"GATEWAY TO HIS VOICE" [THE BEGINNING OF HEARING GOD].

It does not matter how much chaos is upon the face of the earth. If GOD speaks, the whole of creation is subject to the utterance of GOD.

NOTHING IS DIFFICULT WHEN YOU HEAR GOD=THE EASIEST WAY TO PROGRESS IN LIFE IS TO HEAR THE VOICE OF GOD. Nothing is difficult when you hear the voice, it can level mountains it can cause ocean to divide, it can cause quails to come from nowhere, to the wilderness and give you more than enough, when they walk through the wilderness ,they walk in abundance, because abundance was an **economy in the voice**, the day the voice shuts down ,that day you begin to die, and so if you want the HOLY SPIRIT to constantly walk in your life, the secret is access to the voice ,how much of it do you have, you are not rich, because you have a billion in your account, no! No! You are rich because the voice of GOD dwells with you, that's what wealth is in the spirit, money is not wealth, wealth it's the economy of the voice that provokes wealth.

HOW TO HEAR THE VOICE OF GOD OVER A MATTER AND NOT YOUR EMOTIONS=If you want to hear the voice of GOD about a matter and you don't want your emotion to speak to you ,you just want the voice of GOD, Then this is what to do, are you aware that **sometimes your emotion can speak to you, and you think it's the voice of GOD**, now this is what to do, whenever you want to hear the voice of GOD, over a matter, never **idolize anything** in your heart, for example, you have two job

opportunities, you know you like one, when you are praying ,to GOD to speak to you, remove your love for that job in your heart, listen you can even be very sincere with GOD, you tell LORD, THAT lord I like this job, but LORD anything you tell me to do I will do, let your will be done, **detach your emotions**, just what the bible said in EZEKIEL14:3THE BIBLE WAS SPEAKING, HE SAID ,THE PEOPLE HAVE PUT IDOLS in their hearts, and because of this ,**they can't see clearly again**, **they have stumbling blocks before their faces**, they could not see what GOD was saying because of those idols in their hearts, so intentionally detach your heart from it and say LORD, speak to me, **you will see that GOD will speak** to you in the dream of the night, or it can drop something in your heart, so you can now hear the LORD say, go after it, sometimes LORD will say oh don't go after it, hold on. The hand of GOD is might upon your life. **DAILY CHARGE=DO EVERYTHING THAT BUILD YOUR DISCERNMENT. Those who are born of GOD are led of GOD, BUILD YOUR SENSITIVITY, if worship builds your discernment worship, if prayer builds your discernment pray, if meditation builds your discernment meditate, because there are those who didn't live to regret, you must be led by the spirit of the LORD.**

LIFE IN THE SPIRIT= Always remember this in the kingdom of GOD, you'll always be tested in the places where your strength is and your assignment is. Maybe you're going through this because that's the very place GOD wants you to use you to heal men.

THE EASIEST WAY TO CONNECT TO GOD'S FREQUENCY;

The bad word from the mouth can kill a person, The fastest way to kill someone is just gather five people, let them say a dream for you. Five people, if just five people call you the same day, this one say, I saw you died, 'Another one say I sow you die, 'The building imagination on you unknown to you. You don't know, those five people call you and say you died, 'we saw you died, 'and you started accepting it. **Then fear comes in**, you must die. So, as you are hearing it cast it down. The LORD say to me, the fastest way to link to my frequency is through thought. 'Not just talking, not confessing scripture, if I want to link to GOD, you link to HIM through your thoughts. HE said my thoughts are not your thoughts, as the heaven is far above the earth, so my thought is higher than your thought, **and if you can grab those thoughts, you will manifest GOD'S way, so the devil also wants to bring you to his level, He give you thoughts. In life we say I'm using MTM, that's you use to get the internment. Through WIFI, then antenna for signal, we connect in spiritual realm through devil or GOD with thoughts, your antenna for connecting to GOD or the devils is your what? =thoughts.** so, if GOD want to transform your life, HE changes your thoughts. And if you want to destroy your life, The devil connects to you with thoughts. HE starts feeding you **with thought of defeats**. If you don't cast down imagination, if you don't cast down dreams, they will cast you down. So, you have to revoke against it, you have to reject it, casting down imagination. CASTING DOWN IMAGINATION AND EVERY HIGH THING THAT EXALTED ITSELF AGAINST THE KNOWLEDGE OF GOD, AND BRINGING INTO CAPTIVITY **EVERY THOUGHT** TO THE OBEDIENCE OF CHRIST; 2CORINTHIANS10:5.If you get consistent in prayer and fasting and studying the bible, you will hear the voice of GOD clearly, grow in faith and in the power of GOD, Your greater honor will come to you when you grow in grace, faith is the function of depth with GOD. A person who doesn't press into GOD will find difficult to believe in GOD.

HAW TO DESTROY YOUR PROBLEM? =HOW TO OVERCOME IT. Don't tell GOD about your mountain tells your mountain about your GOD. Because the big problem is many times, we tell GOD about the mountain that is a first thing we do and that is a big ignorance to our generation. Don't tell GOD about your mountain; just tell your problem about your GOD, because many times we tell GOD about the mountain, that is the first thing, because we think the mountain is so big than our GOD, we glorify our problems more than GOD. Because we see a mountain is so big because it is intimidating, I look into a mountain my help will come from, then He said my help does not come to this mountain, it comes from the LORD, THE MEEKER OF HEAVEN AND EARTH, let me tell you this, your mountain can move. Faith on the possession is faith on Satan. **Faith on the possession is Satan** trap. Many people may not understand the word faith on possession, means when you beginning to worship that possession and that possession seem to take your time, your quality time, your precious time, your dear time off GOD. That is faith on your possession. Faith is not a feeling, some people base their spiritual experiences on feelings and emotions, for your faith to be consistent to be genuine ,it must base on something with more stability, than your feelings feeling are influenced by temporary things, what do I mean? what we see, what we hear ,what we read, what others tell us, the question you need to ask yourself, what could be more stable than feelings? GOD'S word is stable than feeling. When we feel offended, we do not know that we are trapped. By angry You say inside you, I will deal with HIM, you do not know that you are trapped, because offence is an instrument **used by Satan to blind us** on the realty.

WHAT BRINGS US CLOSER TO GOD=IT IS MEDITATION THAT TAKES US TO HIM, AND WHEN WE GET TO HIM, WE PRAY BUT YOU DON'T MEDITATE AND YOU PRAY, IT IS MEDITATION THAT CARRY US TO JESUS, TO GET THERE IS BY MEDITATION, AND WHEN I GET THERE PRAYER, ASK YOU SHALL BE GIVEN, KNOCK IT, AND SHALL BE OPENED, THAT IS PRAYER .THE PICTURE OF YOUR LIFE IS YOU ARE HERE AND YOU ARE ASKING FOR THE FRUIT ,WHO WILL GIVE YOU THE FRUIT, MEDITATION REMOVE OBSTACLE AND TAKE YOU THERE, THIS IS WHY WE SAY ,MEDITATION IN GOD'S WORD IS A VISIT WITH GOD. Watch and pray. Always remember what GOD'S want you to remember and not what devil wants you to remember. If devil reminds you past, remind him of his future ISAIAH43:18 REMEMBER YE THE FORMER THINGS, NEITHER CONSIDER THE THING OF OLD. DO NOT BE THE PRISONER OF THE PAST. In the world where offence is inevitable, how do you choose to respond? To hold on is to remain trapped, but to let's go is to be truly free. What choice are you making today? THE QUESTION IS TO IDENTIFY GOD'S VOICE, HOLY SPIRIT LEADS. **YOUR THOUGHT OR GOD'S VOICE?** Your thought rush, **GOD'S voice leads. There is a different between being pushed by pressure and being led by peace.** PSALM 23SAYS HE LEADS ME BESIDE PEACE FULL STREAMS. GOD never drives you with anxiety, the HOLY SPIRIT doesn't shout over your fear, He gently leads you through them, if what you are hearing is frantic, rushed, and forceful it is likely not HIM. **If it is clear, calm and steady and true, that is the voice of HOLY SPIRIT.**

HOW TO SEE IN THE SPIRIT REALM

Your spiritual eyes are real organ in the spirit PAUL prayed, that the eyes of **your understanding be enlightened** means.”EPHESIANS1:18]. Enlightened means to shine, meaning GOD can brighten your spiritual eyes, but not every believer uses them. The fathers sharpened their eyes through consecrations; Apostle BABALOLA saw demons fleeing at the sight of Angel. Kenneth Hagen saw JESUS multiple times because his inner eyes were trained. Papa IDAHOSA, RAIN HARD BONKE, POP JOHN II, has encounter that shaped nation, because his spiritual eyes were alive, **Men don’t walk in power until their eyes open.** *To activate your spiritual eyes, stay in the presence until light breaks. Pray deeply worship intensely. Study scriptures prayerfully. Worship intensely, study scripture prayerful, as your spirit become sensitive, inner pictures, revelation, and impression will start rising. Don’t dismiss them as imagination trains them by consistency.* When your spiritual eyes opened, you gain advantage in life. **You discern danger before it appears.** Your will see destiny path clear. You interpret season accurately. Your life becomes directed by heavenly sight, not earthly assumptions.

HOW TO WALK WITH GOD=THOSE WHO WALK WITH GOD DON’T JUST SOURCE INFORMATION FROM ANYWHERE! THEY LOOK BEYOND THE VISIBLE. IN A WORLD OF NOISE AND DISTRACTION, STAY LINKED WITH GOD! Whatever you read, whatever you hear, whatever you see, whatever you feel, whatever your circumstance look like, should be examined in light of GOD’S word. ‘It is not even just people fault. Even we, ministers of GOD-When you meet many of us, they will say, this is what people are saying. When you meet many of us, they will say, this is what we have read, when you meet many of us, they will say, this is what we saw on the screen. It is a big confession, a confession of weakness. That “I am not linked with GOD. When, I am not link with GOD. I will source information anywhere.’ The bible says in the book of PSALM EVERY ONE LIES TO HIS NEIGHBOR: WHOM CAN WE BELIEVE? =GOD.

THE SILENCE OF GOD IS A LANGUAGE ITSELF! =

I TOLD YOU THE SILENCE OF GOD IS A LANGUAGE ITSELF, When GOD is not speaking ,HE is saying something, you must learn the language of HIS silence, the language of his silence means ,I’m teaching you faith, the language of HIS silence means, I’M building you, I winning you like a mother wins the child, sometimes will cry, still desiring the breast milk as usual, but she love him too much to level HIM in that state ,you must learn, most believer do not know how to live in the silence of GOD, If you depend on the voice of GOD alone, familiar spirits will speak to you, when you got to those time, they will come in the seminude of the voice of GOD, But you must muster HIS presence, so that even when you don’t hear HIS voice, you are comforted that because is with me, I know I am alright, may be someone is in that season right now, you have been praying ,LORD talk to me, I been trusting you may be for a job, or child ,or trusting you may be for a spouse, I have been trusting you may be for house, The last time you spoke to me about that issue was 2026.You just say cheer up and be comforted ,okay it’s two years no job, no child are you still here, I am teaching you that ,the silence of GOD, is because you’re going to get more than a child, its anointing that is on its way, it is like Olive Oil being crushed, by the time you have that child you will not have a baby, you will have anointing to replicate that miracle in others. **WHENEVER YOU ARE VERY QUICK, YOU WANT TO MAKE DECISIONS, GOD IS NOT INVOLVED. YOU WANT TO START A BUSINESS WITH SOMEONE’S, THE PERSON IS TELLING YOU, YOU HAVE TWO DAYS TO MAKE DECISION, BECAUSE YOU CAN’T GIVE GOD TIME, WHEN TO SPEAK, CAUSE GOD MIGHT NOT SPEAK YOU THAT TWO DAYS YOU GIVE HIM.** TWO THINGS THAT WE DO THAT GET US TRANSFIGURED=There is a secret to be transfigured, the two things that we do that transfigured, and the more you do them, the more of that transfiguration you will experience, firstly is

from the prayer, when you pray in the HOLY GHOST, praying in unknown tongue **does this in your spirit, He that speak it in an known tongue, edified himself, HE is charged, to edified, you are build up, like you are** build up the power of the battery ,which means your light glows, you like to recharge your phone, what happens ,it get brighter it glows, so the secret is to take the scripture and speaking in tongue to charge your spirit. WHY SHOULD HEAVEN TRUST YOU WITH THE ANOINTING? =WHAT'S YOUR PURPOSE? **What's your motive?** Now scripture says ,JESUS said the spirit of the LORD is upon me, no HE says because, HE has anointing me, there is a separation of statement, scripture does not say, spirit has anointed me, scripture says the SPIRIT OF THE LORD, is upon me, because, there is a reason why, GOD will relies anointing upon on someone, scripture speaks reasons, all the reason they all speaks purpose, GOD will not anoint a person, without purpose, there is a purpose behind, so the word because, speaks of purpose ,may I ask you a simple question while your sited, do you have reason? because GOD should not put the anointing to you, because GOD does not anoint head, he anoint because, scriptures says ,HE has anointed me **because**, it speaks few things, ***"THE SPIRIT OF THE LORD IS UPON ME, BECAUSE HE HAS ANOINTED ME TO PREACH THE GOSPEL TO THE POOR, HE HAS SENT ME TO ALL. THE BROKEN HEARTED, TO PROCLAIM LIBERTY TO THE CAPTIVES AND RECOVERY OF SIGHT TO THE BLIND, TO SET AT LIBERTY, THOSE WHO ARE OPPRESSED;luka4:18.*** How did JESUS Christ do this, he literal there is time JESUS will cast out demon from people, not only that those people who were oppressed, HE gave them solution, this message is not for everyone, it is for those who have purpose in **their journey with GOD**, But the spirit of GOD was already received, most we receive the HOLY SPIRIT. What GOD mean to put a spirit, we must understand ,the spirit of GOD is distinct with functionality ,JESUS Christ ,HE had the spirit, was born by the spirit, but in particular day the bible says when he was preaching ,the power to heal, came into the room, until the scriptures say when it discovered ,the presence of healing was available, he began to heal those who were sick. Is JESUS a healer, yes, HE is a healer, but as I said to you GOD is a GOD of carious, when that time comes, He will do what HE says he will do. AND today know your responsibility in order to attract the anointing of GOD. What GOD anointing are that responsibility.

HOW TO CONTROL LIFE? =UNLOCKING THE POWER OF MIDNIGHT PRAYERS. =There's no one that want to be outstanding in life that does not understand the power of midnight, if you real want to change your destiny, you must utilize your midnight, when I give my life to Christ, I discover that ,there were many branches, that linked to my tree, branches from my father's side, branches from my mother's side, branch that my Father was carrying the biggest masquerade in my village, branches of the river that is in our village, that we are answering sir name, so there are many branches, and the LORD said to me, to cut free from these branches, you have to be waking up every midnight, then HE said ,then you will pick one time, if it is twelve12,maintain 12,if it is one maintain one, if it is 2mantain 2,if it is 3mantain 3,you must wake up command, break,set yourself free, separate yourself, one hour midnight prayer is equivalent to three days dry fasting, when you start praying time this prayer GOD will start, taking you into a territory, one step at a time, you will find your entry place that you don't know, where they took things from you, were they chained you, were they took things from you, where they chained you, where they tied your family, **GOD will show you everything and set you free**,MATTHEW13:25 BUT WHILE MEN SLEPT, HIS ENEMY COME AND SOWED TARES AMONG THE WHEAT AND WENT HIS WAY.[NKJV].if you real want to control life and you want life not to cheat on you, don't over use your midnight. Do you know that for GOD to take something out thing out of ADAM, HE put Adam in a deep sleep, if they want to take anything from you, is when you are in a deep sleep, and that is midnight? **if you real want to change things is when people are sleep.**

GENESIS1:2THE EARTH WAS WITHOUT FORM, AND VOID; AND DARKNESS WAS ON THE FACE OF THE DEEP. AND THE SPIRIT OF GOD WAS HOVERING OVER FACE OF WATERS.[NKJV].And if you real want to change things is when people are sleep, **Night is what give birth today, whatever you do in a midnight, will determine how your day will be**, LUKE 22:53 WHEN I WAS WITH YOU DAILY IN THE TEMPLE, YOU DID NOT TRY TO SEIZE ME, BUT THIS IS YOUR HONOR, AND THE POWER OF DARKNESS.[NKJV].A hour when the controlling force of darkness, is to speak over means life, control men destiny, here is an hour where the power is in high dimension, that is when you should address them, there are some prayers you don't pray during the time day, there are some command you don't command ,you command them in the midnight. Wake up at least one hour, I'm not saying be wake all throughout the night and shout, hey ha! Ha! You need to go to walk, just one hour, make sure it is 12 to 3, you are praying when you want to go into midnight prayer, don't pray five hours today, sleep tomorrow, no it's better you are taking even if it's 30, minutes than to pray five hours today and to pray for another one week or one month it's time persistence, that's the key. If you can maximize your midnight, there is nothing that will happen into your family, that GOD will not show you, there is nothing that will happen **in your life that GOD will not show you. THE MASTER KEY =There is a key that can open anything, doors of cars, doors of rooms, etcetera and etcetera and it is called the master key**, I discovered the master key, to getting everything I want from GOD, by the grace of GOD, I discovered it early, for example ,I know that faith is a master key, without faith it is impossible to please GOD, So you want to please GOD you **must have faith**, but I know that, faith is a limited master key, why the bible says, faith works by love, that means love is more powerful than faith and faith its more efficient and on the master key, the one that can open any door is called HOLINESS, if you learn that secret today, you are on the highway to heaven, because holiness simply means absolute obedience to GOD, GOD says sit down, you sit down, standup, you stand up, witness, you witness, pray you pray, fast you fast ,you just want to hear what HE wants you to do, and you are already to do whatever the cost, you got the master key's wish all young person will know that, and know it now, that is the best thing, they need to know. **YOU CAN HEAR THE VOICE OF GOD THROUGH A MUSIC=This let you know that demons love depression** but they hate joy and happiness, it really wants' the music,the music put a man in an emotional state and when he got in that state, in that state the demon could not handle that emotional state, example in a worship song, demon cannot stand in that atmosphere, because one of the thing you have to understand about demonic kingdom, they cannot deal with love, they cannot deal with hope, they cannot deal with happiness, and they cannot deal with joy, the bible says, when it comes to depression, it says joy will drive it away, so if a man can play a music and it put a man in an emotional state for a demon to leave, it called the law of opposites,you can play music and put you in an emotional state for demonic to come into your life, so a lot of people that have problems ,they didn't know it come from the music, **whoever you listen to what they're doing in their personal life is being driven into your soul**, include Christian music, because some Christian music is raggedy, this let you know demon can inter through music. **WHY DO YOU NEED TO HAVE THE POWER OF THE HOLY SPIRIT? It so that you can fulfill your destiny** ,in LUKE5and I will just give you examples very quickly,LUKE5:1-11.JESUS CHRIST HAD SPOKEN TO PETER, YOU KNOW THE STORY, PETER FISH ALL NIGHT, ought nothing, JESUS BORROWED HIS BOAT TO PREACH, AFTER HE FINISHED PREACHING, HE ASKED HIM TO CAST HIS NET TO LOACH INTO THE DEEP AND CAST HIS NET, HE DID HE CAUGHT SO MANY FISH, TWO BOATS WERE FULL, AFTER HE HAD FISHED ALL NIGHT NOTHING, THEY HAVE CAUGHT NOTHING, AND WHEN HE WAS FRIGHTENED BY THE MIRACLE, AND HE SAID THAT ,LORD I DON'T DESERVE THIS KIND OF MIRACLE, I THINK YOU

SHOULD LEAVE ME, THE BIBLE SAYS JESUS CHRIST SAID NO, NO !NO, FROM NOW YOU WILL BE CATCHING MEN, He told HIM your destiny is to win souls ,but more than three years passed ,and Peter did not win a single soul, but the day on the day of Pentecost in ACT2 and you can read the whole chapter from verse1 to 41.ACTS2:1-41 WHEN THE HOLY SPIRIT COME AND POWER DESCENDED THE POWER THAT JESUS PROMISED COME, THEN PETER PREACH A SINGLE SERMON AND WON3,0000 SOULS, We need the power of the HOLY SPIRIT in everything we do in our lives, whatever you do, just ask HOLY SPIRIT first. THE QUESTION IS TO IDENTIFY GOD'S VOICE, HOLY SPIRIT LEADS. **YOUR THOUGHT OR GOD'S VOICE?** *Your thought rush, GOD'S voice leads. There is a different between being pushed by pressure and being led by peace. PSALM 23SAYS HE LEADS ME BESIDE PEACE FULL STREAMS. GOD never drives you with anxiety, the HOLY SPIRIT doesn't shout over your fear, He gently leads you through them, if what you are hearing is frantic, rushed, and forceful it is likely not HIM. If it is clear, calm and steady and true, that is the voice of HOLY SPIRIT. A SPIRITUAL SENSE=HAVE you ever felt pressure trying to hear God's voice, like you had to get everything just right before he would speak?* That's not how the HOLY SPIRIT works, hearing GOD isn't a skill to be acquired; it is a sense to be sharpened; now when you were born again, you are born with spiritual ears. You don't earn them; you already have them. The HOLY SPIRIT doesn't respond to pressure. HE responds to trust you don't have to wrestle for his attention; you already have HIS attention. **Rest in this truth;** GODS know how to get through to you. Stop trying to force HIS voice, start trusting HIS nature. And in that faith-filled calm, you'll hear HIM more clearly. **LIVING FROM WITHIN**=When I learn to live in the spirit, I stop just obsessing about what around me, and I start focusing on who lives in me, when I learn in the spirit, the pressure of life, that should cause depression and anxiety are held back by the protective force, that the peace, the love, and the joy of the spirit. So even when I don't feel in my emotions that I am close to GOD, I know in my spirit, that we are one, so even in my emotions, when I don't feel like, he accepts me, I know in my spirit, I am his child. To live aware exterior, mastering the soul and focusing through perspective of the spirit, to live in the spirit, is to see in the spirit, to walk with the spirit, and to allow the influence from within to change everything within.

LED BY THE SPIRIT. =BE LED BY THE SPIRIT. Everyday believers rush into decision without asking for the HOLY SPIRIT direction, in the book of **PSALM119:13SAY, 'GUIDE MY STEPS BY YOUR WORD, SO I WILL NOT BE OVERCOME BY EVIL.** Think of that, you have access to the highest wisdom in the universe, GOD sees the future. He knows everything, hidden motive; HE understands every detail you've overlooked. **Guidance isn't just about direction, it is about your surrender,** it's humbling to admit it, LORD, I DON'T HAVE IT all together lead me. When you yield, your words, actions, your very life, begins to reflect JESUS. Opportunity you can never arrange suddenly align because GOD guiding you. Don't trust your plans over GOD'S plans. Each morning, pray HOLY SPIRIT, guide me. Not my will but yours. Guidance transforms ordinary steps into divine appointments. **The number one secret of life is to understand the following; YOUR THOUGHT LIFE IS THE FIRST PLACE THE ENEMY WILL ATTACK, AND THAT IS THE FIRST PLACE YOU MUST PREPARE IN. MAKE SURE YOUR STRONG, THE WORD OF GOD IS IN YOUR MIND. THE WORD OF GOD HAS INVADED YOUR THOUGHT LIFE VERY IMPORTANT.**1PETER1:13 SAYS, WHEREFORE GIRD UP THE LOINS OF YOUR MIND, BE SOBER, AND HOPE TO THE END FOR THE GRACE THAT IS TO BE BROUGHT UNTO YOU AT THE REVELATION OF JESUS CHRIST; Yes, the bible declare that as the man thicket in his heart, so is he, isn't that right? You become what you think, a thought becomes an act and it won't be long before that act controls your life, make sure your mind is under the control and direction of HOLY SPIRIT, MAKE SURE YOUR MIND

IS FULL OF God's WORD, AND NOT THE KNOWLEDGE OF THE WORLD, BUT THE KNOWLEDGE OF THE WORD OF GOD.

PSALM 62; 5. My soul wait thou only upon GOD; because for my expectation is from him. We face a lot of pain but the solution of it is to depend on GOD, to put our expectation to GOD is the real secret of life. Most of human being expectation is on their friends or parent they fall to realize the truth and real meaning of life is to expect on GOD himself for everything. We need God Direction in order to win this life; our expectations are required to be on GOD himself alone and not on human being. This word show that life of man is bound with pain like a belt and trouser, as long as you live in this world you must understand that challenge always is there even though you don't like it, Sometime you will see that nowhere to go, even your friends will not be ready to listen your problems, other will laugh at you, but don't worry the important thing you're supposed to do is to pray and to put your expectation to GOD.

There is a time in your life you can pass through a big challenge that no one will be able to help u. But do not fear anything just stand in GOD and depend on his promise, put your eyes in the word GOD. Do not fear but make GOD as the source of everything in your life. Do not concentrate in your problem but concentrate in the word of GOD. The definition of stress is the when a man thinks alone without GOD. To depend on your mind is the source of stress. God tell us to ware and to take the Helmet of salvation which is the proper use of mind. Most of Christian we pray a lot but our thought is different with our prayer. Prayer is the combination of three things. [1-spirit,2-mind3-soul].

THIS IS THE REASON WHY YOU FALL SLEEP, WHEN YOU WANT TO PRAY.

HOW CAN SOMEBODY WATCH MOVIE NIGHT VIGIL? =You can do movie night vigil for 6hours, once you say let me pray one hour your eyes become so heavy, something telling you, your life is under attack, you are under attack, why don't you sleep in the night while you are watching movie. But when they say to pray 15minute you sleeping, even when the sleep is about to come and you are watching movie, you will try your best and watch movie even for more than 4hours,4hours investment in the flesh, it is dangerous you can't even finish one hour of prayer, you are under attack, that's why your things not move.[DEMONIC ATTACK]

PART 1.

HOW GOD COMMUNICATE THROUGH SIGNS?

To follow the Inward Witness "When He created us, He created us in a way that we can fellowship with HIM."

Even as children your parents start even communicating with you, with signs, EVEN YOUR MOTHER EYES OR FACE CAN GIVE YOU A SIGNAL. you go to your Auntie's house or their friends house, your auntie is asked you JUNIOR do you want to eat? Your aunt is asking you, your mother just say junior eat now please!! Please eat, !!HAHA don't eat, OH my GOD, !!! In TANZANIA that means eat now you will see what you will get home, when you get home you will answer Question, is it I don't cook? You are going to show everybody that I don't feed you very well, is that what you are doing, so even if a visitor comes to the house you are sitting there you are playing, your parent just look at you with eyes, you already know leave the place or you are misbehaving, your mother start shacking her leg, and shacking the head!! Even the Aunt say mommy please now the deeper the relationship go with people, the less you talk, if wife and husband come here now and they are standing here, and the wife give the husband the sign, you will be there sitting there looking at them, they are giving sign over you, they are just looking at they, making sign, they agree, they talk how to attack or to run from you, or you have overstayed your welcome, they didn't say anything by words, but because they stay together for a longtime relationship, deeper your relationship the less you talk, that's how you know that you are in a relationship in deep, So it's funny that people think word are the best means of communication, science is the highest means of communication, we live by science not by words, now see what GOD said here, even GOD himself, PSALM 32:8 I WILL INSTRUCT YOU AND TEACH YOU IN THE WAY YOU SHOULD GO; I WILL GUIDE YOU WITH MY EYE. [NKJV]. 9 DO NOT BE LIKE THE HOARSE OR LIKE THE MULE, WHICH HAVE NO UNDERSTANDING, WHICH MUST BE HARNESSSED WITH BIT AND BRIDGE, ELSE THEY WILL NOT COME NEAR YOU. HE said we should not be like animals, a little shout like a caw moves!! Move!! Before you move you need to flog, you with stick Wah!! in PSALM 32:9 THE GOOD NEWS TRANSLATION, HE SAID DON'T BE STUPID LIKE A HOARSE OR A MULE, WHICH MUST BE CONTROLLED WITH A BIT AND BRIDGE TO MAKE IT SUBMIT. [GNT]. PSALM 32:8 LET ME GIVE YOU SOME GOOD ADVICE; I AM LOOKING YOU IN THE EYE AND GIVING IT TO YOU STRAIGHT; [MSG]. Do you see why we don't hear GOD; consider I am looking you in the eye!! Waw! And giving to you straight, have you seen why we don't hear GOD? Couse some of us are expecting GOD to say by loudly from the cloud, voice, my son !! And one of the attack against picking up the signs of GOD, Is past knowledge when you were ordained not to pass knowledge this I did it before, and you have failed, you are not be able to discern the new thing GOD is doing, keep the word things but be also prepared for the new signs when GOD is chanting some of us for wrong decisions, it is because it shows sign we do not hereabove we do not hear, then HE now use situation to flog us, that is the last means GOD can do use, when the bible said oh GOD, I pray for you may you not fall in that class, He said even if you pound, a fool boom, !!boom !! in a grid fool, in a pitfall, you can't move away his foolishness. PROVERB 27:22 THOUGH YOU GRID A FOOL IN MORTAR WITH A PESTLE ALONG WITH CLASHED GRAIN, YET HIS FOOLISHNESS WILL NOT DEPART FROM HIM. [NKJV] PROVERBS 27:22. That is the final stages, a fool does not fallow sign, fool does not hear words, if you flog a fool you will not hear, if you pound him, he will not hear voice, if you pound, him, Pound his head, He no go change, if you pound nyam, nyam will change shape, you pound Maize, casava change the shape, you pound chill, chill

become smooth, He said pound fool ,fool will be a fool, that's not your portions in JESUS name, fools ignore **signs**, fools ignore words, fools ignore chastening, fool ignore whipping, so he said my son, do not ignore the chastening of the LORD. FOR HIM THE LORD LOVE HE CHASTISE, THAT IS THE LAST POINT OF GOD CORRECTING SOMEBODY. **[IF HE LED YOU, HE FEED YOU,]**.

THE REASON WHY GOD IS WITH HOLDING HIS BLESSING FROM YOU.

There are some people in your life, GOD will not blessed you until you leave them, **GOD will give you sign and talk to you, showing all manner of ways ,you should leave**, you say no, I am emotionally connected' 'GOD has eternity, you have time, time will be going, bible say BLESSED IS THE MAN, WHO NOT WALKED NOT IN THE COUNSEL OF UNGODLY, NOR STANDERS IN THE WAY OF SINNER AND SEAT OF THE SCORNFUL, IT SHALL BE LIKE A TREE PLANTED BY THE RIVER OF WATER ,PSALM1:1-3.**So you better know if GOD say leave this place, leave this person ,leave quickly, it will hurt, but last it will honor you.**

HOW TO INTERPRET GOD'S SIGN

There is what they call ZODIACS those people who read signs, There are also palm readers, they can read the sign in your hand, they can check your hand and tell you things, but You the HOLY GHOST is inside you, is also talking to you with many signs, most of the time, if you want to go out, and you discover yourself that ,you are looking for your car key in your hand, it's not far be patient ,don't go out yet you are plan to go for something, thing started missing all of a suddenly from, nowhere you can't find your phone, you can't find your car key, you are looking for it, patient, just imagine your moment you have ignoring HIM, When something is too clear, for you to make your decision, it is not from GOT, instruction from GOD, we need interpretation of the HOLY GHOST, For you to understand that it's real, GOD give you that direction, but when it's too easy for you to just know 90% of the time it's not GOD, FROM APPEARANCE YOU Could just tell this is what I need,; it is not good, cause now you don't need GOD. Couse you just chose without needing GOD, all the fact around you, that is it, that's not from GOD, THAT'S NOT FROM GOD, when its GOD, it will take even little intuition in your heart; to **say I am hearing the voice of JACOB when, I'm touching ESAU. 'that is what ISAACK said, so that means he was sensing ,but he went after HIS feeling**, because when ELIJAH, was angry that ,till wanted to die, He said the wind came, GOD was not in the wind, the storm came, GOD was not in the storm, earth quake ,GOD was not in the earthquake HE now said but still small voice came and said to the prophet what are you doing here, GOD is not in the earth quick, the facts GOD is not in it, when it's clear you need interpretation, when you need interpretation is from God, read your bible you will find even the hand writing on the wall need interpretation, MENE ,MENE ,TAKEL ,ORPHANCY, The dream that Daniel had, they needed interpretation ,NEBUCHADNEZZAR had a dream, pharaoh had a dream, it need interpretation, everybody that having a dream, they need instruction, Peter had a vision, open vision, GOD, need to come and explain to HIM, it took him to understand what happen

,what that interpretation means, because a little sign, can shift you into abundance of life, a little sign can shift into abundance of riches, little signs can shift you into abundance of riches, little signs can make you not to travel on a wrong Dat, not to choose the wrong friends, you meet some you feel comforted, it's as if you know that person for long, it's as if you've met that person before it is comfort ,is GOD telling you ,I am in this, in loose everywhere tattoo everywhere just very rugged or where they are coming from ,if you hear their history don't like it, but immediately you met him there is comfort, look beyond the appearance, because the truth is ,GOD'S package, they don't come with a glittering appearance, that's the warning GOD WARNING PROPHET SAMWEL,1SAMWEL16:7 BUT THE LORD SAID TO SAMWELL NOT LOOK AT HIS APPEARANCE OR AT HIS PHYSICAL STATURE. Because not sees as man sees, man looks at outward appearance but GOD look at the heart, the most people GOD sent into your life they don't look like it, in appearance, they don't look like it in history, where they are coming from, they don't look like it, in what other people are seeing about them, only in heart, and when GOD saw heart matter, you have to discern it. Also remember the assignment of the devil is to trivialize, to blind men from the covenant GOD have with men.

ANOTHER SIGH USED BY GOD IS WHEN A SONG KEEP PLAYING IN YOUR MIND FOR DAYS, IT IS MEANS THESE THREE THINGS.

When a song keep playing in your mind, for day ,it means ,these three things, whenever you notice this a particular song, repeated in your mind for days, it means something very deep is happening in the realm of the spirit, that you real need to pay attention to, the first reason why GOD puts a song in your mind and it plays consistently for days, is that ,GOD is bring you into the realm of automatic prayer, let say for example, there is danger coming and you are not picking the signal yet, what GOD does is THAT, GOD put a song in your mind, for warfare, have you been in that season, your mind is just singing ,warfare songs, warfare songs, I tell you the truth prayer is going on ,because to you ,your just singing in your mind, but in the realm of the spirit, you are praying because one law you need to understand ,is that we don't just pray with our mouth ,we also pray with our heart, how did I know? The bible said in DANIEL 10:12 THEN SAID HE UNTO ME, FEAR NOT, DANIEL; FOR FROM THE FIRST DAY THAT THOU DIDST SET THINE HART TO UNDERSTAND AND TO CHASEN THYSELF BEFORE THY GOD, UNDERSTAND, AND THE CHOSEN THYSELF, THE SELF BEFORE THE GOD THY WORD WERE HARED, AND I AM COME FOR THY WORDS. DANIEL 10:12. Now have you see what the bible saying? He says Daniel from the day you set your heart to understanding word, your word was heard, in another word when you think, when you speak in your heart, GOD is also receiving it as word, are we together now? No wonder the bible said in EPHESIANS 3:20 NOW TO HIM WHO IS ABLE TO DO IMMEASURABLE MORE THAN ALL WE ask OR IMAGINE, ACCORDING TO HIS POWER THAT IS AT WORK WITHIN US. Are you seen, GOD is able to do all we ask or imagine, another version say, GOD is able to do all we ask or think, so GOD put that song in your mind, so that prayer can be going on, are we together now? It is called a realm of the automatic prayer, to you are singing, but to GOD, you are praying for protection,

I like what the bible says in PSALM42:8 BY DAY THE LORD DIRECTS HIS LOVE, AT NIGHT HIS SONG IS WITH ME-A PRAYER TO THE GOD OF MY LIFE. PSALM 42:8.At night his song is with me, a prayer to the GOD of my life, are you seen, I said, at night his songs are with me, he said a prayer to the GOD of my life, are you seeming's when those songs comes into your mind ,prayer is going on to GOD, **So sometimes that can even tell you, the activity that happening in the realm of the spirit.** Sometimes it is the thanking giving songs, it is what GOD is telling you ,that you are in a season of thank giving, sometimes, it is welfare songs, GOD is telling you that, you are in a season of warfare, and the things are being settled in the realm of the spirit, this has happened to me before, I have been in a season this warfare songs just singing in my mind, and I was wandering ,why this song singing, and I tell you the truth, that was a season where GOD, was fighting a lot of battles are we together now? Yes, it called the realm of automatic prayer.

The second reason of why GOD send songs into your mind, and the song prays for days, is that GOD is charging you, supernatural, listen, that is GOD charging supernatural, the way you can charge up your mobile device, do you know that your spirit, can also be charged, you can charge your spirit. You know that point you are weak, you can charge your spiritually, the moment you are week spiritually, you can't pray again you can't fast again, then GOD brings a song to strength you, a lot people feel, the only way to charge up their spiritual life is through prayer and fasting, do you know that songs playing in your mind is a **sign that you are charging in the spirit**, you know when you plug your phone make a sound, when GOD plugs you ,songs sings in your mind, this is one things in your mind, of course this may not happen all the time, but these are also sign that you are being charge in the spirit, how did I know? If you read EPHESIANS 5:18-19 DO NOT GET DRUNK OR WINE, INSTEAD, BE FILLED WITH THE SPIRIT, SPEAKING, TO ONE ANOTHER WITH PSALMS, HYMNS FROM THE HEART TO THE LORD. SING AND MAKE MUSIC FROM YOUR HEART TO THE LORD. The scripture began to teach us how to be filled with the spirit., In psalm, make melody in your heart? So the bible say one way you can be filled with the spirit is when you beginning to sing music to the LORD in your heart, that is one of the ways we charge up, and all of a suddenly we discovered that, that season you beginning to grow intimacy with the spirit, to grow in the spirit, spiritual stamina, you discover that the burden for prayer begins to amplify in your heart, oh my GOD, Something is happening to you are not aware off, are we together now? Just like the bible says in PSALM118:14 MY STRENGTH AND SON IS YAH! Just like on of God's servants sang song, and I ask the lord what names fits you, HE said YAH! Are you see the relationship between your songs and your strength, GOD use songs to strength you, a sudden you that you could not pray, before now you are falling with your GOD, these are realities. Yes, most of you when this happen you discovered that, suddenly intimacy with the spirit of GOD beginning easily, yes BY THE GRACE OF GOD, we are going to be breaking into strength.

The third reason why you see songs, playing in your mind for days, is that GOD is bringing you a message, you know sometimes you can even have song singing in your mind and these songs are different dialects, and you are going to look for interpretation, what does this mean, and when you

get interpretation, you can practical see that GOD IS SENDING A MESSAGE TO YOU, ARE WE TOGETHER NOW,? YES., YOU SEE THE SONG PLAYS READ THE LYRICS, WHAT IS THIS LYRICS SAYING? What this translation saying ?sometimes GOD give messages in a song, do you know sometimes, you can be praying for breakthrough, and you don't know that GOD has answered you, that a song of victory beginning to sing in your mind, a song of thank giving, is that GOD saying, this prayer you are saying is a settled matter, it is time to beginning to give thanks now, yeah I love what the bible says in victory.DEUTERONOMY31:19 MOSES AND JOSHUA ,I AM GOING TO GIVE YOU THE WORD TO NEW SONG. WRITE THEM DOWN AND TEACH THE SONG TO THE ISRAELITES THEY LEARN IT, **THEY WILL KNOW WHAT I WANT THEM TO DO**, AND SO THEY WILL HAVE NO EXCUSE FOR NOT OBEYING ME. DEUTERONOMY 31:19. Write them down and give the song to them, in that song they will know what to do? And they will not have excuse why they should not obey me. In another word GOD is saying, that there is a message in the song. Sometimes it is a song of prayer you are receiving that song of prayer, GOD is saying go to prayer. To say to you go through prayer, you sit, beginning to meditate it, the message is in the song, sometimes message is there GOD, is telling you, you are going to be fruitfully are going to be prosperous, what you should do ,then begin to meditate on the song, GOD has given ,me a new song, it is my time to prosper, flourish, just like the bible says in PSALM1:2-3 BUT WHOSE DELIGHT IN THE LAW OF THE LORD, AND WHO MEDITATE ON HIS LAW DAY AND NIGHT. THAT PERSON IS LIKE A TREE PLANNED BY STREAM OF WATER, WHICH YIELD ITS FRUIT IN SEASON AND WHOSE LEAF DOES NOT WITHER,are you see? When you beginning to meditate you will be beginning to experience property dimension of the spirit.

The important thing to consider when you want to hear GOD is to remember you can live pure, but the reason why you are not, is because you allow your thought, you thought realm, your imagination realm, is your womb, anything you allow to germinate there must grow. LIFE IN THE SPIRIT=GOD'S OPINION. In the school of spirit, you must pass school of prosecution, school of intimidation, school of presses, school of breakthrough. There is collage for this, you must attend two collages, school of intimidation and school of presses, and you must have degree in both universities.

WHEN GOD SPEAKING SOLUTION IS PROVIDED; WHEN GOD CHOOSES TO SPEAK IT MEANS CREATION IS ABOUT TO TAKE PLACE. GOD SPEAK THROUGH HIS WORD, [BIBLE] INSIDE THE WORD OF GOD THERE IS A VOICE. ***GOD is speaking from His realm but from your word you perceive it and interpret it.*** GOD DOES not speak human language HE speak in HIS realm and interpreted by our own language through HOLY SPIRIT. How to Hear from God is designed to provide the framework for fulfilling destiny. When direction is located, success is guaranteed and frustration eliminated. It is following divine plan of God that helps you to stand and dominate. This book will help you discover what God has programmed you to do in life. You are not a biological accident or product of chance, but a masterfully designed and formed by the Almighty God. One of the greatest benefits of our salvation has to be that hearing GOD speaks to us personally. There can be no intimate relationship

with our heavenly father without it. But, as easy as it is for us to speak to him, the average Christian has hard time hearing his voice. This is not the way the LORD intended it to be.

HOW TO GAIN ACCESS TO THE SPIRIT REALMS?

The spirit realm is one of the real realms than a physical realm, because everything happen in a physical realm must get access first in the spirit. What you see in the physical is the result of spiritual realms. There is a prophet in a bible who teaches us on how to zoom in a spiritual realm, Prophet **HABAKKUK2:1 I will stand upon my watch, and set me upon the tower, and will watch to see what he will say unto me and what shall answer when I am reproved.** This gives as the step to access spiritual realm; he laid down the procedures to hearing GOD and have access in his realm. Number one procedure He says will stand upon my watch, in Gods realms we watch by communicating, how **do we watch?** We watch by communicating, if you are not able to watch you **cannot see**. Many people want to see without watching, before you can see you have to watch. To watch in the spirit means to put all your desire to **HIM, to lie down your life to Him by putting all your expectation to HIM**. A total commitment and surrender toward HIM for everything. To trust and relay on HIM for everything. SO, if u doesn't watch you cannot see. So, to access GOD voice you must first know how to watching. Watching is to communication is to praying. To understand which ways God will use to talk to you that's what we calling it watching. to understanding the happen on the particular environment. Whomever something is wrong or missing the first point of contact is a watch man. If he was aware of the missing thing; Watching means communicating to God to praying means **to be alert to be aware on what happening, to be ready to look up for**. How do we look up for in the realm of the spirit? We look up for in the realm of God through prayer. Every watch man must be prayerful. Until your constant communicate with God u will not be able to understanding what happen in the realism of God. To watch is to know all the method and ways GOD use to communicate. To access God realm is by watching and praying. You must be ready to pray and to look out fit must not end up on pray but you must look and know how GOD communicate back to you. So, you must understand how to speak and how he speak back to you. I will communicate to God and GOD will communicate back to me. That is what HABAKKUK teaches us on how to operate in the spiritual realm. That is how to stand upon your watch. REVELATION 3:20 BEHOLD; I STAND AT THE DOOR AND KNOCK. IF ANY ONE HEARS MY VOICE AND OPEN THE DOOR, I WILL COME IN TO HIM AND DINE WITH HIM, AND HE WITH ME. This means the voice of God is the knock, He knock and said who hear my voice, which means that God can knock and you may think it's a knock while it's a voice, so stand upon your watch means to understand the way God communicate to you, to be prayerfully. The knock of God can be translated to be a voice, JESUS said I communicate and speak every day so a knock on your door can be a voice, but the ability to interpret that knock as a voice will determine whether I come into your life or not. Spiritual respond means how you respond to his knock. GOD communicate in a mystery way, in a way that if you do not understand you will stand and think God has not spoken while God has already spoken, the way GOD use to speak depend **on how watchful you are**. Stand and watch to see what

GOD will say: **YOU MAY BE WAITING FOR AUDIBLE VOICE AND YOU WILL NOT HEAR THAT AUDIBLE VOICE, WHY? JUST BECAUSE, YOU DON'T KNOW HOW TO STAND AND WATCH IN THE SPIRIT**; you may be waiting for GOD to tender from heaven and God will not tender for heaven why? Because you don't know even how to interpreted the happening to that environment. So, when a prophet enters into that environment, he is ready to use anything to prophesy. To a man who is able to stand upon his watch is the man who understands ways and method GOD use to communicate to him. Whichever ways LORD comes in, he will know this is from GOD.

JOHN 12:28-29 FATHER GLORIFY THEIR NAME. THEN COME THERE A VOICE FROM HEAVEN, SAYING I BOTH GLORIFIED IT, AND WILL GLORIFY IT AGAIN. THE PEOPLE THERE FOR, THAT STOOD BY AND HEARD IT, SAID THAT IT THUNDERED: OTHER SAID, AN ANGEL SPOKE TO HIM. The congregations hear tender and the disciples hear the voice from God soaking to them. So, two different people with two different interpretations; some people heard a tender and some people heard a voice, which means this two people may go home with different interpretation some will say there was a tender and other will say there was a voice of GOD AUDIBLY, WHICH MEANS THE DISPELS WERE UPON THEIR WATCH BUT THE CONGREGATION WHERE NOT UPON THE POSITION OF THEIR WATCH IN THE SPIRIT. If you're not thought to stand upon your watch, you will never be able to hear from GOD. God will speak every day and you will never be understanding God is speaking, you will misunderstand the ways of GOD communicates. 1king18:41 ELIJAH TOLD THE SERVANT, "GO TELL KING AHAB TO GET HIS CHARIOT READY AND GO HOME NOW. IF HE DOES NOT LEAVE NOW, THE RAIN WILL STOP HIM. Other person sows the abandonee of rain whiles other do not see. Elijah sees it before the rain while his servant didn't see it. The difference between them is because one watch while other not. He did not know how GOD communicates. Men who are standing upon their watch know how GOD communicates. They understand the misty of GOD. **THEY UNDERSTAND THE SECRETS COMMUNICATES OF GOD.** You must learn to stand upon your watch in order to be able to hear from GOD. Watching means you must be alert you must communicate and pray and you must be ready to be communicated back. You must know the method GOD will use to communicate back to you. That is how to stand and watch. SAMSON was in environment that could have kill him, it even ended up killing Samson. SAMSON was there and Delilah traps Samson several times and Samson didn't **know he was about to die**. The problem of a Samson is lacking the ability to stand upon his watch. If you are a prophet or believer and you don't know how to stand upon your watch, you will mean the voice of GOD, and you can even mean your destiny, you can cut your destiny short because of the inability to stand upon your watch. STANDING UPON YOUR WATCH AS A BELIEVER OR PROPHET IS THE FIRST REQUIREMENT TO WALK AND DO BUSINESS WITH GOD. If you can't stand upon your watch, you can't do business with GOD, because the way GOD will come you may not be expecting HIM that way. The way He will come you will expert HIM in a different way and HE will become in a different way. SAMSON THE ENEMY IS COMING, THE PHILISTINE IS COMING THE ROPES ARE BROKEN, He didn't know or since that the enemy is planning HIS death. Somebody deceive you twice and third time and you don't know GOD IS SPEAKING TO YOU. Samson trusts Delilah because He didn't know how to stand upon his watch.

Sometimes as a prophet GOD will not speak to you audibly, HE will want you to use experience around, there sometimes GOD will not speak to you audibly even rejection can be a voice of GOD. YOU NEED TO BE ON YOUR WATCH, sometimes when it's time to move Goodwill not speak to you audibly, He will bring the philistines, In the wilderness, when it's time to move GOD will not consult Mosses, He will bring their enemy and their enemy will force them to move. That was the method GOD use to communicate back to the people of Israel that's time to move. So not every time you will be able to access GOD voice audibly. Stand upon your watch, communicate and expect HIM to communicate back. Understands the method God will use to communicate back to you.

ONE SIGN THAT YOUR SPIRITUAL EYES ARE WORKING=Even when you're not praying, are you aware that you have been seeing in the spirit but you are not aware, now this is the key, IN LUKE24:31 THE BIBLE SAYS THERE EYES WERE OPEN AND THEY KNOW, So you notice during the day you're having supernatural knowing means your spiritual eye are open, it may be at a place of work and suddenly, you just having this knowing, that your boss, is going to coming around, and all of a suddenly, your boss walking into the company, and you are surprised, wow!! I know this, these are signs if you beginning to notice this in your life, beginning to pay attention to supernatural know that comes into your mind, that aligns with scriptures and character of GOD. Say this prayer, confess my spiritual eyes are open in JESUS name. [The spirit world give birth to this world]

METHODS GODS USES TO COMMUNICATE TO HIS PEOPLE.

Sometimes it's not GOD whose speaking, is you using what he uses yesterday to speak to you. AS a reference of what he uses yesterday to talk to you. Other people they limit GOD talk to them by depending on one channel, you can't tell GOD to use one channel, Youl can't limit GOD, what required is to be spiritual awareness or sensitivity when He speak to you. You must be ready to talk to GOD all areas GOD use to talk to HIS people. JOB 33:14 FOR GOD SPEAKES ONCE, YEA TWICE, YET MAN PERCEIVE IT NOT.¹⁵ in a dream, IN A DREAM, IN A VISION OF THE NIGHT, WHEN DEEP SLEEP FALLETH UPON MEN, IN SLUMBERING UPON BED; [kiv]. In that's scripture we see GOD uses four things, But GOD use many things to talk to a man, depending on your level of your spiritual sensitivity. GOD speaks to all men but to hear HIM it depends on how you respond to HIM. GOD can use even a donkey to talk to you as the bible show it. But to hear God it starts by the power from within. So, your inward ability. GOD can talk to you or trough you depending on your inward strength from within. Everything it starts to happening from within. Even the future of believer is from within. A forest is tribe or started with a seed, the seeds of GODS word in you is what will make you able to hear GOD Clearly. The forest is not ahead the seed but the seed is ahead the forest. YOU'RE FUTURE IS NOT AHEAD OF YOU, but your future is within you, depending on your level of submission towards GOD'S words.

