rich but we invest to be rich. Sorry for the bankers, always a man who put money in the bank always he will die poor, you don't save money you invest money you use it, because the more money you save the value drops, the hundred thousand of last year is different from hundred thousand this year. You don't save to be rich; you invest to be rich. As money comes put back to the business. Keep the cycle.

In this book show how to creates channels of blessing, if you are a giver and not a worker you will still be power, because giving open the heaven, working create the channel for blessing, GOD does not through money from heaven, so it's the works of your hands that HE prospers, so if you are doing nothing, GOD has nothing to blessed. **I took time, years of research to ask GOD, A deep question. I say LORD how come the so called deliverance churches are not wealth, and how come churches that are not deliverance church are very wealth,** then I get the answer ,deliverance church focus on self, do all night against witches, that's self-do, do 12hours prayers, for open doors self, Any church that focus on self can never be prosperous, the church that are focus on the kingdom are richer. Are you getting what am saying now? Ok, you did all night, the all night you did is for yourself, but you never did one prayer point for the kingdom of GOD, that's why you're praying 40days prayer and fasting without result. Example Father, they must make me ambassador national excellence. Now all the witch stands against my ambassadorial appointment, I cast it down. As I am going now from Amsterdam to Frankfurt, from Frankfurt to New yoke, I pray flight go well. Every prayer point it is all about self, self, [self-center] selfish. The

result doesn't match there's somebody pray FATHER the kingdom of GOD let those be saved, getting more results, is that clear? JESUS say this is a pattern to pray my kingdom first, then give us, this day our daily bread.

A very difficult riddle; AN eye for an eye makes the whole world blind.

Another riddle is: if you are not real dead for Christ, you will still feel pain of life, because you are not dead for Christ yet. [find the book on how to live above the pain of life]. consider yourself to be dead if you want to live above the pain of life. If you live your life for Christ do not consider that painful situation as the obstacle to steal you joy in CHRIST JESUS. **ROMAN 6:11"RECON CONSIDER YOURSELF TO BE DEAD FOR CHRIST.** 'The word recon means consider. Are you considering yourself as a died person for Christ, your desire dead and Christ live in you? =If not, that will be a reason why you still feel pain of life. Because your soul is not dead for CHRIST.

1CORINTHIANS 14:10 THERE ARE, IT MAY BE, SO MANY KINDS OF VOICES IN THE WORLD, AND NONE OF THEM IS WITHOUT SIGNIFICATION.

=There are many voices in this world, but it depends on which one you choose to listen to and allow to guide you.

If you want to walk with GOD, always remember this, to be absent from the body is to be present with the LORD JESUS CHRIST.