FIRST STAPES to hear GOD is to understanding it comes from within, am not saying that GOD will not talk to you through others, but am talking on how to hear the GOD from within. MY SHIP HEARS MY

VOICE. There are levels in hearing GOD voice. There are seven levels of hearing GOD voice but depending on how people receiving. But I will give you two, the high level and the low level.

THE FIRST LEVEL IS CALLED GENERAL REVELATION. All believer can hear GOD through general revelation. General revelation is you are talking about you, yourself have investigated and result speak more than what you have heard, the more you receive it the result confirm it. Sometimes a man of GOD you see things opposite but you know GOD has already speak. JONAH went to Nineveh they told HIM he will die but he never dies, and he was angry because GOD says He will be going to destroy the city, and GOD never destroy the city, and he was under the tree there. So, we see GOD spoke to him but it did not happen, but he will never turn back and say GOD did never speak to me. GOD says to ABRAHAM go and sacrifice your son; GOD is not men that he will repent from HIS word. But Ibrahim went in a mountain a lamb as trapped by its thrones. And he did not sacrifice His son, but before in his heart know He is going to sacrifice His son because GOD says so. Even the result can say the opposite you know what you heard, and you know is GOD who spoke. There is a certain level you hear GOD even the result can say different on what you hear but you hear GOD. God can use result to confirm what is in you; bible says WHO HAS A CHILD HAS A TESTIMONY. In GENERAL REVELATION there is what we call spiritual conviction, is like you want to do something and as you about to do it you know I can't do this, not because GOD says don't do it, what you feel or you heard is spiritual conviction and this is what cause people in most of the time who are about to sin or enter into sin said NO!, That is spiritual conviction.

WHAT IS SPIRITUAL CONVICTION?? It is the inner awareness that aware is from the inside to alert you this is from GOD and this is from the devil. That is spiritual conviction it come from within. So, the Holy Spirit will use that on all of a sudden you will say am not doing it. This is what led people to righteousness. That is why someone can born again and return back to the world and said I feel like GOD wants me back. This is what we called spiritual conviction; it comes from the within. Every, believer have this spiritual awareness. But to other is too high it is like it move from within that is what make different level of understanding deeply by hearing by feeling it. 1KING 5;20-27 THE ELISHA SO GHAZI COME BACK. THE PROPHET SAID WAS MY SPIRIT NOT WITH YOU? That shows the prophet use the inner awareness. 1corthian 14:32 SAY THE SPIRIT OF THE PROPHET ARE SUBJECT TO PROPHET. So, there is a spirit come from a prophet. That is what make a prophet to have inner awareness, that why a spirit can go any place and get information through your inner man. GOD SPEAKS SO MUCH TO THE EXTENT HE USE A DONKEY TO SPEAK. He is so big to the extent **he can use anything to speak to you.** He is so big to the extent HE cannot be limited. So, you must learn to know and to listening your inner awareness, spiritual conviction.

2.ANOTHER WAY GOD USE TO TALK TO HIS PEOPLE IS BY SPIRITUAL LEADING OR PERCEPTION. This means inward awareness to know something about people or something, when all of suddenly you know something, about that person or something, about the situation without anybody tell you. ACT

S27:10 AND SAID UNTO THEM, SIRS, I PERCEIVE THAT THIS VOYAGE WILL BE WITH HURT AND MUCH DAMAGE, NOT ONLY OF THE LADING AND SHIP, BUT ALSO OF OUR LIVES. This is what we call the spiritual perception, Supernatural knowing by spontaneous. This is Paul talk to people who have experience but through HOLY SPIRIT, you can hear HIM and know everything. Though the weather was fine but Paulo perceive that the journey will have a lot of problem before they travel. Spiritual leading he gets to know through HOLY SPIRIT. The Inward knowledge about something; but your able to download it from the spirit. **You perceive it from the spirit.** GOD wants to use you as an embassy. He does not get a dream; He does not say GOD says it wills a hard journey. But HE perceives it inside his spirit. That is what we call to perceive. He does not say the HOLY SPIRIT revel it to me there will be a ship break, I perceive this is inward knowledge about something, Spiritual perception is very important in hearing GOD. In general revelation we have spiritual conviction, while in specific revelation, we have spiritual perception which is spiritual lead, someone can say I feel lead, ask yourself lead by what? Because GOD is not specific in most case but whatever you can download is what we call spiritual perception. Some can say how come GOD does not speak to them direct it because they did not reach a certain level of hearing GOD. You perceive it from your inside spirit, if you don't have clear concise its possible GOD to talk to you and you fall to perceive, just because your concise is not clear to receive from God. That is why you fall to perceive it from your spirit.

3. THIRD METHOD IS WHAT WE CALL SPIRITUAL BARDEN; This work in a day 'you can be fine and happy during a day but immediately you start feel different. And all of a suddenly as if someone drop something in you, then you know something is wrong, something is about go wrong but you don't know where, how and what time. Every time when there is spiritual burden the HOLY SPIRIT leads you to pray and all of a suddenly your push to praying but you don't know who you should pray for. That is spiritual burden but ignore it that is GOD speaking to you. So that feeling about something should go wrong that God talking to you. You say I feel something is not right, that's spiritual burden. When you fell not to go but you force to go, your day will be bad or anything terrible will happen if you will not be praying on that burden. Something happen and you say I know it, that burden was a message from HOLY SPIRIT. It is a burden that comes most of you, will say my day is not well, why? Because my spirit is disturbed, while you're not disturbed it was a time HOLLY SPIRIT call you in a place of prayer. People confuse of their spirit being disturbed while its spiritual burden, they don't know what is spiritual burden is? Because when your spiritual burden comes, your joy and your happiness, that moment it's like taken away immediately. SPIRITUAL BURDEN remains until you reach to the situation, something tells me not to do, I knew it but it happens. You didn't take action. You feel like my day is not well. Spiritual burden remains until you reach to the situation, and until you attend it will remain. It might feel but it will come back again, and the quickest way to lift up that Barden is to enter into pray and not just a prayer but speaking in tongue. Because we don't know what to pray for, but HOLY GHOST make intercession with us, a lot of people will neglect this spiritual burden is what we call general revelation. Is to enter into pray and not just a prayer but speaking in tongue. Because we don't know

what to pray for, but HOLY GHOST make intercession with us, a lot of people will neglect this spiritual burden is what we call general revelation.

4; THE SPIRIT OF WITNESS; This means inward assurance from God that everything is alright, this is when somebody can go through something, example the landlord say tomorrow I am sending a letter, we are removing you from that place, victim you tomorrow there will be eviction letter that is coming, instead of you running around, is just know it will be fine. Or you can go to a place you didn't get a job instead of you feel depressed you just say ok its fine. You just say in yourself I don't know but I am fine. That is spirit witness inward you. Assurance as if you know another job is coming for you. Bible says and Peter the following day was supposed to be killed, but he was sleeping. ACT 12. I ask God why were Peter sleep, Herod was not joking and Peter know that because Herod kill JAMES With the swords now, he went to the Peter and bible say Peter were sleeping, how does sleep come while you know your day tomorrow in a following day. Why people write His last letter to the church but Peter where without worrying. That is inward assurance inward witness. That everything will be alright, everything will be fine.

ALSO, ANOTHER LEVEL OF HEARING FROM GOD IS WHAT WE CALL THE EYES OF UNDERSTANDING.

It needs the one revelation to open you on another revelation. This is through vision you get more revelation from GODS WORD. There is general and specific revelation. YOU GET REVELATION WHEN YOU MEDITATE THE WORD GOD DEEPLY. High level GOD use to speak to us inside the word of GOD {BIBLE}. Take the word inside your heart and deeply think about it, in it you will hear the voice of GOD direct. Vision will come to you, that's is what you will experience. And the ministry of Angel you will get direct voice from Holy Spirit in a certain way or in an audible way. Even GOD can use dream to talk to you. All fall under specific revelation. SPIRITUAL REVELATION. we can hear GOD in different ways. GOD can speak a word but we perceive differently. To some as roaring thunder to some as a sound of trumpet to some like a sound of many waters that's show that GOD VOICE DOES NOT SOUND THE SAME.

HOW TO DIFFERENTIATE THE VOICE OF GOD and YOUR VOICE?

The voice of GOD is still and smoothly when are calm and tune to GOD we reflect to HIM. HIS voice becomes clearly come and drops thought, fear doughty and anxiety is not from GOD, Unbeliever that is not the sound or voice of GOD. Doughty, fear and anxiety made it difficult to distinguish the voice of GOD from our own. LEARN TO DISCERN YOUR EMOTIONAL VOICE AND GOD VOICE. JOHN 10:27 MY SHEEP HEAR MY VOICE, so you must learn to differentiate your voice and GOD voices. The important thing to differentiate your thought and GOD voice is to understand that GOD voice is clearly peace and purpose. It brings peace in a confusion that is GOD voice. You must learn to quieten your spirit in order to be able to hear from HIM. GOD voice is consistent because it reflects HIS character. It does

not move with doubt or compromise with sin. GOD voice brings Cleary and order and it does not lead to confusion. You must ask yourself is this the voice of my own reason. Or is the guide hand of GOD who promises peace and security. YOU WILL HEAR THE VOICE BEHIND IT; THIS IS THE WAY WORK BEHIND IT. ISAYA30:21. GOD voice carries the way humbleness and holiness to us. It does not leave in speaker but lead us to repentance and maturity in Christ not to destroy but to purify, ARE YOU QUITE ENOUGH TO HEAR HIS WHISPERS. The moment you open your heart and your bible; it sound becomes Cleary. True surrender to GOD is what lead to gain. **Tune to GOD in order to hear from HIM**. God voice lead us too clearly and peace is thought is mark by consistency and peace and clarity. The voice of enemy is what leads us into fear doubt and bad desire and confusion which will lead not to distinguish His sound and our own. How do I know this is GOD voice, it is by Cleary and peace and purpose. GOD voice unlike our thought is mark by consistence and truth become which will lead us to the truth, Convict without crashing it brings peace without confusion. **We must learn to quite our emotion and separate our soul from world noise in order to hear from GOD clarity**. BUT YOU MUST **TUNE OUR MIND TO GOD IN ORDER TO HEAR IS HIM CLEARY**. God voice carries love and peace and justice this is the nature of GOD voice. **His voice reflects HIS character** and it contain faith and peace. THE VOICE OF GOD NEVER CONTRADICTS HIS WORDS. Scripture stands as the bicorn of clarity and truth, when we straggle to discern His voice, the bible is assuring foundation. Through GODS word we find direction and assurance and wisdom. Psalm 119: 105 His word is lump of Our feet. Our own voice lead on pride and desire that lead in doubt, The more life surrender to the authority of the scripture is the only key to hear HIM Cleary. When the confusion rain that show you under the shadow of adversary, because it is Satan who brings doubt and confusion. GOD IS NOT THE AUTHOR OF CONFUSION BUT OF PEACE. The voice of GOD is not attached with fear and confusion. THE NOISE OF OUR THOUGHT IS WHAT HINDERS AS TO HEAR FROM GOD. Your thought becomes noise when you choose to focus on other things rather than GOD'S word. If you allow you mind not t to focus on GOD. Sometimes Satan can use any person closer to you in order to destroy your focus. Satan can even use your **husband or your wife or children in order to destroy your joy and your focus**. For Satan to operate in a life of believer he must stole first your inner peace or joy. That is the first strategy used by Satan to kidnapping a person, if he wins to destroy your peace, he captures you. The first thing Satan use is to destroy your inner peace. That is number one strategy used by **Satan to put a person under captivity**. The single disturbance in our heart can destroy our clarity to hear the voice of GOD. Excite in our heart is what will make you deaf in your spirit. Stillness allows our heart to settle. Be still and knows GOD Is with you. DEEP INTENTIONAL AND QUITE OF OUR SOUL IS TO POSE, AND SURRENDER CONTROL TO GOD IN ORDER TO HEAR HIM. To hear GOD, you must free your heart from anything that moves you far away from GOD AND WAITING FOR his GUIDANCE. BE STILL AND KNOW I AM GOD. When we quite our heart we allow GOD to be in control. Stillness is not passive it requires deplane. PHILIPPIANS4:7 AND THE PEACE OF GOD, WHICH PASSED ALL UNDERSTANDING, and SHALL KEEP YOUR HEART AND MINDS THROUGH CHRIST JESUS. This is how if you want to recognize the voice of GOD it comes **with peace**. The voice of GOD is determined and be led by peace. Peace is the indicator

to recognize the voice of GOD. 1CORINTHIANS 14:33 FOR GOD IS NOT THE AUTHOR OF CONFUSION BUT OF PEACE, SAS IN ALL CHURCHES OF THE SAINTS. This shows that if the voice is come with confusion, it means it under the shadow of enemy. Confusion is demonic it's not from GOD. Back in the quite in order to be able to hear from GOD, be calm is to tune into GOD. Surrender is the only way to walking with GOD. We surrender only because we know GOD and to whom we yield, the mighty one all power belongs to HIM. To surrender to HIS plan, we put our limited vision and power to HIM. It is not one time event it's each day pasture, The fresh opportunity to be yelled to GOD voice. WE SURRENDER OUR EXCITE AND EXCHANGE IT WITH PEACE; YOU CHANGE YOUR AMBITION WITH HIS PLAN.

HOW TO LISTEN AND RESPOND TO THE VOICE OF GOD=If HE true live in me I always be a victoriously, I will always win. Many do know how to listen to HIM? If television set in your house and you want to listen and watch a program that been transmitted from a station, what you do? You turn to that station you tune into the channel. If you're not tune into that channel, you're not going to get. JUST BECAUSE YOU DON'T GET THE SIGNAL, DOESN'T MEAN NOTHING IS GOING ON FROM THE STATION. Your problem is because You're not tune in the right station or channel. The signal is there but you didn't get it in your house. You must find out what to do, to find out a right station. So, you can get what they said out to you. Now days, we have hundreds of our gospel television station. Radio station the signal is always out. I can choose but I can't. Turn your television station and you will get what you want. You see it in life bible tell us there are many voices, voice of memory things come from the past, but still remember, voice of our mind, voice from our neighbors or friends, from our mind, from our environment all that voices come to us. The voice of GOD.

HOW DO I KNOW GODS VOICE?? HOW TO GET GOD VOICES??There are many voices does his voice sound strength different. HOW IT SOUNDS? You can know just because JESUS said my ship hear my voice. When you're born again, the voice of GOD is recognized by your spirit. YOU WILL KNOW THE VOICE OF GOD. No one will ever teach you, HIS voice. THE QUESTION IS HOW DO YOU **POSITION YOURSELF TO HEAR FROM HIM?** IN OTHER WORD TUNE YOUR SPIRIT TO GODS CHANNEL. In the middle of many voices, God talk but you don't know it. If we know the voice GOD on that situation, you will face that's situation with Boldness confidence because we know what GOD has said. So, WHAT TO DO IN LIFE? ALWAYS SEEK TO KNOW HIS VOICE. Hear his voice hear is message. What GOD says to me now? There those who say, I never hear GOD talk to me, chances are MANY, but He ignore HIS voice, Because HE talks to all of HIS children. HE does. A LOT OF TIME IS THOSE WHO CALL HIM SOMETHING. **SOMETHING TOLD ME.** Have you ever heard that thing? Question something told me. THEY DON'T RECOGNIZE HIM BUT THEY SAID SOMETHING TOLD ME. They don't know about HIM but they something told me; HE is not something,HE is GOD. **THE MORE ACQUAINTED YOU ARE TO THE HOLY SPIRIT, THE MORE YOU WILL RECOGNIZE HIS VOICE.** He talks to you many times but you call HIM something. Stay tune to HIS voice. GOD can talk to you. When God is speaking, things follow the order, because it's a voice of authority, the authority above all authority.

That why, you suppose to fight to hear the voice of GOD, don't allow things to destruct you to hear GOD. Stress can destruct a person to hear from GOD. Do not allow stress to block your spiritual eyes, you can't hear God if peace is not dominated in you. Satan will use anything to destroy your peace and that is the demonic trap which will make you unable to hear from GOD. So, the important thing to hear GOD by protecting your heart against anything which can destroy your inner peace. Anything that makes you sad or angry is what Satan will use it against you, to block your spiritual eyes. For a person to be able to hear from GOD you must learn to silent your soul. If your soul is too noise, you will never hear from GOD. Your soul must be dedicated to GOD'S word and put your mindset to GOD alone, to recon yourself as a dead person for Christ's sake. So, you live for Christ that is the magnetic way to attract GOD'S voice to you. You can listen GOD trough your heart, so if your heart is distracted by the things of this world, you will not be able to hear from HIM. If your heart is completely felled with the material things of this world GOD will talk and you will not be able to catch HIS voice. The big issue is what your heart contains, what is in your heart? If your life or your heart is filled by the HOLY SPIRIT that is how you will be able to hear from GOD. Allow your heart to be controlled and filled by GOD'S word alone and not by the distraction of this world. The important thing to ask you is about love. ARE you walking in love? LOVE by itself is GOD Himself. Are you walking in love? You can't walk with GOD if you're not walking in love. Even GOD cannot trust you with HIS power if you're not walking in love. Love is like a spiritual battery. **ISAIAH 42:19. WHO IS BLIND, BUT MY SERVANT? OR DEAF, AS MY MESSENGER THAT I SENT? WHO IS BLIND AS HE THAT IS PERFECT AND BLIND AS THE LORD'S SERVANT?** This is dangerous because a person can be a servant of GOD while you're blind and deaf. This shows that, you will not be able to hear GOD Cleary, if you're not spiritual sensitive enough. The number one element to hear GOD is by becomes spiritual sensitive. The best way to become spiritual sensitive is through prayer. You can hear God's voice at the time you pray suddenly the thought may came as the answer from the above. If you're not sensitive enough you will not take or hear that voice from your thought during prayer. **SPIRITUAL POWER IS ACTIVATED THROUGH KNOWLEDGE AND PROCLAMATION**. The knowledge you have is what will determine your level in spiritual maturity. Anything you do or you hearing or see, you must examine it through GOD'S word by Holy Spirit. **MATTHEW16:3 AND IN THE MORNING, IT WILL BE FOUL WEATHER TO DAY: FOR THE SKY IS RED AND LOWERING YE HYPOCRITES, YE CAN DISCERN THE FACE OF THE SKY: BUT CAN YE NOT DISCERN THE SIGNS OF TIME**. God can talk to you through the sign or experience but your sensitivity is what will make you to be able to understand HIS voice. Watching what happen after prayer is what GOD speaking back to you. Any experience you face after prayer watch out before you say this is a devil, you must analyze it first. God can talk to you back but if you're not sensitive you will not be able to hear GOD. To hear the voice of GOD is easy but it is complicated by us, as a recipient we make it difficult and that is what makes it hard to hearing. We made it to appear so difficult. IF you can't hear GOD your life will be so miserable. There some situation you feel as you need to hear the voice of GOD. In a complicated or in a critical condition where you don't know the direction of life you're frustrated, the solution is to be able to hear the voice from GOD, before you want to make decision.

The most secret place to hear GOD is to create alters for HIM in your living area; it must be a tower, place where you get connected to spiritual realm. If you create a place where you always go and pray you create an open heaven. That is what we call alter. You pray in a tower you set a part of environment to pray. As Habakkuk tower means place of prayer, that he will go to pray and watch after prayer. You must be aware of what happen around, it takes wisdom sometimes to shut up and listen to GOD. Prayer can also be entertaining enjoying while you're praying and you can go on and on, just spending time hours and hours but hear the voice of GOD is not your target that is where you lost. If you can pray for long period of time and if you don't target to hear the voice of GOD you lost the main reason for praying. If you don't create the opportunity for GOD to speak before the reason why we find ourselves in prayer is because we want to talk to GOD and GOD talk back to us. Prayer is a two ways conversation. Sometimes you feel like you want to hear from GOD. WHY DO YOU PRAY? IT IS A TWO-WAY COMMUNICATION. When GOD lies upon your heart to pray and you wake up in the middle of the night and you feel like praying and you don't even know what to say. In most cases that is GOD calling you in a place of prayer not just you can prayer but so that He can speak to you. That GOD tells you come and let's talk. In the highest place which is you alter High tower It is not your target to hearing the voice of GOD that is how you fail in your prayer. So, you can be there for hours and be excited and even the devil will allow you to go in a dimension of tongues and yet to don't create the opportunity for GOD to speak back to you. The reason why we find ourselves in a place of prayer is because we speak to GOD and want GOD to speak back to us. I have met prayerful people they can pray but not hearing the voice of GOD. How can you pick your phone and starting Talking until the end of conservation that's not communication? Prayer without GOD speaking back to you is not prayer you're talking to yourself. Just like a pilot want to rain, there must be a strong communication between a PILOT and traffic controller, The traffic controller will always tray to reminded a pilot to identify himself, tell me what is happening there? There must be a connection from the below and connection again from the top. PRAYER There must be a connection from below and connection from the top. The one from top have to speak back. Most praying person but waste when comes on hearing the voice of GOD. When you pray from here ,GOD he has to respond or to replay from up there, and also speak back to you. **THE MOST IMPORTANT THING ITS NOT HOW MANY HOURS YOU USE SPENDING IN PRAYING, BUT ARE U ABLE TO HEAR GOD WHEN HE SPEAKS.** You can speak to GOD 20 hours and GOD doesn't speak to you even twenty minutes, because your target was not to hearing from HIM. That is not prayer you're just talkative. GOD can move you to pray and you will start feel you want to pray, the moment you go to that room for prayer you must know, He was actual GOD INVITE YOU TO COME AND LISTENING TO HIM. So, create the place of prayer. Habakkuk say I will watch what GOD will say, this show that sometimes the voice of GOD came to visibly. How can you watch and see what GOD is saying? This is not hearing this is seeing. God can use many channels, but the moment you pray more and more, your spirit become more alert to the things of the spirit. The only way you may become sensitive to the super natural is only through prayer. If you not prayerful it's a true sign that the canal men or physical men is control your entire

life. **Prayer is the key to walking with GOD** and it will raise your spiritual antenna and you will be able to catch from GOD because your graft is raised. Then GOD will start talking to you by using first channel which is PEOPLE. Because you're sensitive and you're ready to receive information from GOD. The first channels are **people the messenger**, GOD can send people into your life prophetic on how you should do on certain decision. ***PROVERBS 11:14 WHERE NO COUNSEL IS, THE PEOPLE FALL: BUT IN THE MULTITUDES OF COUNCILORS THERE IS SAFETY.*** If you're not sensitive you will be a most praying person and wasted person when it comes on hearing GOD. Once you're sensitive and ready to receive information from GOD, Then GOD will use people as messenger that will speak to you prophetic. COUNSELORS ARE people find advice to people listen people before you get someone wrong to marry. Example if you want to get marriage with person who put his trouser at the lower of his waste, he is not a real man to be a good husband. The signal is shown direct what kind of person he is to you, that is one of the channel GOD use as a signal to you. **AFTER PRAYER WATCH**, GOD SHALL SEND RELEVANT PEOPLE TO THE RELEVANT SITUATION. Not every people should advice you but watch it after you pray. God will send people to talk to you about your relevant situation. The Relevant people with relevant information; how can everybody be against you? What kind of life is that? Do not fight against everybody. Love people. ***PROVERB 15:22 WITHOUT COUNSEL PURPOSES ARE DISAPPOINTED: BUT IN THE MULTITUDES OF COUNSELOR, THEY ARE ESTABLISHED.*** Propose without a counsel is disappointed. But if you have a purpose in life and you have a counselor that purpose is going to be established, so you need people. The first channel GOD uses to **communicate to you; are people. Be relying to listen to people that GOD has sent to you after you have prayed. That is why you need people in your love, to** walk under the atmosphere of love. ***PROVERB 24:6 FOR A WISE COUNSEL THOUGH SHALL MAKE THY WAR: AND IN MULTITUDE OF COUNSEL LORD THERE IS SAFETY.*** Even before you going to the war you must get information, people are more important they are the first channel from GOD. GOD use people to talk to you on a relative issue, but not everyone is your adviser but few who GOD will lead or influence to you.

ANOTHER CHANEL GOD USE TO TALK TO HIS PEOPLE IS THROUGH EXPERIENCE: Experience that you go through, GOD can give you some sign; this is the way GOD can talk to you by sign. GOD can give you experience as a message to warning you; to alert you or to encourage you, it may come to you as experience or sign that you have to respect and to understanding this is GOD talking to merit is very easy for some of as to ignore the experiences other side after prayer and still waiting for the audible voice of GOD. That is another way of communication you have missed that is another channel. You can take a car want to go SOUTH AFRICA and somebody come to stole that car before you travel that day, **it can be a voice of GOD to rescue you on accident on that day. God know if I tell this man not to travel to South Africa will not hear, so the best way is to send someone to take the car.** So, the car is stolen in order for your life to be preserved. But you complain over a car while you don't know what would happen to you if you had that car. IF something terrible happen after prayer you have to look it before you complaining. Is it a sign, experience it's a channel. Experience can be used as a confirmation. God can introduce a situation to talk to you, GOD can use any experience to

communicate to you, and this is why after prayer you should not blame or murmuring **after you pray**. Any experience after prayer is GOD communication back to you. No matter what bad it's you should not complain about it. Look before you complain is it a sign. what if you wake up in the morning and want to go the interview and you find that your car tire is flatland you complaining, you cast the devil, that should never happen after prayer, I it happen before prayer it could be devil, but after prayer anything bad could happen, **it could be GOD**, Before you complaining just check it. God know the consequence that why he brings sign to us, God know that if I tell this man not to drive this car he will not listen, He needs an experience, can please somebody take away his car from him before he kills Himself, and a car is stolen so that you can be preserved. But you complain about a car because you could not know what will happen to you. If you had that car. Before you complain it could be GOD, check it first. We have people like that who goes for interview and fall to return back home because they didn't hear the experience, after you pray you find yourself you lost a passport, but they force it and they were lost. Gods know exactly where are you going but know if he tells you, you will not listen, so HE prefers another channel of communication. **That is experience and a sign**, THOSE ARE SIGN. It is very easy some as given sign by GOD but ignore it, still ask is she or he a right person, you're wasting your time GOD as **already give you a sign**. In most cases why you ask GOD QUESTION IS BECAUSE OF THE **SIGN** ALREADY GOD GIVEN TO YOU THAT HE IS NOT A RIGHT PERSON. You will try to close that channel as other people who already torture by it they will tell you. There are many signs around you but because you fall to consider it you ignore it. Every day GOD is saying something by give you sign. Your vehicle can even communicate to you by give you sign take me to the garage but driver can choose to ignore that signs and that will make you use that vehicle forever. Everyday GOD is given you sign sand experiences that happen around you as communication channel that GOD is use to communicate back to you to say something to you, Don waits for GOD to say something verbal just look a sign God can give you experience. Before GOD CAN SPEAK TO YOU, are you able to read that sight? **READ THE SIGN**. There was a certain women before the twin tower of the united states of America were brought down ,there was a particular women that working in that same office, she fell sick that morning and she couldn't even wake up from the bed ,she call her pastor to pray for her and she couldn't recover ,abut was a particular assignment that he was supposed to accomplish on that day ,call her boss and say she will not coming, the boss says it has something that is very seriously ,I can't even wake up, that was the day those towers was brought down, she wasn't there at that day ,the moment happened she recovered ,though she was go some interrogation why you didn't come that day, the way thought she was part of what happened, **but this are signs ,God can give you experiences** so HE can preserve you. So, whatever can happen to you even means you're going to lose your leg, may be that is that is the best action GOD has preferred any experiences that you're going Through before you can complain watch out, it can be just another channel through which GOD use to communicate with you. You must learn to use and read the sigh. **Don't expect to hear God audible if you don't know how to read a sigh.**

WHY MANY PEOPLE CAN'T HEAR GOD'S VOICE??

We live in a very noise world, hearing junks, without access to the small voice; u can say I am hearing music, what nonsense is that??You can't hear two things at the same time. We are facing a very dangerous world. Their music has demonic vibes behind, under demonic influence. The atmosphere is so charge with all kind of information, so choose the source of your information wisely. The atmosphere tries to block u to hear the voice of GOD just because the atmosphere u create it create demonic influence and it block your spiritual eyes and hear. If the information is not relevant to u it is not relevant and needed to you. The story of Bishop DAVID OYEDEPO Look primitive but it is not primitive, He buys HIS last newspaper 1993, you're not a media specialist, watch out what feed your spirit control your life, avoid many propagandas to dwell in your spirit otherwise you will be taken and dominated by the volume of their lives. He shut it down and starts hearing purely from GOD. Learn to be still if u doesn't want your destiny to be destroyed. To access the still voice of GOD, set your desire to GOD. Your sense of direction increased by separating yourself to hear the voice of GOD, you have to separately yourself from the noise of this world. Circumstance reason together, YOU can't hear two things at the same time. The atmosphere is full charge with all kind of information. You have to learn to hear the voice of GOD by feeding yourself on the things from Above. Let your atmosphere to be full charge with God's word. THE BIG SECRET TO HEAR FROM GOD IS BY PREVENTING AGITATION. One day in my sleeping dreaming of the night the word come to me and say if u want to be able to hear from me clearly u must stop agitation. Then I wake up and find my dictionary to find the meaning of that word I heard from the spirit of God, the word agitation. I made research more than ten years on how to hear the voice of GOD. I read many books to find the truth about Hearing GOD voice. Until that day I hear from GOD in the night dream, the voice come to me and say if u want to be able to hear from me you have to remove your Agitation. WHAT IS AGITATION? Agitation is a state of severe restlessness or inner tension. It can present in many ways. Agitation can refer to either a state of excitement, restlessness or the process of physical moving or stirring something. It can manifest as a symptom in variously medical or mental health condition, and in some cases, it can be normal reaction to stress or other external factor. To hear the voice of God it requires rest in your spirit. If your spirit is not rest in the word of GOD, you will become blind and dumb in the spirit. Because to hear from GOD it requires your mind to be cool, to calm down. Let your mind settle and open your spirit to hear from GOD. Avoid stress and frustration that is the instrument used by Satan to block your ear to hear from GOD.

HOW TO OVERCOME NOISE SPIRIT? OR HOW TO CALM YOUR NOISE SPIRIT?

This is the important thing to consider if someone wants to know on how to hear the voice of GOD. YOU cannot hear the voice of GOD if your heart is not calm or settled. One can be in a physical and a quiet place but has a noise spirit. WHAT DOES IT MEAN TO HAVE A NOISE SPIRIT? How can you silent it? When your spirit is quiet it attracts GOD spirit to talk to you. Your spirit to be noise, it means your

spirit is talking, is communicate you receive other signal that is not present in the room. That's why a person can be in a silent and QUIET room but still he or she is not quiet inside. There are voices that communicate with your thought, image and words they come to you. YOU can hear them and u can see them. Noise is the things that happen within you. There are many things that happen within you, that hinder a person to hear voice of GOD. Stress can cause your spiritual ears and your spiritual blindness. One of strategy used by Satan is to use someone else to stress to make you sad. Satan can use even your wife, husband, brother or your sister just to stress you. He can use a very closely friend of you to make you feel bad. Just to make you out of the GOD track. Things happen in your spirit but nobody else is hearing. The important thing to do in order to hear the voice of GOD is by praying. Ask to hear his voice alone. **Ask God to shut down every other voice which is not from HIM, in order to hear HIM clearly. Learn to quietly your spirit in order to hear Him** alone. *Your effectiveness in ministry depend to the ability to walk with Angel, this is what measure effectiveness.* You cannot have proper apostolic ministry without angel. I don't hear GOD that is the wrong statement, you hear GOD but you fail to discern HIS voice. That's why sometimes you can say by yourself, something told me, or I thought about it, before it happened; that thing was a voice of GOD in you. Things happen **Demon is after your mind, if he gets your mind, he can control you, the aim of Satan is too weak your mind.** The important thing to do is too quiet or too silent the demonic voice or environmental voice in order to hear GOD alone. You can be alone in a room but your spirit is not quiet. Stress and frustration can hinder you to hear from GOD. Just because your spirit is not silent, there is many things happen around you. You should need to filter all that noise., so that u can hear from the spirit, what GOD'S say to you in the midst of external noise, there can be a noise around you. There can be a noise around you and your spirit is quiet and calm, mean that your spirit has been able to do many things in a time, that's why you have to be calm in order to hear the voice of GOD. There is many distracting thought that are coming to you. You have to exclude that thought voice and listen to God, and all external voice around you is not inter in you, that is how your spirit is calm in order to hear the voice of GOD. Listen to GOD and all your external noise, there can be a noise around you, and your spirit is calm, means that your spirit has been able to kill this other signal; the distraction thought that is coming to you Exclude that thought voice and your listen to GOD. That is how your spirit is calm in a noise environment. **Otherwise, you can be in a calm environment while your spirit is not calm.** You can be in a silent place while your spirit is not silent just because you get another signal from everywhere else. Silent your spirit and withdraw from those thought [thought in your mind] learn to control your thought, change your mind, take your mind away, switch your thought from that thing you thinking about just bend it and it and block it. How can you do that? =is just by thinking about him. Talk to him from your mind even if you don't vocalize it. Your heart channel, **you're thought to GOD, you might even want to do it manual by put your mind in a certain scripture.** Meditation you think through those phases and relate to HIM in the presence, Talk to GOD and communicate to HIM IN those lines. Keep your focus in GODS words only. **Your focus will determine your strength or ability to hear from HIM.**

THE FREE SPIRIT [HOW TO ATTRACT GOD'S VOICES]

The heart without forgiveness, anger, bitterness, pain of the past, bad feeling; toward others, that is not a free spirit. There is spiritual strategy on how to hear the voice of GOD. Spirit means heart. Heart without unforgiving heart without envy, heart without bad feeling with others; weather you're right or wrong that's the free spirit. This is why any steps we take in life we take in darkness, **because your heart is not free to be directed by GOD**. But your hearts to be free you need to create the habit of prayer life style. Praying in the spirit is what will attract the voice of GOD in you. Speaking in tongue is what help you to change your spiritual frequency to get the voice of GOD. Speaking in tongue is the secret to find spiritual frequency heaven station. It is like switch on the heaven radio station in your spirit. We take wrong steps in our life because everything about us suggests to UN forgiveness. Anyone who cannot forgive hates Himself, **holding gorges, holding the UN forgiveness damage heart that any steps you take, you're taking in a darkness**. Holding a forgiveness, bad feeling, damage our spirit. There is no way HOLY SPIRIT can express in your heart, just because you have damaged your heart. That's why GOD says protecting your heart more than anything in your life. You cannot hear the voice of GOD if your heart is full of distraction. If inside you there are songs which do not glorify GOD. Your heart is required to contain Godly things only. PROVERBS4:23 KEEP THY HEART WITH ALL DILIGENCE, FOR OUT OF IT ARE THE ISSUES OF LIFE. Protect your heart more than anything in your life. Because through your heart you can hear the voice of GOD and get direction of life. There is no way GOD can express in your heart because you have damaged your heart.

Learn to clearly distinguish GOD'S voice is invaluable. Instead of GOD'S voice is invaluable. Instead of going through life blindly we can have the wisdom of GOD guide and protect us. The lord knows how to turn your situation around. It's just a matter of hearing his voice. The Lord constantly speaks to us and gives direction. It's never the LORD who is not speaking. but it's us who are not hearing. JESUS made some radical statement about hearing his voice in john 10;3-5 HE WAS SPEAKING ABOUT HIMSELF AS THE SHEPHERD OF THE SHEEP AND THE ONLY WAY THE SHEEP FOLD. TO HIM THE PORTER OPENED; AND THE SHEEP HEAR HIS VOICE; AND HE CALLED HIS OWN SHEEP BY NAME, AND LEADED THEM OUT. AND WHEN HE PUTTED FORTH HIS OWN SHEEP, HE GOES BEFORE THEM, AND THE SHEEP FOLLOW HIM; FOR THEY KNOW HIS VOICE, AND STRANGER WILL THEY NOT FOLLOW, BUT WILL FLEE FROM HIM; FOR THEY KNOW NO THE VOICE OF STRANGERS. 'NOTICE THAT HE SAID IN VERSE 3, HIS SHEEP HEAR HIS VOICE. HE DIDN'T SAY HIS SHEEP CAN HEAR HIS VOICE OR SHOULD HEAR HIS VOICE. HE MADE THE EMPHATIC STATEMENT THAT HIS SHEEP DO HEAR HIS VOICE. MOST CHRISTIANS WOULD QUESTION THE ACCURACY OF THAT STATEMENT SINCE THEIR EXPERIENCES DON'T LINE UP. But it is not what JESUS said that is wrong; all true believers can and do hearing as being GOD voice.

Radio and television station transmit twenty-four hours a day, seven days a week; but we only hear them when we turn the receiver on and tune it in. Failure to hear the signal doesn't mean the station isn't transmitting. Likewise, GOD is constantly transmitting his voice to his sheep, but few are turned

and tuned in Most Christian are busy pleading with GOD In prayer to transmit when the problem is with their receivers.

The first thing we need to do is **to fix our receivers-believe** that its already speaking and stating listen. However, that takes time, effort and focus. The average Christian's lifestyles are so busy .it isn't conducive to hearing GOD voice. For instance, what is your typical answer to the Question? ``how are you? Many of you probably answer something about being busy than ever, and that's one of the big reasons we don't hear the voice of the LORD better. We are just too busy.

PSALM 46; 10 Says be still and know that am GOD. It is in stillness, not busyness, that we tune our spirit ear to hear the voice of God. The lord always speaks to us in that ``STILL, small voice'' [1kings 19; 12, emphasis mine], but often it's drowned out amid all the turmoil of our daily lives.

Second, and this is very important, most often mistaken the voice of the LORD for our own thoughts JOHN 4;24``GOD is spirit; and they that worship him must worship him in spirit and **truth**' **'This is to say that communication with GOD his spirit to spirit, not brain to brain or mouth to ear, the way we communicate in the physical realm.** The LORD speaks to our spirit, not in words, but in thoughts and impression. Then our spirit speak to us in word like, 'I think I should do. 'There for, we often missing the leading of the lord, thinking it's our own thoughts.

Every one of us has done something stupid and afterwards said, **'I knew that was wrong to do** 'We didn't feel right about our decision, but we followed logic or pressure only to find that our impression was actually the lord speaks to us.

PSALM 37:4 ``Delight thyself also in the LORD; and he shall give thee the desire of thin heart.', This verse has often been interpreted to mean that the lord will give you whatever you want ,it means that when you're seeking the LORD will give you whatever you wants and has been used to justify selfishness, greed, and even adultery But it doesn't mean that GOD will give you whatever you want; it means that when you're seeking the Lord, **HE will put His want or desire into your heart.** He will make desire HIS desire to be your desire. The lord will change you ``want to''. when you're praying about something and suddenly you lose; your desire for it is also the symbol of GOD Speaking.

ROMANS 14; 23WHATSOEVER WHICH IS NOT FAITH IS SIN.

COLOSSIAN 3; 15 AND LET THE PEACE OF GOD RULE IN YOUR HEARTS. 'The secret of life in order to hear the voice of GOD You must let the peace of GOD to dominate your heart. Because peace of GOD; is what will lead you to recognize GOD voice. The only secret of Life is to hear the voice of GOD; through his voice you become healing. The voice of GOD is the one of the greatest healings of a human being. The secret of life is to meditate the word of GOD in deep. You cannot hear the voice of GOD if you're not concentrated in the word of GOD. When the word of GOD is dwelling in you, you will start to hear the voice of GOD and operate in the supernatural world. You can't hear the voice of

GOD until your mind and your heart is connected. To meditate on the word of GOD is where you can hear the voice of GOD. Most of Christian They doesn't hear the voice of GOD because they don't concentrate on the word of GOD. COLOSSIAN 3; 15

THINGS TO DO IN ORDER TO HEAR THE VOICE OF GOD

-BELIEVE that GOD WANTS TO TALK TO YOU=If you don't believe GOD wants to speak to you, it's likely that you won't hear HIS still, small voice. The key here is that you expect HIM to speak. David said, ``O LORD, IN THE MORNING YOU WILL HEAR MY VOICE; IN THE MORNING I WILL DIRECT MY PRAYER TO YOU, AND I WILL WATCH EXPECTANTLY. [PSALM5:3] The Holy spirit live inside you and may be speaking to you more than you realize. JESUS Said, ``BUT THE COUNSELOR THE HOLY SPIRIT, WHO THE FATHER WILL SEND MY NAME, WILL TEACH YOU EVERYTHING AND REMIND YOU OF ALL THAT I TOLD YOU'' [JOHN14; 26]

-POSITION YOUR HEART TO HEAR HIS STILL, SMALL VOICE JESUS Himself said , ``MY Sheep hear my voice, and I know them, and they follow Me.``[john 10;27].Our part is to position our heart to hear His still small voice, or to recognize the other ways in which HE communicate with us,[God can speak to us in many ways, which we will discuss .Cultivate an awareness that Holy spirit is dwells in you and He long to fellowship with you daily ,pray that He will make you sensitive, to His spirit and to his voice.

-**FELLOWSHIP MORE WITH THE HOLY SPIRIT**=This is fundamental. If you want to hear from God more clearly, spend more time with him and his words 2Timoth3:16. When you pay attention to the word of GOD then the spirit of GOD will talk to you and tell you what he needs you to do. HABAKKUK 2:1-2 ``I WILL STAND ON MY GUARD POST. AND STAND ON MY GUARD POST AND STATION MY SELF ON THE RAMPART; AND I WILL KEEP WATCH TO SEE WHAT HE WILL SPEAK TO ME. THEN THE LORD ANSWERS ME AND SAID, RECORD THE VISION. This show in order to hear GOD `S voice the key is to go to the quietly place and still our own thoughts and emotions. PSALM46:10 ENCOURAGES US TO BE STILL, LET GO, CEASES THRIVING, AND KNOW THAT HE IS GOD.

IN PSALM 37:7 WE ARE CALLED ``TO BE STILL BEFORE THE LORD AND WAIT PATIENTLY FOR him, there is deep inner known in our spirit that each of us can experience, when we quite our flesh and our minds. Practicing the art of biblical meditation; help silence the outer noise and distractions clamoring for our attention.

I come to the presence of GOD most quickly and easily when I use my godly imagination to see the truth that he is right here with me and I sing my songs to him personally. 'I WILL KEEP TO SEE, 'Said the prophet. To receive the pure word of GOD, it is very important that my heart be properly focused as I become still, because my focus is the source of intuitive flow. If I fix my life before JESUS But if I fix my gaze upon some desire. To have a pure flow I must become still and carefully fix my eyes upon JESUS, quietly worshiping the king and receive out of the stillness that follows quietly easy worshiping the KING and receiving out of stillness that follow Quite easily accomplish this.

Also, another key to hearing GOD'S voice: As you pray, fix the eyes of your heart upon Jesus. HABAKKUK was actually looking the vision as he prayed. Hopes the eyes in his heart, and looked into the spirit world to see what GOD want to show him.

GOD has always spoken through dreams and visions, and HE specifically said that they would come to those upon whom the Holy spirit is poured out [ACT 2;1-4,17] Being a logical, rational person, observable fact that could be verified by my physical sense were the foundations of my life, including my spiritual life. I had never thought about opening eyes of heart and looking for vision. However, I have come to believe that this is exactly what GOD wants me to do. He gives me eyes in my heart to see in the spirit vision on the almighty GOD, there is an active spirit world all around us, full of angels, demon and Holy spirit., the omnipresent FATHER, and His omnipresent son, Jesus.

- The only reason for me not to see this realty are unbelief or lack of knowledge. In his sermon in Acts 2:25, Peter refers to King David's statement: "I saw the Lord always in my presence; for He is at my right hand, so that I will not be shaken." The original psalm makes it clear that this was a decision of David's, not a constant supernatural visitation: "I have set (literally, I have placed) the Lord continually before me; because He is at my right hand, I will not be shaken" (Ps.16:8). Because David knew that the Lord was always with him, he determined in his spirit to see that truth with the eyes of his heart as he went through life, knowing that this would keep his faith strong.

In order to see, we must look. Daniel saw a vision in his mind and said, "I was looking...I kept looking...I kept looking" (Dan. 7:2, 9, 13). As I pray, I look for Jesus, and I watch as He speaks to me, doing and saying the things that are on His heart. Many Christians will find that if they will only look, they will see. Jesus is Emmanuel, God with us (Matt. 1:23). It is as simple as that. You can see Christ present with you because Christ is present with you. In fact, the vision may come so easily that you will be tempted to reject it, thinking that it is just you. But if you persist in recording these visions, your doubt will soon be overcome by faith as you recognize that the content of them could only be birthed in Almighty God.

Jesus demonstrated the ability of living in constant contact with God, declaring that He did nothing on His own initiative, but only what He saw the Father doing, and heard the Father saying (Jn. 5:19,20,30). What an incredible way to live! Is it possible for us to live out of divine initiative as Jesus did? Yes! We must simply fix our eyes upon Jesus. The veil has been torn, giving access into the immediate presence of God, and He calls us to draw near (Lk. 23:45; Heb. 10:19-22). "I pray that the eyes of your heart will be enlightened...." When I had quieted my heart enough that I was able to picture Jesus without the distractions of my own ideas and plans, I was able to "keep watch to see what He will speak to me." I wrote down my question: "Lord, what should I do about Rachel? "Immediately the thought came to me, "She is insecure." Well, that certainly wasn't my thought! Her behavior looked like rebellion to me, not insecurity. But like Habakkuk; I was coming to know the sound of God speaking to me (Hab. 2:2). Elijah described it as a still, small voice (I Kings 19:12). I had

previously listened for an inner audible voice, and God does speak that way at times. However, I have found that usually, God's voice comes **as spontaneous thoughts, visions, feelings, or impressions**. For example, haven't you been driving down the road and had a thought come to you to pray for a certain person? Didn't you believe it was God telling you to pray? What did God's voice sound like? Was it an audible voice, or was it a spontaneous thought that lit **upon your mind**? Experience indicates that we perceive spirit-level communication as spontaneous thoughts, impressions and visions, and Scripture confirms this in many ways. For example, one definition of Paga, a Hebrew word for intercession, is "a chance encounter or an accidental intersecting." When God lays people on our hearts, He does it through paga, a chance-encounter thought "accidentally" intersecting our minds. Another step is: to hearing God's voice is recognizing that God's voice in your heart often sounds like a **flow of spontaneous thoughts**. Therefore, when I want to hear from God, I tune to chance-encounter or spontaneous thoughts.

Finally, God told Habakuk to record the vision (Hab. 2:2). This was not an isolated command. The Scriptures record many examples of individual's prayers and God's replies, such as the Psalms, many of the prophets, and Revelation. I have found that obeying this final principle amplified my confidence in my ability to hear God's voice so that I could finally make living out of His initiatives a way of life. The fourth key, two-way journaling or the writing out of your prayers and God's answers brings great freedom in hearing God's voice. I have found two-way journaling to be a fabulous catalyst for clearly discerning God's inner, spontaneous flow, because as I journal, I am able to write in faith for long periods of time, simply believing it is God. I know that what I believe I have received from God must be tested. However, testing involves doubt and doubt blocks divine communication, so I do not want to test while I am trying to receive. (See James 1:5-8.) With journaling, I can receive in faith, knowing that when the flow has ended, I can test and examine it carefully. Is It Really God?

Five ways to be sure what you're hearing is from Him:

1) **Test the Origin (1Jn. 4:1)** Thoughts from our own minds are progressive, with one thought leading to the next, however tangentially. Thoughts from the spirit world are spontaneous. The Hebrew word for true prophecy is nabbed, which literally means to bubble up, whereas false prophecy is said meaning to boil up. True words from the Lord will bubble up from our innermost being; we don't need to cook them up ourselves.

2) **Compare It to Biblical Principles** God will never say something to you personally which is contrary to His universal revelation as expressed in the Scriptures. If the Bible clearly states that something is a sin, no amount of journaling can make it right. Much of what you journal about will not be specifically addressed in the Bible, however, so an understanding of biblical principles is also needed.

3) **Compare It to the Names and Character of God as Revealed in the Bible**

Anything God says to you will be in harmony with His essential nature. Journaling will help you get to know God personally, but knowing what the Bible says about Him will help you discern what words are from Him. Make sure the tenor of your journaling lines up with the character of God as described in the names of the Father, Son and Holy Spirit.

4) **Test the Fruit (Matt. 7:15-20=)** What effect does what you are hearing have on your soul and your spirit? **Words from the Lord will quicken your faith and increase your love, peace and joy.** They will stimulate a sense of humility within you as you become more aware of Who God is and who you are. On the other hand, any words you receive which cause you to fear or doubt, which bring you into confusion or anxiety, or which stroke your ego (especially if you hear something that is “just for you alone – no one else is worthy”) must be immediately rebuked and rejected as lies from the enemy

5. Share It with Your Spiritual Counselors (Prov. 11:14)

We are members of a Body! A cord of three strands is not easily broken and God’s intention has always been for us to grow together. **Nothing will increase your faith in your ability to hear from God like having it confirmed by two or three other people!** Share it with your spouse, your parents, your friends, your elder, your group leader, even your grown children can be your sounding board. They don’t need to be perfect or super-spiritual; they just need to love you, be committed to being available to you, have a solid biblical orientation, and most importantly, they must also willingly and easily receive counsel. Avoid the authoritarian who insists that because of their standing in the church or with God, they no longer need to listen to others. Find two or three people and let them confirm that you are hearing from God!

WHAT YOU COMMAND IS THE FUNCTION OF THE THRONE YOU OPERATE FROM.

The spirit word is **the world of throne, what you command is the function of the throne you operate from.** You can mobilize angel or demon by sound. **Sound** vibration energy. Authority is the function of light. Sound its spiritual, spirit can travel through sound, so be careful on what you hear, not every music is good for you, some of music contains demonic vibes or influence. Some of music influence fornication or adultery, that music can be used by demon to transport from one person to another person. The level of light man access is the level of it is command. The moment a man catch light, he catches authority. **THE SPIRIT REALM IS THE REALM OF THOUGHT**. The spirit world is higher in the frequency of thought than the word. Word is high limited, u can speak in one direction of a time, but your thought is divided in different direction. While your think about that person, you seeing the image of that person and also see what you want to do to that particular person and what will happen when you do that. Thought can operate in different dimension. In the spiritual world **they use thought to communicate**. That is how it works. You cannot even speak exactly if your thought is not going first to your thought. The GOD is able to do abundant than our thought. Your muscles in the spirit realm are your faith. You don’t move things because your intelligence but by faith. **Faith is a muscle to move**

things in the spirit. The man who has no faith is defeated in that realm, because GOD call things which is not, as bean they are. Your faith is what bring things to be, that realm is building by faith.

WHY GOD APPEAR IN A DREAM? DREAM IS ALSO A MEDIUM OF COMMUNICATION BETWEEN A MAN And GOD.

Dream is only given because you have gone a wrong way. God want to draw you back in a right position. Actual you're going in a wrong direction GOD see, GOD will wait until your flesh is quietly **and not arguing.** In a deep sleep GOD came and want you to make correction, that is the reason of dream. Dreaming is to withdraw you from where you're going. Remember King Solomon After he give a sacrifice, GOD appeared in His dream and bless HIM, that means there was a bad offering before, they didn't touch the heart of GOD in that prime. Dream is to withdraw from where you go and give you a proper direction. Withdraw you from your past and give you a light what to do. Dreams can be used as a prayer point. Always check what is the content or connection of your dream. Many is used as a point for you to ask GOD for repentance and to change your ways, to rebuke that evil spirit block your ways. Example if you dreaming that your sex with someone in your dream, that is a marine spirit that block your ways. So, repent and rebuke those evil spirits that block you. So, you're dreaming because you follow your own plan instead of GODS purpose. Whenever you're in a dream it means you're too late, He has already said to you but you didn't listen his voice at the first instance, that is why he time when your spirit is silent and quietly in the night to open you hear and your eyes to see.

JOB33:14-16 FOR GOD SPEAK ETHANE; YEA TWICE, YET A MAN PERCEIVED IT NOT. IN A DREAM, INVASION OF THE NIGHT, WHEN DEEP SLEEP FOLLETT UPON MEN, IN SLUMBERING UPON BED, THEN OPEN THE EARS OF MEN AND SEALED THEIR INSTRUCTION. This means you're not quite enough to hear from GOD that's why he uses quietly time to talk to you in your dream. The first procedure to hear from GOD is to have a free spirit, let your heart be silent and cool to access the voice of GOD easily. QUIETNESS is the big strategy to hear from GOD. You will never be able to hear from GOD until your spirit is silent enough to get the voice of GOD clear.

It is possible that JESUS can be present and things being messed up. We have Christian who is sick. They yet have Jesus, but Jesus is not active in their life. JOHN11:14 MY absence is what will kill you, that is what GOD tell you. Presence does not mean active, know how to activate the presence GOD. You might be in a pain now, but I tell you if you stay in the tongue praying without ceasing. Practice the truth you stay in the word. **THE WORD OF GOD MEANS IT IS THE GOD IN TEXT FORM.** That means the inference of GOD being injected into your system. Hebrew10:25 you come to church to activate the power of GOD in you.

HOLY SPIRIT CAN NOT STAY IN A DISTURB MIND.

If your spirit is so much weight you will not be able to hear from GOD. Your mind must be free to be able to hear from GOD. **If your mind is not free you will not attract the spirit of GOD to talk to you.**

To hear GOD, you must be free from your heart. Many of you when trouble comes your disturbed from the within, the moment **your disturbed there is where for the Holy Spirit to stay. Holy Spirit cannot stay in a disturb heart, the disturbed mind. The moment you disturbed you lose GOD, you're out of GOD. The moment your worry is the moment you lose concentration to GOD.** The moment you worry, how does it happen to ME? Worry is what makes you out of GOD. The moment your disturbed is the moment you fall to activate GOD power into your life. It will block your spiritual eyes and ear. The moment you are worry about prosecution or over attack of enemy on what they are doing to you, challenging your facing and your worry, that's is the things hinder you to hear from GOD. It will block your ear to hear from GOD clearly. Worry is what makes you out of GOD. If your spirit is not free it cannot attract Holy Spirit. You have so much weight burden in your spirit. Burden of the spirit hinder you to hear GOD.

THINGS THAT BLOCK YOUR SPIRIT TO HEAR GOD;

One of the greatest weapon GOD give to us is **spiritual sensitivity**. When the spiritual sensitivity of a believer is blocked, that believer will not be able to pick the voice of GOD. You don't need to be a prophet in order to know how to hear the voice of GOD. You must be sensitive enough to be able to pick the voice of GOD in your life. Example of matter on whom to marry? It is your right as a believer to know GOD'S VOICE. This is one of your rights as a believer. The important thing to know about life is to know how to capture GOD voice in your life. The first principle to understand is that, **GOD speak from the within**, when GOD speaks, He speaks from within. As a believer you need to understand GOD is within everything, He stays inside your heart, *so to hear HIM it comes from within. Whenever GOD speak, He speaks from within; whatever Satan does, is to attack the minds of believers that you will not be able to pick the voice of GOD.* When the believer beginning to experience the busyness of the mind. When Satan attacks you, he attacks your minds. Devil attack the mind of believers that you will not be able to pick the voice of GOD. When believer beginning to experience the busyness of the mind. When the mind of the believer; become to busyness with fear worry, doubt and anxiety. You see those things or noise disturb the noise of GOD in you to be not Cleary when it comes to you. Because the voice of GOD drops in your mind, So Satan can block your mind to be very busy in order to blocks your ears not to hear from GOD. God use spirit part of you to communicate to you. **Your mind is the point of communication. So, if your mind is corrupted you will not be able to hear from HIM.** The first principle to hear GOD is to ensure your mind is quietly enough in order to be able to receive the voice of GOD. Just because if your mind is attacked by devil under that situation; you will not be able to pick the voice of GOD. One of the greater tactics used by demon is to ensure your mind is **corrupted** in order for you to fall to get the voice of GOD clearly. To make sure your mind is not ok to pick the voice of GOD. Doubt and anxiety are what will make you blind and dumb. Because the voice of GOD drops in your mind, the bible says in a book of DANIEL 7:15 THE VISION THAT PASS THROUGH MY MIND DISTURB ME. ***Are you see when God want to speak, He speak to the mind of Daniel. Imagine the mind of Daniel was so busy that he could not pick what GOD was saying, YOU***

need to understand when GOD speak a word or send a word, HE speak with impression. GOD can send through the suddenly thought, Satan know this is how GOD speaks, he will try to attack the mind of believers that, you will not be able to pick when GOD is speaking.

OVERCOME THE INNER NOISE.

One time when GOD wants to speak with ELIJAH, after a fire, there was still a small voice, God come in a dimension of still small voice. Imagine Elijah was having a noise from the within, HE could not be able to pick it. Imagine you're in a market place and someone try to call you from far, you will not hear because of a noise. Also because of the inner noise many believers are not hearing. The way to shut your inner noise is by training your mind to **focus** on JESUS when you pray. Train your mind to look the face of JESUS alone. If you train yourself consistency like this, u will be going to get mystery and you will be shocking how that noise will stop. Another way to overcome the noise from the within is by finding the scripture and focus on it deeply. That is the secret on how to hear and see in the spirit. In PSALM 16:8 DAVID train himself to put GOD in front of Him. It means that keep your mind that JESUS is with you. Whoever you go, keep your mind that Jesus is around you, He is with you. In your car in your house, have that concise GOD is with you. PSALM 16:8. I HAVE SET THE LORD ALWAYS BEFORE ME; BECAUSE HE IS AT MY RIGHT HAND, I SHALL NOT BE MOVED. Keep your eyes on HIM alone, stay focus on the word of GOD in order to hear and see from HIM. When you pray keep a thought that Jesus Christ is in a room with you, if your mind is blank, Satan will put the evil image in you, Satan will throw thought in you. The key is to keep the image of Christ in you. Even if you don't have the image of JESUS just keep the image of cross in your mind, image of personalities of JESUS in your heart. That is how you fill your spirit with GOD words against demonic thought. It needs the level of stillness to hear GOD. Keep the picture the consciousness of JESUS in your heart, speak in tongue, and worship GOD for a one hour, if your mind **flaying brings it back**. You will discover that there it will come that will be taken even in a vision, YOU will hear GOD more, GOD will drop thought in your heart, it will become like super natural ideas. It will come like that, write it down, engage your spiritual senses and make it sharp exercise it and you will become stronger more and more. **NOT EVERYBODY IS CALLED TO BE A PROPHET, BUT EVERYBODY IS CALLED TO HEAR THE VOICE OF GOD.** **The time** will come when you will be stronger than a prophet. You will be shocking that GOD will bring you into deeper realms. The key is in the practice. HEBREW5:14 Excises it by setting an intension in your heart, which you want to hear from HIM that act alone draw information from the realm of the spirit. That is why sometimes you can tell someone about his or her secret and wonder how did you get that am praying while I am looking somebody, I keep searching in my spirit, What GOD says about this man, I keep posture in my heart, want to hear what GOD wants to say about this person? Expectation alone will pull answer from GOD alone. Then the word will drop in my heart as a suddenly word. Even it may come as a suddenly vision. PSALM 85:8. I WILL LISTEN WITH MY EXPECTANCE ON WHAT THE LORD WILL SAY. HE WILL SPEAK PEACE TO HIS PEOPLE. So, to hear GOD require your expectation toward HIM, your desire to hear HIM is what will attract GOD to speak to you. You must

learn to set your expectation to HIM in order to hear Him. You just not see anything and come to see when a prophet stands to minister, you cannot watch a movie or film and come into a prophetic gathering to minister GOD'S word, you must learn to prepare before HIM very well by sanctify yourself by the blood of JESUS. There is something you can't do before you came to minister the word of God, don't argue with people and come to minister, go alone in a room and talk to GOD direct by yourself first. Meditate the GOD'S Word before you came to minister to other people. Put the word of GOD in front of you, by meditate upon it. Close your eyes your last experience you saw, if you close your eyes to see you will see your last movie. You must control what you watch, some of you because you're hungry, you will see food. **WHAT YOU SEE IN THE PHYSICAL WILL DETERMINE WHAT YOU WILL SEE IN THE SPIRITUAL.** What you see and what you hear is what will determine the depth on how you travel in the spiritual world. There is some movie you should stop watching. Some of you there are some of you get nightmare from the movie you watch. Some of you saw troubles. SO, **WHAT HAPPEN IN THE PHYSICAL DETERMINE WHAT HAPPEN IN A SPIRITUAL? SO, YOU MUST LEARN HOW TO CONTROL YOUR ENVIRONMENT.** Set your expectation to HIM. Set the image in your heart and start deeply prayer, began to pray until the suddenly thought come to you. Do not plan it, let the thought come itself spontaneous thought. You will begin to get the word from your heart, it will become like ideas, super natural known. That idea is not you; it is LORD impress it in your heart.

Another thing that blocks spiritual sensitivity is suspicious. ***To suspect people, you're not meant to suspect other people bad, see people with the eyes of love. Wish everybody well, love help you to see*** Clearly, if you have restless from within quit it. The pure rest vision you can see on earth is by seeing with the eyes of love. Lenses of love; Guide your atmosphere don't let people terminate your love, because love will help to see clearly. Another issue that can stop a man not to see is by stop and avoid spiritual judger, be careful on what you feed your spirit. Because the food you eat is what will make you either stronger or weak. WE EAT PHYSICAL WITH OUR MOUTH BUT WE EAT IN THE SPIRIT BY OUR EYES AND EARS. If you want to see and to be able to hear clearly from GOD you need to guide what to hear and what to see. Because your eyes and your Ears are the get way to your soul; you should shut down all the morrows content because they can destroy your heart not to hear from GOD. That's why in those days prophet does not live among peoples, they live on the mountains, in the high place. Now days, you don't need to go to live in a mountain, only you need to guide your atmosphere around you, guide your environment. PSALM 101:3 BIBLE SAYS SOMETHING VERY PROPHETIC, YOU NEED TO GUARD WHAT TO SEE, BECAUSE WHAT YOU SEE CAN AFFECT YOUR SOUL. Guide what you see and what you hear because that is the secret of how to hear and see in the spirit realm, it can affect your spiritual life. There is content have contain the demonic vibes then you watch it and hear it, it can corrupt your mind and make you spiritual blindness. It can enter into your mind and live in it.

Another thing that can help you to open your spiritual eyes is by avoid prayer less or laziness at any cost. Read the book of ACTS 7:5. Prayer open your spiritual eyes, if a man is far from prayer is spiritual

eyes become blind, you will not pick things like the way you pick before. ACTS 22:17 When I was praying, I fall into trans. **REVELATION IS ALWAYS TIES TO PRAYER, YOU SEE MORE WHEN YOU PRAY MORE. Give yourself in prayer one hour you focus on JESUS alone. Speaking in tongue and take your pen and book then you write your super natural idea. Direction will begin to flow, things you don't know before you will begin to know it, GOD will be beginning** to give your idea and strategy ways in your business, God will start to give you ministrations about your family and your friends. Believer you need to understand that **prayer less Christian will not be able to pick the supernatural realm**, because **sometimes GOD will send things in your spirit but you will fall to pick it if you're not sharp in your sensitivity**. You will fall to capture the signal from GOD. You need to be sharp, give yourself to prayerful pick things easily, that's is why you understand the more you pray is the more you get dreams, you don't forget, there are **sometimes prayer does to spiritual sensitivity is to sharpen your intimacy**. **THERE IS A LEVEL OF REVELATIONS MAN CAN NOT INTER INTO, IF HE IS FAR FROM THE SECRET PLACE.**

WITHOUT A SONG NO ACCESS TO THE VOICE

ISAIAH 30:29 YE SHALL HAVE A SONG ,AS IN THE NIGHT WHEN A HOLY SOLEMNLY IS KEPT, AND GLADNESS OF HEART AS WHEN ONE GOETH WITH A PEOPLE TO COME INTO THE MOUNTAINS OF THE LORD, TO THE MIGHTY ONE OF ISRAEL. 30 AND THE LORD SHALL CAUSE HIS GLORIOUS VOICE TO BE HEARD, AND SHALL SHEW THE LIGHTING DOWN OF HIS ARM, WITH THE INDIGNATION OF HIS ANGER, AND WITH FLAME OF A DEVOURING FIRE, WITH SCATTERING, AND TEMPEST AND HAILSTONES. And the LORD will Cause HIS glorious voice to be heard, **you shall have a song, and that song shall Cause HIS glorious voice to be heard, people are so depressed and there is no way, they can hear from GOD, without a song no access to the voice**, remember in 2 KINGS 3:15 ELISHAH SAYS BRING ME A SINGER, AS HE BEGINNING TO PLAY, THE HAND OF LORD BECAME UPON ELISHA, AND THE voice of the lord came calling, you shall have the song and GOD will Cause HIS glorious voice to be heard, you don't have the song you can't hear the voice, PAUL SAYS REJOICE THE lord ALWAYS AND I SAID AGAIN REJOICE, YES REJOICE EVER MORE, IF YOUR NOT joyful you cannot access HIS voice, and without HIS voice you remain a victim, in the presence of GOD there is full of joy, the devil want to depressed you so he can rob you in GOD'S presence, to depress you in order to rob you not to access GOD voice, he want to depressed you to keep you in captivity, you cannot be oppressed until you can forced to be depressed. BE FREE FROM ANY KIND OF DEPRESSION IN THE NAME OF JESUS.

PART 2

HOW TO SEE IN THE SPIRIT

When Adam was put or gives each name every animal. Adam did all these things and yet falls. The way he falls, the understanding was taken. Light was cut off from ADAM. He names all animal. Adam was having extraordinary wisdom, strength. His spiritual understanding was very high. The bible says HE was able to see like GOD and hear like GOD. And operate by GOD. When a man fall, man understanding was taken, which means, we are limited in progressing but Jesus come and restore it in our original position. Bible says Adam was able to see like GOD and hear like GOD and operate like HIM through HOLY SPIRIT. But after a man fall, his understanding was taken away. When your born in Christ you have been given spiritual intelligence our imagine ability are not building you by school, they will have thought how to think scientifically and logical and not spiritual. That analytical; ADAM was able to think and see imaginary like God. In order to see and think like GOD, you must learn to feed yourself with the word of GOD. The more you feed your heart with God's word that is the only way to be able to see in the spirit. Feed yourself with the word of GOD and you will be able to see things by the lenses of GOD'S word. Examine everything through HOLY SPIRIT. **Your imagination and your lance to see things is based on the information you have in you. You see things by the information you have about something. You can see through your imagination, and your imagination is based on the content of the information you have on a certain issue.** Your imagination is your creation; we just need more of information from God's word in order to see everything clearly to restore the information that was taken by devil from Adam. Your spirit needs to be fat and health like your body. **You must feed your spirit self-more than your body, your spirit needs breakfast of GOD'S word every day, lunch and dinner with prayer and meditation is what will make you able to hear the voice of GOD, it will strength your spiritual muscles.** See in the spirit there are many things concerning the environment, your environment is come from the atmosphere you create; to hear GOD you must going to create the atmosphere of GOD'S word. To see in the spirit, it requires you to know three realms. The soul, body and spiritual eyes realm. Other ways you can hear through the natural senses. You can hear soul ca senses. We see with physical eyes, Mind and spirit. You seethe in three realms. Many they don't consider the physical thing that they are not able to see. We are talking about the spiritual aspect. To see means to start from somewhere and end with somewhere. If one of them is violated trust me you will not be able to walk in the spiritual realm. If we accessing the eyes of the spirit, we profit everything. If you don't take care of your flesh, you will not be able to see. In other way for you to see; you need to connect all this aspect. All physical aspect comes from the spiritual aspect. You start to hear first and you start seen. Your eyes to see it depending on the information you have about something. Example when you hear something about someone, you will start to look that person under that perception. **So, in the spirit we see by ears and we hear by eyes, vice visor. So be careful about the information you feed yourself**. Even EVA start to see the fruit of the garden good for eat after hearing it from devil. Devil feed evil word to EVA and ADAM. GENESIS3:7 THE WOMEN SO THE TREE WAS GOOD FOR FOOD. If you want to see you see in three processes, the women saw the tree and good as desired in the heart. Which means devil wanted EVA to relay on to saw like what devil sees. If you want to see, you must learn to see in three dimensions. The women saw the tree and

it was good as desired in their heart. This means the devil wanted to speak with Eve through physical eyes to make her to desire the fruits. The devil started from the physical aspect of EVE. Have you seen that tree? Yes, I have seen it, have you been told not to touch? Yes, we have been told not to touch it. **Do you know it's well? WOMEN NEVER DESIRE THE TREE UNTIL THE DEVIL INTRODUCE THE TREE.** The tree has been there every day until the devil introduces that tree when she saw it with her physical eyes the heart desire to eat it. How devil started, he started from the physical realm. Satan was started with the physical eyes and moves it to the soul solicit realm; it is the mind and final in the spiritual realm. WHICH MEANS, IF THE EYES DIDN'T SEE THE TREE THE HEART CODLING DESIRE IT. If his heart not desires it, he could not eat, if she could not eat, she could not fall spiritual. Devil communicates to men using their eyes, but when GOD wants to communicate with you, GOD started from your spirit. He will send the information to your spirit and your spirit will carry that information to your solace realm that is your mind, process the information and send to the physical dimension, which you speak it with your mouth. You have to be carefully with your physical senses, because your physical senses can be a door of Satan to pass his things, example your eyes, to see **phonograph** while you want to see in the spirit you will fall and your eyes will be block. Because what will be in you will be pornographic image inside you. That is demonic attack which pass through your physical eyes. So, to see in the spirit requires a person to guide what you watch. What can pass through your eyes can affect also your vision. What you see matter and what you hear matter in the school of the spirit. WHAT YOU OPEN YOUR HEART FOR, IS WHAT HE GIVES YOU. What you hear is what can affect your spiritual life. Don't allow devil to corrupt your mind, because devil hacked you understand. He has cut off understand. So, in otherwise what you see matter and what you hear matter. THAT IS WHY GOD CALLS A MAN; YOU'RE NOT PERMITTED TO HEAR ANY OTHER VOICE THAN HIS VOICE. The day you listen another voice you have cut off the link of the divine direction to you. There is a connection between physical eyes and solace realm. When your physical is tempted it will affect your spiritual world. That is why you are supposed to be careful on your physical see. Guard what you see and what you hear. That is why you don't hate somebody but when somebody tell you about the negative information about that man u start hate him. You have heard something you're not supposed to hear. You believe in GOD because you see somebody give you a testimony of GOD. You hate devil because you heard a based testimony about him. If you don't care about your flesh, you will not be able to hear and see in the spirit. ***You must guide what you hear and what you see. WHAT YOU SEE AND WHAT YOU HEAR DETERMINE YOUR SPIRITUAL GROWTH.*** In the growth of spirit; what you hear and see physical matters. 2SAMUEL11:2 David saw the wife of UURIAH. The devil they can't conquer you in the spirit, and then he will come to the physical. The woman was good to look upon DAVID. Even though DAVID knows the woman were a married person, but until he saw the nakedness of that woman. His eyes saw and he desire her on bed, David fall. The failure of DAVID starts first in the physical, that is why you have been carefully on what you heard and what you see. **Guard what you hear and what you see in your life. David hates evil and he was a righteousness king. Which means the devil want to communicate with David to catch HIM?** He programs that, when DAVID, his eyes

have seen, communication between the mind and eyes. **THERE IS A LINK BETWEEN YOUR EYES AND YOUR HEART AND LINK BETWEEN YOUR HEART AND YOUR SPIRIT**, you just need the spiritual eyes to see. 2 Samuel 12:1-5 chapter 11 he falls and chapter 12 GOD send prophet to David. The devil knowing order to get David I will communicate through his eyes, the snare was set in the eyes of David. He carries from the physical realm to the spiritual realm. He knows from your eyes and your ears to get you. The mind executed the information as a result that he cut off spiritual. When devil want to communicate to you, He will start from your physical realm. Carry from spiritual realm to physical realm. When your understanding is cut off, he wins. So, it is very dangerous to ignore what you see and what you hear in the physical. What you see in the physical real will determine what you will see in the spiritual realm. If you're a chosen one be carefully on where to go and what to see, your eyes and your mind is very important. The devil knows the connection of your physical eyes will determine what you will see in the spirit. When GOD wants to speak, **HE speak to you from your spiritual aspect.** **GOD SPEAK TO YOU FROM YOUR SPIRITUAL ASPECT, AND YOUR SPIRITUAL ASPECT WILL TRANSFER IT TO YOU THROUGH YOUR MIND AND YOUR MIND WILL TRANSFER IT OUT.** Process and transfer it out, the purpose of devil is to cut your spiritual understanding. So that you will not have access to the voice of GOD; the only thing he can do is to distract you from the outside. DEVIL SPEAKS FROM THE OUTSIDE AND GOD SPEAK FROM THE INSIDE. So, this is how the devil does it, he has put a lot of people in bondage's see in the spirit does not take spiritual, see in the spirit take the physical, and take the solicit and take the spiritual. Spend time energy on your physical mind and on your spirit as well.

KNOW THE VOICE OF GOD FOR YOUR SELF. There are the secret and key to hear the voice of GOD. Colossal 1:9 don't wait for other person to hear the voice of GOD for you. You have to hear by yourself. {feel with the knowledge of his will.} COLOSSIAN 1:9-14. The relationship with GOD is the key. EXODUS 13:21 Just follow me I will take you to the promise land.

THE PROPHETIC HAVE FOUR HEARING REALM

1. THROUGH HIS WORD-God speak with us through His word
2. Though the office of the prophet. The prophetic have four different realms
3. The atmosphere of a prophetic 1 samwel4:19
4. Gift of the prophet,

REDEMPTION outside redemption it is not the voice GOD. Any voice you must test it, what is it do for my redemption. If it deals with your redemption is the voice of GOD to you, edification and comfort and develop your relationship with GOD. You cannot hear GOD if you live with disobedience. 1 samwel29:5 About Saul. **Disobedience** is what will hinder you to hear from GOD. The reason why most people do not hear from GOD **is because they are so desperate with the word of GOD.** The purpose

of the voice of GOD is comfort, courage and edification. For right purpose of redemption, if you forget that, that is not the HOLY SPIRIT. You will still remember and know it will come to pass. If your dream is not from HOLY SPIRIT, you will not remember it. The important thing is to ask GOD to fill your wisdom and understanding, to be fill with the word of GOD is to be ruled by the word of GOD, sometimes even if the prophet mention your number if it not for redemption that is **not GOD**. The purpose for GOD to talk to you is for **redemption**, if you don't remember it's not from GOD. GOD speak through HIS word; you have to read the word of GOD. Seat with the LORD give HIM at least half an hour, it will change your life.

HOW ORIENTIFOLD'S VOICE?

There are many voices but do you permit to hear it. People are allowed to speak but you're not permitted to listen, GOD does not punish as by speaking, but he punished us by listen to what others says instead of listen to HIM. There are steps to know GOD'S VOICE, People are allowed to speak but you're not allowed to listen, because the day you listen to them is the day they will chase you out of your hidden. They will say a lot but other words you should not permitted to listen. It doesn't matter what they said you're not permitted to listen. Many people are listening; many voices and those voices destroy them. GOD punished ADAM for the listening. his wife, instead of listen to HIM alone. They punished them for the listen of devil in your life. But HE never punished the devil. He didn't punish devil for speaking but HE punishes them for listening. HE also punished snake for allowing the devil to use him. He punishes the ADAM, EVE AND SNAKE. The devil who is the mastermind was speared. The master, mind he uses to attack peoples mind in order for them to act in his ways. So, GOD doesn't punish us for speaking but he punishes us for listening. When your enemy speak, you're not allow to listen to it. GOD doesn't punish for speaking but he punishes for listening. It doesn't matter what they speaking but you're not supposing to listen it. No matter what you say, you're not permitted to listen. We are not permitted to listen. Most of people problems are because they don't know how to keep Quietly. To identify GOD'S voice, how do we do we do it? How should it be done? Many people are in the state of confusion, and you don't know the voice of you heard is the voice of GOD. The voice of your neighbor the voice of your fresh, devil or the voice of GOD. You confuse and you don't know. Example you don't know who to marry, who you choose for, because you're hearing two voice, one voice says marry this one and other voice tell you not. If you marry have, she will kill you, many voices can disturb you. Some of you want to pick your appointments, it may

Be there are an offer of job you're afraid, you don't know whether you should go in for the job or not. Because you afraid you may end up failure or in a pity. There are many pastors they are in the minister but they don't know where to start a church. There are many people where to settle is a problem, they don't know where? You have prayed over it; the voice tells you to leave the city and other tell you not to live the city. Some people there are voice tell them to quietly and another voice tell you to continue, so in our lives we have many voices double voices, that is how devil ways to

distract you. He goes to those who speaks and mix his voice to the voices. So that you can be confused and standing, you don't know which way to go, to take. Most of people are victims of whatever I explain now. You become Victims of voices because in life there are many voices speaking to us. Some of us are circumstances speaking to us, our situation, our trouble can speak to us, our emotion can speak to us, and our state of heart is speaking to us. There are many voices, hatred can speak too, depression can speak, there is nothing cannot speak, the voice is many, even a challenge can speak. So, in life there are double voices, whatever we do we have double voices. In life there are many voices that is speaking to us. Remember this always nothing on earth cannot speak; if you don't know the voice of GOD, you will stand confusing and you don't know what to do. There is a way out to identify the voice of GOD away from other voice in life. It is from the voice of your challenges, from the voice of any other person. There is a way we do it, and once you know it, and once you know it, nothing will stop you on accessing the voice of GOD. You will be able to separate it. Break yourself up on the confusion of what happen in your life. There are many people that are victims of this; they don't know the step to take ahead. You don't know the step to take ahead because you're hearing many voices. If you want to take major decision in your life, but you hear many voices, and among those voices, which among is the voice of GOD. Because if you're not careful; you will mess up your life. The important thing in your life is to find the direction from GOD'S word. God's is the voice of GOD in a text form. Because you have chosen to listen wrong voices, the voices we access determine our prosperity in life. *The voice of GOD can be a turn point of your life. IT will remove stress and state of confusing in your life.* MATTHEW 16:21 from 12 this show that PETER have the ability to tap the frequency of heaven, and know the mindset of the FATHER. That's why JESUS upon the rock will I build my church and get of hell shall not prevail over it. Peter knows the mindset of the Father that why JESUS CHOOSE him and call him a rock. And also, there is a time JESUS rebukes a Satan behind Peter, and say go behind me Satan means you don't perceive through God's eyes. View you have seen things made on human point of view and not from GOD'S point of view. MATTHEW 16:17. It is not a human perspective but by GOD perspective. But the same man in chapter 17, You're not seen from GOD you see from man perspective. Sometimes flesh can speak to you, devil even can speak to you, if you have the ability to hear you can hear good and bad thing. Some of you are discourage by what other people says about you, it because you have ear to hear. There is no dimension that you will go and your flesh will not stop talking to you, your flesh will speak to you every day, but we must learn to subscribe the voice of GOD. Understanding how to identify GOD from the voice of flesh, devil and from the voice of our challenges. Our inability to identify and differentiate the voice of GOD from the voice of our flesh, will make us the victims of the flesh, because there are some things you will genuinely do, think that it was GOD, NOT discover on whatever happen in our life, MANY **PEOPLE DO THINGS AND LATER AND REALIZE IT WAS DEVIL WHO MISLEAD THEM.** So, you have to be careful on accessing the voices, Use GOD'S word to identify the voice of GOD in your life. For proper direction of your life; you need GOD'S word to examine the voice you hear. It is pride to think the devil cannot mislead you. You must agree that there is no level you

can go on earth, that the devil will not send temptation to you. Even JESUS the savior of the world at the time he was on the cross the devil use thief to tempt HIM. If you're the Son of GOD Serve yourself first and serve us. There is no land devil will not stop coming to you. Every level he will come, your humility is to understand devil can speak to you. The important thing is to walk with HOLY SPIRIT to give you the direction of life. HE will guard you very well, it will make you guard yourself very well and it will alert about what GOD will try to speak to your life. Sometimes GOD can require something from us that's contract to the normal thing in our society. There is no level Satan will not come to you he is good for bringing temptation. If you understand that, you will be alert on whatever Satan says about your life. There is only one thing GOD cannot do; GOD will never contradict HIS WORD. There are some steps identify GOD is speaking

1, If what you hear is not consistent to the GOD'S words, that is not GOD'S Voices because GOD is not against HIS word, GOD must be inside on whatever you you're hearing. No matter what GOD will tend to say, it will agree with HIS word. JESUS said, they will crucify me, and I will rise on the third day as it was written. **SO, WHATEVER YOU WANT TO IDENTIFY, IF THIS IS GOD SPEAKING, MEASURE WHATEVER YOU HEARING AGAINST GODS VOICE.** Because GOD will never contradict HIS word's; In identifying the voice of GOD No matter that voice is, I don't care, your room can be spirit around you and can be trumpet and voice can speak to you audibly into your ears, telling go out and do so and so. You must measure whatever you're hearing against the voice of GOD. Because the word of GOD is our standard in life; No matter what the prophet says, if it does not agree with the scripture discard it., if the prophet says remove your paint let me anoint your private part, don't do that there is nothing like that on scripture discard it, if the prophet says my mouse should inter your mouse discard it. easy=you are everything according to the scripture, according to what God's word says{bible}. Before you carry miracle outside the word of GOD DISCARD IT, run away because it is not agreed with scripture in your life. Whatever is not agreeing with scripture should be discarded. If the servant says you're my wife run away, because it is not in the scripture. GOD does not force as to make our choices, investigate if GOD is within it? Not from GOD. Don't be quickly to conclude. Never believe any man, more than the word of GOD. It is very dangerous, sometimes GOD can say things which are not normal, against the society, it can go against the normal happen of the society, example JESUS say I will die and a third day I will resurrect, it is a normal say. It is not a normal say. It is not a normal says, I will die and on the third day, I will come to life. It has never happened on earth, its contrary to the normal happen in the society, GOD can ask you to do something that has never done in your family. It has never been done in your city. In your claim in your region in your country, because it cannot be done does not mean cannot be done; it doesn't mean that because it has never been done, it is not a voice of GOD. It is GOD for you.

2. We must investigate is it pleasing our flesh or spirit. Who never there is communication examining it with the word of GOD? God will never let you fornication just once. The voice behind you tells just do it. That is not GOD Speaking to you. That voice is from the flesh. And anytime the voice wants to

satisfy the devil know that is the voice of the **devil. Any time the voice tray to satisfy the spirit know that voice is from GOD.** GOD can ask you to 40 days and 40 nights but HE will not tell you a method to use in fasting, that language or whenever voice you heard from GOD is true from GOD. The voice of GOD come from the spirit part of you. Learn to put your heart in the word of GOD, to hear the voice of GOD needs commitment of your life style, how deep you commit your life to the GOD'S word, the level of your deep commitment is the level you will hear from GOD. A particular priest he goes and fasting and die, climb the mountain, that he will not drinking and eating until he sees the LORD. He died, because for whole He know he heard the voice of GOD but he did not Apply wisdom, So GOD can speak to you but you will still get it wrong. You can hear from GOD and still get it wrong; it can be GOD speaking to you and you get it wrong. It doesn't mean GOD does not speaking to you. The moment the voice of GOD come, is the moment also Satan will speak to you, **to identify GOD'S voice you must compare to HIS word.** There some people they didn't have an eagle to eat until them fasting. When they are not fasting, they are not angry, but the day THE Spirit of the LORD ask them to fast that day at ten AM they are tempted to eat. The same person who yesterday was not angry, devil was waiting for GOD to speak, the flesh was waiting for GOD to speak before is equal speaking. It is like this people, they don't speak until the LORD is speaking, to identify GOD'S voice 1. Firstly, compare what you need to the word of GOD. If what you hearing is not aliment or agree with the word of GOD, DISCARD it. It does not matter who is telling you let discard it.

2. Secondly it is through OUR MIND, what come from our mind gradual, whoever that come from your mind gradual that is not the voice of GOD. When you praying are AJUA my wife or PRISCA? AJUA, Ajua before you hear Ajua, you yourself are confused, thought from our mind that come gradual, it is one thought leading **to another thought, one thought leading to the next thought. A THOUGHT FROM THE SPIRIT IS A SUDDENLY THOUGHT. SPONTANEOUS ALL OF A SUDDENLY THOUGHT SPONTANEOUS ALL OF A SUDDENLY SPONTANEOUSLY.** A thought from the spirit is spontaneous, it comes all of a suddenly, you're praying between two people, who is my wife? AJUA OR PRISCA, before you realize you just hear AJUA it comes once. It doesn't come, AJU, ABI, BIB but it will come once and very clear. If it is not at once it is a sign that come from your mind. It comes gradual it forming, it is growing all of a suddenly like a boiling water, when you put water on fire, it starts from zero degree to hundred percent degree. So, you put water there, the thought is growing, that's likely not from GOD. Fit's not from GOD it is zero percent to hundred, the voice of GOD is straight forward it pass hundred percent. ALL OF A SUDDENLY IT WILL BECOME STRONG IN A SPIRIT. Ajua, that is from the spirit. SO, IF YOU PRAYING OVER SOMETHING YOU MUST EXPECT A SPONTANEOUS THOUGHT, YOU SHOULD EXPECT A SPONTANEOUS PICTURE. You should know that if is gradual let's suspect it. It must be spontaneous. Thought of ourselves voice up but any thought or ant word from the spirit bur base up. **It is out of suddenly you didn't think it** just come from your mind. If your praying in the spirit expects, it will become suddenly. **Whatever YOU WANT TO MANUFACTURE IT IS NOT POSSIBLY FROM GOD. IF IT IS FROM GOD, YOU DON'T NEED ANY DIFFICULT TO HEAR IT.** If it is not from GOD, you will force it,

you will try to manufacture it. Do not manufacture a thought and assume it is a voice of GOD, IT can be very dangerous. **Don't manufacture the voice of GOD and assuming it is a voice of GOD.**

3. THIRDLY way to identify the voice of GOD Is to compare the voice with character of GOD. This is the process of identifying it, if it is from GOD compare it with the voice of GOD. Anything GOD says resemble HIM. You can know who the man is by what the man says. I can know who you are by your words, if you are born again, it becomes your birth right to hear GOD. The message is not yours; you're a servant of God, the most thing to do **is to test the facts of that's voice**. To be sure it is from GOD or not. What is the truth of the voice? After GOD visit you must check it. **ANY TIME YOU HEAR FROM DEVIL its CONDEMNATION. THE EFFECT OF THE VOICE OF DEVIL IS FEAR, CONDEMNATION, YOU WILL BE CONFUSED, YOU WILL FEEL EXALT.** You will be confused. **The effect of the voice of GOD is built you, you will be courage's, you will be brought up, you will be happy, you will be at peace, you will be at rest, which means after you hear the voice, you must test the fruit of that thought, to testing the truth of that voice can determine where that voice come from.** Voice of the devil brings fear, easiest, depression, condemnation. Voice from GOD brings faith, boldness, courageousness, strength, happiness, peace and rest. Inner joy that is what the word of GOD brings into our environment, whatever **GOD is speaking, the end product is that faith Is given to us. We receive courage, boldness from the voice of GOD. FEAR, DOUBT, CONFUSION, ANXIETY THAT VOICE LIKELY FROM DEVIL and THAT IS THE END PRODUCT OF DEVIL.** Another thing on identifies the voice of GOD is that, the voice of GOD can challenge our faith, anything that is likely to challenge your faith it is likely come from GOD, Because the voice of GOD challenges our faith, and the voice of GOD conflict with human reasoning. THE VOICE OF GOD CAN CONFLICT WITH HUMAN REASONING, the voice of GOD must not always agree with your human reasoning, also sometimes the voice of GOD can agree with Human reason, **YOUR SITUATION HAVE A VOICE**. Your situation have a voice, your challenge can speak and your challenge have a voice, your family can speak and also it have a voice, and have a loud voice ,institution ,your friends can speak whatever you find yourself can speak, your relative can speaking ,your sickness and poverty have speak to many people. Many people are going through many things now days because voice is do speaking to you. Just Read yourself, reposition yourself. YOUR PROBLEM IS TO ACCESS GOD VOICE, you don't know how to identify it, and you're confusing. The voice of GOD is likely desire to across the flesh desire of you. The voice of GOD will stand against your flesh desire. Your desire to lie and your desire to fornication that is the voice from devil. If the voice is class to what you desire, that is likely the voice of GOD. But if its strength your flesh desire that is the voice of devil speaking. The effect of the voice of devil is fear, after **visitation of devil the effect brings fear**. If you finding difficult to hear from GOD, that is not GOD voice. GOD voice cannot come with **confusion**; the voice of GOD is majesty. It is not a gradual voice, consult a friend, **do not manufacture a voice and assume it is the voice of GOD**. It can be very dangerous. Compare it with the character of GOD. Everything GOD says resemble HIM. You can know who the man is by the way he speaks or says. AND YOU KNOW GOD THROUGH HIS WORD. Whoever you say from your heart, check the effect of everything you hear. After GOD visits you, GOD will leave the dimension of His presence

with you. Blessing cannot be hidden by any man. After a visitation there are something normal leave in you. Whatever GOD has left with you, whatever people sees you, they will know. The same to the devil, the moment he visits you and leave you, we know he has visited you, depending on what devil has left with you. Because GOD carry presence and the devil carry presence. Bible says when GOD visited EVE in the Garden of Eden. After he visited them and left, after the sin when the lord appears for the first time, they were afraid, for the first time after devil visits them. Which means anytime you hear from devil, the effect of that voice is fear, condemnation, confusion you will ANXIETY. Faith builds courageous, brought up, peace and rest in the GOD. Testing the fruits of that voice can determine, where that voice come from. Whoever GOD is speaking the end product is that we receive courage. We receive boldness that is the voice of GOD. But whenever you beginning to fear or doubt, excite, whatever you're confusing just know that voice is from the devil, because that is the end product of the voice of GOD. Be aware because devil will speak to you, and if you're not aware you will listen to HIM. The voice of GOD can challenge our faith, conflict with HUMAN reason not always. Your situation can speak and it have voice. Your dimension determines your manifestation.

THE ART OF HEARING

Hearing the voice of GOD 1KOR14:10 THERE ARE SO MANY VOICES IN THE WORLD, every voice has a signification, this which means that every voice speaking in earth have a signification. 1SAMWEL3:1 THE WORD OF GOD WAS SO PRECIOUS BECAUSE THERE WAS NO VISION. The only thing was depending on was in the word of the LORD. Preciously there was no open vision. It is very dangerous to serve GOD you don't know. Many can save the GOD Who they don't know. Samuel did not yet know the Lord. There is no day GOD have ever spoken to men. As we are talking right now, some of you GOD is speaking. It is the men who have no senses overhearing is not GOD who has not stop speaking to you, but the problems are you are not sensitive to hear HIS voice, because there is no day GOD will never stop speaking, there is two thing GOD does best, speaking and doing. He speak and HE does. Whoever you see a miracle happen, there is involvement of GOD, never see a man hearing or talking instruction there is a voice of GOD in that atmosphere, that man is speaking. GOD does the best but men have lost the sense of hearing, to the point a man do not know this is a voice of GOD speaking. There is no day GOD ever speaking to a man. And no amount of your sin can stop GOD from talking to you, because if you sin the consequence of sin is the voice to you. Arrest and put you in imprison, that is the consequence to be imprisonment, that is the voice of GOD to you TO CONFESS AND STOP SINNING. There is three ways men hear from GOD. Either the spoken word of GOD. And GOD shall speak through your current situation; you must learn to absorb what GOD is saying ACCORDING TO YOUR CURRENT SITUATION. Otherwise, you will miss what happen into your life as a believer. If you're not current you will meas some important happen in your life. And that can affect your life so great. What I want to say if we say GOD is speaking, is not like we say GOD is in the

business of open the mouse every day. Come from the art of hearing from the voice of GOD, what you should understanding is that GOD can speak to you while is not in the environment, you can inter into the environment and know that GOD is not in that environment, Because GOD can speak today and know that no one will access this voice until 500-thousand-year timer. Mean HE has already spoken waiting for that 500years time to manifest, so a man can discern the voice of GOD IN THE AIR. HE has the ability to speak, and that voice is hanging thousand years to come. So, GOD can speak today and walk away from this environment, and voice still Southern years' time. A man enters that atmosphere, that say the LORD I heard, Other will thinking GOD spoke today. While it was a spoken word. It has spoken already many years ago. Do you know ADAM prophesies the birth of JESUS, the first man so the second man will come, before He dead, He know one day the child, shall be born, a man will come inform of flesh that convince Adam and agree to die, because he discovers that no man will sin without death. As a result of sin opportunity to access dimension in the supernatural and the LORD told HIM you have lost it. Then JESUS came to restore the first position lost by ADAM. I will bring another man. who is still restore you, and your seed back to your original position. That is how JESUS came. JESUS came as a second ADAM. The first man saw the second man before, he dead, HE knows the second man will come and restore, cline up every mess, that was created by HIM. ISAIAH who prophesies the birth of JESUS, he is not the only prophesies his birth. David sows the birth of JESUS. Ezekiel saw the birth of JESUS. Daniel saw the birth of JESUS. The prophet has the ability to inter into the atmosphere of GOD and know what HAS spoken ten thousand years. They can pick the voice that spoken many years ago. Even before the grandfather was born, Itis the prophet has the ability to discern the voice of GOD, even before JESUS was born. That prophet ability to hear what GOD told Adam and what GOD told another prophet. ISAIAH 9 prophet saw the coming of JESUS. It describes how JESUS coming to be. DAVID says the LORD says to my LORD, it was a conversation that happen in the realm of GOD, it was a conversation that happen on the chamber of GOD. While that conversation was happened in a realm of GOD. While that conversation was happened on the chamber of GOD. While that conversation was happening, DAVID have ability to key and talk that conservation. Which means they were not interested in talking to David, it is DAVID who heard. The LORD say to MY LORD, seat down until I make your enemy into your feet. Which means it was conversation between two people, so who ever heard it? And the LORD say into my lord seat down into my right hand until I will make your enemy on your foot. If you look at this conversation, was it GOD talking to a man? It was GOD talking to GOD. A spirit was talking to a spirit. And another man has the ability to hear that conversation was not about him, yet he has ability to participate in that conversation. Which means we came to the art of HEARING, hear what you want to hear. You don't hear what GOD shows you. There are realms where you don't have to be seeing before you see. Whether they show you or not. There is a real you hear because you have hears, you don't hear because you want to hear if there is a conversation going on in this atmosphere, Do you know that you may not like that conversation but the fact that happen and you're a rounding, you will hear that conversation because you're in a realm a conversation ,where they discuss what happening you will hear and access the discussion from that

atmosphere, There Is a realm you can inter ,which you can see everything and hear everything in that atmosphere. Where your spirit becomes very sensitive, you can pray to GOD to talk to you while you don't have eyes to hear HIM like a deaf man beginning to speak, to hear GOD require, your sensitivity of your spirit. Hearing GOD can carry his presence; people will start to follow you because they know there is a present he carries and that presence gives life. They follow JESUS in the wilderness because they recognize the level of divine presence gentleman. At the age of 33 the man was followed by all caliber of Age and all tribe. Men want GODS presence when they know you **carry GOD presence they will come to you. WHY WOULD GOD TALKING TO THOSE WHO ARE NOT READY TO HEAR HIM??** WHY THE SPIRIT COMMUNICATE TO PEOPLE THAT ARE NOT READY TO HEAR THEM? And those who want to hear that they don't hear, it is because those who are not ready have eyes but those who are ready, they don't have eyes. If you don't have heard show, will he talk to you? Even if you're not communicate you will not hear HIM. GOD is in a realm, He don't speak because HE has mouth, HE speak because people have heard. You can beg HIM to speak and He is quiet, because when HE looks around there is no man with here in the environment. When we come to hearing we must understand that men are a problem it is never GOD. There is no day GOD will never be speaking to you. You know why? He has putted place, People they are imagine GOD talk to them appearing and said MOSES, I am in the fire. The important thing to consider is to be sensitive in order to hear from GOD.

HOW TO HEAR GOD LOUD AND CLEAR

When we talk about the audible voice of GOD, it is more of spiritual voice than a physical voice. The audible voice of GOD it is not the way you think, 99% of people who say they hear GOD audibly they lay. Because the audibly voice of GOD is a supernatural, encounter, having access to the audibly voice of GOD. Is the same of having access on rising the dead. The audible voice of GOD it is heard on the high dimension where you have the ability to discern that voice. So, it is not the voice where you discern by doing anything, you must generate that energy, you must create that atmosphere, you must create that environment, and understanding when **the lord speak, you can pick up the signal. IS a man who is able to discern the voice of GOD.** So, a man who is able to discern the voice of GOD, or to hear the audible voice of GOD, he is that a man who is able to generate and create the energy with his environment, but when the LORD speaks, you can hear HIM. You can hear HIM and still not understanding HIM. Hearing GOD does not mean you understanding HIM. Everybody can hear the audibly voice of GOD, **but few can discern it.** Other they don't hear GOD because of them in ability to discern. Not that GOD did not speak but failure to discern it. They were lacking ability to discern that voice. The LORD can inter in this church and speak audibly, may be one or everybody may miss it; The audible voice of GOD can be a vibration of a room, but that vibration needs to be discerned by the man who is in the realm of the spirit. To hear that voice and know this vibration is an audible voice but not just a vibration. To hear the voice of GOD it depending on how discernment is you able to pick the voice of GOD. When you discern it. That is why you needed to be able to discern it. Next time the cow

cry moo moor! Mooi, the same voice, the dog is barking, if you cannot be in that realm, you will not be able to hear that dog. Example there is a backing of dog it indicate there is something stranger, you have to be able to discern it. Sometime a cow can cry to identify voice you need to discern may be hungry. The things are making noise but there is a someone to discern it. Do you know as a prophet of GOD, a baby can be crying, but the mama can pick a voice in it as a natural realm? When they come with baby who cannot talk and the baby is crying, they can discern what the baby is saying. And they will find and say this is part of the baby which is pain. So, after they address it, the baby stops crying. I don't know how they do it, but the mother can say the stomach is paining. ***HOW DO YOU KNOW? THEY RELATE TO THE BABY TO THE EXTENT THEY DISCERN THE VOICE OF A CHILD.*** They know when the baby is hungry, when the baby stomach is pain. They cry when they are hungry, they cry when the eyes are paining, they cry, but they are able to differentiate the voices. They are able to differentiate the voices when they cry. It is not hungry, it is sleeping. Sometimes ask yourself, how a women able to do this? You may be wondering what it happening. If you live with baby for a month you will begin to discern those steps. You will begin to discern them, why? Because after you live with that baby, the baby will invite you to His realm. so, you're now sharing the atmosphere. The baby understanding the language of you, and you need to understanding the language of a baby. Baby even understanding what mother say. That is why you need to be careful because the child can understand; even they cannot speak it back to you. They can hear what you say. That's why you can shut to a baby who is not talking and the baby beginning to cry. Because he knows this shouting, is not a good shouting, and also the baby beginning to laugh they discern they know, they can discern your emotion. The natural realm they can still discern it, when the mother is not happy. It is only the mother who can feel how the baby feels in their womb. Sometimes pregnancy woman who is working can stop and say, baby will talk and the mother will hear and talk back. While they are in the natural realm they were feeling each other. That realm the supernatural was also the same, there is no different in that really well. So, the discernment spirit it depending on the relation you have with GOD'S words. Peter, JOHN and JAMES Hear the voice of GOD but the crown standing down the mountain, they heard the tender and not hear words, when GOD speak tender took the advantage of that voice of GOD, vibrate it in the natural atmosphere, to those who are spirit hear GOD'S voice in the tender. But those who are canal saw it as a tender. Those who was in the spirit was actual hear the voice of GOD. So, the next time a tender somebody has actual hear the voice from it. You're the only one who has heard that as a tender so audible voice of GOD. It is like GOD speaking to us uses the environment, you need to be spiritual to discern them. Very spiritual, sometime audible voice can be sound of trumpet, how many of you hear the sound of the trumpet? This is the vibration of the natural environment, you see how supernatural voice of GOD IS? Very encounter but you must have ability to discern it. There is no anyone who do say I did not hear GOD before, you have heard audibly, but you couldn't discern the voice of GOD. You're lacking the ability to discern that voice, that is the problem we have with people. Those who are waiting for GOD to speak, with your ear there is a whispering. The bible says in JOHN 12:28 FATHER GLORIFY YOUR NAME, AND THE VOICE COME FROM

HEAVEN, I HAVE GLORIFY IT AND I WILL GLORIFY IT AGAIN. The crowing stands before it, **so to hear the voice of GOD, you need to be in a spiritual positional** very influential position to be able to hear HIM. It is more of discerning than hearing. You can hear and don't understanding, you cannot discern and still not understanding. The LORD speak from HIS realm, the physical things in the atmosphere vibrate GOD'S voice to the atmosphere, so when GOD speak from that real the environment take the advantage of the spoken word. Hear this when the LORD speaks the environment hear GOD but the one who do not hear is you. The environment has to be vibrated it to your realm. So, GOD speak from the realm of the spirit, environment receive it and vibrate, so you can discern because sometimes you need a physical sign to discern the audible voice of GOD. SO, THE ENVIRONMENT ALSO HELPS US IN DESIGNING GOD VOICE. As the audible voice of GOD there are some people says I heard it loud and clearing my heart, they are laying. There are many ways you can prophesies, but you don't need to say it in the crown you heard it loud. ACTS9:3 an ACTS 22; 7. He saw but no man saw the light. Who was talking, this is PAUL himself taking. On giving of account of what happen, people saw the light but they don't hear the voice. There was sound in their atmosphere in their realm but they could not discern that sound. The bible says JESUS say on the mountain of transfiguration, when JESUS claims the mountain and he was praying. He went with Peter, JOHN and JAMES. The bible says when JESUS was the top mountain praying, ELIJAH and Mosses appear to HIM. All suddenly Elijah appears to JESUS and there was a sound.

WAYS TO ACTIVATE YOUR SPIRITUAL SIGHT.

Before anything happen in the physical realm it must happen in the spirit first. So, if you have learned to see what happen in the spirit real, it means that nothing will never catch you by surprise in the physical realm. You do not need for you to be a pastor or bishop to see in the spirit, when you give your life to Christ it's interring to you. The spirit of revelation NUMBERS 11:29 THE GOD WILL PLACE A SPIRIT ON THEM. Sow see the criteria for a man to see in the spirit are when the spirit of GOD is upon that man. In the New Testament GOD answer that prayer. Everybody has different measure of seeing in the spirit. But every believer should see. In your business in you carrier, you should know when you travel. **IT IS THE REALM OF THE SPIRIT THAT CONTROL ALL THOSE YOU SEE IN A PHYSICAL REALM. IF YOU ARE SEEN IN THE SPIRIT, YOU WILL NEVER MISS IN THE PHYSICAL.** The first way to activate your spiritual sight is praying in the spirit. 1corinthians14:4 Anyone who speak in tongue; when you take time to pray in tongue, to activate your spiritual sight, something is happen to you. You're edifying your spirit man. The Holy Spirit is already in you, but you have to activate your spirit in order to see in the spirit. When you are speaking in tongue you activate your spirit you will be able to hear and see. It is not possible to invest in the spirit and not carrying the gift of the spirit, for you to be a man of power you must be a man of joy to speak in tanguue. 2corithians14:18 I THANKS GOD I SPEAK IN TONGUE MORE THAN OTHER PEOPLE. **The reason why Apostle Paul did a lot of miracles it is because he speaking tongue more than others. Speaking in tongue is a spiritual battery** that is why Apostle Paul performs a lot of miracles, he was able to hear and see in spirit. I thank GOD I speak in tongue more

than you all. Show me a man who speaks in tongue the more and more, that will be a man who sees in the spirit and a man who is able to hear direct from GOD. ***IT is true that GOD HEAR THE SHORT PRAYER BUT IF YOU WANT TO CARRY GOD'S power you have to be a man of prayer.*** You can't carry the power of GOD if you not a man of prayer. Show me a man who prays five-minute prayer. You will see the different. This secret of Apostle Paul in ministry is speaking in tongue more to exploits. ACT22:17. He was praying in the temple and he fall into trans. Believer their spiritual possibility a man cannot inter into a flesh realm. while I was praying ,I fall into a trans ,The only way u can get a frozen water is by putting water in the refrigerator, So it is ,there is some spiritual possibility you cannot receive if you're in a wrong environment, wake up at the midnight speak in Tongue pay time ,speaking in Tongue, You're going to shock how much visionary you will encounter, how much your spiritual eyes will be open and pick certain things in the realm of the spirit, your prayer alter is connect to your sight, Learn to pray in tongue. Praying and reading the word of GOD AND CONSTANTLY praying will make you different. Fasting and reading the word of GOD, you will begin to see a different in your visionary life. You will experience and your eyes will see. If you will open your bible, you will see a deeper thing in the scripture, because you have exposed in a strong atmosphere.

The second way to see in the spirit is through meditation be still and praying, meditation and stillness in PSALM77:6 When he beginning to meditate, His spirit began to search the deep thing of GOD. Your spirit will start to pick the deep details You're in a place of meditation all of the suddenly you will begin to see things supernatural. Calm and expect GOD to drop it into your mind. The key word is to expert what the LORD will do to your mind, sometimes GOD will drop a picture, sometimes GOD will drop a word, sometimes GOD will drop like a vision, video for you to see. All of a suddenly The LORD will give your idea, do this in your business and this business will flourish. Does this in this ministry will flourish? Someone come and say man of GOD what will I going to do. Seat down with stillness in your heart, keep the matter in your heart, with expectation that the LORD WILL TELL YOU, LORD what are you saying about this matter, it will take you a while, you will be going to see how GOD will be going to speak supernatural to you. Close your eyes with book and pen in your hands, Ask GOD what are you going to do, what are you saying about my life, all of a suddenly it will be dropping and I will be writing, it was in a time of practicing, this is the key to discover your purpose, you have to ask LORD. What do you have for me? It may not come day one or day two but, keep it time will come shock you that is how vision and instruction, GOD will give to you about your life. Also, in life even in your conversation with other people you can hear GOD from it, when someone tell you can hear what the spirit behind it, there is no joking in the spiritual realm. A person can jock you but you can get revelation and message from it, but it depending on how your level of spiritual sensitivity. Because sometimes out of the joking, the truth is talking further. The secret of living happiness and long life, is to live stress free, don't bother, don't worry about everything, refuse to worry and you will live long and you will walk by GOD. You cannot walk with GOD if you are a man of worrying. stress free, say let nothing bother you, especially if you are a believer GOD will fix it, don't bother about anything. Everything will be ok, that man live more than 100years old, he said this story, stop worrying.

HOW TO OPEN YOUR SPIRITUAL EYES? =Let your life alters, praying in tongue even if you are in the kitchen pray everywhere you are. Make prayers, you will become too hot, accident can't even touch you, accident is a spirit, forget about a driver handle your car, it is a spirit, if your too hot, before you go there the fire consume the accident, refer; *joel2:3 A FIRE DEVoured BEFORE THEM; AND BEHIND THEM A FLAME BURNETS. Let your life be a fire burning forest. JOHN20:27 JESUS TELL THOMAS COME AND TOUCH ME AND DON'T BE FAITHLESS. UNLESS YOU BELIEVE YOU WILL NEVER GET WHAT YOU'RE LOOKING FOR.*28 BLESSING ARE THEY THAT ARE THEY THAT ARE NOT SEEN BUT BELIEVE. JESUS says the blessing of a child of GOD is because he has not seen. The blessing of a child of GOD is not when you see. The blessing of a child of GOD is not when you see. So, in another word GOD want you to be blind. LUKA6:39-40. **Only blind person can be lead.** Those whose do not need to be leaded. You are supposed to be blinded in order to be led by HOLY SPIRIT. In order for you to be leaded by HOLY SPIRIT YOU HAVE TO BE BLINDED. The first realm of see in the spirit t begging with blindness. JOHN1 in the beginning the word and the light shine in the darkness cannot comprehend in the world. The secret code is in 28. The blessing of a child of GOD is not because when you see. GOD wants me to be blind. LUKA6:39 can the blind lead the blind, if you're a child of GOD YOU HAVE TO BE LED BY HOLY SPIRIT. **But only a blind person can be lead.** For a person to see, he must be blind. Only a blind person can be lead, those who see do not need to be lead, but if the Holy Spirit is to lead you, you are supposed to be blind. Manthey don't understand that the first ream to see is not beginning by seen, but beginning with blindness. JOHN1:1 the light come from the Lord. JESUS says he is the light of the world it means people of the world are blind. If the light come into the world people can thought they can see while not. **The issue is you want to see but GOD doesn't want you to see he want you to be blind in order for HIM to lead you.** LUKE4:18 RECOVERIES TO THE SIGHT TO THE BLIND. Somebody who is recovering to the sight mean he has the ability to see, but they are blind, he has accomplished something. GENESIS3:2-3 THE SERPENT SAY TO WOMEN, YOU SHALL NOT EAT SO YOUR EYES SHALL OPEN, SO THE SECRET REVEL THAT GOD create ADAM AND EVE BLIND. The reason why you think you see is because devil has opened your eyes. So, the devil told evil, the devil was question not on what he sees but on the information they have. The devil knows the only way ADAM and EVE to see is through what GOD tells them. Devil did on what they see, is through what GOD tell them. Devil did not on what he sees but for the information he has. **THE ONLY WAY ADAM AND EVE SEE IS THROUGH WHAT GOD TOLD HIM. They know the location of the tree not because they see but by what GOD tell them.** The moment he was told to the devil; he was not near to that tree. The moment he was told to the devil; he was not near to that tree. But they were talking based to the information given, immediately found their self where the tree was. Because after what the bible says EVE LOOKS THE TREE AND SAW THAT, THE FRUITS WAS GOOD FOR FOOD. She tests the fruits first by not eating but what was told by devil. Satan always wants you to see through his eyes. Through the eyes of the enemy that he gives you. **IN SPIRITUALS REALM YOU CAN ONLY SEE THROUGH WHAT YOU HEARD.** You struggle looking for sight, you fall but in order for you to look sight from GOOD. The number one thing to consider doing is to remove your sight

1.REMOVE YOUR SIGHT. That you see through the words of the devil. You have to go blind in order for you to receive direction, so that you can began to see through the direction. The reason of why you think GOD is not able, it *is because you listen other opinion that has made you to see an enemy is greater than what GOD can do. You think your sickness will kill you because you heard the voice and opinion, of HOW many people dies on that disease's when you look at yourself, you start to see yourself at the lance of what has been told, concerning you, is that disease, you began to say this actual kill people.* This thing actual destroy people, it kills this thing is actual tears people apart. So, when GOD says no, I will heal you my son or daughter, you're not seeing through GOD words, because what GOD says is too farfetched because you can see through other one words. Everything you afraid off is because of what you heard. **IT MEANS SOMEBODY ELSE HAS OPENED YOUR EYES.** Your function of the eyes that you have been given, If Peter saw JESUS walk on water .Peter say ,I can see you let ME walk on water .LORD if it is you ,JESUS says come and the moment he beginning to walk on water, the moment he see waves and water he beginning to doubt ,Then JESUS resqué him and say why did you doubt? It means the voice of GOD that made him to see water concentrate was drown out by fear, because of every information he heard about the sea.{information}So what make you drawn in your bills, what make you drawing in your sickness is relay on the information you have about that thing, what make you drawn in your future ,your destiny, it is because something else or somebody else, you have taken somebody else eyes and put it into your sight. You're looking through the eyes of the devil. The bible tells you, are there anything too difficult with GOD. The reason why you doubt GOD? IT BECAUSE, YOU SEE THROUGH THE EYES OF ENEMY; You see it is possible based on what you have been told. They tell you GOD can make you to be a millionaire, you said it is possible. YOUR VERSION OF GOD IS BASED ON WHO HAVE BEEN TOLD WHO GOD IS? And not about what GOD says about him to you. *Whose eyes are you seeing it through? Many of you 'relooking through the eyes of devil. When you think that what kill others will kill you. You listen to the devil, when you believe what destroy others can destroy you.* You listen to the devil, IF YOU BELIEVE THAT YOU CAN NEVER BE GREATER, YOUR LISTEN TO THE DEVIL. Your notice all these things are contra dictionary to the voice of GOD. Bible says you can cast out every voice that rises above the wisdom of GOD. What do you entertainer? I don't look like other people see; I don't see impossible as others see it in life? *You have to remove somebody voice that has given you sight.* When God call SAMSON, Then Samson did not fulfill HIS destiny as long as He could live. Until SAMSON become blind, then the spirit of GOD manifest mightily to HIM. SAMSON was very wise, he gives people riddles no body get the answer, He do wanders because of the spirit of GOD in HIM. Samson was very wise he gives people challenges no body get the answer. He does wanders because of the spirit of GOD in him, without fear, GOD leading HIM. Hundred flock, carry the great of Philistine by the spirit of GOD. It was not because GOD leading him, because he thought it was a right thing to do. The

moment he becomes blind, His sight shows how beautifully the Delilah was, he knows Delilah was looking for the secret to kill HIM. He would become old and strength would have left HIM, and philistine continued, you don't have to worry what tomorrow will bring it. Because it will bring you to the table to come to GOD, SO THAT GOD can lead you. You think not known tomorrow is a disadvantage, but now you calibrated to come to the central of GOD'S plan, to lead you. God's plan. Adam and eve given sight but brought away from GOD. You're like of direction has brought you to the central of GOD'S plane. JOHN9:39

1. Judgment means I have come to reward you. ***They which see might not see and those see made blind.*** There are some people when you listen them, they will make your eyes to be open in a bad way. Who you listen too might take you in a wrong way. Even though they are speaking about GOD; When a woman or men of GOD BELIEVE WHAT GOD speaking to him; Even the revelation they can preach they are not able manifested. You lack the direction from GOD because you're not blind enough for GOD to lead you. The blinded man greatest strengthening two things

1.SENSE OF HEARING –If you're not obey GOD'S word you're not hearing, you're looking for something that you will be lead too. A ship does not know where the green pastor is? They wait for sharpen to take them if you 'relooking for grinner pastor you not already not look for Sheppard. SAMSON being so wise but yet, he could not discern the women who want to kill HIM. The woman does it in few times, she asks what give you strengthen, He was tied even with rids but he cut it off. Samsun breaks it. The women complain you didn't tell me the secret of your power. You didn't tell me the truth, but because he was wise on its own understanding. Many of you cannot be led by GOD or see through the eyes of GOD, because you're looking through somebody else eyes. There is somebody else that controlling your vision. When gospel roles your life, that is why GOD does not like gospel. ***If you listen to gospel, you become poison because you will see the perspective of someone else*** will be corrupted. When you're dealing with people, people are different. Remember the word of other people can make you to see in that perspective. Words of people can bring you to see things in their perspective. True sight makes to discern when people are so, you will know the best way to deal with them. You will deal with everybody different. Discernment makes you to know how to deal with people, Demons use gospel to separate you away to the person who will help you. You must be blinded in order to be lead by the HOLY SPIRIT. Satan brings doubt to you; you don't give GOD sacrifice because you doubt about your tomorrow, what tomorrow will be. Forgetting what you have is because of GOD. Satan whisper does you remember how have you working hard? or going to suffer and you want to give this amount of money for the church to grow? How will you make money in this hard situation? You will use the eye of negativity not in the eyes of GOD, own that God can give me more because of who you have heard. ***WHEN SAMSON BECOMES BLIND, HE RECEIVES ACCESS TO THE TERRITORY OF ENEMY. Samson thought blindness has removed him from the purpose of GOD. But he did not understand that blindness did bring him to the central of GOD'S plan. BLINDNESS IN THE EYES OF GOD, BY MAKING TOTAL SURRENDER AND FULL COMMITTED TO GOD. THAT IS HOW***

TO BE BLIND IN ORDER TO HEAR AND TO BE LED BY HOLY SPIRIT. While Samson become blind and walk with GOD'S central plan. When his hear grown up he still prays and he realizes the plan of GOD IS TO DESTROY THE PHILIS TIAN AT THE SAME TIME. Kill those many at once. The young boy who was with Him, they took Samson to the temple to mocking HIM. He asks him to take where the pillars are, He did know there are pillars, but another voice inside Him lead him, he said position me between the pillars. Then young men get out of here. And Samson predecease pray to GOD that give me strength to finish what you give me to do. Let me die with them today, and immediately GOD give strength and push pillars and every enemy Israel die at once. Blindness brought him to the central of GOD plan, if he would remain with sight the battle would never end. Some of you; trying to listen to GOD on where to go? But their hearts already decide where the place is. Two things that is strong to somebody who is blind

1.THE SENCE OF HEARING AND THE SENCE OF SMALE. =Simile and sense of touch. If you cannot *listen to prophet instruction and follow it, if you're not blind, it means you're not needed to be lead. IN ORDER FOR HOLY SPIRIT TO LEAD YOU, YOU HAVE TO HAVE NO SIGHT.* A SHIP DOES NOT KNOW WHERE THE GREEN PASTOR IS; HE **NEEDS THE SHEPARD TO SHOW HIM.** When he led you and sees you can follow HIS voice, then he gives you, HIS sight. You can never go or get the place of sight in GOD until you follow his voice.

2: THE SECOND SENCE OF A BLIND PERSON IS THE SENCE OF SIMILE. Your nose is physical representation of your ability through discern something may look good but by your nose you can **simile it and discern it not to eat it. Smell can detect over a condition on a sight.** If your disbarment is not smart or clear it is because you're not blind. You cannot rely on disbarment if you use sight. GOD does not want you to move by your sight that is all. We do not walk by sight but by faith. The just shall live by faith not sight. God does not want you to use eyes. If telling, you don't move by sight, what is he telling you, don't look, he said don't work by sight but by faith. **Faith works by the information not by what you** see. This is why a lot of people tray to see and fall because they don't see through the eyes of GOD. If you cannot heard the voice of GOD, Do you realize for Elijah praying for the rain to come, he put his head and kneel down and his faith down, He send his servant to go and see if there is clouds .And look there is no clouds of rain .ELIJAH stop praying and sent his servant to go and tell the king that heavy rain is going to rain. Nothing was doing based on what happening. He told him go and looks over the water there is cloud of rain is coming. Go back there is cloud; I can see the small cloud, Go and tell the king Heavy rain is come. How the small clouds bring rain, it because he was a move by sight, He was moving by what GOD told him. When a king sent people to come and get Elijah. The answer is what the voice that will have to lead. The wind and fire are talking in your life but choose to listen the voice of GOD don't listen your pain. The vision from GOD will give you picture of where you going. THE PROBLEM YOU SEE BY WHAT PEOPLE TOLD YOU INSTEAD OF LISTENING ON WHAT GOD IS TELL YOU, SEE WHAT GOD TELL YOU THROUGH HIS WORD. Ramah the speaking words of GOD. Your sight brings you to problems and not the solutions. The reason of why you are afraid of

what to come, it because you listen to a wrong people. God says I know the thought, I have for you, to give you hope and expectation and solid view future. But when you look your current situation does not reflect that it is truly GOD spoke. **WHEN YOUR CONDITION FAVOR YOU, IT MEANS THAT GOD NEVER SPOKE. Is your condition look like what GOD saying about your future GOD didn't speak. GOD VOICE MUST CONTRADICT YOUR CURRENT SITUATIONIST REAL MEANS GOD SPOKE.** God meet Abraham and tell Abraham I will make you a father of many children. Abraham was 90something years old and his wife older. Lord what are you talking LORD? Trust ME Abraham you will be a father of many nations, and Abraham believe GOD not because he saw the son but He believe GOD. Sarah because of her age she didn't expect it, but because Abraham believes the word of GOD then Sarah get pregnancy. The moment he shut up the environment and starts to listen to GOD then the pregnancy come. **AFFORESTATION LOOK LIKE WHAT GOD SAYING, GOD DID NOT SAYING OR SPEAK.** You need to be broken, if He says and you can get it to it, He didn't speak. If is too big is to humble to be lead. The son on himself can do nothing unless what he sees HIS father do. HIS father showing direction. If you look your age, your throw away what GOD has already given you? GOD says you will be a millionaire you say may be is in another life, I am already this much older. GOD says you're going to build this; you say no; those passes already pass for me. THE GLORY OF GOD CAN NEVER BE REVELED IN A MANS **LIFE UNLESS HE IS BLIND.** Jesus heals the blind men. Why am I suffering, why things like this? While it is for the glory of GOD to be manifested; Things are not working for you, because GOD wants to prove a point to you. The LORD GOD wants to prove appoint, if your call into GOD for GO service, then what happen for you it's his plan. He said you did not choose HIM, but I choose you. So, everything happens to you it his planning. But the question is this, are you leading or your part of plan but not cooperating. MANY SAY GOD use me, HE can't use you if you're not blind. If he tells you go left, you will answer but I will die. Are you blind enough for GOD to lead you? Jesus says whoever lose his life will gain, who save it he will lose it. Your attempt of making things perfect has destroyed you. You attempt to control things has destroy you. There are things you think its bad things work to you, but it is good for you. All things work together not something =It is all things work together for your good. But the problem you don't allow it to work for your good. JOB face a lot of challenge but his sight was on GOD. Keep your focus on GOD. You give me your son, Abraham was ready, when he is about to sacrifice GOD says, now I know you real love me. There are certain things GOD will demand on you. It will not make sense to your current situation, But GOD tray to say, do you real listen, is GOD speaking, always Satan aim is to make you doubt GOD'S ability. But GOD tray to say do you real listens. Is GOD speaking in GENESS1:26 don't try to eat, GOD tray to test the ability to be obedient, because obedient provoke the mind of GOD to be given to un individual. God will order you to go there sent to see your faithful. He brings you in a way to know he is GOD. Your no longer call servant, I call you friends, because the master does not share his secret to his servant, he shares with his friends. When you become a friend of GOD can show you what is up to coming. If you're not friend of GOD, HE CAN NOT SHOW YOU. Abraham GOD cannot let you to know what will happen unless he can lead you. How much does the word of GOD matter to you? How much does the leading of your

pastor matter to you. Do not be wise on your own understanding; you cannot be lead. If the word of GOD, does not make you or move you it does not inspire you, does not challenge you. Does not provoke you; GENESIS3:8 SO Adam and Eve recognize GOD because of the voice. The voice makes them aware of the presence of GOD. They hear the Voice of GOD, so they hide themselves, the voice working they hide from the presence, ADAM and eve engaged with GOD by the voice not by seeing. You feel the presence of GOD but you don't hear the voice of GOD. You should hear a voice that will come with his presence. GENESIS3:9-10 I HEIRED YOUR VOICE THEN I HIDE, I hear your voice in the garden and I hidings he only sows his nakedness' because he told he was nakedness'. Not because he was actual necked, he was told he was necked. GOD says who told you you're necked. He didn't, say you didn't see you're necked. **SO, YOU SEE THROUGH WHAT YOU HAVE BEEN TOLD**. Who told you, that you don't have closes, all those days because Adam did not see he was necked. He saw through the sight of GOD. Engage with a voice without no man being there. If you can direct by yourself still you can't see. Abraham the moment he shut up the environments and start to listen to GOD, then the pregnancy came. IF YOUR SITUATION LOOK LIKE WHAT GOD IS SAYING, GOD DID NOT SAYING OR SPEAK. You need to be broken if he says, and if you can get to it, HE didn't speak. If it is so big it is humble you to be lead. The son on himself can do nothing unless what theses his father does. HIS father showing the direction. So, to be led by HOLY SPIRIT it needs your deep level of submission.

HOW TO HEAR THE VOICE OF GOD [HOW TO OPEN YOUR SPIRITUAL EYES] =To pick up what happen spiritual, it is not a matter of anointing, understanding the principle of capturing of what happening in the spirit, most of people don't understanding this, while cellular people you see they are going into the mountain. You see how they going into the mountain. Where is a quit for them to settle, what are they looking for. You will hear them say inner peace, stillness, empty your mind. Seeing in the spirit whomever people want to see in the spirit they ignore the important principle. Some people, they think to see in the spirit is for prophet only. Behind every manifestation there is a ministry. The day Adam and Eve eat in the spirit their eyes were opened. Your spirit has already had eyes. When you pray in the spirit what you use is the spiritual mouse, speaking in tongue when your heart hears the voice of GOD, you're digesting the word of GOD YOU HAVE ALREADY USE IN YOUR MOUSE. If seeing in the spirit require anointed, how did Nebuchadnezzar see in the spirit? He was a pagan King; he was an idol worshiper but he saw in the spirit. Pharaoh in EGYPT, see in the spirit, because GOD worn on the drought that is coming. But he was not a Christian. The anointing does not make you see in the spirit. There is no anointing to see in the spirit, it is a lie. The anointing is for serving GOD, in your Christian work not always you're going to see in the spirit, because GOD want to you to see. YOU SEE IN THE SPIRIT BECAUSE YOU'RE LIVING IN THE SPIRIT. Your spiritual senses have been awaking your circumstances aware of what happening in the spirit. In your spirit you become mature to know what is going on before GOD tell you something. The spiritual intelligence this is the strength of spiritual, the ability to be silent over a particular matter. No matter the pleasure to speak about a particular time. That is what we call the spiritual intelligence. Whenever your angry do not speak, because you can make a statement, it is a time you can make a statement; it is one of the ways Satan can use to

attack you and to destroy you. There is no need to answer everything in your life. THE SIGHING OF STRENGTH IS THE ABILITY TO BE QUIETLY WHEN YOU'RE ANGRY. Proverbs 14:29 wakes away from the situation make you angry, sometimes GOD can say live it, and Anger can destroy things not replaceable. See it as a devil want to spoil something. Pray does not making you seen in the spirit, through prayer is our setup, prayer is our lives. **There is the principal GOD set for their child to see in the spirit, those work in the demonic world they can also see in the spirit, the different is they don't see from GOD, DO not hear from the realm of GOD. But they can see in the spirit.** Balaam was paid to curse ISRAEL, he could not hear from GOD, but he sees the protection which Israel surrounded at. By the reason on the blessing on them. How can curse what the GOD blessed, if those in the dark real can see and you're as a Christian, you cannot see. You're surrounded by spiritual being. Some of you your covered and some of you are not protected. The spirit world is all around you. To access the spiritual world, to access to the point you can see the spiritual world is quietly. ***If you hear the noise, it means it is no longer in the spirit,*** it is in the physical. The spiritual word is very quietly, it is not loud place, and it is the quiet place. There are so many activities happen in the spirit world, but it is very quiet. There is no noise, it's extremely quiet. Have you ever asked questing to those who practice spirituality? Practice meditation. The first thing they consider those who practice spiritual tradition is meditating, those people who do not know GOD. But they know the principle of accessing spiritual world is by meditation and it is quietness and not noise. ***The spirit worlds are QUIETNESS meaning you doesn't see. The issue which hinders you to hear from GOD is because you are not quiet.*** You have fallen for the noise; you have been caught up with the noise. You have been carried away with noise. So, in order for you to access spiritual to pick what GOD is doing, TO begin to pick what demon are trying to do. If you're not quiet you're going to miss GOD. 1 Peter 3:3. You put first mistake is because you're not invest in your spirit, you invest on your external man. We do spend little time to do or to ask what can I do to empower my inner man. When people say, I am growing spiritual, how do you know your grown spiritual? The quietness is the level of grown spiritual. Notice there is a different between Quietness and silent. You become quietly. Your value in the eyes of GOD is based on your quietness. If you want to know those who growing spiritual, they can't become louder or older they become Quietly. spiritual, there are some of engagement will avoid it, in order to avoid it, to avoid things that distract your spirit.

THOUGHT IS A COMMUNICATION MODE OF THE SPIRIT.

The primary mode of communication is through thought. I am not saying, be silent, Isay Quite .1 PETER 3:3-4. Value of the sight of GOD on the Quietness's a loud person should not expect any interaction from GOD, because, GODS know you will not be able to catch His voice. Do you know there are people in the world are QUIETER THAN PEOPLE IN THE CHURCH? Some they pick up things, because of their ability to become Quietness. That does not mean they will make to heaven. They succeed because they heard something that you and I want hear it but we miss it. Stillness its more precious to GOD than somebody, shout the name JESUS, JESUS, JESUS. For you to know waiting in the LORD, IT means

you have to be QUIET. If you hear the mature Christian, I talk to GOD the whole day, how can you hear HIM? While you're talking to Him the whole day, instead of listening; *So, to pick up what happen spiritual it is not a matter of anointing, it is a matter of understanding the principle of capturing of what is happen in the spirit.* Secular people who do not believe you will see them go to the mountain; you will see them go to the ocean, where it is quietly for them to census themselves. What are we looking for? You will hear them say inner peace, stillness, empty your mind, they have all these things going on. But they are sowing to something that child of GOD doing not see in the scripture. Most of you want to be Quiet in order to run away from your problems you are supposed to face them. The first thing that blocks your eyes is found in GENESIS 3 Disobedience. The moment you inter into disobedience you have inter the realm of noise. You're not in a realm of quietness because you're in a realm of the disobedience. In the world there are many voices. But that voice is to bring you in the disobedience. Because the child of GOD should not listen sense the voices in the world; we are in the world but not of it. The only voice should listen only; it is a voice of MASTER. The Voice of shepherd, my ship hears my voice. I know them and they follow me. I know them and they follow me. So, if you're falling on disobedience against GOD, IT MEANS YOU HAVE ALREADY INTER IN A LAWER REALM. The lower realm is disobedience which is not quietly. It is a noise. The nature of disobedience it is a sign that many voices are in your heart, that's why you're not quiet. Christian comes to prayer and they are ready to fight people. What was a point of your prayer? You react and comment in everything in the society that is the evidence that you're not quieting opinion I don't say it is a sin, I say it is a sign that they are not quiet. Whenever there is a debate, they just jump to it also. We need to hear what GOD said and not what people are doing. We know what is in the flesh end up with the flesh, *WE MAKE A LOT OF NOISE BECAUSE, and WE HAVE FALLEN TO THE NOISE, INSTEAD OF WAITING TO HEAR THE VOICE OF GOD.* Disobedience comes with another voice whisper in your heart. Satan use your need to make you see physical, to tempt you or to trap you, but your spiritual eyes will make you see beyond temporary pleasure. Spiritual eyes will keep you away from birthing right. The *moment you sin then condemnation, guilt starting moving inside you, also doubt will be part of you.* You cannot experience spiritual life until you're Quiet. The moment your QUIET you will be able to read and to know the room you 'rein. You will be able to know what is going on, anybody have a burden. *NOTICE YOU CAN BE ABLE TO DISCERN WHAT HAPPINESSES YOUR QUIET. YOU INTER THAT SECRET PLACE WHEN YOU APPROACH QUIETNESS. IT IS INTERNAL PLACE.* It doesn't matter who you are or what matter upon, your spirit is hidden under the shadow of the highest. The moment you are quiet, is the moment you will know who is in the room. *YOU WILL BE ABLE TO DISCERN WHAT HAPPEN BECAUSE YOUR QUIET, YOU INTER THE SECRET PLACE, WHEN YOU APPROACH THAT SECRET PLACE. BECAUSE IT IS NOT AN EXTERNAL PLACE IT IS THE ETERNAL PLACE.* It doesn't matter who you are, what happen is to know your spirit is hidden in a silent place, you cannot hear noise if you're in a silent place. THE ISSUE IS NOT TO IGNORE VOICE BUT TO RISE ABOVE THE VOICE. *You become quietly but not silence. Because when GOD speak, you too you are about to speak. Give GOD a room to hear him alone. So being quietly and be silent are not the same thing.* Another thing

that causes the child of GOD not to be silent is **LACK OF SELF COTTROL**/Most of child of GOD are not discipline, especial on the things of the heart. If someone says something people are ready to retaliate, someone do this you are ready to go after them. When you lack self-control, anger will take you over. BITTERNESS WILL TAKE YOU OVER. **SELF COTTROL DETERMINE YOUR CAPACITY TO HEAR GOD**. You can be physical distracted and you will lose GOD. Lack of self-control will cause your eyes to be shut. EVE fall because of two things 1. Deception of the devil 2. Lack of self-control; the fruit look good for food. Some of you, you have no way to say no to a food, you will never see spiritual. Some of you never say no to Hungary with friends. You will never hear from GOD. Your alone time is not a lonely time. Most of you think to be alone is to be lonely. You have to take time alone to separate yourself from people sometimes, in order to have a private life to seat down with your bible and talk to GOD. Too be alone means to have privilege. The moment you interact with GOD; you will always be alone separate time to stay alone and to seat with your bible. WHEN YOUR SELF DI SPLINE YOU WILL NOT BE MOVED BY EVERY WIND. You will only move by the birth of GOD; you will move by the winds from GOD alone.

3. THIRDLY IS BY IGNORING BURDEN OF THE SPIRIT: Ignoring burden of the spirit will cause your spiritual eyes be shut or closed. Because when GOD give you Barden of spirit to pray that is the way GOD use to elevate you. It moves to the steps to more spirituality. If I am seeing the way out of temptation, it means I have grown spiritual, because he the one who allow all things to happen. What is the spiritual burden, spiritual labor? You may be hangout with your friends and all of a suddenly you feel in your spirit, I JUST NEED TO GO AND PRAY, BUT YOU DON'T KNOW WHY DO YOU FEEL LIKE PRAYING NOW? There was nothing in you that push you to prayer. There is no idea of prayer, there was nothing like that but all of a suddenly you feel it inside you. Something disturb your mind suddenly you feel to pray emotional, that is burden, so you have to pray until that burden is pushed away.

HOW TO HEAR ANGEL VOICE? IT DEPENDING ON YOUR INWARD POSITION; =Angel is interacting with Humans in various ways, including direct communication, guidance, through feelings and thoughts and also appearing in human form. They may also intervene in event, particularly to protect or guide those who aligned with GOD will.

HERE'S A MORE DETAILED LOOK AT HOW ANGELS INTERACT WITH PEOPLE

1. Direct communication, and may communicate through audible voices, either external or as thoughts that seem to come from nowhere.

2...GUIDANCE AND IMPRESSION;

Some believe angel communicate through feelings, impression or gut reaction, that can guide decision or worn of potential dangers.

3. APPEARANCES IN HUMAN FORM: Angel been reported to appear in Human form, sometimes as strangers or as individual who offer help or guidance.
4. INTERVENTION IN EVENTS: Angelis are thought to intervene in situations particular to prevent harm or to guide individual towards GOD'S WILL
5. MESSAGES THROUGH OTHERS: Angel may use other people as messengers, delivering guidance or messages through individuals who are receptive to their influence.
6. SIGH AND SYMBOLS: Angel communicates trough sighs, symbol or repetitive numbers or sequence of events, which can be interpreted as messages.

IT IS IMPORTANT TO NOTE:

A. Angel does not interfere with free will: They will not take over a person's body or action without permission.

B. COMMUNICATION IS OFTEN SUBTLE: Angels typically communicate in a way that not intrusive or forceful, often using impressions, thoughts, or feelings.

C: DISCERNMENT IS IMPORTANT: Not every thought or feeling is necessary from an angel. It's important to be discerning and seek guidance from GOD'S bible through HOLY SPIRIT. When interpreting these experiences. The important thing to do is to measure everything through BIBLE.

God also can send a picture in our imagination, image formation ad when you wake up said I have a dream. DANIEL14:10 *it is the thought process, super natural thought. The way you tune to HOW GOD talk, television station of GOD is by tuning into the spontaneous thought. Catch your mind to catch an expected thought. Image comes on your mind. You're praying in tongue, your worshipping, all of the suddenly the image comes into your mind, you're not expecting that you doing is your tuning to the frequencies of GOD. Already GOD speaking to you; If you want to make it faster, keep your expectation into your heart, to hear or receive something that expectation. You're tuning to GOD'S CHANNEL FREQUENCY. To tune on heaven channel, you have to put your expectation to hear from HIM. You already tuning just like psalm 85:8 EXPECTATION. PSALM 85:8 AMPLIFIED BIBLE, I WILL LISTEN WITH EXPECTANCE, YOUR LO LODING THAT EXPECTATION TO YOU THAT SOMETHING IS GOING TO HAPPEN. Truck and watch spontaneous means something happens suddenly an expected with you planed for it. Spontaneous images, or spontaneous word, you don't see but you just heard some voice.1king 19:13 NKJ, SUDDENLY THE VOICE COME WHAT ARE YOU DOING HERE ELIJAH?*

The first thing to do to catch the voice of GOD to pick accurate voice is by stillness. STILLNESS-Your mind and shut down all noise in your soul. TO SHUT down noise into your soul you can do it by speaking in tongue, shut down noise into your soul by things you watch and hear. So, to shut any bad thing you saw or you hear, example your lust movie you watch, **YOU CAN SHUT IT DOWN BY**

PRAYING IN TONGUE AND WORSHIPING, YOU SURRENDER YOUR AGENDA AND YOUR PLAN TO HIS PLAN THAT IS THE ONLY WAY TO TUNING In GOD'S FREQUENCY OF HEARING AND SEE IN THE SPIRIT

The last movie you watch or you heard about a certain bad things make you sad, you can shut down by praying in tongue and worshiping. **Worshiping is a very fast by taking that noise in your soul.** Kill your attention from the physical world to spiritual world, worshiping is very faster way to remove the noise from the within.

2. ANOTHER SECOND SPIRITUAL PATTERN TO HEAR THE VOICE OF GOD IS BY EXPECTING, FOCUS ON JESUS BY **EXPECTATION, OTHER SAID WHAT IF SATAN TALK TO ME??To hear other voice; THE ANGLE YOU FOCUS AT, IS THE ANGEL THE VOICE WILL COME FROM,** The secret is to keep JESUS in front of your mind, your mind consciousness that someone stand before you and he is JESUS,; take that consciousness in you ,that somebody is with you in your room be conscious with JESUS. By expecting a word from HIM and not from Satan. GOD will not allow Satan to speak to you, if you are sincerely wanted to hear from HIM.PSALM16:8

3. PAY ATTENTION TO SPONTANEOUS THOUGHT, SPONTANEOUS IMAGES. -The spontaneous come into two ways. {i}at a time you don't plan to hear, at the time you began to get spontaneous thought, Worshiping and speaking in tongue words are coming and write it down. GOD ALWAYS LIKES TO SPEAK BACK TO YOU, SPEAK TO HIM.

HOW HOLY SPIRIT SPEAK?IS THIS HOLY SPIRIT OR MY THOUGHT? HEBREW4:12. When your heart is full of stress and frustration that is the demonic way to hinder you to read the bible. Problem is because you rely on your ability to hear GOD by yourself, instead of depending HOLY SPIRIT ability to help to hear HIM. GOD use his words to show us the way and when is not the way, Bible shows as the accurate ways. Don't do by your own strength your own ability to hear GOD just depend on GOD'S ability. Religion is the fact that hinders you to hear from HOLY SPIRIT, you will torment yourself by think that you will HEAL Holy Spirit by yourself, you will be frustrated. WHY ARE YOU RESTLESS? Do you know why you tormented and frustrated and stressed is because you rely on yourself to hear HOLY SPIRIT, rather than the HOLY SPIRIT ability to speak to you. You try to do it by your own strength. Understanding HOW HOLY SPIRIT speak it, it is a crucial key to true discernment. HOLY SPIRIT SPEAK TO US THROUGH {1} GOD'S WORD-this is what is guide the way and what is not the way. You start to hear the voice of GOD by HOLY SPIRIT. The clearest way to hear the voice of GOD is through HIS words. You began to know the voice of GOD clearly when you put GOD'S word first in your heart. The problems of many people they want to hear GOD'S voice through dreaming and through whispers without putting the word of GOD first in their heart. The problems start because of the lack of GOD'S word in their heart. Let the word if GOD start first and let other thing happen secondly.

{2} The second way is through wisdom, inner guiding, the word strength you into wisdom, if you lack the word of GOD, you like wisdom, the wisdom of the spirit. JAMES1:15. WISDOM IS THE MOST RELIABLE MEANS WHICH GOD SPEAKING. How scripture says, wisdom is what we get from the light we get from the word of GOD. The word of GOD is what will give you direction and honor, simply is that one produce greater result because of greater light he possesses and other produce less result because of lack of enough light in HIM. The greater light will rule the little light, to in this life you dominate according to the level of your light you possess.

[3] WISPER'S-God also talks through whispers. *Whispers is the specific instruction, schedule. Holy spirit can give you the special instruction in your heart, that is why your heart needed to be free in order to hear the voice of GOD in you, Whispers is what will make us to know the next step in Our heart. Discern between your thoughts and GOD'S voice. GOD'S word is your foundation, wisdom is your second way to hear from GOD, because through wisdom you will be able to know* what is good and what is wrong in your life, whisper is the specific instruction in your heart. If you try to live by whispers alone, you will end up with confession legalism, mental anguish. This is why you must primarily be guided by the word and superficial guided by the whisper.

{4} Another way *HOLY SPIRIT speaks through wanders, prophet, vision and dreams, miracle and sign. To hear the voice of GOD, it depending on your level of submission to HIM; What kind of relationship. If nobody talks to other, they're in a dialoged form that's not communication or connectivity that continue. Prayer is two ways communication, you talk and then listen what GOD will speak back to you, there is no mountain anywhere, A man ignorance is his mountain, so find knowledge about what you passing through.* The important thing to considers; in order your spiritual eyes to see in the spirit realm. You have to focus in GOD'S word, to read and see in it. Keep your eyes in the word of GOD. Open your bible and let your picture and your images comes from it alone. *Let your images comes from bible, Let the word of GOD be your eye ball. When you put GOD words as your eyes ball you will start to see and hear like what GOD want you to see or What GOD want you to see. When you take camera and you focus on a certain person over there you will only see what you have focused. What you focus your mind, is what will begin to feed you mind. Focus on GOD and you will start to attract what GOD want you in your life. Your mind is a magnate to attract things to you. To see yourself success, you see what unfocused. Set your mind on GOD. Unabundant success. Don't set your mind on a wrong thing. There is one big secret of life, to have spiritual eyes and to be easy hear the voice of GOD IS BY PRAYING IN TONGUE IS THE SPIRITUAL* Consciousness's *the secret to hear the voice of GOD and to know things in the spirit is by speaking in tongue. Speaking in tongue is what brings your spiritual frequency to be sharp and accurately.* Furnish yourself with the word of GOD, AND SPEAK IN TONGUE IS THE BEST WAY TO MAKE YOUR SPIRIT SHARP TO CATCH THE VOICE OF GOD. God already put you there in the throne of success and good health. You're a wanderfull person that is how GOD sees you. Success and prosperity woman and men of GOD. GOD sees you as a king. When you know that dream that GOD has for you; *Go for it.*

Becomes GOD dreams, GOD see you like a king, so to get seek or poor is to oppose yourself. It is not the devil, it is you. Devil have no power to over through you. Satan cannot do anything against you without your permission of your ignorance. Your ignorance is what will open the devil of Satan to control you. Let the word of GOD control you and be your eyes ball.

PART 3

WAYS TO DIFFERENTIATE BETWEEN THE VOICE OF GOD AND THE VOICE FROM YOUR MIND.

We aware that the basic way God speak to a believer is through HIS thought his mind. Through the inner wetness in DANIEL 7:15 THE VISION PASS THROUGH MY MIND, WHEN GOD WANT TO SHOW YOU SOMETHING, IT PASS THROUGH YOUR MIND. When GOD wants to show DANIEL a vision, He drops a vision in the mind of Daniel. So, when it comes to hearing God and see in the spirits, do not joke with your mind. There sometimes you want to make a decision and you don't know, what you're receiving is the voice of GOD or just your mind. The first way to differentiate between the voice of GOD and the voice of your mind; The voice of GOD mind come as form of spontaneous or unplanned thought. When you pray and worship, the voice will come in your mind as builder of thought. Without you think about it or without you expecting it to come; in that way. But if it's your mind, your mind will calculate, you are aware attention think about it. You know that thought that drops in your mind. On a normal day you will know that form of information you receive from your heart, cannot be you think about it. Those thoughts are whispers in the spirit realm. It is the voice of GOD, IT COME INSTANTLY, and SPONTANEOUSLY. The thought from GOD come suddenly. Look what happen in mark 2:8 JESUS KNOW WHAT THEY THINK IN THEIR SPIRIT REALM. SO, YOUR MIND IS A VOICE TO GOD. JESUS KNOW IN HIS SPIRIT WHAT THEY THINKING IN HIS SPIRIT REALM. [AT ONCE JESUS KNOW] Jesus they don't ask are they think bad of me or what they think about me. But immediately the spirit picks it. He knows in his heart its known SUPERNATURAL KNOWN. You just know things from nowhere. This is what happens in JESUS in mark 2:8, JESUS knows in HIS spirit, what they were thing in the spirit realm. At once JESUS knows it supernatural known. Inter into your room with your pen and book and be aware of any spontaneous thought happen, write it down. DANIEL 2:29 GOD want to revile a secret to a king on what happen in a future, God revile a secret by putting his thought in the mind of a king while He was in bed. You can be very international about prophetic ,keep your pen and your book beside your bed or in your car, you can drive and just receive something, you can writing that spontaneous thought that come automatically and suddenly ,in the book of 1king 19:13 when Elijah heard suddenly what are you doing here ELIJAH ,it was suddenly ,Elijah was not the one who tray to form his word. It comes to him suddenly. So be attention to those suddenly word, suddenly though, suddenly flashes, you receive in your mind, fun enough it will not happen always when you pray, it can just be casual and you receive it. Nothing happen; it has its original position that is from spiritual

origin. Don't joke with it, as a Christian you must learn to love people, because love help you to see clearly, wish people well, that abundance of love will attract the voice of GOD to you Wish people well, if you don't have that love you will never be able to attract the voice of GOD, but if someone distract you, who destroy your inner ability to hear GOD love him but keep distance. If you don't have that, those prompts to separate yourself from someone or give someone distance. That you will know GOD is speaking to you, Original; you love someone but you keep it distance. If Someone brings a document to you, you're so happy and pay attention to the contract because it is a big deal, income money. You must be quiet in order to hear from GOD first before you sign that contract. Pray and pay attention to that suddenly thought that come from you.

[2] The second issue is that, the voice of GOD is repetitive in nature. But the voice of your mind fests away. The voice of GOD is repetitive in nature. *One way to know if it is GOD SPEAKING TO YOU, IS THE WORDS WILCOME AND REPEATEDLY TO YOU AT RANDOMLY MOMENT, UNTIL YOU OBEY IT, BUT IF IT IS THE VOICE OF YOUR MIND, WHEN YOU DON'T OBEY, IT WILL NOT COME AGAIN.* God tell you that you *will be blessing to a particular man or apply on a particular job, just take one of a particular thought, no don't take it, All that confusion come from your mind. You can be driving then the thought come again, and you say oho maybe it is just one of those thought come again and you say oho maybe it is just one of those thought, then after a few hours you're taking a walk, The thought come again. Listen don't jock with that thought.* Sometimes if you want to test if it is real from GOD? When the first thought come, then firstly pretend as if you didn't hear, just move your life, sometimes this is what I do. If the thought keeps coming at randomly moment, I take action. You read PSALM 62:11 You have heard it many times. Pretend as if you didn't hear, continue on your daily activities, it will still come. When *it comes randomly into your heart, that is GOD SPEAKING TO YOUR HEART.* You know this is something that happen to prophet Samuel in 1SAMWEL3 GOD come to visit Samuel, but Samuel could not recognize it at that point, it was a voice of GOD. He goes to ELAH, did you call me, Elah did not call him, look at the bible 1SAMWEL 3:10*The LORD stand and call him at other time, the GOD keep insist you, obey it, he VOICE OF GOD WILL KEEP INSIST YOU, UNTIL YOU OBEY IT. That is why I say GOD is speaking to you but you need to understand that voice of GOD is not forceful, it will not threaten people, if you do not do this, this will happen to you, that is the nature of GOD. GOD will not threaten you. HE Will not force you, but GOD will insist you.* The reason why GOD will not threaten you or force you, it because GENESIS 6:3 The spirit of GOD will not contend with the will of men, but there is always blessing whenever you obey the voice of GOD, this some principle happens with dreams, you have repeated dreams, pay attention to it. What we saw in GENESIS 41:32 AND THE DREAM WAS REPEATED TO PHARAO TWICE, THE REPEATED TWICE MEANS IT IS ESTABLISHED BY GOD, and GOD surely will bring it to pass for this dream to be repeated twice, this mean, this matter has been established by GOD. Of course there are times you receive bad dream twice, this means that, GOD tell you don't jock with this dream, and it is time to pray. Sometimes after you pray you receive a bad dream consistently what GOD is telling you is this, you're not prayed enough yet. You have to rise and contend in the spirit. Don't jock with the thing you receive multiples

times in the spirit. It is the sigh you have not played attention to that yet, and GOD say it is not time to stop to pay attention on it.

{3} The voice of GOD ALWAYS LEAVE A CONFIRMATION, INNER PEACE, but the voice of your mind is still making you worry. If GOD speak to you, you will discover that, the inner peace you receive that GOD is with you. Somebody brings a document or contract to you to sign and may be a lot of benefit attaches to that contract and you're like; I am going to sign it. You discover that when you wanted to **sign you lost your peace**. Please drop the pen and tell the man, I will see you letter. Hold on first, let me see it firstly. ***Because one signs if God is not in something, peace will be taken away.*** But if its GOD, you may not be sure yet but inner assurance of peace will show you. Many people tell, **they loss their peace but** went on it and they get a big loss. When you lose a piece of something go down, go far praying. LORD what, are you saying? Emergence system; At that point, be still enough to hear the voice of GOD. What GOD use, He uses peace like GOD'S emergence system. Hold on and go back to pray. Be still enough to hear the voice of GOD. It is like GOD use emergence system to you. You want to go with abuse, you want to take a tax you want to go somewhere to get something but immediately suddenly, Loss your peace, on suddenly you don't know how you feel that an explainable burden, worrying in your heart please, that is GOD emergence system, spend time praying stop making that decision. As bible Said [PSALM85:8} for he speaks peace to HIS people.

[4] The fourth sign GOD is speaking to you will be special conviction in your heart, normal thought will come to that strong thought conviction somebody go through a crisis, everybody is saying this body cannot survive crisis. But deep down within you, you have this conviction, that this person will survive the crisis. If you look the fact physical that person cannot survive it. But something in you telling you this person will come out of it. That is the voice of GOD, because GOD will bring a strong conviction even at impossible quarter, that is why, this conviction, even your mood will not change. You will know GOD said, but even you're worried but you know GOD SAID IT. The important thing in your life is to keep the voice of GOD in front of you, even if it is against your circumstances. Put GOD'S word in your heart. God has told you, you know what you heard; you know what you felt on that prayer. Do not easily give up. Always go write what GOD tell you. WHEN DOUBT COME, YOU READ IT AGAIN AND AGAIN, tell your soul GOD Said in GENESIS 3:4. Did GOD real said? EVE and snake. You know what GOD said to you? Put your mind in the word of GOD, Put GOD'S word in your eyeball to dominate your life. If the voice of the devil come to make you worried just throw the scripture you have to him. Rebuke that voice in the name of JESUS.

[5] GOD can use another prophetic channel, to confirm what you receive, example you're thinking of something and ask the LORD. IS THIS THOUGHT YOURS? OR it is JUST MY MIND? Somebody was never there, when GOD brought that thought in your mind. How he began to discuss what GOD told you? Confirmation will come from other people they will tell you the same thing as if you were together at time GOD told you. You can go to a church and your pastor beginning to preach about what GOD told

you about. Fun enough you can even come to social media and you see it on your screen of your mind very clear. Do you know even after Jesus was born, **GOD brings confirmation again**, to strength them we saw it. It was so fun that after Marry and Josephs have extra confirmation, after the birth of JESUS. They were amazed in luke2. prophets and wise man come from the east to give JESUS a gift The parent of JESUS meat Simeon and Anna and give word to Jesus, the bible said Jesus's parent were amazed, all the things were seen, the angel and confirmation come on, it means nothing should amazing them again. *They have **a lot of conformation** this is a son of GOD. Because of extra conformation and bible said it amazed them. After all they have seen, it means GOD need to confirms again to them, God will be beginning to bring extra conformation.* Sometimes people's pain can be a voice to you, just to pray for them. Fallings can come as a formal of voice to you. You can start to feel the pain of others, the exactly pain. You go to the person of prayer and you just feel pain on my leg, and I call a person to come out. As a person was come out in the middle of congregation, then the pain in your leg disappears after you pray for that person. This are sensory dimension, example of sensory prophet was Jeremiah was called as a weeping prophet, Jeremiah was weeping, crying and feel the Barden of the people, for the cure of GOD. If you operate in this dimension, they also called the intercessory dimension they are called the burden carrier, they carry the burden of other people as it is their own body. When you go through something they feel and want to carry other problems, they are intercessory. GOD may choose to give you instruction, as a sensory prophet, you must learn to master your emotion. Understand when you feel and what GOD message to those who surrounded you. **IF YOU INTER IN A REAM, YOU NEED PARMITON ON THE OWNER OF THAT REALM. DO YOU KNOW WHY PEOPLE LEARN HOW TO SWIMMING? TO BEHAVE LIKE A FISH, TO BE ABLE TO SUSPEND IN WATER, YOU HAVE TO BEHAVE LIKE THAT. So, waking in the spirit it depending on the dimension you operate under.**

SEEING THROUGH THE MIND EYE [MEDITATION]

It is more difficult to meditate than to pray. It is not easy to meditate than to pray. It is not easy to meditate than pray. In prayer we go commanded what we are going through, we tell GOD our problem, and sometimes, avenge prayer, welfare prayer. After that we leave the place, we never take **time to listen to GOD, and we never take time to listen to yourself. You know it is easy to talk to GOD, but most difficult thing is to listen to GOD. When it comes on talking to GOD everyone does, but as the matter of fact there are people who are able to pray 24hr nonstop. The testimony is not just praying 24hr nonstop; the testimony is not praying 3days nonstop. The testimony is not to praying one week nonstop, yes but in that moment in the process of prayer, **are you able to hear the voice of GOD.** Because if you have prayed seven days and you have not heard the voice of GOD, you have not prayed. Prayer become prayer when you are able to talk to GOD AND HEAR FROM HIM. SOMETIMES THE VOICE OF GOD CAN CAME TO YOU VISIBLE. ASK YOURSELF WHY PROPHET HABAKUK2:1 SAY I WILL WATCH TO HEAR WHAT GOD WILL SAY. THIS MEANS SOMETIMES THE**

VOICE OF GOD IT BECOME VISIBLE. THIS IS NOT HEARING THIS IS SEEING. SO, THE SECRET IS WHEN YOU REAL COMMITTED TO GOD, FULL COMMITTED OF YOUR HEART TO GOD, YOUR LEVEL OF SUBMISSION IS WHAT WILL DETERMINE THE LEVEL OF HEARING FROM GOD. If you are unable to hear from HIM, it is not prayer. WHAT MAKES PRAYER A PRAYER IS OUR ABILITY TO HEAR FROM GOD, AND THEN TALK TO HIM. We have group of people that talk to HIM BUT NOT ABLE TO HEAR FROM HIM, SO THE CHURCH TODAY IS VERY GOOD IN TAKING TO GOD BUT AS THE MATTER OF FACT EVERY BODY TALK TO GOD EVERY SUNDAY WITHOUT HEARING FROM GOD. OTHER GROUP OF PEOPLE GO TO PRAYING OVERNIGHT but they are not able to hear from GOD. If you give me option between hearings from GOD one second and talk to GOD for the rest of my life, I will choose hearing from GOD at a second. **BECAUSE TO ACCESS TO THE VOICE OF GOD SHIFT YOU TO A NEW LEVEL IN LIFE.** It is not how you can pray, it is your ability to access his voice, and obey what he asks you do. The mother of JESUS told the disciple that wherever tells you to do, do it, that is found in the book of john. For you to be able to do what he wants you to do, you must first have the ability to hear from HIM. If you are unable to hear from Him, you will never be able to do whenever he asks you to do. So, she says whatever HE asks you to do it. So, we all do what he asks us to do, when we are able to hear HIM, and we have access to HIM. Access HIS voice. We have to obey the voice we hear not the voice we have not access too. And it is a root of everybody; the voice you obey is the voice you hear. So, we have the group of people who loves the LORD who find a means to hear from HIM. Every creation is panting to have access to the creator. Even cars we drive always want to go back to the manufacture, in order to be modified, because if the car returns back to the manufacture, it will not back the same. In that car it will be transformed, something in that car it will be transformed change, why because the manufacture will try to update the car. Because the manufacture will not want the car to be outdated.; So, there is always a touch, tray to upgrade HIS product. There is new series of Benz every single year. New series of Toyota every single year, why it is because it is there product. The car knows if I find way back to my source, I will not back the same. ANYTIME THEREAFTER HAS ACCESS TO HIS CREATION THERE IS ALSO TRANSFORMATION. NO BODY HAS EVER HAVE ENCOUNTER WITH THE LORD AND REMAIN THE SAME. Not single person, there have never been a history or story with people have encounter with GOD and remain the same, it has never happened, why? =It because wherever GOD goes, HE does good, heal the leprosy, healing the sick. Why was he doing that, because it was HIS creation? **GOD hate it when you'r sick, God don't like when depression, agitation, anxiety.** you Do not be anxiety for nothing but by prayer and supplication and thanks giving and let your request be known to the lord, never allow yourself to worry, GOD do not want us to be worry because HE knows the consequence of being worry. The effect, when individualism worry, he opens the door of Satan to attack you and to block your spiritual eyes and cause spiritual blindness. OUR ABILITY TO HEAR THE VOICE OF GOD IS WHAT CHANGES US, FORM US AND CHANGING EVERYTHING ABOUT US WITH ACCESS TO THAT VOICE, THINGS AROUND US START TO CHANGE.

MEDITATION=Through meditation there is harmony between spirits, soul and body. In meditation this must agree as one. Your physical body can relate to the natural one. Your physical body can relate to the physical one. Soul is the meeting point between spirits and body. So, my physical body relate to the natural body. The soul is a meeting point between body and soul. So, whenever meeting to come it come from the solicit realm and solace ream journey to the spiritual realm and back to the physical. Soul it is a meeting point for the spirit and body. So, a soul is a powerfully contributor when it comes on meditation and breaking from a spiritual realm to physical realm. Meditation is your ability to journey when you decide to journey from physical to the spiritual realm. Meditation is to making things closer to GOD, and as you are getting closer to yourself that is what meditation does. What you receive is depending to the soul. So, through the body man is contract with the physical body and affecting it and be affected by it. So, we are also affected. This soul belongs to GOD; the soul has the ability to relate with physical and ability to relate with the *spiritual. That is the function of the soul is to link physical and spirit. So, it is soul that desire that possibilities, so the soul make it possible, it like kind of cooperate so it makes it possible. It is soul do it all as a connector. Have you seen* people? I have seen dead people, I have witness people die, last time I remember there was a deadly body asked to come to pray over, the person was lying, he dies like he was sleep's if you call the name of that person will responding and coming from that sleep. Other they die and you know they die. Because the sickness tormented his body and die badly. The eye was open but enable to see they hear are open but not able to hear. The man was still there but unable to speak, the nose is open but not able to take air in body and air out. The body is flesh but could not take any touch, but the soul was out the body. So, when the soul is out of the body. The person feels nothing because the soul is out of the body. When the soul is out of the body, your deadly man; People they don't die because the noise is removed but because his soul has removed the soul have going very far. When you start to sleep, and somebody inter into your room you will know there is someone inter into a room. Someone inters into a room. You will feel someone inter into a room, while you're sleeping you will feel someone is walking in the building. Try to explain the power of the soul is extension the soul is a superior and spirits and body are match there for man personality and influence. So, before any man commutes a sin, the soul mast contributes the sin commitments that commit it. The strength of the soul is imaginable. To cure the problem of the soul; The problem is not because you're not able to hear from the spirit, the problem is your soul need to be cured. The soul needs to be healed. Need to be enlightened without the soul the spirit cannot be able to carry any activities in the body. It can only do that through meditation of the soul. The spirit has eyes but you cannot see if you don't open your spiritual eyes. The spirit needs the soul. We have spiritual eyes, we have soul eyes and we have physical eyes. In every aspect you have eyes. Take me to the saucily, natural and spirit, I will function see and hearing and speaking. Can you see and hear with the soul? =yes's you speak with the soul? =yes. It is possibility some way the spirit ream operates. The one which is required to be teaches about physical life it is a spirit. It is legal for spirit to do anything without permitted by soul. The spirit has senses and eyes. ***SO, HEARING TO GOD USE TO ALL SENSES, TO KNOW WHAT GOD IS SAYING,***

THAT IS WHAT HEARING FROM GOD DEMAND. So, the spirit has eyes, the spirit can hear the spirit can speak. But not what we call an inner eye and the inner eyes is what we call the eyes of the soul. It is called the eyes of the soul, it is the inner eyes, by your inner eyes, I am not referring your spirit. Your spirit has eyes but there are eyes of the soul, we call the inner eyes. That inner eye is what is call the eyes of the soul. It is talk about the eyes of the soul changes the things around you, so when you come to GOD on meditation, there is two eyes you need to be through, the physical eyes and inner eyes, and spiritual eyes, so when you want to break through the physical eyes and inner eyes, and spiritual eyes. Take care your soul in order to be able and easily to catch the voice from the spirit, is through meditation. AFTER PRAYER DON'T RUNAWAY, ALLOW GOD TO SPEAK TO YOU. YOU HAVE SPOKE LET HIM ALSO SPEAK. You have said, your side, allow HIM also to speak to you. Let him speak. There are some people pray in a whole night, meat them and ask them, what did GOD say? They don't know what he has said. They can't actual say what the LORD SAYS. Sometimes you ask yourself what is happen here. Because if you are done with the watch night, I am expecting to be able to tell me something, what you hear the LORD said. Jesus after he prayed the whole night, then the next day he chooses his disciple. The testimony is not praying 7hours, but the testimony is hearing GOD in the midst of that 7hours.Are you able to discern the voice of GOD? It is possible through meditation. MEDITATION IS LISTEN TO GOD AND LISTEN TO YOURSELF. Sometime it is very difficult to listen to you, people can easily listen to the LORD but when it comes to listen, there it is a problem. Nobody knows you than you know yourself, people have attended powerfully meeting, business meeting, diplomatic meeting, ministerial meaning, but whenever you have meeting with yourself, you postpone that meeting. Itis one of the meeting people escaping. Confronting themselves setting down and look on yourself. Having meeting with them man avoid it. When it is easy to have meeting with your employees but not by yourself; having meeting with yourself, you run away from the one that is a biggest problem of many Christians. Testimony in not praying 12hours but the testimony is hearing GOD In the midst of 7hours.Are you able to discern the voice of GOD. Through meditation you can hear it. Meditation is to listening to GOD and listen to yourself. Sometimes it is very easy to listen to GOD but not easily to listen to you. People can easily listen to GOD when it comes to listen to them, it is a problem. Nobody knows you than you know yourself. If the meeting man always avoided is meeting with Himself people attend powerful meeting but they avoid self-meeting. You avoid meeting by yourself. Because you know you're not correct, you know the lifestyle your living is not good, so meeting with yourself, yourself will confront you and that is what men fear. A prophet can prophesy easy and can easy pick-up whispers from the spirit but when it coming on hearing meeting with themselves, they are not ready. You will be surprised, you don't know at what time you didn't have meeting with yourself, and people avoid it. They escape it. Any C.E.OS.' or any person who is avoid meeting with himself, he will not be doing well in life, because meeting with your self will telling you what you are doing, if you are doing it well, will tell you, if you don't do well, he will tell you. In the school of the spirit for you to hear the voice of GOD you must separate yourself from the thing that hold you not to be able to hear from GOD. When a man wants to meditate or have access to the

realm of the spirit, that man must make his soul free and single at the time of meditation, and for that man to be single there must be soul and spirit. When there is a harmony between this. You will see a man able to pray and succeed in whatever he does to prosperity. The body has been keeping touch with the spirit through the soul. It is the responsibilities of the soul; the body is governing through the soul, when the spirit wants to pass the message to the body. The spirit passes to the soul to reach the body. The spirit is not directing to the body until it passes through the soul. I try to look why people fail to hear the voice of GOD? Why audible voice of GOD is hard to find in our generation? Because of the inability of the spirit to speak direct to the body. Without the contribution of the soul; unable to stay still and conscious to the voice of GOD. The spirit is unable to deliver message to your body that is why audible voice of GOD is hard to find in our world. Because of the inability of the spirit to speak direct to the body without contribution of the soul for it to be possible, the soul must contribute to that action. So, the work of the soul is to keep this two in proper shape, and to communicate and help between the body and the spirit to communicate, and dominate the body. Our prime factor is based on soul to convey whatever is communicated from GOD. So, the spirit receives message and whispers from GOD LORD, and when they receive whispers and communication from the LORD, they transfer them to you. You are only able to receive it through communication of the soul. It is the soul engages or involve or able to receive this information. That is the way things happen in the spirit realm. Your spirit transfers the information to your soul and your soul exercises the body to obey the spirit. So, whenever the spirit asks the soul to do, so the soul will command the body to do. It happens so whatever you see the body obey something; it is from the soul. Whomever you see the body take action; it is the soul ask the body to do it. It is the soul that is able to ask the body to do some action. No action is taken without involvement of the soul. That is why when the soul refuse to participate you are equal to the dead one.

HOW TO HEAR THE VOICE OF GOD AUDIBLY [GOD DOESN'T SPEAK AUDIBLY]

The volume of the voice of GOD increases depending to the position you position your spirit toward HIM. People argue in the class of prophet GOD does not speak audibly. We use the word audibly as prophet. We know what we are saying. If HE speak audibly how come, can call someone and tell them their whole family while you listening the same GOD. If speaking audibly, you should hear before I speak. Audibility means the pioneer is collecting sound waves, know the sound waves of the spirit come to your spirit and then over your pine, so it seems as if you are hearing audibly, but it is not audibly, it forces your whole being toward the target, I want to go this way and I am pulled this way. Being pulled by the spirit, So GOD create avenue in which you can be rich.

Do you know why Satan voice is louder than GOD voice? Satan speaks from the flesh realm; GOD speaks from the spirit real inside you. The more spirit include you are, the louder the voice of GOD will be to you. I love you, getting this stuff? The way GOD SPEAKS IT IS A SMALL VOICE doesn't go there, Satan voice will be in force and threaten voice. Hoh! Hoo! Don't go there, some kinds of threaten. You

need to be in the spirit, if you are in the spirit, it will be louder to you. The more spirit you incline you are, the louder the voice of Goodwill be to you.

HOW TO HEAR GOD SHARP AND CLEAR

I don't hear GOD'S voice, what will happen to me? *That is a lie, because GOD says my ship hears my voice. Someone says I do not Hear GOD voice, this is the big confusion to many Christians now days. THE PROBLEM IS NOT HEARING, BUT THE PROBLEM IS LACK OF DISCERNMENT.* Many Christians are Christian by names but not in the spirit. They don't walk in the spiritual frequency. They just walk as a normal person. If you walk as a normal person, you will also be like a normal person, but if you walk like a spiritual person, you will become super human, you will become extraordinary and GOD will manifest in your life. Manifestations of GOD are depending on how committed you are to HIM. How do you submit yourself toward HIM? *Your level of submission will determine how you will operate in the spiritual realm. Your problem is not hearing as a Christian, your problem is discerning the voice that you have already hearing. But because you like drama ,you have ignore all simple ways GOD has been talking to you, if you know how simply the word of the knowledge, How it will come ,it will shock you, What the drama come after, example one of the way GOD speak to us is through picture. Houses pictures. Most of as GOD speak primarily through the same vehicle take place, that you see someone give testimony and SAID SOMETHING TOLD ME, I THOUGHT OF IT. The problem is on you; you are not learning to discern. SO, THE PROCESS OF HEARING OR DISCERNING IS WHAT WILL HELP YOU TO MASTER THE VOICE OF GOD. You will make mistakes get ready for that, you will pick things you thought it was GOD, and find out, it was actual your flesh, your emotion your zeal. You keep up journey's you beginning your journey with GOD, you will master HIS voice, there are so many ways HE speaks, one of the ways to know HIS voice is through your thought. HOW MANY OF YOU, YOU THOUGHT ABOUT SOMEBODY AND THE PERSON CALLS COME FROM YOUR HANDS. GOD TELLING YOU, THIS PERSON IS ABOUT TO CALL. BUT YOU THOUGHT, IT WAS JUST A THOUGHT, AND YOU TOLD A PERSON, I WAS JUST THOUGHT ABOUT YOU NOW. And that was the end of matters you didn't take time to take note, what did I feel like, how did I know it. So that when you since it another time. You will know which thought of its energies by the voice of light of GOD. Most of your thought is from you. What to ask you is that, is it accordance to the voice of GOD? It IS RIGHT WITH THE WORD OF GOD? It is right? WE SPEND TIME PRAYING IN THE SPIRIT SO THAT WE CAN BLOCK OFF, SOME OF THINGS RELISHED BY OTHER PEOPLE TO US. IF YOU DON'T SPENDING TIME PRAYING IN THE SPIRIT, DIGGING WELL VERY DEEP, SO THAT YOU CAN NOT PICK ON SIGNAL THAT EVERYONE CAN PICK FROM THE SAME FREQUENCY. One of the ways to know it is GOD, it will not make sense even to you, and to those who you are telling. How much more to those who you're telling. It will not be convection, that is how, I walk with GOD. I will receive a song very simple and randomly, we delegate it and telling GOD, let me give this even to someone else, I don't like this one. I want a sound, you will know when it has come, because of what, and He did to you, there sometime this sound revise me too. You will see what weight when GOD is speaking. Taking if He gives his word for*

you, your spirit will know it, and suddenly you will be alert to that statement, in that word. It will burn in your heart if HE speaks to you. As you keep praying, it will get stronger in your spirit. You will never be able to push it away, I want you to do this, if it's GOD, some tries to defend GOD sometimes we do pay tensional to that statement to see if it will come again. To see if it is agent now word. There are things GOD wants to accomplished in a territory you come to the scroll the GOD want to accomplish. There are many ways we can do. But I want to do the will of GOD for my life. There are many courses to be finished. But insure, you download major thing in your course, dream and vision embodied with revelation, follow those who know road. JESUS finishes His course and shows as the road. Paul finishes his course, but I don't know my course, I will follow those who know the road. Speaking in tongue allot from his salvation encounter. Let HIM put things in your heart from His heart. Pray in the spirit. Heaven needs our prayer so much. For our own life not their life; you have encounters with assignment is going to give you. As you pray you will begin to feel things in your emotion that you don't understand. Through your picture, you're thought your imagination. It does not make sense but write them down. As you pray you will be beginning to feel things in your emotion, in your flesh that you don't understanding, also try to write them down? You might even feel pain that that is not your own, so that you can pray for someone else who have that problem, feel emotion that is not your own and praying for someone who is unsaved, you can pray in a territory and you began to feel you have lost something, the spirit of God show you, that something is going on there in that territory is lost. As you praying take note of all thing that happen inside you, because you are a road map literally, to eternal life, as you pray journey take note of all those things, journal, spirit cannot take a person who does not keep the record. Write it don't say you will remember it; it will shock you. Wake up in the night and pray, because the secret of life is **WHEN YOU ADRESS YOUR NIGHT, YOU WILL ARREST YOUR DAY]**

BE AWARE OF THIS FIVE VOICES SOUND LIKE GOD BUT ARE NOT GOD

In these days we need much on spiritual discernment, because to sound spiritual does not mean it come from GOD. The first voice that sound like God but not from GOD; are many, you have to be carefully and sensitive enough. The voices that sound like the voice of GOD but not the voice of GOD **is your feeling disguise** as HOLY SPIRIT, of course there is a dimension GOD can speak through your feelings. Through your emotion, but you need to understand, that the fact you have emotional understanding does not mean it is GOD all the time. I am going to show you how differentiate it. When GOD speaking through your feelings. For example, someone come to ask you to handle his marriage. For advice, the fact someone come and say I feel peace about this brother, it does not mean real joy of the HOLY SPIRIT. This way you know this joy of peace, your feeling is from HOLY SPIRIT, **TAKE THAT FEELING INTO THAT PRAYER**, Prayer have a supernatural filter, the function of the prayer is to filter what is from GOD and what is not from GOD. If you take that matter in prayer, you spend time in prayer with eat, after that prayers that joy and peace amplified it is like from GOD. But after discover that after prayer overtime that peace your feelings drops, that joy drops. I tell you Gods

giving you a signal that checks again. Many of you are reading this book, you have made a sensitive decision in your life, and you discover that way you go back home to sleep, you just pray a prayer, and all of a sudden you wake up in the morning you feel uninterested again, You was happy about it before, but all of a sudden at night, is like you thought about it, you will become irritated. You see that is the HOLY SPIRIT speaking to you, something very prophetic happen in the bible between Nathan and DAVID, you see David made a decision to a prophet, He want to build a house for GOD, DO YOU KNOW WHAT THE PROPHET SAYS? 2SAMWEL17:3 Whatever you have in your mind go and do it. GOD is with you, the prophet tell the king GOD is with you go ahead, does what happen letter in for you, the word of GOD came to NATHAN, go and tell my servant DAVID in verse 12 show it, Have you see the prophet tell go ahead and GOD is with you, but when a prophet went back he brought a matter GOD, and GOD tell DAVID your son will build the house. So, whenever you feel joyful about something, don't be quick to make decision. Sleep over it, learn to sleep over a matter, God will not make you to make a mistake, when GOD speak to you, don't make always life decision without God direction. Sleep over a matter by meditate the word of GOD and find a way out, if you relay on GOD'S word, then GOD will not allow you to make a mistake. Many people make mistake they wish they could not make that mistake.

2]Secondly voice you need to be care off, it is sound like the voice of GOD while it is not GOD it is your thought. You need to understand GOD speak through your thought your mind, you pick it accurately, but you need to understand that every thought inters your mind is the thought of GOD. I am going to show you or differentiate the thought from your mind and from GOD. You need to understanding that GOD speak to you through your thought your mind, you pick it accurately, but you need to understand that not every thought inter in your mind is the thought of GOD; you have to understand you can originally think on yourself. But GOD can send a word to you that there is a difference. The fact that you have idea does not mean it is GOD idea. Now this is the way to know the voice of GOD in your mind it carries a sense or agency; you will feel the weight this one is GOD. When you pray to it and things are not going on. If it is GOD at a randomly movement that thought will come back it will back, coming up at a randomly moment you don't think about it. Some times when you hear the voice as a thought, you feel like to check it, if it is GOD. Sometimes just pretend as if you didn't hear, I tell you at another moment. That thought will light your mind again. That moment you have not thought about that voice. You have not even bothered about it, because it can light your mind again. Your still pose and act yet. Different interval, it will come, it will drop-in.

{3} Thirdly the voice of **GOD will not threaten you**; the voice of GOD is insisting it have the incentive nature. So, you have a good idea, it is time it can fled away, but when it is GOD idea at different interval, God display out in the life of SAMWEL. The bible says the bible kept speaking to Samuel, Samuel did not recognize the voice of GOD. Samuel was keeping running to ELAH, 1SAMWEL3:10 Look what the bible says, then GOD came and stood there and call HIM another time. The bible says GOD was speaking on other time. If it is just a man speaking to you, you will not think about it again. If its

man gives it, it will not back again to you. Even if you think it again about it, you will discover it, you're the one thought about yourself but if it is GOD, IT WILL BEAT RANDOMLY MOMENT. Psalm 62:11. GOD has spoken once and twice, I have heard this, have you seen GOD have spoken once but the psalm hears it twice. Another way to test it, if you don't have time to checking, just observe it, if it will come again at a randomly moment. Because some words from GOD IS AGENT, you need to act quickly. You will discover that the voice of GOD will come to you by conviction, but the voice of your mind or the voice of the devil will not come with conviction, conviction is that you will have an inner witness, there will be extra inner voice that conform to you, it is GOD. You can hear thought but there will be extra inner voice to tell you, this one is not GOD. The voice you hear will need the inner conformation conviction, the HOLY SPIRIT know how he does it. Roman 8:16 as the bible says. Spirit HIMSELF testifies with us in the spirit that, we are GOD'S children. The spirit of GOD will testify with your spirit there will be this, just extra inner assurance within you, that, this one is GOD, THAT IS WHAT WE CALLED CONVICTION. If you don't have time to be testing. Waiting for randomly thought this is another way to know.

The third kind of voice that sound like GOD but not GOD is when you beginning to experience pressure from the people example somebody tells you that says the LORD. Do this immediately unless something bad is going to happen to you. God does not threaten people; if any pressure takes away your peace run away it is not GOD, God DOES A NATURE, ONE OF THE NATURE OF GOD IS LOVE. One of the natures of GOD is peace. Listen even if GOD give you pressure to do something, you will find out that, there will be this thing inside you, that thing is joy. You see that voice come from people, that brings fear to you, just run away. Do you know that, there are some voices sounds fearful for you but inside of you, it runs a peace. If you receive a prophetic word that doesn't marry these women for it will lead to disaster, YOU know that word may look fearful but if it is real from GOD, YOU WILL DISCOVER THAT YOU WILL BE AT PEACE. Obey that instruction, but if it is not from GOD, THERE WILL BEGINNING STRUGGLE TO TELL PEOPLE, as a believer you discover that most of the discussion proposal to prophetic word that people that you have to pick it before, when a prophet tray to tell you, you will discover this is what GOD has been tell me before. GOD tell me. Most time you will discover that when GOD use people to talk to you, you will discover it is not the first time, that GOD Has tray to communicate with you. Because GOD was trying to use people to talk to you, you will discover that will not be the first time that GOD has tray to communicate with you. Because GOD tray to use words but you don't pick it, somebody comes you start to remember, this is what GOD was intended to tell me. Any pressure without any internal leading you have a right to counsel it and it go back to GOD, This was what happen to soul, part of what took the throne in the hands of soul Prophet Samuel give the instruction don't do this sacrifice and soul do it wrongly, because of the pressure he went ahead. 1SAMUEL 13:10 Just as he finish to make sacrifice, Samuel arrive and soul went out to greetings him. What have you done? Asked by Samuel, when I saw a man was scattering, did not go the third time, and philistine where assembly at magma place compel to give GOD offering. That compel he felt, because of pressure. It was operated by physical sight but not spiritual sight. If you

continue reading Samuel was not happy with him. Any pressure without leading by the spirit of the lord please mark it, sometimes you may feel lead at the same time you feel pressure, the more you lose your peace, that means GOD is not there Because GOD is the prince of peace. Peace must guide your heart.

The fourth kind of voice that sound like a voice of GOD but it is not GOD'S voice, IT IS THE VOICE OF CONDEMNATION, THIS UIS WHAT TELL YOU, **YOU HAVE MADE THIS MISTAKE, YOUR FAILURE. God will never accept you again.** That is the voice of devil. Do you know many people believe this voice, **because it may give deep something wrong,** but you need to understand bible speaking ROMAN 8:1, Therefore there is no condemnation for those who are in Christ JESUS. So long you're in Christ, you're not condemned, differentiate condemnation and conviction. Condemnation will tell you; GOD is back on your, you did this mistake forget about it you're going to hell, what is conviction? =conviction is that the Holy spirit tells you, the mistake you did is bad but **draw closer to GOD, you will become a better person but condemnation will tell you don't go to church again.** Your too ditty to go to church, but conviction of the holy spirit will tell you, this thing you did is bad, the more you keep going to church is the more you will become a better person, to keep going to church. **REMEMBER THIS ALWAYS WHATEVER TAKE YOU FROM THE PRESENCE OF GOD, WHATEVER MAKE YOU FEEL SO DATY TO READ THE BIBLE IS FROM THE DEVIL. Because the Holy SPIRIT will not live you. He will always try to make you holy and righteous that is why HE called Holy Spirit. So, any voice that tell you, that you have offended Holy Spirit don't go to church because GOD will not accept you, that is the voice of devil.** Even Jesus says He have come for the unrighteousness, when Jesus was on earth was eating with sinners; aim to bring them in the light of gospel. The voice that is pushes you away from GOD that is not GOD. Because the work of GOD is to call sinners for repentance, because HE will not live to you stranded.

The fifth kind of voice which sound like GOD voice but not GOD voice is when Satan tray to use scripture against you. I am telling you that Satan know the bible, he quotes scripture during the temptation of JESUS imagine he use scripture to temp HIM. I am going to show too now how Satan quote scripture. Example in MATTHEW4.He say if you're a sun of man throw yourself down, the angel will come and his angel concerning you, are you see even Satan says it is write-in want to show you how. **TO SOUND SPIRITUAL DOES NOT MEAN IT COME FROM GOD=YOU NEED TO BE Discernment** to know if it is Satan Quote scripture, example EZEKIEL18:20 THE SOUL THAT SIN SHALL DIE. Now you committee a sin you made a mistake. Satan come to you with the scripture and tells you, the soul that seen shall die. So, prepare to die, GOD hate you no remedy, do you see you have to be sound on the word of GOD. ISAIAH1:18 The LORD say come and let us solve this matter, when you sin is like you are far but you can be closer to HIM again, alert, they shall be white like a snow even though their sin looks red. WHEN YOUR SIN IS RED IT WILL BE WHITE AS SNOW. Satan tell you are about to die by the sin you committed; you tell Satan that the bible says, GOD do not look as this sin to determine to make me white like a snow. HE will give me purification like never before, so you must learn to be

sound in the word, TO KNOW HOW TO COMPARE AND CONTRAST SCRIPTURE, Example Holy spirit is leading you to live a place, may be they embrace you so much, Satan brings scripture to you. LUKE 6:29 If he slaps you on a right, turn to the left other side, but the LORD tell you to live that place, but you want to stay where you will be killed. MATTHEW 10:14=It remind yourself, where you're not accepted, leave that place and go. Leave the place by the leading of the spirit of GOD, Apply scripture in your life for proper direction.

SPIRITUAL EYES. HOW TO SEE ANGELS [HOW TO SEE IMMORTALITY]

PSALM 119:130 THE ENTRANCE OF YOUR WORD GIVES LIGHT; IT GIVE UNDERSTANDING UNTO THE SIMPLE. It gives understanding; it means there are many complicated things in life which need to have spiritual eyes in order to overcome. I want teach you controversial subject, which is how to see immortality or how to open your spiritual eyes. *Nobody can see in the absence of light, it is not possible, what fuel the ability of people to see is two things 1. light 2. Eyes. The light and eyes are what give people ability to see. If you close your eyes, you will not be able to see because your eyes are closed, why? Because there is light but there are no eyes, and if I open my eyes and off the light, Also I will not see, so those two things need to be together for a man to enter in a dimension of spiritual sight. SO, WHEN A MAN BEGINNING TO SEE, IS BECAUSE THAT MAN IS IN A REALM CALLED THE REALM OF SIGHT, WHERE THE LIGHT AND EYES FUNCTION TOGETHER. THEY MUST ALL FUNCTION TOGETHER FOR YOU TO BE ABLE TO SEE.* So, the entrance of the words give light, it gives understanding to the full.

SPIRITUAL EYES, IN VARIOUS CONTEXTS, REFER TO THE ABILITY TO PERCEIVE SPIRITUAL REALITIES BEYOND THE PHYSICAL REALM, OFTEN ASSOCIATED WITH FAITH, INTUITION, OR DEEPER UNDERSTANDING OF THE DIVINE. This concept appears in religious text like the bible, where spiritual eyes are described as being open by GOD to see beyond the natural world. In other contexts, such as meditation or certain spiritual practices, the spiritual eyes or third eye is seen as a center consciousness or intuition that allows for deeper perception and sight. Beyond the physical; Spiritual eyes allow believers to see the spiritual realm, including GOD'S presence. SPIRITUAL BLINDNESS: THE BIBLE ALSO DISCUSSES SPIRITUAL *BLINDNESS, WHICH CAN HINDER ONE'S ABILITY TO PERCEIVE SPIRITUAL TRUTHS AND GODS WILL. In other spiritual context third eye: You're under the sting of GOD'S word is what makes you unique and opens your spiritual eyes.* MEDITATION AND MINDFULNESS: Practices like meditation and mindfulness can be seen as the ways to cultivate spiritual awareness and develop the ability to see beyond the surface level of reality. INTUITION AND INNER KNOWING: Spiritual eyes can associate with heightened intuition and deeper understanding of oneself and world. In essence, spiritual eyes represent a way of seeing beyond the limitation of the physical world, whether through faith intuition, or other spiritual practices, allowing for deeper connection with the divine or greater understanding of the reality. IF YOU CAN SEE THE INVISIBLE, YOU CAN DO THE IMPOSSIBLE. {COLOSSAI 1:15. IN THE BIBLE SPIRITUAL EYES, REFER TO THE ABILITY TO RECEIVE SPIRITUAL TRUTH

AND REALITIES, OF TEN CONTRASTED WITH PHYSICAL SIGHT. This spiritual perception enable believer to understand GOD’S will, see the un unseen, and grab the hope of their calling. Scripture highlight that spiritual sight is the gift from GOD, OFTEN ASSOCIATED WITH THE ENLIGHTENMENT OF THE EYES OF UNDERSTANDING. Spiritual eyes as a gift and result of faith; 1. The bible says spiritual eyes as a means to see beyond physical world and into the spiritual realm. This ability is often linked to faith, as seen in HEBREW11; 27, Where Moses is described as enduring because he saw HIM who is invisible. SPIRITUAL SIGHT CAN DEVELOP THROUGH PRAYER, STUDYING GOD’S WORD, AND SEEKING THE DEEPER RELATIONSHIP WITH GOD. Scripture examples.2CORINTHIANS 4:18Paul contrast the invisible emphasizing the importance of focusing on eternal, spiritual realities. EPHESIANS 1:18 PAUL PRAYS for the believers to have the eyes of their understanding being in lightened, high lighting the role of spiritual perception in understanding GOD’S porpose,2KINGS6:17 ELISHA PRAY FOR HIS SERVANT ‘S SPIRITUAL EYES TO BE OPENED, REVEALING THE PRESENCE OF HEAVEN ARMIES. MATTEW 13:15 JESUS SPEAKS OF SPIRITUAL BLINDNESS OF THOSE WHO HAVE CLOSE THEIR EYES “ILLUSTRATING THE CONSEQUENCES OF NEGLECT SPIRITUAL PERCEPTION.

HOW TO DEVELOP SPIRITUAL PERCEPTION;

1. Seek GOD’S word, reading the bible and studying its teaching can help to illuminate spiritual truths
2. Secondly; pray for understanding: Ask GOD to open your spiritual eyes and grant you wisdom.
3. Cultivate relationship with GOD, can lead to greater spiritual awareness
4. *Be open to spiritual Guidance; Be receptive to HOLY Spirits guidance and prompting. To see JESUS 1JOHN 9:39AND JESUS SAID, FOR JUDGMENT I COME INTO THE WORLD THAT THEY WHICH SEE NOT MIGHT SEE; AND THAT THEY WHICH SEE MIGHT BE MADE BLIND, LUKE24:31 AND THEIR EYES WERE OPENED, AND THEY KNOW HIM; AND HE VANISHED OUT OF THEIR SIGHT. To see the need for redemption, when people appreciate his redemptive, role in our lives, which was too intentional and designed to give sight to those that are spiritually blind by his word. John 14:6. Also another scripture is 2CORINTHIANS 3:16 NEVERTHELESS WHEN IT SHALL TURN TO THE LORD, THE VAIL SHALL TAKEN AWAY. ‘This veil covering our eyes is caused or brought about by sin. Sin blights our heart and prevents our heart on seeing JESUS. As Ephesians 5:8 rightly mention; FOR YE WERE SOMETIMES DARKNESS, BUT NOW ARE YE LIGHT IN THE LORD: WALK AS A CHILD OF LIGHT*

They are the keys to the heart. SPIRITUAL EYES ENABLE OUR HEART TO BE OPENED AND EXPOSE TO JESUS. THE INNER MAN IS AROUSED BY SUPPRESSING THE OUTER MAN. book of EPHESIANS 1:18 teach us “THE EYES OF YOUR UNDERSTANDING BEING ENLIGHTED, AND YE MAY KNOW WHAT IS THE HOPE OF HIS COLLING, AND WHAT THE RICHES OF THE GLORY OF HIS INHERITANCE IN THE SAINT.

Also, to enable us to see the glory of GOD.2KINGS6:17 ‘AND ELISHA PRAYED, AND SAID, LORD, I PRAY THEE, OPEN HIS EYES, THAT HE MAY SEE. AND THE LORD OPENED HIS EYES OF YOUNG MAN; AND HE

SAW; AND BEHOLD, THE MOUNTAIN WAS FULL WAS FULL OF HORSES AND CHARIOT OF FIRE ROUND ABOUT ELISHA'. ALSO, IN HEBREW11:27 tell us of MOSES by faith He forsook empty, not fearing the wrath of the king; for he endured a seeing him who is invisible. Also make us know who we are in Christ. 1PETER2:9 BUT YE ARE CHOSEN GENERATION, A ROYAL PRIESTHOOD, A WHOLE NATION, PECULIAR PEOPLE; THAT YE SHOULD SHOW FORTH THE PRAISE OF HIM WHO HAS CALLED YOU OUT OF DARKNESS INTO HIS MARVELOUS LIGHT. *'Therefore, the way you behave when you know that you are part of a royal family differ from viewing self as just a person. Also, they rise our faith; when we have spiritual eyes, we see differently than canal eyes. HEBREW11:24 BY FAITH MOSES, WHEN HE COMES TO YEARS, REFUSED TO BE CALLED THE SON OF PHARAOH'S DAUGHTER.*

How to see immortal it depending on the amount of light you possess, depending on the amount of light you control. *If you don't control light, you will see nothing, In the realms of spirit you cannot see what you don't know. In a civilianization of immortal position is not advantage,* your gift is not Advantage and sorry to say that in the spiritual realism of immortality, if you any prayer without light, prayer will not be an advantage. Because you attract what you know. Secret about spirit is not attracted to you until you are first attracting to them, the spirit doesn't force someone to use him, they use you based on legal agreement, that happen within your knowledge, so when the spirit comes to you at night and sleep with you, it is not by force, you may wake up and you don't like it, but in the realm of the spirit you have given them legal platform to sleep with you. You have married with them. That is why you may try to cast out the spirit in the life of someone and the spirit will say, I have married this person. We are married on physical is not aware of any marriage, but in the spiritual realms they pay your BRIDE PRICE. So, they are attracted to you, they are attracted to you because *your attracted to them. Whatever you see a spirit of womanizing in a gentle man you will understand that spirit don't force people, it is not only that because the man was womanizing so attract that evil spirit to HIM and now entered him.* So, spirit don't come to you, until you know them. Your light about a spirit determines the relationship of that spirit with you. A man who controls light in the realms of the spirit, control everything. So, any man that control light is the same man that control in the physical. GOD is not GOD because of divine celeste is not GOD because of grace, He is not GOD because of election or his position, But HE is God BECAUSE OF THE AMOUNT OF LIGHT he POSSESS AND COTTROL Which means GOD didn't become GOD because there was agreement between HIM and angels=The answer is NO. But he becomes GOD because He know something that who are not GOD don't know. Which means there is some amount of light he possesses. There is amount of light GOD controls that no other person control light. So that is what makes HIM GOD. He is GOD because of the light that come from HIM. Because of that light that come from HIM. He carries light to an extent that light is not approachable, you cannot approach that light, and when we talk about that light, we are not talking about this natural light, but that light is the type of light which means knowledge, wisdom to become physical, when he appears with a physical light is just a symbolism of what is in GOD. So, your knowledge about a spirit determines the interaction of that spirit in you. So, if you don't have that light about a particular spirit, you can never work with that

spirit. If you don't have angel, you cannot see them, you cannot work with them. If you don't have light with 24 elders you cannot work with them. Those who are witness in Heaven example ABRAHAM, ISACK, JACOB, ELIJAH, if you don't have light about them, you cannot have association with them. Your light about them determine the relationship and attraction between you and them, watch this there are people who sees demons, they have study about demons to the extent that, because of that knowledge about that demon ,it give unentranced into the demonic realm, so they have now inter that demonic realms, and because they are now in that demonic realms they interact with those spirits those demons, not because they have done any procedure on a physical, but just because they have gather light about those spirit to an extent the spirit gave them entrance's spirit open the gate and allow them inside. So, this people see demon they operate with high level demons to the extent, He can sermon demon, because of some knowledge or light about that demon. ***The light, they have about that demon, that demon they can manifest on the atmosphere based on the light. So, which means the manifestation of a presence of GOD IN A MAN ATMOSPHERE IS DETERMINED BY THE LIGHT THE ONE HE COMMANDING FROM GOD IN ATMOSPHERE. So, if I don't have particular dimension of light, I can't bring that dimension on an environment YOU CAN'T FAKE IT. YOU CAN FAKE EVERYTHING BUT YOU CAN NOT FAKE THE PRESENCE OF GOD. YOU CAN'T FAKE GOD'S PRESENCE. How can you fake GOD PRESENCE TO MANIFEST IN THE ATMOSPHERE, THIS MEANS THE MANIFESTATION OF THE PRESENCE OF GOD A MAN COMMANDING IS BACK BY THE LIGHT THAT MAN IS HOSTING. Holding, so if you don't host enough light to command result. YOUR RESULT IS DETERMINED BY THE LIGHT YOU CARRY. Some result in prayer will never happen. Until I can grow to that dimension, where I can command that type of light. Watch –That is why a man of GOD come from particular place and pray the blind man will see, the cripple will work, deaf will hear and dead will come to life, because he is walking in a particular dimension of light, that the man of GOD in this area don't working, So the man of GOD in this area will say that this is a gift, I have never seen anywhere in the bible performing miracle is a gift. The bible says and this is a sign shall follow Him that believing my name you will cast out devil, you rise dead, you heal the sick, so it is not the gift, it is my name JESUS. The name has been given, why you're using the name but you're not commanding result., is the same name someone commanding better result and other person not getting another result, Other says it a gift because in the realm of GOD IN ASSOCIATE WITH SPIRIT ANGELIC BEING, CHERUBIN, your gift is not Advantage is your light what matter. What measure of light are you commanding? He said the entrance of your word gives you light. Which means the word of GOD inter you, as you keep consuming GOD'S word. There are increment of light. JOHN14:9 PHILIP show to him, and ask show us the father, Jesus says I have been so long with you for long time with you, who has seen me has seen the father. I have been so long with you, and yet Philip don't know who the fathers? He that see me have seen the Father. This mean that a light can be a person can be unindividual, Now I am showing you how to see angels and how to see spirit, how to have access to the immortality to inter in that realm. There is no realm you just walking and you see yourself there suddenly without light of that realm. There is no realm you inter***

by knock, there is no real you pray and inter, some people are fasting and praying to inter GOD'S realm=NO, you can only inter them by light supported by prayer, prayer just make it easy but the get of entrance is the knowledge you have, the requirement is light. There are some men of GOD who are so rich and they cannot heal sick have you realize *that, because there are group of man of GOD, they are so prosper they have property they are rich but they cannot heal the sick, then another man can perform miracles but are terrible poor. What is the Mistry behind, what is the deep secret? What are the differences. If you read scripture about prosperity the light about prosperity will enter you in time. When the light of prosperity inters you, you will become prosper. If you read scripture on performing miracle that light will inter you, and that light can inter you, it becomes part of you. If you read scripture about breakthrough, that light will inter you, and when that light inters you, you will be beginning to see break through, whatever scripture you read about, is what you become. So, there are man of GOD that are major in opening deep and some are major in opening blind eye. Some are major in giving babies, and said that this is the gift GOD as given them. But that is because, that is the light you have receive, if you receive the order light, you will be able to do it. When the word of GOD inters you, it will give you light and that light will give your ability to see. Before the miracle happen, you must see it first. You can see an anointed man of GOD uses glasses. He has wisdom yet he can't pray for HIS own eyes, you see he can use glass and say, I am not seeing well, that is because the light of a particular scripture didn't enter Him. By his stripes we are heal. That light has not enter yet. Read that scripture and that light never inter them yet. You can read the scripture well until the light inter you cannot have that result. So, you see a man of GOD with different manifestation with different gift, that is because this man has not received the particular dimension of light yet. So, before you can see the angel yet, there are particular of light about particular angel that must inter you, your spirit that light must attract the angels, Angel don't come to you until you attract them. You must attract them, and you cannot attract them with ought light. You can't see angels by chance, you must read angel to the extent you see an angel. LET ME TELL YOU HOW PASTOR DAVID RAUF encounter prophet Samwel on mountain. He was reading the book of prophet Samwel the first Samwell and the second Samwell, then after that He meet Samwel, that is how he meat and saw Samuel he read the book of prophet Samwell to the extent the light inters to HIM to enable him see Samwel read the book of smith Wickliffe, when he says if you want to work in the miracle, you must read mark, Matthew, Luke, john and book of Acts. When he was done that, I recognize where the light come from, DAVID RAUF, he went to pick the book of 1samwel and second Samuel finish it, and after finish reading about Samuel, he makes sure, he read everything about SAMWEL and tenth day of the fasting, the vision of prophet Samuel appears to HIM. And prophet Samuel appear to HIM. He thought revelation about the prophetic meeting, because he receives a particular light about Samwell attract his spirit to him, I attach his spirit to me, Iwa's so interested in HIM and I read a lot of HIM as a result of that, I attracted and also his spirit was attracted to me, so it is was the light make me to see the man. He comes to HIM in a vision. There are people read about demon to the extent demon appear to them, there is a book, I*

bought, I just want to know everything about the spirit world. The title of the book is sermon spirit, How to sermon spirit, I brought that book on how to sermon a spirit ,after I read I stop I didn't continue any more, because I would feel the presence of those spirit, when I was reading ,I feel their presence as my knowledge was increasing ,on those spirit ,I could feel about the presence ,just when ,I was getting knowledge about them is been attracted, they were been attracted, So this is how we attract spirit of Angels by light you have about them. Increase light about angel and angel will be attracted to you.

PART 4

WAYS TO IDENTIFY THE ANGEL OF THE LORD

There are two different kinds of angels, those who are normal angel and those who are an ordinary angel of LORD, those who are stay very closer to GOD and they are very dangerous Angel who stay always in presence of the LORD. The distinct ways on how to identify them is through the of GOD. There is angel of the LORD and there is the angel of HIS presence, their first character is drowned sword it is the Parten of the bible, example Angel MICHAEL. Numbers 22:3 and 1corintho 22:16 also JOSHUA 5:13 When you see that Angel, that is not ordinary angel. JOSHUA ask the angel are you with us? In the bible GOD is not with you until you are side with HIM, be in his side and he will fight for you, stop sinning just walk in HIS ways for HIM to stand on your behalf. The moment you see angel with sword that Angel is not a normal angel. In the book of JOSHUA 5 When Joshua sows the angel, He says, which side are you on? Are you for us or enemy? Neither, I am not for you. I am not the one who side with you, you side with me, you know I have preached this before, Lord is not on your side, you are the one to side with HIM. YOU HAVE TO SURRENDER YOUR PLAN OR AGENDER, TO HIS PLANS, NOT THE OTHER WAYS ROUND. JOSHUA 5:13 AND REVELATION 19:10, JUDGES 6:11-12, GENESIS 48:14, GENESIS 31:11-15. No one will be able to cut off your communication with heaven when you will know how to operate on Angelic realm.

HOW TO SEE ANGEL IN THE DREAM. If you engage your heart to the angel, they come to you even in your dream, when you dream, this is what happen the angel will stand beside your bed and brings information to you. Don't worry about this one, lift your eyes, He slept and receive the carrier advice show your salvation is coming from YAHWEH. PSALM 78:48-51, SAMUEL 17:45, MATTHEW 2:19-20. When HEROD was dead, angel of the LORD appears to JOSEPH in the dream.

HOW TO SEE CLEAR VISION IN THE SPIRIT

If you make research, you will see people in the bible never straggle to hear the voice of GOD. Even CAIN after killing Abel, he hears GOD. In GENESIS 4:10 AND HE SAID, WHAT HAS THO DONE? THE

VOICE OF THY BROTHER'S BLOOD CLATH UNTO ME FROM THE GROUND. This show that elder people were very sensitive to AGO more than this generation, that is why it was very easy to catch the voice of GOD, even after sinning GOD is still telling you something to repent. There is a voice speaking through blood is louder than your mouse, that is why there is no powerful voice than the word of GOD through the blood of JESUS. NO BODY CAN SEE IN THE ABSENCE OF LIGHT. So, we notice that people were not struggle to hear the voice of GOD, but in our time, we struggle to hear GOD. We do many exercises on how to hear GOD. Which is not actual bad but you have to hear the voice of GOD voice clearly as a man speak to his friend. In the book of GENESIS4:8-9 God came and ask CAIN, where is your brother? They were speaking even after he commit murder in GENESIS3:8 After they eat the fruit, the voice of GOD come and walk in the garden. They were speaking to GOD, in our D.N.A. we have the ability to hear the voice of GOD. God voice was walking in the garden, it is mysteries a JEREMIAH prophet he Sayed, before I know you. Before GOD create a man, the word creates a man on protected, when that man learns to pick up that voice, he will get clearly of His destiny. He speaks a word over a man, you must learn to pick word and vision over a man, GOD has said, it takes a sensitive man to take a spiritual voice, to pick from your atmosphere. There are many words of GOD pending on your atmosphere, your future in GOD IS PAST TENSE. IN the book of JEREMIAH, before I form you, I know you, it means that when GOD create every man there are word which GOD projected to the atmosphere of that man. When that man learns how to pick up that word, he will get the clearly of His destiny, GOD can speak a word over a man, when he was born, but when that man learns how to pick words from the spirit. How to pick vision on what GOD has said. He will get those men can get in 20years or 30years ago that man pick, so many things we hear it is not because GOD didn't say, but GOD has said it. And the word hanging in the atmosphere. Genesis 3:8 The voice of GOD was walking in the garden, the word of GOD was projected, it takes a spiritual sensitive man to pick what GOD says. PSALM82:6 I HAVE SAID YOUR GOD; God has try to say the word before you; to pick you the word of GOD That is in your atmosphere is your responsibility to pick it in your atmosphere. GOD has try in to say what he has said it before, but they did take it or pick it in the atmosphere. Right now, when you read this book, you have to know that, there are many pending words of GOD speak to your atmosphere. There are many words GOD lock up into your spirit, it takes you to apply this principle, just for you to take that word that pending into your atmosphere...It take about the following for you to take that word on the atmosphere to be part of you. The bible said forever OHOO LORD, YOUR WORD IS SETTLE IN HEAVEN, about your life right now GOD'S word is settled already about your future, the word of GOD is settled, your future is like a past tense to GOD, because GOD has seen it, GOD has written it, spoken it, it is now your responsibility to know and to pick it from where it's kept from the realm of the spirit. Most of the thing is what GOD have said. CAIN EVEN AFTER THE FALL THEY STILL HEAR THE VOICE OF GOD, there are something they know, even in our time a man can sin and go to GOD and said GOD, HOW WILL I COME OUT OF THIS THING, AND GOD WILL STRENGTH HIM. GOD will speak to HIM, this is how you should apply and you will be strength. We believe that when we make mistakes and make sin, God storm will back on us, and GOD

will never talk back to us, =NO it will never work like that. The man is going to addiction GOD has not turn back on you, it is now time for you to go in a place of prayer and ask how can you go out of this. HOLY SPIRIT will tell you how to overcome, what is the way out, you must take every time to track HIS voice. God voice can be dropped in your mind. we can't even live in a holy life without whole spirit. GOD voice drops in your mind and not in your physical eye, unless GOD wont HIS sovereign, so now how do we traffic GOD voice in our mind. The voice of GOD is locked up in your spirit and also in your atmospheria,Are we together now? To pick that voice [1] you must learn to let your heart to teach your mind, learn to let your heart to instruct your mind. When we talk about your heart, we talk about your spirit.In JOHN7:38 Out of His will flow the living waters. The voice of GOD which is a supernatural, can flow from your heart, there is something flowing from your heart from your spirit, it means that wherever you're in a place of prayer and worship pay attention to 3 things

[1] PAY ATTENTION TO THE FLOWING THOUGHT

[2] PAY ATTENTION TO THE FLOWING PICTURES

[3] PAY ATTENTION TO THE FLOWING EMOTION

You're worshipping then a thought you don't think about you just flow, you just feel about spontaneous thought, drop in your heart, pick it from your spirit already. The voice of GOD is spontaneous thought that come from your heart. The voice of GOD is spontaneous thought that are light, upon your heart. You just had a thought what happen in my business. Why we don't reach out of that person. You don't plan to think about it, but the thought just come, you need to align with it, God can task your thought a particular person, you need to align that flowing thought, you're not planning to think about it, it just flows that come from your heart, you need to understand the voice of GOD IS THE FLOWING THOUGHT

[2] Flowing picture that come from JOEL chapter2:28 By sending picture in your heart, He just send picture of someone in your heart, spontaneously may be your prophesying, you see suddenly a picture of accident, or you rebuke or you see a person picture.

[3] A flowing emotion is the word of GOD like Apostle Paul sending picture into your heart

[4] The flowing emotion is when you come in the mood of GOD. Mood of GOD flowing emotion. Acts16-That is what we learn from apostle Paul emotion, the flowing emotion that make apostle Paul to grow. Immediately the flowing emotion come from apostle Paul and he became aggrieved in the spirit; He took the lead and the LORD had demon. The flowing picture that come from spontaneous thought, picture, knowing emotion, you have a job appointment, you put job in your heart prayer, when you're praying there is joy that put within you. At the point you don't need GOD to tell you that, this job is yours. That is what we called the flowing emotion; you just come to the mood of GOD. You go for the job, that is yes, that is victory in the spirit, sometimes you worship and beginning to feel a

kind of burning sensation in your heart, when you beginning to search on that point, be still and the voice of word of GOD is around in your atmosphere. LUKE24:32. After JESUS disappear, the bible says did our heart not burn? When he was speaking to us, one of the sign GOD use to speak to us is burning sensation from your heart, physical you feel it, know the voice of GOD is around be still with expectation, it will be beginning to drop in your heart, if you sleep under that atmosphere pray for prophetic dream. Sometime you operate in a prophetic atmosphere, you start to feel direction and intersection. JOB 4:12 When you feel that thing upon you, just wait be still and you will see, you will notice that you are about to inter new experience of visionary encounter. CLEAR YOUR MIND IN THE PROPHETIC TO INTER IN A DEEPER REALM.

THREE KINDS OF PROPHET

You may fall under one category, it is possible to be prophet without the ability to see vision, but you will be able to pick details in the realms of the spirit without seeing with your eyes.

[1] AUDITORY PROPHET=They pick details in the realm of the spirit by hearing, they are called for hearing, they don't see, they don't feel, they hear, it is possible to have three categories function in your life. It is possible to have one. This people, they pick the big prophetic detail by hearing the word, they don't see vision but they hearing. You're not a man of vision but vision will appear to you not frequency or always but sometimes. They don't see vision, when you're walking by this realm, the vision will come to you like word drops in your mind and sometimes it will come as if it is your thought speaking to you. Ife come as if you're talking to yourself, sometimes it will come as if it is the voice from your pastor, or somebody you love and honor he speaks to you. You just hear the voice of somebody in your heart, your own voice just like what happen to Samwell. 1SAMWELI3:5THE VOICE WAS SOUND LIKE THE VOICE OF ELAH, So Samwell run to ELAH and said you call me, I am for your servant, Elah said go and sleep again, the voice come and it is also sound like the voice of Elah. But its GOD speaking, revelation drops like word, you're not tray to form it, but it comes from your heart, spontaneous. EZEKIEL 6:1 THE WORD OF GOD COME, MEANS EZEKIEL DIDN'T FORM THE WORD BY HIMSELF, the voice come to Ezekiel, the word say in HEBREW means Alima means topic to someone mind, The bible says the word come to EZEKIEL by dropping in HIS mind are you see, that is how Ezekiel picks the voice of GOD. How did he pick it? He picks it as a word, maybe you are with somebody now, you just heard the name EDGAR in your heart, then you ask in your heart who is EDGAR, AND SOMEONE COME AND TELL THAT IS MY NAME. So, this is how they pick from GOD. They use hearing to pick it from GOD. Income like the word; this is like a form of auditory prophet. The hears they pick the vision in form of word, and when did the word drops for him. The word drops in their mind to their heart. One way to activate this auditory dimension is by worshiping more, spending time worshiping GOD. God will be beginning to drop thought to you at the moment you worship HIM. The word from GOD will start to flow to my heart to minister by

GOD. So, the secret to hear HIM clear is by making your total submission to GOD, by surrender your plan and your will to HIM in order for HIM to put his direction in your heart.

[2] VISUAL PROPHET=Dream and prophetic vision, imagination, you can seat down and get vision. [VISUAL]Prophet.2king5:26 THIS PEOPLE CAN SEE BY OPENING VISION OR CLOSED VISION, OR PROPHETIC IMAGINATION. You can seat down and imagination come, and you will think you're the one imagines it, and GOD give you a vision, just imagine as you step out of your house, you see imagination that you saw from your room. Payout, you go to minister and everything you imagine you blow out. Prophetic seer or visual prophet. ELISHAH and GEHAZ.2KING5:26 ELISHA HOW DID HE PICK THE VISION, IS THROUGH HIS HEART, He was not seen in his normal eyes but see in the heart mind. Did my mind do not go with you, He see by the eyes of the mind, if you're walking in this dimension. You're in a place of prayer you beginning to receive vision, he sees in picture and video, they have flash of picture and vision video, that is what we call prophetic imagination. BUT THE SECRET IN ORDER TO BE ABLE TO PERCEIVE IT CLEAR, IT DEPEND ON THE LEVEL OF YOUR SUBMISSION TO GOD. If you're a visual prophet and you realize your dream life is attacked you have to pray about it, before you sleep at the night just put your hands to your eyes as a prophetic action and speak. Lord my eyes are opened as I go to bed my eyes are open.

[3] THE THIRD DIMENSION OF PROPHETIC IS CALLES THE SENSORY PROPHET. The sensory prophet is walking by feeling, are Fela's they don't real see or hear, this people they sense about when good news is about to come, they sense when bad news is about to somehow, THEY KNOW? They don't know how they know. But just know. The sensory prophet, when they inter from the atmosphere, they just know what happen in the atmosphere, maybe they just finish pray in that room, sensory prophet will inter that room and he just know. This people know thing just other people don't know. JESUS WAS OPERATE IN ALL DIMENSION [IN SENSORY DIMENSION TOO]. MATTHEW9:4 JESUS KNOW THEIR THOUGHT. How do, you know that? They were surprise how JESUS know their thought. In this dimension, people they don't know how they know but they know it. They are also emotional people and GOD speak through their emotional. YOU GO CLOSER TO A PERSON YOU START FEEL THE BARDEN OF A PEOPLE. This people are very sensitive that is why they easily take or access information through their spiritual antenna.

THE IMPORTANT THING TO DO IN ORDER TO ACCESS THE VOICE OF GOD CLEARLY;

Be a man of peace and joyful heart. Make sure your heart is fully committed to GOD in order for your heart to be free. The joyful heart and happy heart are determined by the level of your submission to GOD. Do not be a man of fear, do not doubt and do not ask yourself many questions, just live it for GOD. HOW WE MANAGE TOMORROW, THAT ALLOW FEAR TO COME INTO YOUR SHOLDER. Heavy load, we are not trying to put it down. Just birth and thanks HIM, HE knows what we need before we pray or ask HIM. We find rest in HIS promise. The peace come when you let it go to GOD, and not carrying it. But trust HIM, JESUS offer rest to us. The harder we change we find ourself not satisfied,

because nothing can satisfy you because nothing in this world can be satisfy a man more than GOD to inter into your heart. When you take time to query the noise within. Something will happen just focus your heart to GOD. ACTING OF LETTING IT GO. His love gives us the power to walk through a challenger by HIS presence, you will hear the quiet whisper of the soul. *We hear GOD by different dimension sonship and prophetic, for sonship means for your own direction personal, and prophetic is for minister purposely ARE THE FIRST PROPHET OF YOUR LIFE ROMAN8:14 ALSO ROMAN 8:21 and JOHN4:12. YOU MUST LEARN TO TUNE YOUR SPIRIT TO THE HEAVEN FREQUENCIES YOU ARE NOT TURE YOUR TELEVISION SET, YOU WILL NOT BE AWARE OF WHAT IS GOING ON TO ANOTHER STATION. STATION IS WORKING BUT YOU CAN'T SEE THEM BECAUSE ARE NOT TUNE TO THAT STATION.* HOW TO TUNE YOUR FREQUENCE INTO THE FREQUENCE OF GOD? =So, GOD can speak but if you're not tune to HIS station, to the frequencies of GOD, that believer will not be able to hear GOD. The way we tune to the frequency of GOD, THIS BY WAY OF PRAYER AND THROUGH SPONTANEOUS THOUGHT, Because GOD word is spirit, God is a speaking spirit. JOHN 6:63 WHEN GOD'S SPEAK, HE SPEAK A SPIRIT WORD. That spirit word does not hear by our physical hearing. God create our physical ear to hearing physical things like men. But he creates our spiritual ear to hear HIM. What is our spiritual ear? IS THROUGH OUR MIND.DANIEL4:10 YOUR MIND IS WHERE YOUR SPIRITUAL EYES ARE. THE EYES OF YOUR MIND SOMETIMES IS WHAT WE CALL IMAGINATION. So be carefully on what it comes from your mind, consider what are the force or influence behind it, to determine whether it satanic or angelic.

PART 5

THE DIVINE DIRECTION [HOW TO STAY GUIDED?].

In most Christian today, the biggest problem is not economy, but it is the lack of direction. How many will be able to make a new turn. PSALM25:9. It need meekness to make a new turn. Arrogant is the big problem in people's life. If you are a begging, it means you're not where GOD want you to be. You're in a wrong place. Another third element is be willing to obey HIS ways, HEBREW3:15Stop giving GOD condition, just cons tract your enquiry in your *prayer.2SAMWEL5:19-23. Direction can go with scripture. Don't force to some button, because you force then the glory will shift from you or you will lose the glory of GOD upon you. Go to HIM for new direction all GODS knows. IN THE KINGDOM OF GOD, WE DON'T MOVE BY THE CROWD, BUT WE GO BY DIRECTION]. IF YOU EXPERIENCE LUCK, THAT MEANS YOUR IN A WRONG Position*ed follow the crowd follow his direction. Depending HOLY SPIRIT, no alternative. PROVERB3:5-6. The secret is to depend on Holy Spirit in your life. Holy spirit is a director of life in this world.

BENEFIT OF DEVINE DIRECTION= *You will enjoy season of supply; things will happen to you. The story will be full of success in divine direction or guidance. Holy spirit I depend on you, that is the first thing to say before your day start. The strong tool for success is divine guidance. If GOD is the one*

who lead you, you will prosper. Silence your spirit in order to hear HIM alone. Joyful IS THE PEACE WE GET WHEN WE SURRENDER TO GOD AND KNOW HE IS IN ControlLogix wait in a quiet place; He offer peace for those who are willing to be still. How can we create space for HIM? Space for HIM to speak over our lives. Silent is in a secret place a quietly moment with HIM. We find strength by letting it go of our Barden. When we are true and we need to hear from GOD, we need to quiet our own voice in order to hear HIM clear, there is a special peace we get from HIM, WHEN WE SURRENDER, WE KNOW GOD IS IN COTTROL, EVEN IF AT THAT TIME WE PASS IN A CERTAIN CONDITION. Brith and quiet, Life is all about turn our heart to hear from GOD. Let HIS voice guide a step we take. Your life is not from abroad; it is from above. ESILESTAS10:15-19 JOHN21:5-6. Many people are in wrong side, FRUSTRATE TION STOPS WHEN YOU ARE IN A RIGHT SIDE. It marks the end of frustration.

WHY DO I NEED DIVINE GUIDANCE OR DIRECTION? =Without divine guidance life is a burden full of frustration and stress, you are like a blind and deaf man walk in a high way, will that man survive. One wrong step can destroy your destiny. ISAYA42:8-22. There are some people they are holiness, but when you see their life is so useless. IN LIFE IF YOUR NOT GUIDED BY GOD YOU WILL SUFFER. SO, IF YOU SUFFER JUST KNOW YOUR IN A WRONG TRUCK. HOLNESS PEOPLE BUT USELESS PEOPLE. To go to Dubai does not mean you will buy anything. You don't follow people you follow GOD guidance. PSALM21:3 Divine direction will make you un common leader. PROVERB14:12 HIS leading save your life. JEREMIAH29:11. He secure your future and your life. You will enjoy the best in life, if GOD is your sharp ad, witches will not be on your ways thy will fear you, they will tray but they will not win.

MUSIC, YOU PLAY AT HOME. Be carefully of the music you played at home; does it attract angel or devil? If you want divine guidance, you must be a man or a woman of worshipping, because through worshipping song you will hear the voice of GOD in it. Worship song is the best Parten to access the voice of GOD easily carefully music you played at HOME, every song it has a spirit behind it. When you play a music of worship you will hear GOD as a man hear is friend, GOD love worship music has a tendence of changing the atmosphere spirit will come upon you, if you play blues the spirit will inter you, the demon of that music will inter you, example the spirit of womanizer can inter a person through music. The spirit behind the music KING3:15.

[B]FASTING AND PRAYING. acts13:3-4 In ISAIAH 58;6 and EZRA8;21, Fasting to lead you, fasting to hear from GOD. [C]1KING19:11 Quiet voicer let your system be quiet from the inside; your stillness is what the voice of GOD. Be still and know I am GOD, be silent on the inside praying while you're thinking on the certain issues in your heart, then the small voice will come to you from the inside that is the voice of GOD to you. PRACTICE QUIET NESS FROM THE INSIDE. Some are busy inside the heart not physical. You have 20thing in your heart. If you want to hear GOD let your heart, be quiet. Only stillness man can hear the voice of GOD can catch the small voice. SO, IF YOU WANT TO HEAR

GOD BE STILL AND DON'T BE BUSY FROM THE INSIDE. You can be in a church and your closing window at home. How can you hear GOD while you're so busy from the inside? Leave the port of sup and hear GOD. Those who love GOD hear2cortho2:1-15, ROMAN8:13 SO ANYTHING CONTRADICTION BIBLE IS NOT GOD SPEAKING, GOD WILL USE A SIGH, God can not contradict HIS word. If you are feeling bound in your spirit, that is not GOD talking to you, inside of you you're not free, just stop it, that is the sign from GOD to stop. JUDGE6:14 You will enjoy GOD, GOD WILL IMPROVE ME. PSALM89 ALSO ISAIAH 48:17, Divine direction, GENESIS26:1-2 ACTS 3. 2SAMWEL5:19, DIVINE GUIDANCE, SHOULD I GO? HARDSHIP ENDS WHEN GOD IS YOUR Shepard, you're in a want when you're not his Shepard. Luck is an indication you're not lead. For GOD to show you the way, you must go his way. LIFE WITHOUT GUIDANCE OF HOLY SPIRIT IS A DISASTER.JOHN16:13. Direction, if you are begging people, it is the indication that you're not in HIS direction from Holy spirit. Your so frustrated because you don't go through the HOLY SPIRIT direction. To be a voice in life, you must follow HIS voice. If you want to go anywhere, just hear GOD firstly. ISAIAH 48:19-20

CONDITION FOR DIVINE GUIDANCE. Number one condition to enjoy the divine direction is through born-again, to born in Christ JESUS. Also be meekness in order to hear the voice of GOD clearly, arrogant and proud can hinder you to hear GOD. Suffering is the lack of direction. There is something from HIM, HE put in you. JESUS says I am in you and you in me, why do you fear? He doesn't to kill you but he wants to bring it out what is in you. If GOD is your Shepard, you're not surprise to be in want. With divine guidance confession, failure, defeat can be eliminated. To be in ok does not mean thing will be ok. If you're not walking by divine guidance things will become tough for you. You can go America and become very useless, because you're not going by divine direction by divine guidance. IF GOD DIRECT YOU, YOU BECOME DIRECTOR. Not every open door is a GIOD door. If you follow HIS leading you will become a leader before a man and devil. PUT SO MUCH ENERGY ON SOMETHING DOES NOT MEAN IT WILL PROSPER. Your sweating does not mean your life is making progress. The essence of divine guidance is to eliminate stress. Let GOD be your guide; you will not be misguided.

HOW TO STAY GUIDED

DEUTRONOMY32:9-13. If you are led by other source, you will be frustrated. If GOD is not your leader, let any prophet lead you or any person without GOD'S word you will encounter disaster GOD is the one who leading you, you can never struggle. PROVERB27:8 A man who should be a work to His world, he began to wander about the earth. When you're in a place, where GOD don't want you to be, you will end up suffering. Do you know why GOD USE EAGLE? The eagle does not straggle in the wind storm, when there is a heavy storm, the eagle will calculate the storm wind. He will calculate where the wind is going, allow the wind carry him. Not because he is strong or smart but because He know the direction of the wind and the wind is the HOLY SPIRIT. When you follow the leading of the HOLY SPIRIT you will never suffer. So, if you are struggle that means you have miss somewhere. Christianity

is not for struggle. The eagle straggles. The eagle stands on the top of the rock, which is the is GOD'S word. GOD intentional push you to face challenge to bring your potential out. He is omnipotent GOD, Multi dimension, there is something HE put to anybody who born again. So, he allows you to face challenges and to tell you what it means. Pick up and flow like eagle. He doesn't want to kill you but want to bring what is inside you. The LORD is my Shepard I shall not want, if GOD is your Shepard you're not pattern to be want. psalm23. Many people know what GOD has called them to be, lawyer, doctor or politician, business man vision. But the challenge is lack of divine guidance, this is how frustration come to many people, they do not discover GOD'S purpose in their life, but they don't know how to go on one after another. Good vision but they. THE GOD'S WORDS YOU HAVE IS DETERMINE THE LIGHT YOU HAVE. Good vision but they don't know how to go on it. So, to stay up is to be guided, continual failure comes when you lack divine guidance. Everybody has a place. GENESIS26:1-14. You can go USA and become very useless if you're going without divine direction guidance, everyone has a place. IF YOU FOLLOW GOD, YOU WILL BE IN A DIRECT TRACK. If you follow HIM, you will be a director, not every open door Is GOD door. GOD see the end from the beginning, find what GOD is saying. If you follow his leading you become leader for Human and devil, so much energy on something does not mean you're making progress. YOUR SWEATING DOES NOT MEAN YOUR LIFE IS MAKING PROGRESS. The essence of divine guidance is to eliminate stress. So, living your country is not the answer. Let GOD be your guide and you will not be misguided. Seek divine guidance. The Human mind is not the brain sell, the human mind is what control the human braincell, but the human mind is within the galaxy or controlled by the power of the air. So, the Human mind is spouse to the power that control air. That if your mind is not real committed to GOD you will be controlled by the prince of air, that is why the bible says the GOD of this world has blinded his mind of those who refuse to accept the glorious gospel of Christ. The blindness was of the mind and not of your optical eyes. So, the God of this world is the God of prince of air. The power of air imparts in the power of your mind. Tell what to do. THERE MUST BE RENAULD OF THE MIND FROM THE REDEMPTION FROM DEVIL. When you renew your mind, your transformed, changed shifted, you transfer or shift from the jurisdiction were Satan control, let the mind of Christ control you. BE CARE OF THE ATMOSPHERE THAT PEOPLE CARRY. Be careful on those people surrounding you, they carry different atmospheres are influence by the prince of air, so be carefully on what happen surround the people around you. because the company you keep is what will accompany you, friends carry different atmosphere careful. TO HEAR THE VOICE OF THE HOLY SPIRIT.DEUTRONOMY32:9-13 PROVERBS27:8. The eagle have not straggle He calculate the wind. The eagle he is not might or too smart, but because he follows the direction of the wind. If your straggle, you are missing some, were. Christianity is not for straggle's eagle stand on the top of the rock. The rock is the words of GOD.

WHAT TO DO TO MAKE HOLY SPIRIT SPEAK TO YOU.

People lack strategy to win. It takes strategy to win. YOU HAVE A DREAM BUT WHERE IS THE STRATEGY. Pray and receive the strategy, do you know the challenge in a body of Christ, we copy

everything. WRITE DOWN ALL THE ISSUE CONCERNING AND PRAY WHILE YOU LOOK AT IT. THERE IS A RELATIONSHIP BETWEEN YOUR EYES AND THE REALM OF THE SPIRIT. You can write your need or what confuse you, example House rent, GOD what is the way out. Ask HOLY SPIRIT what is the way out, speaking in tongue, grown what is the way out? SPEAKING IN TONGUE AND ASK HOLY SPIRIT TO PRAY THROUGH YOU. ALL A SUDDENLY YOU JUST GET AN IDEA. YOU CAN GET INSTRUCTION, to go to a certain man of GOD, and his name, but if you ignore, you will fall, there will be no other men to help you, except that you give instruction, different grace. We just do things at randomly no divine direction; there is two ways to rise in life [1] [To hustle by keep grounding and moving [2] to go to GOD and say GOD show me the way. The key to access the deep things from GOD is to be available or to be in the atmosphere of worshipping HIM. Speaking in tongue, sometimes the scripture coming, sometimes the voice of GOD will whisper to you, sometimes mystery come. YOU DON'T HAVE TO FEEL IT, YOU BELIEVE IT. Operation of the wind is like a wind, you can't know where it goes and where it come from. So, you need to be dynamic, YOUR PROSPERITY IS WHERE GOD VOICE IS FOR YOU. IN the green pastor is where the HOLY SPIRIT LEAD YOU. [WHO COTTROL YOUR MIND COTTROL YOUR LIFE]. Communion and your obedience in Christ is what will make you victory in your Christian life. HE WHO COTTROL YOUR MIND COTTROL YOUR DESTINY.

THE VOICE OF GOD ABOUT MONEY;

There is the law of money. This is the big problems to many Christians; they are suffering because of the spirit of poverty. The demon of poverty destroys many people more than any other demon. It is a demonic link to other demon. It is destroying even people's faith. MONEY IS THE EASIEST THING TO GET, BUT WE BREAK LAWS THAT COTTROL MONEY.

[1] The first law of money is knowing that GOD put a covenant for money, money does not respond to prayer. Money will only respond to contracts. When GOD will respond to your prayer of money, it is an act of benevolence an act of chart. DEUTRONOMY8:18 REMEMBER YOUR GOD FOR IT IS HE THAT GIVE YOU POWER TO GET WEALTH. IT IS HE THAT GIVE YOU POWER TO GET WEALTH. HE GIVE YOU THE ABILITY TO GET MONEY.

[2] Secondly, money is the measurement of value, it is not a medium of exchange, your big problem is your looking for money. Rise your value and money will look for you.

[3] Money is subject to intelligence, the natural acquire, it doesn't improve, your money will stay there. The bible says in 3JOHN1:2 PROSPER AS YOUR SOUL PROSPERS. Your soul that where your mind is, the bible is saying, you can't be faster than your brain to have money. Whatever level of brain activity then there is money activity. So, you broke because your stupid, follow that three law to follow to make money, Surrender your physical body as a living sacrifice.

RICHES IS LIKE A PLANT FROM HEAVEN.

Riches doesn't come by hard working. You have to understanding working is very important but you have to know that Riches doesn't come by work. Works only guarantee you eating not riches. He that does not work should not eat. What makes riches is blessing of GOD. BLESSING OF THE LORD IS WHAT MAKE YOU RICHES. Works only guarantee you eating not riches. RICHES IS A SPIRIT. Should we work? Yes, so we can eat. Work is for survive not abundance, GOD say to Solomon 1KING3 Because you have not asked for richness Richie can be asked for.

HOW TO KNOW AND UNDERSTANDING THE COMMUNICATION OF THE SPIRIT?

There are 12orders in the spirit realism that control and govern the spiritual world.

[1] The first is the spirit realm is a legalistic realm, that means realm that governed by law by laws, if your lawless, you have no place there, you're a victim.

[2] The spirit realm is the realm of secrets, you can open the door now when you inter it back, you're in another realms. You can take one step in the spirit and when you look, it will be 50 years. You take the step backward, if you look again it 90years at the back. Spiritual world is a mysterious can go where you come from. You look down you see, and when you think it is future it is not future it is the past, so you can go forward while you're going to the past and you can go to the past while you're going forward. It is a mingle and inter mingle realm. That is why you can't master GOD., What you did today, if you say, I find a formular, the third time you do it again you fail. The governor of this ream is HOLY SPIRIT. He is the one to tell you that, match here is a stone, you may see stone as you match it is a river. That is why MOSES TALK TO A ROCK AND THE ROCK WAS A RIVER. That is the spiritual real is guided by secrets.

[3] The spirit realm is a realm of thrones, that means they are not the obeying the author they will punish you or remove you. If your arrogant you will not move to another level without permission. They work according to the protocol, the one who seat above you can lock you. **WHAT YOU COMMAND IS THE FUNCTION OF THE THRONE YOU OPERATE FROM.**

[4] The spiritual realm is the realm of life and death, itis non and ruled by life and death, any action you do can go to either death or life, in that real is weather you give express to life or death, I can talk here, everything you hear is either death or life. That is why you can hear some voice come from devil and falling into fornication, and also you can hear somebody and steps into favor. Not because you pray but because of the light you emit.

[5] spiritual world is the realm of sound as the vehicle of transport. The vehicle of transport in the natural can be a Lamborghini or B.M.W., But in the spirit the vehicle of transport is sound. Any moment you hear sound the spirit is moving. When the day of Pentecost when the HOLY SPIRIT move, they hear the sound of suddenly might wind, Holy spirit was upon them. At the end of time the son of man we will hear the shout the voice of arch angel with the tingle of eye we shall be changed, what

will take us in heaven will be the sound of trumpet of arch angel. Sound is a movement of the spirit, what will taking us in heaven is the sound of the trumpet of Arch Angel. You will hear a sound and that sound and that sound will transfer you to a morally, behind the sound of anything there is a movement that Cause that sound, movement of spirit depending on the sound relies, that is why even watch uses confession in their working of darkness, That is why you can hear the sound somebody tell you a story and you become angry or you become sad, Sound it is a transfer of spirit, you can hear sound after a while and that sound will transfer you into violence. Those who use to watch football. can they come to the church or when they are in a prayer room when they hear the sound music of UEFA champion league then the brain shifts to the football, you will start thinking about football? THE SOUND IS THE INFLECTOR OF THE SOUL. You can be on a prayer room but if that music of champion league clock, the moment you hear that sound is connect you. Though you're not in that match, you will start to see that match. A sound is the afflicter of a soul. BE CAREFULLY OF YOUR MUSIC YOU LISTEN, THE SOUND IS NOT FOR INTERMENT, YOU MOBILIZE DEMONS AND YOU CAN MOBILIZE ANGELS BY SOUND. In heaven 24\7 they are worshiping, Angelis moving by the worship, MOTION OF THAT REALM IS FUNCTION OF SOUNDS. Even a child of 6month old that sound can inter him, energy, vibration is entering. If you watch phonograph then that sounds mobilize the spirit to you, demonic spirit. You found yourself on masturbation or formication just because of the sound transfer or transport demon to you, SPIRIT DOESN'T NEED TO TALK TO TRAVEL. THEY CAN EVEN COME TO YOU WHEN YOU HEARE MUSIC SOUND. When you hear a wrong sound your mood changes immediately. You think sound are not spiritual, it is a realm of sound.

[6] The realm of light=AUTHORITY IS THE FUNCTION OF LIGHT, THE LEVEL OF THE ACCESS OF LIGHT A MAN CARRY IS THE LEVEL OF COMMAND YOU HAVE. GOD said to job, where were you, when I create the foundation of earth, GOD use the light to build the earth order, that is the function of the light, He ask job, if you think you can understand speak. Do you know where the darkness dwell, because of the authority, if you think you can do it, where is your own light. THE MOMENT YOU CATCH KNIGHT IS THE MOMENT YOU CATCH AUTHORITY.

[7] The spirit realm is a realm of thought, the communication to that realm is thought, is higher than the frequency of thought than it words, word is high limited you can speak in one direction part time, but your thought can speak in divas direction. You can think about somebody you see the image of that body. You are also seeing what you want to do to that particular person, your also see what will happen to that particular person and what you're going to do to that particular person. Thought can operate in different dimension at the same time, word can't do that, word is mono dimension. Thought tore, they go in multiple dimensions. When you go to the spirit realm because they don't want limitation, they take words out, they use thought to communicate, and you cannot speak correct, except your thought go to your word first. Thought is superior above your wordoid can respond to your thinking,

[8] The spirit realm is the realm of faith; you move things in that realm not because you have muscles but because you have faith. Your muscles in the spirit realm are your faith. The man who has no faith, is defeated in that realm. PUT NO LIMIT YOUR GOD. Because in that realm GOD call things that do not appear as it is appear as they are. That means that your faith is what brings things to bear. If your faith is not there, you have no stake in that realm. The secret is to know the voice of GOD because the voice of GOD is what will make you aware and sure to build our faith quickly. That realm was built by faith. That is why bible says by faith the elder gets a good report,

[9] The spirit realm is the realm of love, the only way you can express that world is either by love or by wicked. When you speak and when you give is one of the expressions of the language of love or wickedness and that is how the realm work. If you are in the dimension of GOD, the realm is governed by love, speaking truth and grace, let your word covered by that grace. You speak by love and by faith. If you are not walking in love, you are walking in love, you're walking in a wickedness.

[10] The spirit realm is the realm of judgment=In this realm is operate on the frequencies of faithfulness and YOU CAN NOT BE PROMOTED AS YOU FOUND Faithfulness' you are not faithful in another man business, who will give yours? That mean before can trust you with your business or your own ministry if you're not Faithfull. IT IS FAITHFULNESS DETERMINE PROMOTION. That is why it is the realm of judgement.

[11] The realm of eternity. =He has no beginning; he has no ending because it beginning with GOD and end with GOD. Time only rules the natural realm, but the spirit realm is not regulated by time. So, GOD is not bound by time. That is why you need to trust the word of GOD and relay on it.

[12] The spirit realm is the realm of the spirit, if you don't have spirit, you can't participate there, that is why donkey they don't have their space there, that isa why you can come and say today is my birthday and you can slaughter the goat and nothing will happen, but Human being have a spirit, the blood of that bean will rise up and brings the case against you. In the court of heaven gat have no spirit, so you can kill even 1000 goat, but if you kill human being, his spirit will tress the court of heaven remember the story of CAIN and ABEL, God says the blood of your brother is crying to me from the ground, that means it is eternal, you can stay either in demonic or to GOD. You must be one side either darkness or in lighted moment GOD put a spirit to you and you become a participate in the spirit realm because it is a realm of the spirit. [JAMES2:13] Love of GOD is what protect us by putting our trust to HIM. Also take care of your word because your word is a wetness you want to denies things in the spirit it will come and say don't you recognize Me? You can't speak careless, that is why if your maturity in the spirit, you will guide your word. The word will remain as a witness, even after you speak with your anger no joke in spiritual. The legally of the realm it may take ten years of intersection to counsel what you say. Spiritual world is a legalistic realm, the important thing to consider in order to hear the voice of GOD is to obey the principle of faithfulness. When GOD is giving you, a Barden don't ever ignore it, if He give you a vision take it as a prayer point don't ever tray to ignore it,

because if you will ignore it, He will stop speaking to you. THE KEY TO HEAR THE VOICE OF GOD IS Obedience's moment you obey the first burden, then HE will give you another burden to clear and to show people direction.

THE EASY WAY TO HEAR GOD VOICE WHILE PRAYING; HOW TO HEAR THE VOICE OF GOD EASILY?

Not every door open is a GOD door. People lose the passion of reading the bible. *We must pray in the spirit. Praying much in the spirit make your spirit active to pick the signal from GOD.* Spiritual waves. Keep praying much in the spirit through HOLY SPIRIT. THEN YOUR SPIRIT WILL BE ACTIVATED TO PICK UP THE SIGNAL FROM THE SPIRIT. Many time people are struggle to hear GOD, Voice to discern of what GOD have for the direction of their life. Be sure it is not you and devil voice but only GOD'S voice. Remember not every door has been open by GOD, even prison have a door. You need discernment people will come to you in various form to you. Not every shut door is the devil. GOD CAN SHUT DOORS. When you pray engage your thinking, your thinking is as powerful as your prayer. MANY PEOPLE THEY ARE SUFFERING NOT BECAUSE THEY ARE NOT PRAY, BUT THEIR THINKING IS OUT OF LINE. Work and partnership with GOD, because GOD expect us to work with HIM. If you're a prayerless Christian it means your powerless Christian. You have to be a man of prayer because you don't know your tomorrow, because anything happen today is good and you're happy but you don't know tomorrow, that is why you have to pray you have to create your tomorrow. HE is the one who have the ability to speak to your future to build your tomorrow. You create by relies the word of GOD in it, line in it and you will see the manifestation of GOD to you. BE happy man with a joyful heart, I WILL REJOICE. When you feel depression, discourage, disappointed you feel low. That are plane of devil to cut you out from the joy of the LORD. The joy of the LORD is my strength. If the joy of the LORD is stolen, you 'refinished, that is why DAVID beginning to encourage Himself to the LORD. Encourage yourself. PROVERBS23;26How much do you invest your time to GOD. How much time do you pray beyond your need? How much time did you spend praying in the HOLY'S SPIRIT? How much did you spend to the word of GOD? How much did you invest for HIS glory? Everybody likes to spend time with someone. He loves, the same how do you spend time with GOD? You don't pray only because you want job or success because you love GOD. Not because you want favorer but because you love HIM.

SPIRITUAL EYES

Your spiritual has eyes like your physical eyes. Eyes of the spirit which they are not eternal use to see things outside of yourself. Into the world of spirit Both in the kingdom of GOD light and in the kingdom of darkness they use spiritual eyes to operate. Even devil worshiper they create their spirit to see in the spirit. How to open the spiritual realm. Your desire to see depend on yourself. If you love

GOD with whole your heart, he will occupy your thought. If you want to hear GOD clearly you must understand first the state of your mind

If you love GOD with whole your heart and with whole your mind, he will occupy your mind, He will occupy your thought. If you want to hear GOD clearly you must understand first the state of your mind, if your mind does not absorb the scripture and even if the scripture not absorbs by the mind of Christ in you, it will be difficult for you to hear the voice of GOD in your life. WHENEVER YOU SEE ISSUES, DON'T SEE THEM FROM A SUPERFICIAL POSITION. FUNDAMENTALS YOU HAVE TO GO DEEP AND SEE THE ROOT OF THE PROBLEM. Raptures near please get prepared, make sure you build a strong relationship with GOD. THE PAST IS YOUR LESSON. THE PRESENT IS YOUR GIFT. THE FUTURE IS YOUR MOTIVATION. The secret of life is to be able to hear the voice of GOD clearly. Just understand that days are numbered, we are in a finals day please be carefully JESUS is coming.

HOW TO FREE YOUR MIND FROM DEMONIC THOUGHT? HOW TO OVERCOME DEMONIC ATTACK?

Your biggest battle is not your financial situation, it is not your sickness in your body, it is not the sickness in your body, The goal of Satan is to make you mental weak. Demonic after your mind, because if devil hold your mind, he will destroy you. He can control your life. He can lead your life where He want you to go. This is what devil interested in. The devil is not interested in anything else, then your mind. You see when LORD JESUS was in the desert and being tempted was being tempted in order to wicked His Mind. IF you're the son of GOD, why are you Hungary? If you were JESUS you will say yeehaw my Father let me Hungary like this? Aim of Satan is to break HIM mentally; Satan tempt JESUS Why do you want to die for this people. I will give you this world it belongs to me; Satan want JESUS to Quiet and to change mind to break his thought. If HE can protect you, jump to this building, you will see his angel come and rescue you. The aim of Satan is to make you doubt the word of GOD. Aim of Satan is to put fear in your mind. So, what people don't understand is that, the greater protection against Satan is to protect your mind, your mind is the most sacred thing you can have, your mind is the most important thing you have possession over. If devil win, you will start to do things that you don't want to do, because your mind has been program to do those things' every believer must take their mental health very seriously, I can tell you how many times I see believer have mental illness. Because they fall to care about their mind, you have helper your spirit yourself. 2corthian10:4-6 You cannot bind strongholds, because stronghold is in the mind. Casting down imagination and every thought exhort above the word of GOD, the word our weapons mean we have different weapon, it means how do I deal with mental is different on how I deal with strong hold, you cannot bind strong hold because it is located in the mind. Notice, where a problem is in your mind so you must destroy that thought pull down that strong Hold by change the way you think and the way you praying. There are some prayers involve only by changing your mind. Change the way you think and your life will change. So, there is different weapon for different thing. Weapon means, How I deal with my mental deliverance is difference on how I deal with demonic deliverance in me. I

rebuke a demon out of me and how my mind can deliver is different. Not one remedy for all, they think everything is the same. I want to break witch craft, I want to break sorcery, I want to break generation curse, then you use the same formular for everything, it will not work like that, you have to understand that every single issue has a specific remedy. That GOD has order for it. Some of Christian says I plea the blood of JESUS in my mind, that prayer is wrong, it does not work like that. It cannot used on strong hold, imagination, you know most of thing you battle with, is within your mind. Satan tactics is to make you doubt, to make you ask many questions, to make you doubt. How tomorrow will be? This is one of the strong holds you must learn to call GOD track record, remember He took care of me last year, so he can take care the years to come. Ok today I am going through struggle, my present suffering will not compare by the glory to be rendered. The LORD is my strength and my solution; we are not talking about physical thing. We are talking about mental strength. The lord is my strength through anything, I am fine, if I die, Idia, if I live, I live, there is something happen in the mind, you don't fix your mind by prayer. Prayer is one of the ways, but it is not the only way to fix the mind. Have you not met who pray the most, complain the most, I have been fighting devil, I don't know but Father, I blessed you? Prayer brings you before GOD, BUT YOUR SELF IMAGE BEFORE GOD IS UP TO YOU AND NOT HIM. ISAIAH 59:1. I can hear you and my hand is not short to deliver you, but your sin has separate you. Your sin isa what separate you from Me and not me from you. Paul says this, I am convinced within, that nothing can separate me from the love of GOD. Paul was on the other side on what he was saying. How you think on yourself present you before GOD. If I think of myself like, I am just worthless and go before GOD, God will not make me of value, BECAUSE I HAVE READY BELIEVE WHAT I BELIEVE. Faith works both ways, it does not work only when you think positively can be so affirmed in negativity, you say in your heart, I will never make it. The moment you see yourself you will never make it, that is your faith it becomes substances, as a child of GOD you need to start observing and thinking, how is my mental state, there is a correct way to pray and there is a wrong way to pray. The bible says you don't receive because you pray wrongly., it means there is a wrong way to pray, why do people pray wrong way, it because your mental state is bad, AM I just praying with my lips, or do I real take time before the king, before a GOD of glory, make sure my mental estate is strong. The bible says there is evil days for all, every human being will face evil day. EPHESIANS 6:13 EXPERIENCE THE EVIL DAY, the firstly armer to put on, is Helmet of salivation, you mind need to be saved, yes, your body to be protected by your mind needed to be saved by renew of your mind. Salivation that you have received, may also manifested in your mind, somebody must be liberated in a mind, somebody in the helmet of salivation. It doesn't matter what the devil does the mental state it must be different you went on a fight, if they shoot you with an arrow, it is just like a bullet proof vest. Just because, you have a bullet proof vest, it doesn't mean you will not hate, you will Hatley badly. The bullet will not go through but you have Brussels, is this make sense, everybody will have that moment, that you have choose Christ or to denied Christ, or to avoid problems. If you cannot stand on a solid rock, GOD will not protect you. Every Christian should pass through the embarrassment moment, but ask yourself are you real on the ROCK? Every Christian will go through rejection. Every

believer will go through this thing, it is part of the journey you refer the book of DANIEL3:16 Notice this, Shadrach, Meshach and Abednego they show where their mind is, King if you throw us into fire, our GOD is able to deliver us. They put their heart to GOD, and say even if He doesn't deliver us and destroy our body we are still with HIM and We will never worship your GOD. The first thing to control your mind is by checking the realms of imagination. GENESIS 6 It show their state of mind in a time of NOAH, GOD hate their imagination and their state of mind was evil, GOD get angry because of evil people imagination, In the law of spirit judgment is starting from your thought. **BECAUSE WHERE YOUR THOUGHT GO, YOUR BODY WILL FOLLOW.** Beginning to examine yourself, what imagination comes to me? Some people are struggle with lustful imagination, jealous, envy, killing in imagination. What is the content of imagination, if the imagination is in a wrong track, that means your mind is very weak Satan can get you, because we don't resist the devil physical, resist the devil and he will flee? Example somebody say you will die, then you start thinking about your funeral, your coffeehouse your child will live? The devil has already got you. Or a thought come to you that you will never make it. Or look my life is always be like this, Satan is always got you. GOD want you to cast out down your imagination. Excelling on the knowledge of GOD this means still mental. Ask yourself what knowledge do you have? God does not call you to run out of the problem but to face it. Deliver yourself from the old one, does not mean you're still bound. If the devil leaves you and still remains character to you, if you still maintain that character, you attract him again. The mental health and spiritual strength, Read the book of wisdom, psalm, proverb, celestas and proverb will teach you things acquired to get wisdom, it shows you the wisdom in life what to do. PSALM, it will show you how to pray to GOD, how to present yourself before God and how to worship HIM. ECLECTICS this book shows about wise man on earth, this is how to live in your life. THE CONCEPTION OF THE WORD OF GOD WILL CHANGE YOUR LIFE. Pulling down means to destroy it, the life of miracle.

THE RELATIONSHIP BETWEEN YOUR MIND AND YOUR MIRACLE? WHAT TO DO WHEN YOU NEED MIRACLE?

Your mind set is what will determine if you will receive miracle or not. Let miracle be your lifestyle, you can go to one particular man of GOD to another and you go home the same, you saw a seed on a miracle services that you see in the media, or you're the first one you went there and you work out empty handed, you didn't experience anything or receive anything but the friend you invite receive it. You will wander and ask GOD way me? Why that? Why am I still have the same disease? Still marriage problems. YOU have to find your ways on your knees. LORD why me? Why this thing passes me, you have no idea what to do to get miracle? 2corthian10:4 For the weapon for our welfare are not canal, but able to pulling down strong hold, imagination. PULLING DOWN MEANS TO DESTROY. Casting down every imagination and thought against the word of GOD. Bring every thought in captivity to the obedience of Christ. If you looking on pooling down and cast down, all that word has a room in one word to destroy. Pulling down it is a verb by itself, anything that come from the mind, you have to destroy it, cast it down, destroy it. You have to live the life of miracle it is the everyday life style. The

strong HOLD it starts by the simple word, that I can never get healed. It is difficult, not easy to get miracles. it comes as expression or word to start on, idea to start with. [thought]. That is why every day you still do the same thing in your life. You went to this service you pray over and over again and you're not healed and you come with your mental picture it is not easy There is a story of a certain Women who go to different ceremony, different churches service and attending healing service. HE said I want to tell you something before you pray for me. She drops names of man of GOD who have influence but she fails to get miracle, this is because of the strong hold in her. Issue is not how many people will put their hands to you but is when you will destroy the stronghold on you. Also be careful of what you say, because what you say is what build the strong hold. *[WORDS ARE THE THINGS WHICH ARE OBJECTS]. Remember any time you speak thin on the atmosphere they take shape. If you say I can never do this, I t takes shape. When you say GOOD thing happen to others and not me, that also take a shape. YOUR SPEAKING OBJECT TO THE ATMOSPHERE. SO, THE MORE YOU SAY THE THING THE MORE THEY FORM SHAPES AND THEN BECOME A STRONG HOLDS. What you are today is the result of what you Sayed yesterday. What you say last year, that is how you will be this year. The more you think about a bad thing in your life and speak it, the harder and the bigger they grow. If you say that car is not on my level it more grow and your busy wave your yam, anything negative is what build you* a strong hold in you. The only way witch craft can be removed is by countering with your words. Speak on the atmosphere even if you don't feel like that. Be careful on what you hear and what you reading, this is what make very hard to correct when it comes to a strong hold, casting down reason or logics, you need to understand the kind of real you have, Reason your way out, **Reason with GOD**. There is another high level of reasoning. Reason with GOD the same mind with GOD, lets come and reason together. You have to have the word in you for you to reason together with HIM, the people who understand the word. As HE IS so I we. So, I handle things like GOD, I SEE LIKE HIM, I handle things like the bible handle it. The time you use human logic is the time you will fall. There is something called DD, THE DD IS WHAT MAKE YOU DIFFERENT WITH OTHER PEOPLED=DATA DEFICIENT by meaning not enough information. The answer to anything that you never ask, go back to the word, you want to grow in grace getting to the word, grow in faith, getting to the word to know more and destroy it, the big problems is PEOPLE MINDS being corrupted. Destroy it from your mind completely. You will never seat any place without either angel or demonic influence, there is a warfare take place in your mind. If you figure it out, you finger it everything, your spirit is sending information to your mind, and then your mind tells you what to do the spirit soul and body. So, your mind says, I receive this information from the spirit, so the body has to act this way, the body has to say, I healed and the mind tell the body and the body tell I am not listening you. Because I feel sorry right now. Body, say I don't feel like, I am healing right now still need to sleep and not to wake and agree with the word of GOD. The body is at war due to the war in your mind, reasoning with your mind. You need to be healed right now I just get information from the spirit that we are healed When you hear the word the act as you healed, and the body tell you no I cannot act like I am healed. Because don't feel like, I am healed, no way I can say that, I have money, can't you

see my bank account is minus right now. Yet your spirit sends the signal to your mind, that right now their miracle money has been declared, or man of GOD declare we cancel the debt, right now the depth has been removed, catch and remove it. The body become the enemy of your spirit, if you don't change your mind then your life will be on the same cycle every day, your spirit is at war with your body. Everyday your mind is fighting with your body is at war, the best thing to do is to starting act it. Get enough data in you. Don't be data deficiently. Get enough data in you, find the scripture that cover your case, and that start inter data in you, and when you start reason with GOD, it is high level of reasoning, you rush on things with data deficiently. Wrong conclusion with data deficiently put logic on a wrong information, that is what create imagination. You have to keep this in your mind, that, I am a succession am not a failure, I am a wander to my generation, I shall not lack. So, as HE is so are we. Do you think GOD is battle with your strong hold right now? Wrong reason? Strong hold is what separate you with GOD, it keeps you away from GOD. GOD expect you to reason with HOM and not with devil. Casting down and pulling down, destroy it, don't play around the negative thought. Sometimes you say something you want people to say sorry for you, I just feel so sick just because you want your sister to bring to you a chicken soup, just because you want people to look after you, you want sympathy from those around you, you want attention, because you know attention is nice, you don't know that you're building a strong hold. Your building strong hold. Your building things that can destroy you., You can say this headache can kill me, for sure that headache can kill you for sure. It sounds in innocently but it will kill you, destroy your negative thought, bring every thought into captivity, every thought to the obedience of Christ. You're bringing every conciseness to the obedience of Christ. ROMAN 7:23 ANOTHER LAW AGAINST THE LAW OF MY MIND, IT ALL TAKE PLACE IN THE MIND, BEFORE IT TAKE PLACE IN THE BODY. It means that, if I want to do something, my body do opposite. The moment you say I receive miracle, the more the pain increase, even if you rise your hands but still the pain is there, the moment you rise your hands the body start to speak, always the body go against it. The opposite this is what exactly the opposite Paul says, these things are at war to each other, bring it into captivity, we walk by faith and not by sight, but my body want always to feel. It demands to open my natural men to see, every time GOD tell you use your faith, your body refuse and say, I want realities. The mind wants to go to his own direction and the body tell you have to follow me. Then what happen is that your still on the life cycle. No miracle no testimony your mind is health or is already captive. **HAVE THE MIND OF CHRIST TO ACCESS THE MIRACLE. Destroy every imagination under demonic influence.** Free your mind by allowing the word of GOD to dominate your mind. Read the word of GOD and renew your mind through your bible. Have the mind of Christ to accessing your miracle, destroy every strong hold any reason and imaginators that is contrary to the word of GOD. Anything or any doctrine which is against GOD words pull it down and destroy it. PHILIPPIANS 4:8 WHOSEVER THING ARE TRUE OR LOVELY, GOOD REPORT THINK ON THIS THINGS. Just honesty, true, pure just take it. If you want to understand and grow in priest. You must master the act of waiting, and the art of waiting you must learn to stop the noise of your soul. There are some people if they want to hear the voice of GOD and to deal with the noise, they pray loudly and worship song,

they play remove the vibration and noise from your soul, until you hear clear from GOD, until your connected to the spirit of GOD., other they pray into tongue as background, other they lay down and close their eyes, to me I put off the light and I lay down. whatever you need to do to make quietly you have to do it. Because waiting beginning when your soul is silent. That is why sometimes we encourage people to pray vibrant. Ernest that we try to do is for the silence of soul. So, you may find somebody pray laud, don't copy HIM, he is dealing with his soul. It means there is something he is doing to silence the voice of soul. You may start copying and lost the direction. In priest wood you have to be specific. Don't copy other people prayer style, find yourself a style to get your soul silence. Find yourself your own needing for you to be silent to *attract the voice of GOD, if you come to prayer meeting and you're not silence, your soul it will be difficult for you to hear the voice of GOD and to see in the spirit search and find people who know how to silence the soul to tell you the strategy to silence your soul, find way until you become quietly. But for you to become quietly and continue to hear the voice of GOD you must have hunger, this is the only way to continual hearing the voice of GOD and see in the spirit, to see and to hear GOD'S voice you must have hunger, spiritual hunger, because sometimes the waiting time can be three time after your praying for six hours, you thought men you have done something, you needed to wait for twelve hours before he shows up. So, you will finish praying and you will maintain status quo. If you are not hungry enough you cannot wait, but if you know that your goal is not a six hours prayer, your goal is to hear and see Him, you will wait. Also be careful on a cellular music you listen, world music, because cellular music is trafficking demon into your life, in secular music all you were doing was trafficking demon into your life.*

THE SECRET OF LIFE ON HOW TO SUCCESS IN LIFE.

If a man is struggling is because he has not paid attention to his gift or he has not developed that gift. The moment, you beginning to build your gift you will be amazing the law of enlargement and expansion that gift will give you. Some is just talking; they think creative and talk. Obama become president because he talks. When they heard HIM speak, they say what is this, a national that has never allowed a black man, suddenly, whole heartedly and over whelming endorse a black man, and allow HIM to become their president, because the guy is telling you can't seat down. He's mastered it he becomes so fluid it is like oil like honey, also even if you don't like HIM, don't hear him, if you hear him, you will change your mind, he will stand and talk for 50minutes and it just flow like a river, even people who are not politician hear Obama, He support gay they are hearing him, All the evil he supports but they still hear him, because you can't dispose a gifted man. There is something about gifting those over wholes even your enemies, and so when a man sincerely is seeking enlargement, he must find, take responsibility to discovering his gift, and pay the price to refine it.

THERE IS SECRET NO FORMULAR FOR PROSPERITY, IT IS A PRINCIPLE

The reason on why you don't have business right now? It because business require muscles. It requires, you removing all the attention from anything Elise, except this, how many people

understand this? 1% of the world population understand rich. If a person takes you to his commandant tell you seat hear this is how you make money you will be like, this is it? You will say you're hiding something, every time you see result in one person's life, there a law they are followed, and they are constantly attacking that law, money is not emotional it is motional. Believes you need to know this. So as a believe, it is not wise to build your faith on medicine, and infortune many believers, the verdict of doctor is superior to scripture. Many believers see the hospital as their serving grace. That is the level of weakness, there is a supernatural realm, where you are not only address sickness from supernatural realm, where you are not only address sickness from spiritual causes, so as a believer, it is not wise to build your faith on medicine, refer to JEREMIAH 30:19.

THE BEST WAY TO HEAR THE VOICE OF GOD

Many people who read ten chapters of the bible everyday they don't hear the voice of GOD. They hear nothing from GOD. There are many people who pray for seven hours every day they don't hear anything from GOD. You know why? Because when they are done praying, after their charge they stand up and go, and that is when HOLY GHOST WANT TO SPEAK. But those who understanding after they engage their spirit and the spirit becomes silent, they wait upon the LORD. Waiting is to focus all attentions on HIM. If HE will say something, and focusing on the content is not to keep quietly and close your eyes, The issue to consider is to silence the noise of your soul through spiritual engagement. Either by prayer, either worship, either study or fasting by time your spirit becomes quietly, you're not think of house rent, you're not think of sin, your no longer anxious, then you will discover that you're ready to receive the word. In the book of PHILIPPIANS 4:6 BE ANXIOUS FOR NOTHING, BUT IN EVERYTHING BY PRAYER AND SUPPLICATION, WITH THANKS GIVING, LET YOUR REQUEST BE MADE KNOWN TO GOD. By prayer and meditation with thank giving let your request be made known to GOD. GOD didn't come to answer your request first; he said the piece of GOD that surpasses all knowledge carries your heart. So, GOD prepare your heart, so you can receive the word, the answer come when the word comes. So, a man who wait is a man who can receive the word, HABAKUK 2 SAYS I will stand upon my watch to see, what GOD WILL SAY TO ME. The second way to receive the proceeding word is by receiving with joy, when your studying, have joyful, when you expect, just expect with joy, joyfully heart is the attraction to receive things from GOD. JOYFULLY is magnate to attract things from GOD, When your helpful with joyfully your waiting things with examinations. Listen there are many people who they don't know how to receive, when GOD is talking their mood is not proportional to their prayers., because their mood is easily be distracted a man who receive from GOD is a man who his spirit is alive and you can train your spirit, it doesn't just happen to people like sports, you must study and you can train your spirit. There some people they don't worship seriously, so they can come to church their services, they pray and they worship and hear the word of GOD, nothing happens to them, and they wander why other people receive but not me. They don't receive because they are like a stone of the river, because for them they can't believe until their emotion is touched, nothing has happened, those are babies. We don't wait for our emotion to be

touched. The man of GOD was singing and say there is no mountain can stop you. That means no thrones can stop me. He has given me a message. Take that word in you with joy and your spirit will come alive with joy we can hear from GOD. WELL OF SALIVATION ISAIHAI12:3 THEREFORE WITH JOY SHALL YE DRAW WATER OUT OF THE WELLS OF SALIVATION. Joyful heart is the best medicine of life, The secret to live the happiness life is by having joyful heart, and joyfully heart comes when a man is leave everything for GOD. The secret of life is to walk with GOD in a joyfully manner, JOY attract life, even heart decease is the result of stress. The more you allow stress in your life is the more you attract your death. Heart attack as a result of frustration and stressful life. JOY is to attract GOD help in your life. You cannot walk with HOLY spirit in your life, if you're not a man of JOY. There is no mountain can stop you if your heart is real committed to GOD. That means no throne can stop you. He has given me a message. Take that word in you with joy and your spirit will come alive to you, with joy we can draw water from the well of salivation, there are some people waiting for their emotion to be touched, but the spiritual man hears what the GOD says and has he hearing it, he educates his spirit to be burning according. Because if you don't do it with your joy, the word can't come to you. The atmosphere of prayer, when you spend time for praying make sure, you balance it up by making declaration, people lay down and pray for 2hours, wake up and clean their eyes and go, they don't know why they don't go forward, and they pray in tongue for 3hour when they finish, they go. If you have created in atmosphere for 5hr and you're not impregnated that atmosphere with prophesy, you will leave that atmosphere and you leave it without saying something, always learn to use the atmosphere and effectively if you leave that atmosphere you created for that 5hr, you are a baby. If you for in tongue for 3hr you should prophesies for at list one hours, make sure the bank of that atmosphere is fully utilized before u go away. The principle of faith says that, your world is created by the word you say. If you don't say, you will not see.

ADDICTION AND RECKLESS LIFE STYLE

You know when, I was young in the things of GOD, I use to think only death cold separate your body with soul, I was very wrong one day, HOLY GHOST told me and teach me because He is the one determines how we live only GOD have that power to separate soul and spirit. Holy spirit now told me, if a man climbs 20stones up building and jump down, and injury the body to the level it is destructed, what will happen the body give up the soul. So those things you due to your body that relies the soul to your body. Because there is a state your body require to be in. For it to be able to accommodate the soul. So, there is a certain damage, when it exposed to the body it can no longer hold the soul, The soul will leave it. That is why somebody in a car crash a body damage to a level he can't keep the soul anymore; they say the heart has been rapture. The long has been raptured, and you see the soul evacuate the body. So, there are things you do to your body that began to relies your soul into the realm of the spirits, addiction is one of those things, that is why people take drugs abuse coca in or Marijuana and call it high, it is not Hight, they are getting closer to death, what happen is that the soul is leaving the body to another realm, so they become consciously on that another realm.

What happen every time they give in drugs? The soul enters that realm and come back, that moment his get ways, and that's why some people overdose to death but the danger now is when you do that to your body and the soul beginning to open the doors, what is happen is that energy variation happens, every time your soul enter the spiritual realm and it is not the HOLY GHOST brought it there it is empty it is exposed. A demon can inter it. That is why somebody use cocaine or smoke marijuana the demon lies on him, because it is the soul exposed not Holy ghost. Holy ghost is the one who was supposed to guide you and show you. The holy ghost is the tour guide of the spirit, he is the one who suppose bring your soul out, to take you into different places in the spirit. To walking with holy spirit as a guided that is the only time your safe. If you use another thing to travel and to activates your soul. When you enter there a dream, will notice energy frequency has come. sense something there is another energy then they will inter. Because they are in a dry place. They will grab your soul and they come with it, and then discover you're smoking and now it comes it just comes into addiction. That is why addiction and reckless lifestyle is the spiritual road, the demon come in a way which is not easy for you to recognize HIM, this is what will do to get access. **No more smocking no more smoking what? You can't stop it if that door is still open for them, if you discover that satanic trick you will never suffer anymore. You have opened the gate for demon to inter to you and attack. Until they are cast out, they will go nowhere.** ROMAN6:16 DO YOU KNOW THAT TO WHOM YOU PRESENT YOURSELVES SLAVE TO OBEY, YOU ARE THAT ONE'S SLAVES WHO YOU OBEY, WHETHER OF SIN LEADING TO DEATH, OR OBEDIENCE LEADING TO RIGHTEOUSNESS? This show that you become slave on what you obey. Your life is depended on the things you obey in life. So, keep your eyes to GOD and obey HIS instruction that is the best way to overcome addiction. Know that prophet is vulnerable to the women because the weakness of the prophet is HIS eyes, just as the strength of his eyes, and that is why prophet must win the battle of immorality. The secret on how to see in the spirit is by make **sure your eyes is placed to GOD. Keep your eyes focus to GOD that is the secret on how to see in the spirit.**

THE BENEFITS OF MEDITATION

The secret on how to see and hear in the spiritual realm, it comes from the function of meditation. The first thing meditation can do is to increase the inner peace, we are in the world of many noises, so the secret to we enjoy the inner peace is to meditate, so when you learn to meditate you enjoy inner peace. So, GOD ask as to meditate because he wants us to enjoy inner peach, that is why he want us to meditate he say, you will prosper like a palm tree planted in a river. That produces food, season and at a season, trough meditation, a man who meditate, is the man who is able to sustain the inner peace within HIM a very long period of time.

The second benefit of **meditation is that, it increase your angelic awareness and spiritual awareness you are able to practice meditation, on daily bases day and night .Your able to quickly pick up the presence of other spirit, the presence of angel, the presence of Holy ghost, the presence of demon,**

whatever it easily pick the presence of Angel, it increase the spiritual awareness spirit that visited the environment you will know, this spirit has vested this environment, you will never be able to know the spirit around you if you're not a man of meditation.

The third benefit of meditation is to bring emotional healing. Meditation is a powerful healing people emotional, especial people that are going through emotional trammer, people who are going taught season, meditation brin healing. Because this is the way you beginning to discover yourself. This is those who are hate emotional are hate emotional are those who are far.

Do you know it is equal to impossible to hate a man that meditate day and night because meditation bring them too safe? They get to that realm and that level is highly impossible to do anything to hate them. So, a man that still react to accusation, is the man that have no time for self, you attend to defend negative accusation it shows the morning you didn't meditate. Whether you don't pray and you don't meditate it. If you're going season and you pray and meditate, you will focus on GOD and you will never take time to hate people and urge with them, and have nothing to defend yours~~elf~~. That is why prayerfulness men speak less, those who speak more are prayerless. Pray full man has less to say but prayerless man always have much to say. If you have a reason to defend you go to GOD and pray, that is why GOD visit to your meditation, what manner of that man he finished his problem in the prayer and meditation. If you are sick emotional the healing is for you to meditate, spend time meditation. It brings spiritual grow; meditation will create time and give HOLY GHOST opportunity to interact with us. It Couse us to grow, it makes us a tune the voice of GOD, relationship with the Lord grows and separate as a supreme as we meditate. So, meditation is very important because we enter in those realms, that is why we have to meditate, it brings spiritual growth it also gives us confidence. Through meditation it will help you to discover yourself. As you discover yourself, confidence is buildup. You're not the flesh; you're not the man who fall the exams. The world has set a system of a failure on success, have come with the way of describe of who are succeed and those who are not success. There are sometimes live like a failure, but they are not actual failure, it is the world that define it. Eating three times by days it set up by men. All this created by man, even country border. So, the secret of life is to listen and to focus on what scriptures say and not people say. Follow what Holy spirit show you and not what men shows you. You must learn that; the world system and structure should not define us. So, you should have a borderless life in your brain don't put barriers or border, it can limit your life. Confidence meditation will open your spiritual eyes, open your eyes, open anything hearable about you and seeable about you. It will help your spiritual eyes and your spiritual ears. Meditation is powerful and meditation is very hard. It is easy, it is easy to find job, it is easily to work for 22hours a day but to meditate one hour it is very hard., it looks very easily but not easy on practice it. Teaching is always easy but practice is not easy, but you have to understand that it is possible and easily if you have decided to do it. Meditate it is a journey to self-determination know where you're going and where you come from. 'The realm of the spirit is open through consecration through hunger, fasting and praying, Realms are entered by hunger, through fasting and prayer

consecrated on. **The man who is violent hunger is the man who will see many manifestations, YOUR HUNGER DETERMINE THE DE MENTION.** God is bigger than the revelation of Isaiah, Daniel, Joshua, He is bigger than the revelation of prophesies includes Moses, who says he saw HIS face to face and GOD talk to HIM, as a man talk to HIS friend. ***GOD is bigger than their revelation of MOSES. What MOSES SAW IS WHAT COLD HUNGER GIVE HIM, Whosoever Isaiah access what could hunger give HIM. If your conversancy more and your hunger more, you will access more, the man definition of level of anointing, is determined by the hunger you have. Purity of motive toward GOD.***

THE THREE WAYS TO STUDY YOUR BIBLE;

Ask yourself what do I have to offer my generation, Did you not read about DANIEL? IN THE BOOK OF DANIEL 1:20 HE and his friends were ten times better than others, then know everything king were ask them. The secret was a prayer in the spirit. Any were you go in life, go with power with fullness of Holy spirit pray in tongue and know GOD is with you, when you go to bank go with fullness of pray in tongue and know the job, if you're a lecture know the course. **Laziness will not take anybody any were.** You give a Christian simple task gathering this name here, call them, He can't do it. The next thing it tell you about his laziness will tell you about third heaven. laziness you will go there and comeback and suffer on earth. You must be a hardworking, even in reading a bible GOD does not walking with laziness people, the people who like to sleeping always. You have to be active in order to hear the voice of GOD direct from your bible, keep your bible open in order to hear from GOD clearly. You find someone tell you, GOD said, it is because he builds strong relationship with GOD. You cannot build strong relationship with GOD if you're a laziness person. Find anybody who is dominate this realm, He will always tell you GOD told me. If and major key impact in life GOD told me. If you can proceed word, there is no way your life will not be imparted. That is why Jesus says a man does not alive by bread alone, but every word that proceeded from the mouth of GOD. A Christian who wants to live a tardyons life and happiness life is to do business with the word of GOD. Everything in life do it with God's words with the prayer within your heart. The world will begin to come instantly to you. The word must come to you. GOD let HIMSELF to be manipulated by his own word, HE says my word is above my name. HIS WORD is above all. I put my name above all names. That means GOD is a slave to HIS own word. So, the moment I find link to HIS word, that can get me to get what I want. I can manipulate the system by the word, and HE made HIMSELF to be lower than HIS words and then HE calls Himself the word. In the beginning was the word and He create the world by the word of GOD. He made HIS word bigger than His name, which is above every name, so if I find something in the world, I can control him by the word. I cannot say we are manipulating GOD. He let Himself to be manipulated through His word, nothing more. You can't go and tray away with it, but through HIS word you can, you said, and He said you know what, since I said it is ok. We can use God's words to control everything in life. Just because GOD'S words are above everything and it is the life of GOD by itself. Refer the bible in JEREMIAH 1:11 MOREOVER THE WORD OF GOD UNTO ME SAYING, JEREMIAH, WHAT SEEST THOU? AND I SAID, I SEE A ROD OF AN ALMOND TREE. 12. THEN SAID THE LORD UNTO

ME, THOU HAST WELL SEEN: FOR I WILL HASTEN MY WORD TO PERFORM IT. So, the secret on how to get your need in life is through bible. Find GOD'S word and pray with it, you commit GOD to perform HIS word. If you want to be a dangerous prophetic man of GOD to be able to capture HIS voice easily, in order you to keep steps in the HOLY GHOST you have to live a fasted life, the life of fast and prayer. You will no longer enjoy food; you will be a man of prayer. You have to pray artist two hours per day. In order to walk and keep GOD frequency with you. In order for you to keep a step with HOLY SPIRIT Keep praying artist two hours a day. And at once you have to go seven hours per day., this is so attractive, the real ministry is not easy if you're not ready to pay a price for it. A MAN THAT DEPENDS ON SALARY HAS NO VISION. If you find somebody earning salary, go on ask him if that salary is enough for HIM, it is just a platform but you can't survive with that salary. To overcome the spirit of poverty is by walking with vision from GOD'S word. The secret of life and solution of every problem lies on GOD'S word. Find solution from the word of GOD. The secondly easy way to hear from GOD is to know how to get the voice through your dreams about your future. In the kingdom of GOD, the spirit realm walks with us based on intension. So this is a key, if your intentional and you make up your mind that, every night you sleep you want GOD to speak to you about your future, I tell you the spirit realm will program in that direction, the bible says in DANIEL10:12 HE SAID DANIEL FROM *THE DAY YOU SET YOUR HEART, YOUR WORD WERE HEARD, IN OTHER WORDS WHEN YOU SET YOUR HEART, THE SPIRIT REALM PICKS IT, SO THIS IS THE KEY, Go to bed with a journal with a pen and a jotter, that is already give the spirit feedback, that your intentional now, when you want to sleep, sleep with the question in your heart about your business or your future or any matter, leap with that question in your heart, this is the principle of JOSEPH applied in MATTHEW1:20 AND THE BIBLE SAY, THE ANGEL OF THE LORD SPOKE WITH HIM IN HIS DREAM. Sometimes when you sleep, you sleeplike* this, you will discover that you're waking up at intervals in the middle of the night, when you wake up at the intervals like that, sleep again with that question. I tell you again you will be breaking into deep prophetic answers about your destiny and your future, because the hand of GOD is might upon your life. You must learn to read your bible enough to get the voice of GOD. Keep your bible open to get the word of GOD to direct your life. The word must come to you. The bible says this realm was created by the word, and without Him nothing was made, anything that is not come from GOD'S word it will vanish. If it is the GOD that revile it or give it, if it is the word produce it, it will still be standing and it will not take away from you. Because the word is what sustain this realm this is why trounce living is a function of interaction of the proceeding word of GOD, and I can tell you, many Christians have not received the word of GOD. You know what receiving the word of GOD is a ministrant if you want to be in a point, you get word of GOD, you must submit to the ministry of the word of GOD. In act 6:4 He says we give ourselves to prayer, and to the ministry of the word, you must use the word of GOD to allow it to Conquer every situation in your life and give yourself to the ministry of the word of GOD. Every day the word must keep coming the more it coming the tardyons living. Nothing can stop it. So, a Christian who want to make impact in life, he must understand the ministry of the word and there is 3 things on the ministry of the word of GOD.[1] ENGAGEMENT [2] RECEIVING [3]

ADMINISTRATION. You must know how to engage the word of GOD, and you must know how to receive the word, and to know how to administer the word. If you miss this triangle, you will discover that, it will be natural for you to be trounce you want to live above darkness you must constant be illuminated cannot afford to allow your light to be quenching. *Your illumination is what give you authorities over the force of darkness.* The way GOD design this world is that, the moment light showed up darkness has no way to execute Himself don't need to tell darkness to go, the moment light showed up, darkness knows what to do. So, if you want to deal with darkness be illuminated, your illumination is a power above darkness's reason why many people do not enjoy trounce life is because they are not illuminated. Arise and shine for the glory of GOD is reasoning upon .in case you take for granted it for grandmother darkness shall cover the earth, for those who are shining are those who trounce, the presence of darkness not to standing. The ministry of the world must be illuminated. The earth requires your light for it to be shine. Your word is a light to my part. The lump into my feet, I keep hearing, I keep receiving, I know where to go and wat steps to take. IF you find a man who is function by the word of GOD., That is the definition of GOD blessing. It from glory to glory, from one level to another level of glory. But the secret is the illumination, do you see the life of ISAAK, that man want to be smart, sand when people move on agent he follow them, and GOD tell HIM stay still, this is the land where your blessing is, imagine if he went to Egypt, bible says the man become greeter and exceeding until the philistine envy him, He was bigger than the national, only one instruction made Him happen, He follow the instruction from GOD, Stay still. Eventual HE becomes bigger than the whole nation. there are four basic ways of engaging the word of GOD. If you want to hear GOD clear in your life practice this, *if you want to build a prayer life, you need to establish a remen that okay, based on my schedule. I have this window by seven 7pm. What I want you to do for a one year, ensure those your times you don't miss it for one hour prayer, not in English but one hour prayer in tongue, for one year, keep your regimen, maintain, if you go to the book of ACT3 YOU'RE GOING TO SEE THEY COME TO THE TEMPLE. AT THE HOUR OF PRAYER, IT IS A REGIMENT, THAT MEANS THEY PRAYED EVEN THOUGH THEY WERE SICK, THEY PRAY EVEN THOUGH THEY WERE STARVING, they prayed even though they were sacked from the office, and give a sack letter, do you understand that make it a constantly, even though it is snowing, it isa raining do it for one year. When you do that, you start hearing GOD. You will start picking things from the spirit, when you beginning to pray, when he began to quicken you and you beginning to sustain prayer. Praying in tongue is very important in your spiritual growth, don't be ashamedly baptized by the Holy ghost. Praying in tongue is the strategy to get spiritual frequencies. Entering into power require long fasting and praying.* That same key to that power which is long fasting and prayer is also the key to the address of Satan to tempt you. So, you fasting for long ask for power, you want to be sharper in the spirit, unknown to you that the same spiritual exercise, has made you visible in the spirit realm and Satan will show up, you see power is one of the embellishments that comes upon you, when you defeat Satan. So, when you starting on long fasting and long prayer, what spiritual saying is that I am ready to be tested now, so many people call and say since I started fasting and long praying was doing

well, but after this fasting thing not going well. My business was prospering, everything was going well until, I now fasting and praying in tongues, then Satan comes to test you, and the reason why the fasting is very important and very necessary, it because fasting starves the flesh, so that the spirit can be stuffed. Fasting is like an instrument the insulator because when you want to deal with electricity, you need insulator, so that the electricity not be harmful. When you beginning to fast, you drain power out of the flesh, so when Satan come, when the spirit comes to tempt you, you cannot respond because, there is no ability in the flesh it's an insulator. It is a fasting that will make you too weak to respond to Satan, and that why someone has mental stationmen psychiatric doctors don't treat mental issues, all they do is ,they inject the person to sleep 'even the demon is doing disturbance the person is so weak and sleeps, the demon will not have any opportunity to manipulate the person, So if your weakness you just talk too much we will put you on seven days dry fast and on the seven days, one said well done ,you will not have a power to resist, So the first thing JESUS did is he fasted, he prayed then number three HE defeated enemy and pass the test, those are the three things. You will fasting and praying and it will attract Satan, then you will defeat the devil and pass the test, and GOD will now, certify you for the first consignment of the power ministry, so when he returned from the wilderness, he return with the power of the spirit, Meanwhile He started the journey with the anointing of the spirit, now HE is returning with the power of the spirit. *THE SECRET THAT SEPARATES THE SPIRITUAL GIANTS FROM ORDINARY MEN. IF YOU BEGIN TO ASCEND IN THE SPIRIT, YOU WILL DISCOVER IS A BATTLE, THIS IS WHAT SEPARATES THE MIGHT FROM THE WEAK. THOSE WHO ARE WILLING TO FIGHT THE BATTLE, TO COME OUT OF FLESH, AND TO OBEY THESE LAWS THAT MAKES THIS POSSIBILITY. THERE ARE FIVE LAYERS YOU WILL BREAK THROUGH AS ENCOUNTERS OPEN TO YOU. AND YOU WILL DISCOVER AS YOU ASCEND THESE LAYERS, THERE ARE LAWS GOVERNING EACH OF THESE LAYERS. So, you must learn and understanding life is a battlefield and the stronger dominate the weaker.* DIVINE LIFE REALITIES. I BELIEVE IN MORE THAN EVER IN PRAYING in tonque is the most powerful weapon against Satan, we cannot ignore it's power. Because we can pray mysteries that he cannot understand and plan against, when we pray in English he can plan against us, when we pray in tonque, he cannot plan against it. So, I will tell the church pray in tonque artist an hour per day, one hour per day, because praying in tonque clears the atmosphere from the demonic, and prepare the way for the LORD to move. How to hear the voice of voice of GOD clearly??if you want to hear the voice of The Holy Spirit clearly about any situation bothering you, then never end your prayers without doing this first. Are you aware that the answer to most questions you ask are already locked up in your spirit, because the HOLY SPIRIT lives in your spirit already, and you know the bible told us in 1CORTHIAN2:11 THAT THE SPIRIT OF A MAN HAS THE DETAILS ABOUT THE LIFE OF THAT MAN, SO your spirit even know more than your mind know now? The way you extract the information from your spirit, that you must understand the place of stillness. Listen, whenever you're done praying, don't just go out of the prayer out like that, at that point, your spirit is charged, The Holy spirit ibn you are willing to relies details a moment of quietness, the bible said in PSALM46:10, IT SAYS BE STILL AND KNOW. Meaning that know the does not speak about the head

knowledge speaks of revelation knowledge says, when you are still, you will know, so just be still focus on the lord, expect something is about to drop, all of a sudden, word that you did not think about by yourself, pictures you did not imagine by yourself, will be dropping in your mind in quick second, write it down, the key is in the practice, the power is in the consistency. The hand of GOD is might upon your life. THE INTERPRETATION OF DREAM. You have to depend on Holy spirit in order to get the meaning of overdreamed THIS WHENEVER YOU WAKE UP FROM DREAM YOU DON'T UNDERSTAND. *If you have ever woken up from dream, that you did not understand and you real want to know the meaning. Then don't start your day yet without doing this first, are you aware that when you receive a coded dream, GOD does not just want you to ignore it, GOD want you to search, that's why the bible says in PROVERBS25:2 IT IS A GLORY OF GOD TO CONCEAL A MATTER, BUT IT IS THE HONOR OF KING TO SEARCH IT OUT, So this is what to do when you wake up write out the dream first. IN DANIEL7:1 THE BIBLE SAID, DANIEL WROTE THE SUBSTANCE OF HIS DREAM, WRITE OUT YOUR DREAM NOW, Begin to pay attention to the events happened in the dream, the people you saw in the dream, what was said in the dream, the emotion of the dream and how the dream ended, if you can pay attention to this list and stay in meditation keeping the emotions keeping the events, keeping how the dream ended and your just praying, with an expectation for understanding, all of a sudden supernaturally, understanding will just come on what the dream means, you need to learn to engage your spirit on matters you don't understand, and as you practice this daily, I tell you the truth you will not have any revelation on dream that you don't understand anymore, because the hands of GOD is mighty upon your life.*

THE PRODUCT OF WISDOM IN HEARS GOD.

One man pray for about 23hours to get direction to go for a programmed to minister, the more he pray the more he lost his peace ,He kept praying, he kept losing his peace, after 23hours,He sent a message to them I am not coming for the program, they say oh no, you're have the venue hotel is booked eh protocol, everything is ready, we are coming to pick you at the airport, all of that everything, your seat is booked, this and that you cannot change the ticket all manner, he said please, I'm not I'M Unable to come, I don't feel a release and I don't feel a peace, He didn't go, they were not happy, but he understood later, because the plane they booked HIM on, He was to fly, That plane crashed, one twenty three people on board, on survived, He was to be on that plane and He could have died, and people will begin to blame GOD, Where was GOD looking, why will people serve GOD faithful and still end like that? That without known that GOD SPOKE, GOD GIVE SIGNALS. May be there were others on the same plane, that held felt the same thing, but felt obligated. You see when you live your life to sentiments, and you live your life to much to human opinions and the feelings of the people, you end as a major loser, major you will be the one to lose not the people, if he lost his life, the people who invited didn't die, the people who were almost blackmailing him, hotel is booked ,everything is done, we are not able to change the ticket the money will be lost, let the between the loss of money or the loss of life, which is heavier, don't live your life to sentiments,

don't live to human opinions, don't live to what will people will feel or what they will say, provide your confided that is what GOD feels, this is what GOD is saying and this is the right thing to do, go right on ahead and wisdom is justified of our children, the product of wisdom confirms the purpose of wisdom, People may not know that your decision is wise, until they see the outcome later. In this life we need the divine direction, otherwise you are going to suffer and destroyed by the enemy, divine direction is very important in order to overcome the snare of the enemy, this man was delivered from death through divine direction, when you live your life-based on human opinion, you end as a major loser. Do this whenever you feel spiritually weak to pray, like you're in a season where no matter how you pray you just feel weak to pray, are you aware most time you feel this, the most time when you feel this weakness to pray, most time your close to a breakthrough season, that period where you set alarm to wake up at midnight, and it is like you sleep off, that period that you can just bring yourself to prayer, Satan is very intentional know that your prayer life can attract those break through quickly, this is what to do, when you feel weak to pray go and fast intentional put yourself on a personal retreat, so you don't means on that breakthrough that is coming, the bible says something in PSALM35:13 I HUMBLER MYSELF IN FASTING AND SAYS MY PRAYER RETURN TO MY BOSOM, It means that when a man is goes into a fast, his prayer life returns, You can go three days you break daily or you can go on a marathon as your led by the spirit, as you beginning to fast, second time when you spend time in the word and prayer and I tell you the truth you can get unusual results like you have never seen before because the hand of GOD is might upon your life. Stop checking your phone when praying, someone want to pray and a phone on his side, Father, I thank you for today and he going to take a charge, you don't know your calling, if we function as a spring of heaven, many hours many times so it is not even something you can collect with time, when you're a baby you can time yourself, but if your mature you will wait for light. Do this if you are always afraid to use your spiritual gifts, you have seen yourself praying for the seek in the dream or you have seen yourself prophesying in a dream, but in real life, you afraid to use it, you afraid to make a mistake. Then do this three things urgently, are you aware that, heaven back obedience not perfection, so you may see somebody sick and you afraid to pray for the person, but you are having a prompting to pray, you know you have a healing anointings this is the key, the first thing to do you must learn to stir up your faith by your spoken words, because the bible said, faith come by hearing, so you keep reminding yourself who you are, I am a healer, I am a prophet, when to do that, you shut down fear, the second thing to do learn to master that spiritual gift in secret, before you come out publicly, before DAVID confront GOLIATH, He had first killed, his bears and lions in the secret place, so learn to practice your spiritual gift with your family members, those around you, that even you make mistake, they won't judge you, then number three you must remember this, your gift is not for you, it is for somebody's freedom, so whenever you feel the stirring to pray for somebody always remember it is not for you, so the more you hold back, the more your holding back on that persons freedom, the hand of GOD is might upon you.

PATHWAYS TO THE DIVINE DIRECTION;

What is very critical about prophetic direction is that, it is meant to come as a confirmation not a basic form of direction, don't hand over your destiny to any profit to tell you what to eat, what to wear see road clear for me, I want to travel, that is more like a native doctors, somebody was going for business and prophetic words came along the road already, to a road already to a big major say, thus say the LORD you're not meant to do that businessmen money this person has gathered for business or do something, He squandered it, it was a setback of almost 20 years from one misdirection. I wouldn't be married to my wife now, if I follow a prophetic word, because somebody saw another person for me, He said I saw it very clearly, very clearly, very clear and I clear I know myself, That GOD said this is the person and the person, He was advertising wasn't a carnal Christian, highly spiritual sister with vision and revelation, but it wasn't a right person, do you understand what I am saying, if I was to move by the physical I lost, okay the person is truly spiritual, I won't be here may be, I am sure won't be here may be, I am sure I won't be now, I believe a person and I love the person, but for that time, that prophetic word was an error.

PART 6

THE ROLE OF WATCHERS.

If you become seriously about prayer life, just like some others decided to be seriously, and your consistently in prayer, consistent in fasting, consistency in fasting, a time will come GOD will begin to send your intelligence away, that means your spiritual sense needed to be activated, you will be able to see in the realm of the spirit as the LORD wills, you will be able to hear as the LORD wills, you will be able to perceive in the realm of the spirit as the LORD wills. You will be able to understand things that you were not taught as the LORD wills. You will know things that you would not learn as the LORD wills. Every intercessor has to come consistency to the duty of watchman. There is one guarantee if you have agreed to be a watchman GOD IS UNDER OBLIGATION TO GIVE YOU SPIRITUAL INTELLIGENCE.

ARE YOU READY FOR TRUE POWER?

I'm going to give you a secret, and that secret is a precious person, HOLY, BEAUTIFUL, GENTLE, HIS NAME IS THE HOLY SPIRIT. As long you do not grieve him, the bible commands us to be anointed, the bible tells us, He shall receive power, but we cannot receive true power without become acquainted with the person of the HOLY SPIRIT, because said you shall receive power after the HOLY GHOST HAS COME, WHEN PEOPLE SEEK POWER OR WITHOUT SEEKING THE PERSON YOU KNOW WHAT HAPPENS? They move into fanaticism, because when they seek the power, they want to use the holy spirit, but

when they meet the person, they say LORD, use me, because it is a relationship that matter, we don't focus on the power, we focus on the person who gives it.

FACTORS THAT AMPLIFY PRAYER EFFECT.

Praying with vision you're not just pray blindly, but you have a picture of what you are asking for, praying with vision is praying with the picture of the desire outcome. You are not just praying GOD give me a husband, you saw yourself marching in the altar on the wedding day, you saw yourself with a beautiful Christian family, that picture is clear to you, and it is important to know, that vision is a faith principle, what man sees determines what GOD gives. All the land which thou deepest to thee will I give it. GENESIS13:15 YOU ARE NOT JUST PRAYING, THE PICTURE IS CLEAR YOU ARE NOT IN DOUBT, YOU ARE NOT GUESSING, THE PICTURE IS CRYSTAL CLEAR TO YOU, in fact you can paint the pictures on your wall, you can just put certain pictures on your wall. You look at it; it reminds you of what you are trusting GOD for. While you are in the midst of praying, your imagination is alive, with how the answer look like, so do you know what is happening at this moment, There is an agreement between your speech and you're thought, you're not saying one thing to GOD and I'm thinking another thing, and your thought you're not saying GOD should make you live and you're thinking death, that is 1-1=0 nowhere, life's fills your mind and you're asking for life, it's a nergy it's unity ,AND TWO SHALL AGREE AS TOUCHING ANYTHING, IT SHALL BE ESTABLISHED, THE THOUGHT IS IN AGREEMENT WITH THE WORD, GOD HEARS, GOD RESPONDS TO VISION THOUGHTS, IMAGINATIONS, THE SAME WAY, HE RESPONDS TO YOUR SPEAKING IN PRAYER.

THREE LESSON THAT ANYBODY WHO WANTS TO OPERATE IN POWER MUST LEARN.

Flesh will want to control you, but power men can only be controlled by HOLY GHOST, Do you understand that, then number two, become a friends of truth, because whenever you proclaim truth, the Holy ghost will be willing to confirm it with power, that I am the one speaking through that man, I am willing to conformities number three, ensure that you worship the LORD only, that in HIM you should be served.

POWER NUGGETS.

There is something GOD want to do, but that thing is waiting for something man must do [power nuggets]. When the oppressed is patient, the oppressor is strengthened, the refusal to fight is the agreement to fall, SO TO REFUSE THE FIGHT IS TO AGREE TO FAIL, to refuse the fight is to agree to define, persistence, wears out resistance. Whatever will be conquered must be confronted. It is not possible to be slack and not lack [power nuggets]. Stay with the HOLY GHOST and continue with HIM. Even it doesn't make sense and he will plunge you into the wilderness, everything at some point everything won't work, when you notice you have arrived at that place, your close to a breakthrough spiritual. Satan will be allowed to bend your mind and to make you feel that your worthless, you are useless, when you see that symptoms, light is about to shine.

WHEN THE VOICE OF PEOPLE BECOME TOO IMPORTANT TO YOU THAN THE VOICE OF GOD YOU LOSE DESTINY.

When you mind people you lose destiny, when you over mind people you lose destiny, when the voice of the people become too important to you than the voice of GOD, you lose your place on the earth, you know that members of church can make you lose your ministry, they say let us do this like they doing this in another church, let us do this like this people are doing it, let us do be like this, be like that. When we started church newly, we came to town, newly, there were some churches making waves one of our members then came to me and say you know what to do? Prophesying to people one by one, he says that is what this other church big they are growing, people are plenty, he said prophesying to people, seen vision for them and people will be plenty, this person was given me a genuine deviceful church growth. Meanwhile GOD'S plan and pattern for us was to ground the ministry in word asthma word was coming people were healed, delivered, whatever they have receive by what she was advocating, that church she was using to compare us with then, doesn't exist now. Whenever the sheep start leading the shepherd, these assignments over.

ONE WORD AND YOU ARE ON TOP OF THE STORM.-You can walk on any storm of life if you can get to hear GOD, It may be ministry storm, it may be a financial storms, it may be a marital storm, it may be a carrier storm, all you need to hear from GOD is one word, and you steps out of the storm, everybody was seating in the ship, but only one person walked on the storms, and the only one walk on the storm, was the only one who receive the direction, if you can hear GOD your case can be different, if you can hear GOD YOUR CASE CAN BE DIFFERENT IN YOUR COMPANY, Your case can be different in your accusation, your case can be different in your community greatest challenge we have is not our situation our revelation. The situation was the same with everybody there was a storm, but revelation was different for Peter, and once the direction was different, the destination the outcome becomes different. So what will bother you is not what your inside what is to bother you is what is GOD says and what are you saying, it is not a matter of what is happening around ,what is GOD counsel, there are many devices in man's heart, never the less the council of the lord that shall stands, not the situation on the crown, the counsel of the LORD that shall stand.

DO THIS TO KNOW THINGS IN YOUR SPIRIT BEFORE IT HAPPEN PHYSICAL.=Do this for three minute before you end up your prayer, are you aware that there is something in you your spirit called the knower, this is the part that know things supernaturally, you don't know how you knew, but what you knew was true, but your knower is always activated when you watch in the spirit, what do I mean that when you watch over your family in prayers, you watch over your finances, you watch over your businessmen you will see in that direction the way to watch is that, you have keep what you want to watch about in your heart, for example you want to watch over your business to see what GOD is saying, you just keep your business into your heart like a thought, and you beginning to pray with the desire to pick a word ,all of a sudden a word or a thought you're not original thinking, you did not

formulate it will drop it in your heart, because you need to understand that the spirit realm is a busy place as the earth is busy place. It is where you focus on, that is where you withdraw revelation from, many people do not see because they do not watch. Their time GOD can give you vision, you did not watch, but their other time you need to watch into a vision. THE BIBLE SAY IN HABAKKUK2:1 IT SAID ,I WILL STAND UPON MY WATCH, TO SEE WHAT GOD WILL SAY TO ME, So you have to keep your focus ,keep your family or your business or the desire in your heart, and you pray with an expectation for a word, that is just a key, and watch how nothing happening around you without you picking it first. The hand of GOD is might upon your life.

THE MOST IMPORTANT ASSET IN LIFE. =Your most important asset in life is not your properties, your most important asset in life is not your dress, your important asset in life is not your cloth, it's not your certificate, your most important asset in life is the presence of GOD. The highest thing that can be said about a man, it is not that He has money, the highest thing that can be said about a person, is not they are beautiful, the highest thing that can be said about a person is not are intelligent, they are the y got first class, that's very good. The highest thing can be said about a person, is that GOD is with that man. God is with that man, that girl, God is with that boy. We have a youth in our generation today that possess everything but GOD'S presence ,when you came across a person a youth that will dominate in the future, you must perceive the presence of GOD around them today, that is when people come around you, they feel something, when people look into your face they feel something, when people hear your voice they feel something, People will like to stay with you because they want to capture the presence of GOD. They will say when I come here, I feel something. I feel something, in your house I come here I feel something, and that feelable something, that thing he feels HE JUST CAUGHT LIKE CHARGES UP HIMSELF AND GO WITH IT. *Beloved brothers and sisters, the extent to which, we feel GOD with you, is the extent to which you mark your world.*

FORCE S OF DESTINY=The limit of your mentality is the limit of your destiny, the limit of your thought is the limit of your result, when you see men and you see women and you see them in term of their result, it's a product of their thought, mentality is a determinant of realities. Things are real twice; they are first of all real to the mind before they become real in life. What is real to the mind determines what becomes real to life. What can be imagine is the determinant of what can emerge, if it is imaginable, it is emerge able. That is why you should not Couse your mind to descend to levels beyond you desire don't let your mind drag you down, let your mind lift you up.

THE DYNAMIC OF PRAYER=*Prayer is established Is established on the basis of functional relationship between man and GOD. Be loved request are being made on the basis of relationship and stronger the relationship you have with GOD the bolder the request. let your daily pursuit not just be about what you can get from HIM, but how close you can get from HIM, but how close you can walk with HIM. If you have ever desire to pray with power, precious and result, this is for you, let your prayer life move routine to results. Prayer is established on the basis of functional relationship between man and GOD.*

The principle here is that relationship comes before requests, you make request on the basis of relationship, you don't just see anyone on the road and requesting from them. I was in a wedding catholic church, how did I go to that wedding while I was so very busy, one of my biggest friend son is wedding said to me my son has wedding, and I will like you to be there, I said we are fasting and praying for seven days, but I will give consideration and see what happens, and I give consideration, humble man always there, he could move me up out of a tight schedule to sit in the church ,there for almost one and half hours, nothing nobody will see me on the road and say my son is wedding, but there is a relationship and is He was say trepidatiously if I say I won't come he will understand, but there is a relationship, I went there. ***Relationship is the basis where request is made, so the stronger the relationship ,the bolder the request, if my relationship with my wife is strong and it is very strong request are bold, my children don't need to beg the are bold ,when they need they are bold because of strength of a relationship, in the same manner, if our relationship with GOD is stronger the relationship you have with GOD, THE BOLDER THE REQUEST YOU MAKE.***

EVERY BATTLE OF LIFE IS WINNABLE.

Can I say this, every battle of life is winnable, whether is a battle over your health, the battle concerning your child, the Battle concerning the issues in your office, the battle concerning martial settlement, financial problem, dignity, every battle of life is winnable, and they can be win by light. Win by direction, win by strategy, you see battles may be flighted with strength but they are win with strategy. It is possible to have all the gun and weapons and still lose the battle if you like strategy, and that strategy is what we call, the winning strategy is called the divine direction, every battle of life is winnable, and I speak to somebody here, a direction from GOD that will Couse you to win the battle of life currently that direction is released right now.

THE ACHIEVEMENT OF TOMORROW.=Don't lay in your room and watch movies for two weeks, You are wasting your destiny, don't go to the birthday part that you're not invited for, it is not every marriage you attend, seat down redeem the time, the day are evil, otherwise you will spend your whole life 57 years ,the whole value is your one land and your house, What brought us here is what we did with yesterday's you have to do something with today, to be the right place tomorrow's don't west today glorify yesterday the achievement ,the achievement of tomorrow is waiting on what is doing today.

THE EASIEST WAY TO GET MONEY.=Have money in your life is the easiest thing in the world, follow what I am telling you, you can call money to come and it will come, but you can say pastor I call money but it didn't come, Because you don't train yourself to speak word, to use words in a dependable way, not just when your seriously, now when your off your guide how do you talk? That is what more than when you are like when Ur guide, how your words, Richs are liquid they gravitate toward those who talk the language and move away from those who speak different language. Be

careful on what you say about your life, because your word can either attract poverty or rich. Avoid wasted of time, redeem your time and be a hard worker. Laziness is demonic.

KEY TO ANSWER PRAYER.=The existence of devils ,the existence of bad spirit, show that there is the existence of good spirit, the fact that there is something that can cause you to fear, means that there is something can cause you to have faith, so you must believe in the reality of GOD, and in the superiority of your GOD, you must believe in the reliability of your GOD, THAT IS AN EQUIPMENT FOR ANSWERED PRAYER. I am not doing this ,I am not wasting my time ,I am not waste my labor am not wasting my effort , GOD has done something that I know of before, in the lives of others, He will do it in my life, I announce to you today, GOD will show you in a new way, GOD will revile to you in a new way.

TAKE CHARGE THROUGH DIVINE GUIDANCE.

Determined to believe God's guidance and direction, no matter how ridiculous it sounds because there is instruction that may sound very ridiculous out of your Father's house get out of your kindred to the land I will show you, to which land? Ok you show me, get out first be on the road keep going just be moving, am I a mad man!! I should go to the heaven will give me food, does haven give anybody food, Reven that is so hungry that he eat his own children, go to the widow of Zarephath ,if you are to send me to somebody for feeding is it widow, widow is looking for food, you don't have ,will you give to the teacher, do you understand what I am saying ,you don't have to eat will you donate to teacher, in those days in village, where everybody it meant to donate something to teacher, they say have you brought your own tuber of yam, say for where, I don't have something to eat, will I donate it to teacher. , Send me to the house of a wealthy man ,send me to the house of king, no go to the widow, *I WANT YOU TO HEAR THIS AND DON'T FORGET IT FOR LIFE. MOST TIMES GOD USES THE RIDICULOUS TO PRODUCE THE MIRACULOUS. Many times it appears ridiculous ,it is too ridiculous to be real, it is too insensible ,it is too stupid, but the foolishness of GOD is always wiser than men, that is why many have not been where they should be or taking charge as they should ,because they are trying to analyze the instruction until they paralyze the manifestation very important most time when GOD is going to guide you to take charge in certain reams and domains it may not make sense, it doesn't have to make sense to make faith ,because most times faith sense are opposite, antagonistic.*

HE CAN NOT STOP YOU FROM COMING OUT.

Peter therefore was kept in prison but he pray, if the devil cannot stop you from praying he cannot stop you from coming out of wherever he kept you, coming out of wherever he has put you, but prayer, that but means everything changed when prayer arrived, Peter was in prison but ,prayer will always introduce a bit into the situation ,it will always deflect the situation, it will always change the course of the situation, everything may continue the way devil wanted but one prayer once prayers

step in ,things will change ,he said but prayer was made without ceasing. Everywhere the enemy keeps you coming out in JESUS MIGHT NAME.

DO YOU HAVE THE STAMINA ENOUGH TO CARRY THE VOICE OF GOD?

God can give you the things you're looking for, but you will never have GOD, the man who have GOD are the men who are passionate about GOD and GOD only, and the proof that you are passionate about GOD, is not to preach about Him, is the degree in which you can wait for HIM. If GOD doesn't show up in two weeks, do you have the stamina to wait, if GOD doesn't show up in one year, do you have a stamina to wait, if GOD does not shown up in two years do you have a stamina to wait, I know you ,you are supposed to start ministry but what if GOD has not given up go ahead, can you wait for five years, if you can't wait for five years, it means that ministry is not GOD sending you, you're looking for a system to merchandise people and you want something that you can put a logo of GOD on, that is not GOD. That's why you see many people run into accident in destiny because they didn't wait for GOD, They were too ambitious to do something and GOD become a delay and as far as they are concerned even GOD cannot delay them, and so they will move ahead ,God will meet them on the road, is Satan that will meet you first ,because Satan always come first, He said the thief cometh not but to still and kill and to destroy, but I AM come ,Satan is the one comes first, you better wait for GOD, Have you meet Satan? don't worry, he will not come with bad face and horn, he will use deceptive tactics to capture you, so be aware of it. He may not appear circumstances, the circumstances will show you, wait on GOD so you don't meet Satan by accident. When you have waited it means you have stamina. WHEN SATAN IS RUNNING, YOU ARE FLYING and whatever he does will turn to your advantage.

THE THREE WAYS TO KNOW IF GOD HAS APPROVED YOUR DECISION.=If you want to know if GOD has approved your decision you are about to make, then do this three things, are you aware that sometimes GOD give you sign, that He has approved your decision many Christians, miss this sign the first *way to know that GOD has approved that decision you are about to make, is that you feel an overwhelming peace about that decision whenever you pray, because one thing you need to understanding is that the will of GOD, amplifies whenever you pray .If GOD is not in that decision, you will discover that anything you are praying, you will be battling with it ,because the bible say in PHILIPPIAN 4:7,IT SAYS ,PEACE SHALL GUARD YOUR HEART. The second way to check if GOD as approved the decision, you are about to make, look for confirmation in your dreams or the written word of GOD, in case you didn't have a dream about it, you need to know that the written word of GOD will never contradict GOD'S approval. So that decision you're about to make, does it contradict the bible in PSALM119:105 IT SAYS, THE WORD OF GOD IS A LAMP INTO MY FEET AND A LIGHT UNTO MY PATH. The third way to know, checkout for the open doors, that you did not struggle to open. When GOD approves your decision HE MAKES THE WAY, JUST LIKE THE BIBLE SAID IN REVELATION 3:8*

GOD HAS OPENED A DOOR FOR YOU THAT NO MAN CAN SHUT. The hand of GOD is might upon your life.

HOW TO CHARGE YOUR SPIRIT?

HOW TO GENERATE MIRACLE WORKING POWER THAT WORKS. [POWER]=The source of power is inside you, stay up the spirit inside you, stay up the spirit. Stay up that power you got another suspension, you go up. Search through your being, so when you speak in tongues when you pray in the Holy ghost, that's what happen to you, that is why Christian who are not filled with the HOLY SPIRIT they got problem, or those who are received the HOLY SPIRIT but they don't speak in tongues, listen speaking in tongues is not for some denomination. Speak in tongue is the language of the spirit with which HE helps you with the whole word from GOD, to other things that your mind can not fathom. When you speak in the spirit like that the bible tells you, your **charged with the power of the GOD**. That's you got to do. If you do that often, listen, there will be no chance for fear because your fill with the spirits, No chance for fear.

PRODUCTS OF DIVINE DIRECTION

GOD'S voice of direction leads you into supplies 1KING 17:3 GO TO THE BROOK CHERITH, VERSE 4 HE SAID YOU SHALL DRINK WATER FROM THE BROOK AND I HAVE COMMANDED THE REVENS TO FEED YOU, ELIJAH WAS DIRECTED TO WHERE THE FOOD WILL BE, DIVINE DIRECTION, THERE ARE MANY PEOPLE, MANY of us today now if you say brook Cherith, GOD want you to go to brook Cherith and you and you are laboring at brook Kidron, it is a brook still but not where your supplies is, wanted you to go to brook Cherith and you have gone to the river Jordan, said the river is a bigger water, oh no it is not a size of the water, you have to go to a brook which is a tiny water flow and you have gone to the sea of Tiberias, nothing happen there, His direction is your secret of provision.

TERRITORIAL DOMINION. =Somebody said there are those who are sent, and there are those who just went. JEREMIAH 23:21 THERE ARE THOSE WHO ARE SENT AND THERE ARE THOSE WHO JUST WENT. This is what the scripture said. It started that, I HAVE NOT SENT THIS PROPHETS YET THEY RAN, I HAVE NO SPOKEN TO THEM WHAT HAPPEN YET THEY PROPHESED. let see the new living translation and the new international version, I HAVEN'T SENT THIS PROPHETS THEY RAN, I DIDN'T SPEAK THEY PROPHESED, I HAVE NOT SENT HIM PROPHESES YET THEY RUN AROUND CLAIMING TO SPEAK FOR ME, I HAVE GIVEN THEM NO MESSAGE YET THEY GO AND PROPHESYING, I DID NOT SEND THESE PROPHETS TEY HAVE RUN WITH THEIR MESSAGE, I DID NOT SPEAK TO THEM YET THEY HAVE PROPHESED WHAT, Prophets -LIED, But art list to this some of us who have any gift prophetic gift, the word of knowledge, there is a temptation of what I call performance pressure, where you are expected to prophesy and you are expected to speak, when they know this man can hear from GOD, HE HAS SAID THIS THINGS but are accurate come to pass and your under such pressure in the process of bowing to performance pressure you can lose your ministry, if is GOD has not spoken and you

have not received, and many of us will need to apologies to GOD TODAY. All those times you said God said, that God did not say, LORD I am sorry have mercy on me, If God has not spoken open the bible and read the bible and speak from the bible, **if you're not heard anything pray in the course of praying words could flow into the praying, it is called prophetic praying.**

WHAT IS THE REASON WHY SO MANY ARE POOR AND BROKE? =The reason of why many are poor and broke is not because they don't have something. It's because they are struggling to be a part of a failed system part of a failed system. They trying to be a part of a fair system, tell somebody come out of the box. JESUS already made you free. Come out of the box, think differently, and you know what because, this world was only given to ABRAHAM and His seed, there is no power on earth that can actually stop you. If you come out with something that works, others will follow it. Because the only one give a right to control the world, the whole world is seed of Abraham. So, no one's going to fault you. They will only complain and say and say NO, NO, IT DOESN'T WORK. But if it works for you, they're going to start raising their antenna, they want to know how did it work for Him? And right away they start. You're all using social media today, where was that 15,20 years ago? Where was it? **Why do we let the world lock us into a box? Said am a child of GOD.** Say I am different; I AM VERY DIFFERENT.

THE POWER OF YOUR MEDITATION

It is what you meditate on, if you meditate on scriptures the voice of GOD will crystallize out of it, A personalized voice, that makes that scripture applicable to your heart, we drop from the scripture and tempest may blow at you, blown your life, but that word will anchor for your soul. The schemes of Satan's deception will be weak in swaying you around. it's not so much of the voice you heard is the one you meditated you begin to process the things that GOD is telling you, there will be no room for doubt. You know some of the things, that GOD is doing with us today, I didn't believe them when GOD said it and, I began to meditate upon it, and then every doubt was choked and today we are beginning to see the grace of GOD Implement that policy to our lives, in greater measures. YOU CAN BECOME A VICTIM OF THE VOICE OF THE DEVIL, IF YOU DECIDE TO PAY ATTENTION TO IT AND TO MEDITATE, IN YOUR SOUL IT WILL Magnifies what do you meditate on, your strength is not equivalent to how much time you spend in thinking of these things. Do you think that voice of GOD you heard THAT YOU HEARD ANYTHING AND YOU WENT AND WROTE IT IN YOUR JOTTER, YOU DIDN'T MEDITATE ONIT, SO ITS NOT GROWING, YOU CAN'T APPELY IT, ALL YOU HAVE IS A HEAD KNOWLEDGE OF GOD'S, it IS A POLICY STATEMENT.

MAKING BIG DREAM COME TRUE=Use the name of JESUS even at a time of your need. Learning how to get a money rather than mummering, OH God I need this oho, Say in the name of JESUS CHRIST use the name ,I command say what you need[.....].Don't afraid it say it, if you don't say it ,then it won't come, then you will need a miracle then another time you will need a miracle again, then you

will need it again, believe in continue supply don't need to go out of financial miracle, it just keep flowing, superabundant ,it just keep moving.

THE SECRET OF POWER=I have studied my bible and I realize there are few secrets to power. Number one is to have revelation on what Jesus did for you, so I seat with the scriptures, I study ,I listen to sermon, people who preach on new creation like pastor Chriss ,Kenneth Heggen ,tb Joshua ,Oyedepo I read it and watch everything they teach, because I realize for me to walk in power I must be accurate in knowledge concerning what JESUS DID FOR ME. I can seat down now and give you the doctrine of salvation from beginning to end and quote more than hundred scriptures without consulting anything, **I have to eat it until it becomes me.** Number two I realize the secret of power was for you to stay with HOLY SPIRIT in prayer, create your program to read your bible New Testament and pray every one hour of three hours, enough time to consume the word of GOD, and maintain that routine forever long time, to absorbs and consume the word of GOD by eating the scripture by my spirit. WHEN YOU SEE MEN DOING SUPERHUMANLY, JUST CHECK THEIR SACRIFICES.

The invisible war is real, our battle is not on flesh and blood but against principality and demon forces, authorities of those evil forces, **our battle only the spiritual minded are victorious.** A victory in JESUS CHRIST is available. You can also participate. I didn't work hard to get anything I need .I didn't ,how much work does prince Charles to what he has, talk to me ,you will say he is a prince ,His mother is a queen, so what he was born rich, isn't right, he didn't work in a day to have what he has, he work not to have what he has but he was born with what he has.

YOUR PERMITTED=Conserving your life Satan is powerless, anything Satan do it to you today, unpermitted, it either ignorance or rebellion you say no there is nothing Satan can do. So, anything happens in your life check it, if it is Satan responsible if yes, your already delivered, you rise up with authority he has no choice.

PRESSURE IS THE BIRTH PLACE OF POWER=Every time Satan do his worse in a city ,in a community around the life the stage become a seat for GOD to do HIS best, every time the kingdom of Satan stand against the church is that season is the season in divine calendar for the kingdom of HEAVEN to steer the land in revivor, season of confrontation are season of manifestation, season of prosecution are season are season of visitation, whenever you find yourself in the season of confrontation you're face to face in of manifestation, season of pressure are season of power, fresh bottle attract fresh mantels. Fresh buttles attract new mantels, you ask yourself why is the battle so stronger on my life, around my ministry, around my life, around my assignment, around the thing I do, [fresh buttles attract fresh mantels. You read this book and you give up, you say lord I am tired, I am tired of confrontation, opposition am not sure if I can go on, Other the heaven gives up completely, stand up please your anointed that is why you face strong opposition and challenge for the glory of GOD. Soon you will be swimming under the glory of GOD.

ENGAGING MENTALITY IS TERMINATING CAPTIVITY=You use your senses to change your season, if you don't like the season, you are in, use your sense, those who think don't sink, if we can think we will not sink, those who think don't stink, when you use your head you get ahead, when you engage the mind, you magnify your gain. Thing that is needed to take your destiny in your hands, engage your mind sit down and think, seat down and reason, why is my life this? Why is my ministry like this, what am I doing, that I need to do differently? Why is my bossiness like this? why is my marriage like this? What do I need to do? **Seat down with pen and paper think on paper.**

PART 7

THE PRODUCTS OF DIVINE DIRECTION

If your day is successfully week will be successful, and if your weeks is successfully month will be successful, and if your month are successful, your year will be successful, and if your years are successful, what's your life is **successful, so overall success in life begins with daily victories.** Where God leads you by his peace guides you, where you lost your peace, you step off, where you gain your peace, you go through. Exist to be different from the generation is not possible to make a difference without being different, let there be a identity about you, the way this young man conduct himself, the way he walk, the way he move, the way he act, go to the p[point where .THOSE WHO FLOW WITH THE CROWD ARE LOST IN THE CROWD, Our challenges ,we are too addicted to approval, we are too high on human opinions, instead of being who your met to be you are struggling to be what others are so you lose yourself in the process, when you struggle to be like generalities you lose your originality. And when you want to be like generality your also lose your authority, if you want to be like a mas, you will lose your class.

SWITCH OF POWER=Revelation is the voice of GOD in a human form in order for you to understand the situation clearly, to understand what is around you, Revelation is the information from GOD. *Revelation will terminate frustration, it is the light that is cure for the night, revelation will guarantee destination, revelation will facilitate acceleration, revelation will spark revolution, revelation will bring transformation.* FAITH IS YOUR SWITCH OF POWER, POWER TO PREVAILED, Faiths the revelation of the word, that fuels your conviction and beginning to sponsor some action, The just shall live by his faith, it means he can die a moment ,He stop using faith, to die with your faith is to die with your life, to starve your faith is to starve to your death, the just shall live by his faith, don't ever be busy to build your faith, never ever be too busy to feed on the word, the faith is coming by hearing, hearing by the word of GOD, before every flights is a flighty are to change levels you don't walk your way to change levels, be able to fight your ways to, into a change of level, **before the a flight, there must be a fight.** Life is a game you go from one level of life to another level of life.

LIFE IS THE GAME OF SPIRITS=Many have no encounters ,they think ministry is about men, We are ministry is a game of spirit, ministry to function well it depending on the level of you are commitment is a game of spirits you were only included, if you don't have the backing of GOD spirit, you'll be shocked, I know new creation realities, brother and sisters, I am teaching you dynamic of warfare.

THE FORMULAR OF PROSPERITY=One of the things devil does even if there is a blessing in your life, there is a season for it to begin to speak, so what the devil does is to come to manipulate you, to think that, it is become too long, and the thing about priesthood is this the moment you stop putting wood on that altar, the moment you stop doing the thing for stance that, I brought you into lime light, you have made agreement with the devil you want to go downside, A lot of people's commitment are being cut off ,because they felt they have lived for so long, that they are no showing result, the first thing ,I need to ask you, the area of your label is it GOD, Did GOD lead you there? If GOD lead you there, and you're doing the labor the way GOD prescribed, you know I told you the formular for prosperities GOD'S MAN in GOD'S Place doing GOD'S work in GOD'S way and as GOD'S TIME WILL NOT LACK GOD'S SUPPORT, So when I feel that is as if where I am laboring and there's no result to show, I check did I call myself or GOD call me? ok GOD call me, is this what HE ask me to do? , I check my books again, yes this is what He asked me to do, is this the way He ask me to do it? I check my encounters, yes, this is the way He ask me to do. Then it means that its GOD'S TIME, I will see GOD'S Support.

WHAT IS DISCERNMENT??=Discernment is the difference between 99% truth and 1% lie. DISCERNMENT is the ability to find GOD where others cannot find HIM, it is not something you use. The deep calleth unto what? The deep, if you have discernment you are drawn to GOD, WHEN YOU HAVE DISCERNMENT, YOU SEE GOD. You don't use it, it is not a tool, it is a spiritual consciousness, it is a spiritual awakening, The HOLY SPIRIT brings into your spirit, those things that GOD has hidden for others, it has been revealed for you. That is what discernments. What makes you prophetic sharp is not GOD speaking, because GOD will speak again any way but do men perceive? NO. what makes you perceive is discernment? When GOD has spoken, am I REFINED THAT I CAN CAPTURE HIS VOICE AND KNOW THAT IS GOD? God just said this, that why discernments, that's what makes you hear GOD. Many of you can't even if it is my mind or if it is my thoughts, only a carnal man can miss the voice of GOD. A spiritual man can never, let me prove to you that, It's a spiritual thing. Jesus was on the boat, He gets to a certain part of town, A man possessed with devils, the demons run at a foot of JESUS and shout JESUS of Nazareth, what do you want with us? We know who you are, you are the son of the highest GOD. Notice the apostles it took them over many years to know who JESUS was but it took one second for demon to know that, HE was the LORD. Demons have more discernment than Christians, because they are spiritual beings. Demons could look at JESUS and say this is a messiah, the high priests living in a temple praying 24-7, They are coming and asking, are you the one or should we wait for another, wait what, how does a demon not have doubts, but the man having doubts? Why? because the man is trying to find GOD with the flesh but GOD can only be found in spirit and in truth,

so discernment is not something you use, because demons did not use discernment was obviously to them who JESUS WAS. How can a demon look at pastor and says why did you come here? You are the prophet of GOD, YOU ARE CHOSEN BY GOD, and another pastor or bishop, a prophet an evangelist too and say He's a wizard? are saying He's not one of us.

HOW TO KNOW AND HEAR THE VOICE OF GOD CLEARLY DURING PRAYER AND MEDITATION OF YOUR HEART?

=Hearing GOD is the heart process and a head process. Faith come through the heart and doubt comes through the mind, therefore, to you praying in the spirit and listen with your heart hear GOD simultaneously. If you want to hear GOD, IT'S heart process it's not a head process. So you need to put your heart ahead of ,it is not a reasoning process, It's yielding process, through your heart faith comes ,through your mind doubt comes, the man of faith go ahead with his heart and allow HIS mind to follow His heart, so the strongest organ of a man of faith is HIS heart, for the HOLY ghost will come into the privacy of being into the secret and hidden part and How will furnish the conviction of a matter that cannot be verified by HIS senses. That's consciousness you choose that your reality is within the consciousness that HOLY ghost has forming your spirit, you are a man of faith, but your reality is within the man of faith. if you choose that your reality will be what your senses provides, you're a man of flesh. Put your heart before your head, what I mean by that is that you will praying in the spirit but you will be listening with your heart, Heart is an organ that is designed to be so personalized, it because of the structure of the heart that it is possible encounter GOD in a personal way. The supernatural realm a spiritual realm is so tangible and GOD want all of us to operate from there, are you ready to work this work, it is the work of faith, that is how champions we're made our ancestors that did great things for GOD, THAT WAS HOW THEY WERE MADE.

THE SPIRIT GAME=The life of the spirit is controlled by meditation; through meditation you can even transfer from one place to another by spirit. There is no distance in spiritual realm. Meditation is the spiritual game. The life in you will never be strong as you master meditation, this's is why in a demonic world they do a lot of meditation, they know even the soulish life is energize through meditation, there are some people can start to meditation and have astral projection because they know the power of meditation, if you have study anything about around new ages or the new age movements, you will know that their strength is meditation, they can seat down and will be chanting for 10hr,for 10 month every day, and they will wake up still meditate, a young man ,a friend of mine He went to preach to someone and he was talk to Him, how the power of GOD breaks patterns in family blood line and the guy laugh ,He says that is not the only way ,he is belongs to the new age order, what did HE do ,HE told him that there is a gap in his lineage he needed to travel back in times to correct ,and he give him some word to speak about that job, but for him to get to that junction, he needed to meditate for three month every day must be Feeder on a particular number of hours, and the guy will lock himself in the room and meditate it meditating more and more ,meditating, as he was meditating something suddenly the spirit world stated being real to HIM. Just because he was chanting that thing, that frequency began to create resonance and he became more sensitive ,he will

meditate in His room ,people will talk in the next flats, he will not exactly the conversation they having, because he is antenna will come shaper and shaper ,when He read three month suddenly He appear in time line of HIS grandfather ,and see everything were doing ,he was watching their life as a movie until what they told Him was a course, when the experience was played out they began to talk what they told HIM, And when HE was done talking he left the vision, two month Leiter he exploited into millions ,he become a millionaires ,no body anointed him no body imparted Him, through meditation he entered to astra projection and correct something by enchantments ,if they can do this people with Holy ghost , what this people who demon walk with them, they are not aware ,demon walk with them built if they can achieve this how much more you who have HOLY GHOST? And so the bible teach us the word meditation means Hager ,talk the word to yourself every day, HE said in JOSHUA1:8 HE a say this book of the LORD should not depart out of your mouth ,meditate upon it, day and night and see and do what is in written there in ,then you shall make your ways prosperous and you shall have a good success, I tell people Christianity is not mystical but it must be practice ,many believers are not practicing the different between we Christian and people in a demonic world is practice ,if in a demon he supposed to meditate on a book for a one year, five hours every day ,he won't miss once ,once he won't miss, but tell the Christian read one verse of the bible every day for one month, when him one month he miss ten times, and there when there is a challenge ,he stands and beginning's to confess the scripture on what he heard His pastors say, because he was though religion, that if you say it loud or if you say it faster, or if you say it walking in a certain way, it will work, all of that is religious cabbage, weather you seat and say ,stand and say it ,if you have a power it will answer, and if you don't have the power ,if you like ,say it like your pastor ,dress like him ,walk like him you will not get a result ,because the spirits they know the reality , when you talk it to yourself ,after a **while it will become pictures in your heart** ,that is why I said in 2CORTHIAN 3:18 he SAID WE ARE CHANGED ,when we are talking it and start seen it you start becoming it so you can be as right as GOD if you meditate enough to see the way it is, because your transformation is a function of your meditation and contemplation ,it is not a function of your département in church ,it is not a function of your position in church, there are many choir director sim pregnant people, so choir director is not spirituality ,there are many prophet and apostles ,that are frostless ,swingles ,Fani cater and lies, a title is not make you strong in life ,it is meditation and contemplation that make you strong **because if you don't see it you don't become it. AND THE GET WAY TO SEEN AND BECOMING IS MEDITATION.** When you want to grow in this thing ,you will park scriptures with you every day ,you memorize the scripture firstly ,when you have memories it ,you will now start to talking it to yourself ,you start talking to yourself ,the LORD IS MY SHEPARD I SHALL NOT WANT, HE MAKE ME LAY DOWN IN GREAT URE PASTORES ,[PSALM223].VERSE6 .SURELY GOODNESS AND MERCY SHALL FOLLOW ME ALL DAYS OF MY LIFE; AND WILL DWELL IN THE HOUSE OF THE LORD FOR EVER. As your talking it the point will come to your saying it will start being animated to you, it will become like a picture, when your sleeping you will see GOD covering you, the moment you start seen it, it start become your words, a point will come when you will be on the same crisis that other people were in and die ,you

will come out even you will not know how, the words you spoke and saw has become your realities. You want to energize internal life ,you must master the art of meditation, we talk what the world put in our mouth ,how do you think peoples become masturbations?[demonic]There is no teacher anywhere teaching people how to masturbation ,people become so bound to immoralities ,the world understand it ,people see e naked, buy a sing lend you will see a naked person their Lebel, they push nude to society to a point anything you look at you will see nudity ,even in your note pear in your phone that is meant for you to take note, you will click it suddenly you will see a women with her chest opened and your wandering what chest of a women have to do with my note part? They a bromating send pictures to you ,they know if you see it the power to process it will be activated what they are doing this is impartation, impartation is not only happened when hands are led there are certain impartation that activated through sight ,look at necked picture for a while ,you will be shocked a kind of creativity around immorality that have working in your spirit, and you will find yourself fornicating helpless ,they will be crying and say LORD help me what you need is not GOD help me, check and challenge your spiritual deity, what do you feed your spirit through your mind, even if it is demon you cannot fighting against that demon ,so long that person is still fighting against that demon and still watch pornography ,that demon will still back to you again, because you feed them. But *if, you want to live above it? starting see something different,* go to the interment download healing videos. Watch for more than one month and you will see what will happen to you, you're not praying you know, just watch it the healing videos, be watching it more and more hours several days after one month you will be shock, some bloody deaf the hear will be open ,your eyes will see, You will ask yourself where was I ,when I anointed to open the blind eyes and deaf to hear, you have become it, somebody will come to you and say he cannot walk, even before you think you will say get up, you will not even know how you tell a person to get up. And the moment you speak the power that you have incubated yourself will be toward that person.

INTIMACY WITH GOD=The first thing you need to do is to beginning to learn how to speak to GOD. And I'm not talking about speaking in tongue. I I'm talking about speaking to GOD in your understanding. You must get stuck in speaking to GOD every day. Before you beginning to hear HIM speak back to YOU every day .There are three lesson that anybody want to operate in power must learn to shut flesh down, flesh will want to control you, but pore men can only be control by the Holy ghost, do you understand that, number two become a friend of truth because whenever you proclaims true ,the holy ghost will be willing to confirm it with power that I am the one who speak it with power, Number three warship the LORD only. If you want to grow in life ,there are seven thing that you need to do, the first thing you need to do is that you must learn how to pray as your unique strategy, that is your unique strategy in the economy of life, second thing you need to do is to acknowledge the lordship and government of Jesus Christ and to be so subject to his government ,Third thing you need to do ,he said that you should not despise prophesying .The operation of the gift of prophesy comes to brings confirmation to the operation of Christ in your own spirit, so that you are convinced that GOD is leading you in a certain direction.

THE ADRESS OF SATAN'S =Do you know Satan's address? Satan's address is prayer and fasting ,when JESUS went in the wilderness, the bible says, He was not going there to fast ,He was going there to be tempted of the devil, it was him that decide to fast and to pray and fasting for 40days .It was generating energy in the wilderness and demons were reporting it ,and after 40days Satan have to show up, the first time when you encounter Satan is when you take your prayer life seriously, The life you are living now is like that because you have not been taking prayer seriously, so you are still a victim of all the curses in your family, all the limitations, the delays are still finding expression in your life, The will of GOD has not yet taken hold in your life and you are casual about it, you are not concerned it ,Satan isa happy ,you are happy everybody is happy. The moment you decide that ,I insist on experiencing everything GOD has ordains for me ,and I take it fast, I begin to pray, I begin to engage, Satan will come into your space, and the reason why he's in your space is to distract you, to make you feel, that it is a futile initiative ,that's why you need brothermen around you, because there are some times you will lose sense of why you are fighting ,when you begin to press Satan will begin to see on what you are gaining capacity and you are gain authorities ,soon you will be able to challenge HIM, He will come to you, so the address of Satan is called prayer and fasting,

THE SECRET OF DIVINE POWER=THOROUGH SANCTI CATION IS THE ACTUAL SECRET OF DIVINE POWER. This is the real secret of power; this is actual secret of divine power. Through sanctification, that is the secret, the real secret of divine power. Why? **because GOD will not release massive power to someone who cannot see the invisible.**

WHAT YOU NEED IS LIGHT.95% of the universe is made up of dark matter and dark energy, that can never relate with light, meaning to say everything that relates with light is only 4.6%. You know neutrons and all that the matter that makes you can relate with light. In exodus 20:21 MOSES DREW NEAR TO GOD UNTO THICK DARKNESS WHERE GOD SITS. Now the bible telling us GOD is surroundings HIMSELF with that matter, and science is telling us, that there is dark matter that control the world and GOD says in GENESIS1:3 AND GOD SAID LET THERE BE LIGHT, that means there was no light, the whole universe was being held together by dark matter., Before light came, but light was there to control the movements. LIGHT COTTROL MATTERS AND THE BIBLE SAYS IN PSALM119:130 THE ENTRANCE OF THY WORD GIVES LIGHT. **TO BE CALLED A MAN IN THE SPIRIT IS YOUR AMOUNT OF LIGHT YOU HAVE.** I push the same unction to you now. When you move control the world by power and by fire control it.

DON'T CONFUSE THIS GIFT WITH PROPHECY!!=If most of what you see in your dreams in your encounters are plans of the enemy, because there's on of us here, he only see the plans of the enemy, so I now sat the person down ,I said, because the personal think that the dreams are prophecies, I said no your dream are not prophecies that you are a watchman and anointing that you have given you access to see the devil's plans, all these things you are saying will not come to pass but they are planned, and if we sleep it will come to pass, that's what you are called to see, you're not called to

prophecy them because if we are alive those things will not see the light of the day. But you have a gift and if I am not mistaken among all of us sitting here, the person I speak is you and if you have that light gift, much more because that is the area of person's calling, is like ELIJAH that can see and hear the import of the meeting that put up to bring ,Darkness, wickedness, wickedness on the people of the planed, Do you realize just as GOD has plans for your life, the devil also have plans for your life, oh you have not gone deep enough and during one of the services in a night preacher was ministry and she did something like prophecy and pointed HIM and said, he's seen him , his car hit the tree and he died, that is the plan of the devil, she just prophesied it, she just said it are you with me, but this prophet is experience, I know that revelation was not from GOD. So, the gift of discernment of spirit, I will stop there, I will not proceed on what happened, but you see just **like GOD has plans that you can pray and know, the devil also has a plan.** That you can pray and if GOD is willing to show you, you can also know. If you are a watchman and grace upon you is sensitive to detecting ,the secret in the kingdom of darkness, The thing you are receiving is not for prophecy those things are the subject to change, if the ministry of your watches will prosper ,those things will never come to pass, because ELIJAH have that gift, He could hear what was being said in the king's chamber, Thinking decide to send the army to bring ELIJAH down, *If you have the hear the secret of darkness, listen to me ,you become a major object of satanic attack, you need to become used to the spiritual warfare.* I've seen people with this grace, they say why is this, that my own attack is hot, is too much. I *LOUGH YOU DON'T KNOW WHAT GOD CALLED YOU FOR.* THAT'S WHY YOU SEE PEOPLE THAT KNOW THAT THEY WILL LIFT WEIGHT YOU UNDERSTAND THEY PRACTICE AT HOME. People that know that they play soccer they don't eat apple, they have their diet to make them stronger. So, what do you feed your spirit for you to become so stronger?? THE DIFFERENCE BETWEEN PROPHECY BY REVELATION AND PROPHECY BY INSPIRATION. You can prophesy by revelation and by inspiration, what does it mean to say you can prophecy by revelation or inspiration means while I was praying , my private go and GOD give me my insight ,about you, this and this can go to happen to you, go and worming you, So I receive a revelation and I give him a prophetic word based on that revelation, it means that the time I receive revelation is different with a time I deliver you, that is prophecy by revelation. What I am telling is based on what I saw. Then prophecy by inspiration is different, the same time I receive revelation is the same time your given the utterance to speak that revelation. Prophecy by inspiration is all part of the par cage.

IF YOU WANT TO HEAR GOD DO THIS.=If you want to hear *GOD condition your environment* ,look for a praise and worship tape, that you like so much that your spirit likes it, use to condition environment, don't allow the environment to sew or to distract you, choose a many, and your spirit will not like a song for long, your spirit is dynamic, just like physical food, if you eat one food daily you will be tired, that is how your spirit is. It's functions according to faculty, so what's stay in your heart brings ventilation today, it is not about the song it is all about the tune because at that time HOLY SPIRIT will be attracted by the preparation of your heart. That come from the spirit can affect your spirit, Holy spirit can encounter it, not because your song is good no Does it convince it, as long the

spirit needs to affect your own spirit, if the spirit of GOD live from it, on worship environments. And then it is easy for your spirit to hear in it , in a worship environments, for your spirit to be yield on the spirit of the GOD, As you allowed as your spirit surrender completely to the flow a perpetual flow of life that comes from the Spirit of GOD ,then you began to discern the things that are flowing In a river of life, You will see when Satan want to make attempt at you, you will know when darkness has been sermon to fight on the next steps of your life, you will know when your name is given to a hoolock and wizard is contracted to bring injury to you, you will know when it is time to fight, **if you on the flow of that river of life**. Because in that river itself, it is **the capacity of notification**, it is a streamy that bring consciousness, your spiritual senses are activated to know the things you have never learned, things you cannot be thought, things that you cannot study, those things must be handled to you by the spirit of the LORD. The secret is how do you position yourself to hear from HIM. **Condition your environments to access HIS voice clearly**. Theis not about the song is good, but **the issue is how do you tune your spirit to catch the voice of GOD?**

DO THIS BY 3AM AND YOU WILL HEAR THE VOICE OF GOD CLEARLY !!!=Are you aware that at the early hours of the morning ,Let's say 3:00am 4am or 5am at that point your body is not too active, because your body is still in a semi sleepy state and you can take advantage of that because your flesh is not loudly at that point your spirit is lauder, so if you can stay still around that time, even with a sleepy eyes with an inquiry in your heart a question, LORD show me about my business, LORD show me about my family, keep that expectation like PSALM85:8 TELLS US HE SAYS I WILL LISTEN WITH EXPECTANCY, You will be shocked that at interval you will discover that you are breaking into trances, breaking into vision ,breaking into dreams, When you see like that you quickly write what you see. You can take that advantage of that time ,because the distraction in your flesh are law, You know the bible tells us in MARK1:35 HOW JESUS WILL LEAVE HOUSE EARLY HOURS OF THE MORNING TO GO AND PRAY ,There is something about praying at that time where there are less distraction, you will be still enough to pick the voice of GOD, You read this book you discover that most times after praying at midnight ,you usually have prophetic dreams around the time 4,5an these are deep prophetic mysteries .You have to be strong JESUS will not just anointing you ,He will take you through a process a kind of process ,the kind of process HE will take as orders too, until they become discipline, they can walk against pain, just pain on their legs but they can walk against it. Because in this process the flesh will going to suffer, it will suffer, it will cray out.

HOW TO RECEIVE DIVINE IDEA IN YOUR DREAM? =If you can take dream very serious, dream can give you a living physical lay, it can change your destiny, the person that found sewing machine, how he found sewing machine was in the dream. A king came to meet him, he said make sewing machine for me and give him a dead line, that time it was hand people using to sew, in the 18s.So he was trying to make the sewing machine before the deadline. He could not meet up. In that dream, the king sent his army to carry him, while they were going to kil him, he discovered that the spear that the soldiers were carrying to go and kill him, there was a hole, that hole in the middle, that is what he saw and he

wake up. That's how sewing machine was made. Who can now understand dream? It can change someone's life. What can we liken dream to? Dream is likened to be in a net, and the realm of the spirit is like a sea. Inside that realm, there is many ideas. Fish means idea. So, when JESUS said to Peter, go and catch fish, 'That the meaning of catching fish, bringing money out of His mouth. Idea brings finance, if every one of us want to sleep, we are given these nets to dive into a sea of the realm of the spirit, where there are many fishes. Now if you don't prepare your nets, your dream, you will lose it, how many people have lost dream? MANY, you slept, you didn't even remember it again, how do you men your dream nets? Preparing and expecting. **Don't live your life to sentiments ,don't live your life to human opinions, don't live with what will people live and say, provided your convinced this is what GOD says** or feel and this is a right thing to do ,go right ahead ,wisdom is justified over our children ,the product of wisdom confirms the purpose of wisdom, people may not know now but they will see their outcome Leiter, be deliberate be intentional. Finally people have limited impartation to lay on hands ,anointing with oil, but lasting impartation comes through the word, AND THE SPIRIT ENTERED INTO ME WHEN HE SPAKE UNTO ME AND SET ME UPON MY FEET ,Ezekiel2:2Christ was teaching and the power of GOD presence through the word and healing the sick Luke 5:17This is very important ,BISHOP DAVID OYEDEPO encountered the impartation of the spirits of faith through word encounter JULY1976,he WAS ALSO ENCOUNTER The grace of property, through word encounter, through the books of KENETH COPELAND in march 1982,he encounter the grace for church growth, Through word encounters from alter of prayer march1984 and many more, There for be imparted with the grace for impact in ministry, in various ministry and churches ,through the word of encounter in this teaching in the name of JESUS Christ. **DON'T WAIT FOR THE DAY OF BATTLES, PREPARE FOR THE DAY OF BATTLES.** If you faint on the day of battle know your strength is little and not because your battles taught, your strength is little, so invest your time on feeding on your spiritual resources, that will keep you on top of issues any day any time. Don't wait for the battles, prepare against all battles, don wait for the buttle to strike, prepare yourself against the day of trouble, that was a secret of DAVID OYEDEPO GROWN UP. Took the light and feeding on the trial before me, so I can know what to do to dealing with issues, a church where light is giving ,please connect to the light, many have ever reading any book of healing in their life, and they struggle with sickness, Hold your bible ,tell HOLY SPIRIT this is your bible and this is me show me the way ,the time to building capacity your shown before capacity is building it is a risk, **HOW DEEP YOUR FOUNDATION WILL DETERMINE HOW FAR YOU WILL GO.** So deep your foundation, you're the most fatal in your life, build yourself, deep your foundation now. You find me quote different books and authors, The **HOLY GHOST CAN NOT REMIND YOU WHAT HE HAS NOT Toughts** stop waiting.

DIRECTION AND DOMINION THROUGH PRAISE. =Enter HIS gates with thanksgiving and into HIS courts with praise, libra liberality in gratitude, The devil will show you many reasons, why you should be angry with GOD. But the HOLY GHOST want to show you many reasons, why you should be happy with GOD, where you are today is someone prayer point you may not be where you want to be, but somebody is praying to be where you are, your current position is somebody's future aspiration ,let

everything that has breath ,not everyone has a car, not everyone have a house ,breath alone is QUALIFIER FOR PRAISE, is qualification for praise ,because it is in the presence of prayer that's destiny happens, you don't talk about the destiny of a dead man, so it's important, that we praise with grateful heart.

WHAT IS YOUR SIZE IN THE SPIRIT? =WHAT DOES THE HOLY SPIRIT SHOW YOU, WHEN YOU INTERCEDE. That's part of how you know your size ,what does it show you, some see nationals it means they've grown So when GOD want to discuss nations, the effect of what they do affect nations, so when GOD want to discuss nations, it's those kind of people he goes to, because they have the size to handle it, Their prayer can send shockwaves to the foundation of nations can topple governments. If you are going to operate in powers, you must know how to bring every manifestation of the flesh into captivity ,because the power of GOD is not designed to satisfy the desires of the flesh ,you have a misunderstanding with somebody in your office and you want to rile fire on the person, the power of God is not there to stamp your flesh ,to rob a stamp into your flesh ,to endorse your flesh ,the power of GOD is there to endorse the proceeding word of GOD, so If you're going to be someone who operate in the power of GOD, That is the second lesson, the spiritual GYM of the spiritual man is calling fasting and prayer, are you there, in terms of preference A spiritual man will function according to the speaking of GOD and despise the desires of flesh. Hats spiritual man can bring every manifestation of the flesh into captivity.

WAYS TO READ YOUR BIBLE=You must learn how to hear the word of GOD from the bible; bible is the sign point to open your ear to hearing the voice of GOD. There are three procedures on how to get the voice of GOD from the scripture.[1] Breathing [2] by studying [3] by meditation [4] by obedience. These are four biblical keys of engage the word.1TIMOTH4:13 Paul speaking, He said until, I come give attendance to read to exhortations and it will manifest you. If you give yourself to it, it will manifest to it. The first thing is reading give attendance, make a practice of reading the word of GOD. I study the book of KENETH HEGAN. He said how he was seating down and reading different version, and it was a privileged we have right now in our phone. If you study the word of GOD and put it into your heart and make it to become part of you, you will Couse things to happen you will show up to the dead, the dead comes back to life. You will talk and other people will be changing, people will wander. Keep reading the word of GOD The more you read the more the word of GOD become part of you. If the word saturated [it will flow out] and when the word beginning to flow out, creation **is commanded is flow of the word that create**. So, opportunity can create, favor can be created any outcome at all, that encapsulated in the world can beginning to find. But the problem is that ,many are not reading their bible, This is the distraction generation ,YOU ARE SEAT DOWN WITH YOUR PHONE AND WATCH PICTURE 7HOURS ANS IT HAVE NO ANY IMPACT WITH YOUR DESTINY, And you are hoping will tray in the dimension seat down and watch movie for 4days or one week and you want to make impact, because you think it is the function of local chance, when devil show up you will discover the thing before it happening. Ke time to read in depth. Give attendance to exsolution to

read in depth, take time to read in depth, to find out contest and to find those who hearing better in perspective they will show you strategy and they will give you ways to position yourself to hear GOD. If you are engaging the word in studying, you will be beginning to have authorities. ***Reading the word of GOD will give you perception***, studying will give you understanding, either they don't understand, they don't know they are walking in darkness, FOR THOUGH I SAY TO YOU ARE God, because you're the children of the highest GOD. You have created by GOD you have HIS D.N.A. the power to revile HIS dimension refer to PSALM 82. Know that you are created by GOD to receive GOD. Understanding your authority otherwise you will be oppressed by devil. Have a perception of JESUS in you JOSHUA 1:8 The book of the LORD shall not be departed from your mouth. Keeping it in your eyes and in your mouth meditate it on the day and night. Eat the word of GOD. We have to talk scripture wherever we go, you can't see the manifestation of GOD in your life because you don't give the word of ***GOD the position to dominate our hearts, because we don't eat the word, the GOD does not come flesh*** Tous. WHY? The glory of GOD is manifested when the word of GOD becomes flesh, we held his glory in order for the word of GOD to be manifested word must become a flesh, and the way the GOD become flesh is by taking the word of GOD to yourself. When you're talking, the word of GOD in yourself is your eating the word. Then the word will Beagan to flow from you and Couse miraculous life.

THE HEROS OF FAITH AND THE VOICE OF GOD=*If you check the heroes of faith as documented in HEBREW 11 The 80% to 90% came on that list by hearing directly for GOD. Think of moses no normal person will dare an institution a nation as moses did, but he voice of GOD makes you dare the unearnable ,The voice of GOD will make you think the unthinkable, the voice of GOD WILL MAKE YOU MOVE THE IMMOVABLE, When you hear from GOD It irresistible voice, hear what HE said to MOSES in EXSODUS7:1 SEE I HAVE MADE A GOD ONTO PHARAO, GOD told HIM, So immediately Moses knew HIS new status, He didn't approach Pharaoh as a man. He approaches pharaoh as a GOD. Think of it HE was by the red sea and the LORD say why are you crying unto me? Tell the people that go forward, so they sow the red sea and they were moving because you can't resist the voice of HIS majesty, tell them that Togo forward, go forward to where into the sea yeah, and the bible records the sea saw them it fled. The voice of HIS majesty is the cure for the doughty of life, if you can access HIS voice, you are free. You know PAUL said rejoice in the LORD always rejoice and again I say rejoice, He said Rejoyce evermore, I WANT TO KNOW WHAT IS IN JOY, if you are not joyful you can't access HIS voice, without HIS voice you remain a victim. So, rejoice in the LORD and again I said rejoice, and rejoice ever more. The truth is this GOD'S people I hear from GOD every day, GOD speak to me every day, I've never needed anyone to encourage me, that someone will seat with me and say, brother DAVID don't get worried, there is no worry around me. In the presence of the LORD, THERE IS FULLNESS OF JOY, let me tell you this, the devil wants to depressed you so as to rob you of GOD'S PRESENCE. He wants to depress you to rob you of access to GOD'S VOICE. wants to depress you to put you in captivity, you cannot be oppressed until you are first depressed. Therefore, be free from every spirit of depression in the name of JESUS. REVELATION OF JOHN 1:10 **To you when you hear a dog you will say the dog is barking, but to another dog is speaking, when you hear a ship to you is bleating but to another ship***

is speaking. So, you have to be in the ship realm to hear what the ship is saying. In the same way you have to be in the realm of the spirit to hear what the spirit of LORD is saying. This is where our problems are. A carnal mind not receiving the things of the spirit, because is not open to HIM, but spiritual man Neither can, he knows them because it can only be access by spiritual people. Canal man cannot know them. **1CORTHIAN 2:14 BUT NATURAL MAN RECEIVE NOT THE THINGS OF THE SPIRIT OF GOD, FOR THEY ARE FOOLISHNESS UNTO HIM: NEITHER CAN KNOW THEM, BECAUSE THEY ARE SPIRITUAL DISCERNED.** Please understand this, you have direct access to the voice of the GOD! I know my ship and they know my voice; you don't have to be a pastor or preacher or apostle or prophet in JOHN 10:27 MY SHEEP HEAR MY VOICE AND THEY KNOW MY VOICE. You have to hear GOD voice dotingly, directly and unmistakably. Most of us have been hearing the word, but we are not been hearing from GOD. Hearing from GOD is a strong hold of faith, no one hears from GOD and doubt Him, the voice of GOD is the cure for doubt of life, you can't hear from GOD and doubt HIM. No, the voice of the LORD is mightier than the voice of many waters, you can't hear from GOD and doughty HIM, Abraham heard from GOD. Got three out of thy country at the age of 75, He had no problem believing GOD, because he hearing from GOD infuses supernatural faith, you can't hear from GOD and doubt HIM, YOU CAN NOT HEAR FROM GOD AND NOT BELIEVE HIM. You can't hear from GOD and not proving by acting on what you have heard, the strong hold of faith is access to the voice of GOD. So, if we live in the spirit let us also walk in the spirit, so let's learn to walk in the spirit as a life style, walking in the spirit as a life style. You miss GOD so cheaply if you're not walking in the spirit, so if we live in the spirits, let us also walk in the spirits. Some are in the spirit on Sunday. Let us also walk in the spirit. I am talking on how to hear from GOD and not miss your steps in life. You will never miss the voice of GOD I pray. **ONLY THOSE WHO ARE GENUINELY STILL CAN ACCESS THE VOICE OF GOD; SEPARATE YOURSELF FRO THE NOSILY GENERATION.** The voice of the LORD is a still small voice, your generation nosily one, the noisily continue in the Strat, continues to bed, zero moment of quality businesspeople are closer to their phone than listening to GOD.

PART 8

GOD'S VOICE OR NOISE?

HOW TO STAY ALIGNED WITH HIS WILL? Don't get carried away the doctor tells you ,carry the way GOD tells you, and GOD has said be fruitfully, when GOD said be fruitfully, there was nothing that has haven birth before ,He said to the water let the waters bring forth abundantly ,and the water began to give birth to fishes ,began to produce shark ,began to produce all manner of creatures ,he look as a ground has never yielded anything before, He said ,LET earth began to yield fruits ,fruit bearing seed, and the tree bearing seed in them. Out of a barren ground bearing trees growing by the word of GOD. When GOD SPEAKS, everything every medical verdict bows. So don't get carried away with what doctor have said, get carried what GOD has said, just keep obeying GOD. Don't bother about how will

it happen, how shall these things be. NO. Let your eyes be focused on GOD. Just keeping serving GOD and watch what GOD makes of you. *Teething's that changes your life It comes to you privately GOD spoke to Abraham privately on three very dangerous occasion, Get there out of the country, at night circumcise yourself ,then at 100years take your only son and go sacrifice him*, they are own private communication, if you don't open up to GOD you will remain on the same sport forever, what will change your life will come to you mostly private ,as you go to church GOD can speak to you, as you read the books GOD can speak to you, as you are reading a bible He can speak to you, if you miss what HE says you miss your place. He can open new business while you're reading or praying but it is personal to you, look to Abraham and Sarah, I call them alone, I blessed them and I increase them, you must understand individuality and responsibility, you are a person that connect directly to GOD, otherwise you will miss your place. **THE REASONS PAUL THE APOSTLE BECOME THE GREATEST**=One of the reason PAUL'S the apostle becomes the greatest, was because the moment, he was converted, the question He asked is not GOD What do you have for me? The question He ask is what will you have me do GOT? God by his mercies open HIS understanding to see what matters ,you know john was writing in 1john2:15He said I write to you children ,because your sin are forgiven you for His name sake, so if you are still of that level where all you do like God servant say to receive your still a child, unfortunately children are not relevant in the equation ,in the equation of kingdom, as a Father God loves children, he has many children but GOD is not only a Father but you will discover GOD is also a king, and has a king he has a kingdom, you will discover that GOD is a judge ,as a judge HE recompenses his creation, you will discover that GOD IS LORD, He's also interested in ownership, and so anybody who only know GOD as father and all he does is to receive ,will not matter when this world comes to an end. **THE ONLY THING THAT SEPARATE A BEGGAR FROM A KING!!**.You know some of you today ,you are begging for food, mean while there is a dimension of you ,that should borrow to the government, when you go to beg, that your dimension will be angry with you, there are some of you today that are hoping that somebody will dash you money, and so you are doing psychomancy, there is a dimension in you that is a king, that dimension was not designed to beg, but the difference between the beggar and the king is encounter. While you are begging listen to this, while you are begging that king in you will hoping, they should not help you, because the more they help you, the more you remain a beggar. The king in you is the one that is motivating you to seek GOD. *Because the king knows when you come to Zion, He will now be permitted to escort you to earth*. Anywhere GOD sent you ,HE sent you there to let them know ,HE'S COMING, not just the second coming OH, I am arriving prepared the ground for me, to show up, I am sending you to go there prepare the ground, that place prepare it ,I am the one coming, owner of the people, you are not the owner of the people in the ministry ,I am the one to work *the work just prepare the ground for my showing up. HE said I am not sending you for the people to experience you, I am sending you to prepare the ground so the people can experience me, when the ground is well prepared, I will show up. GOD can not show up* because He said you should prepare the way you stood in the way that is what he told Moses, I want to arrive in Egypt, but I want you to go first EXSODUS6:8I AM COMING BUT GO AHEAD, MOSES WENT

AHEAD AND GOD CAME DOWN ,in EXODUS 13:21 AND THE LORD WENT BEFORE THEM, MOSES GO FIRST IAM COMING LATER IS A DECLARATION OF PURPOSE, He said go work for me ,alright LUKE10:1 IS VERY DIRECT. AFTER THESE THINGS THE LORD APPOINT OTHER SEVENTY ALSO, AND SENT THEM TWO BEFORE HIS FACE INTO EVERY CITY AND PLACE, WHITHER HE HIMSELF WOULD COME LUKE1:10 KJV. Is very clear now I am coming but go ahead. If you're sent to deliver your family /territory you must labor in the spirit until this happens, that family you were sent to deliver ,if you don't see that family from the realm of the spirit, you'll be handicapped in that assignment ,some of you are sent to territories, you think that was makes the territories are the roads, and the exchanges bridges ,if you cannot scan to see the altars, that are operational in that place, you don't understand territorial government, you will be a victim of what is going on ,and many times still speaking in tongue, and just in case you want to plant a church in a location, you will be in a haste if you have not yet seen that location in the realm of the spirit to know, how many altars you are combating, how many covens you are combating ,how many brotherhood of darkness are situated in that location, what level of jealousy does Satan does have about that location such that he doesn't want to lose it ,there is something that is stake ,if you don't see all this things ,and you just come to the place and think that church ,is a strategy by which people comes and gather may be on Sunday you about to do something, that doesn't have authority to shift anything in the territory, in territorial business ,we go beyond the surface ,that's how government takes place, and ADAM was created for dominion mandate. Every human being is supposed to be an expression of the mandate of dominion. **CAN I TELL YOU WHY YOU ARE WEAK?** =It's because of the things you have seen, and the things that you have not seen, you have only seen fear you, have only see intimidation, you have only see corruption, but HE say who shall stand upon the mountains of GOD, who shall ascend HIS holy hills, who shall ascend because when you ascend that mountain, you can control things on earth. Men don't change because our message is sweet, men don't change because our message is intelligent, men changes because our massage command change, it compels them, they don't know what they are hearing yet they can't deny it. Spirit speak spirit and life, I say spirit don't speak English so what you are hearing is spirit and life, and when that life inters you, all of a sudden, it is called endue Namo. You mount up with wings. wake up and don't fall for the tricks of the devil. Many years ago BISHOP DAVID OYEDEPO he sat down innocently and here came the devil ,you know JESUS say the price of this world comes to me and found nothing ,and that what I mean ,to Oyedepo comes around to anybody and with a whisper how can you say the devil is not powerful, because where they live ,they were growing up in the village ,when witches are dying ,they confess who they killed, they started mention who killed that person, suddenly light sprang up in me, There is no power but of GOD, I know that power that be ordained by GOD and GOD will not ordain any power against Himself, The Cains left sir if I had no resistance ,I will be a minced meat, please wake up. Stand against devil do not allow Satan to intimidate you. Faith comes through the heart unbelieve come into the mind, so when you are on a journey of faith you must ensure that you take your mind, and there is one way to time your mind, one way what's your .example what is your name?...!stand up every instruction I give you carry out

,count from one to ten in your mind, What is your name, where did you stop in your counting three, can you see you stop counting in number three, that the moment you spoke ,you stop thinking, it means that your **speaking have more authority than your thinking**. When you are the Journey of faith, unbelieve going to try to charm you, and unbelieve will come through logic, the logic in your mind, not the logic you discover from revelation, when it comes how do you kill it? Speak and then speak again so a faith man is a speaking person, the moment unbelief tries ,try to take root you keep speaking you, keep speaking then that mind bending devil will know that I have no place, here he straggled not, so in order for you not stagger, what do you do?=[speak].Speak I refuse to stagger, some of you have already on one leg, you are going down, speak your way up, some of you almost give up that your womb will never carry a child again, speak your way up, you didn't create yourself ,how are you now, you went to meet a human being ,a doctor told You, you can't have a child, You are frustrated Hoh, He staggered not the promise through unbelief speak. SPEAK AGAINST THAT UNBELIEF, use the authority by speaking to your situation.

PICKING GOD'S SIGNAL AS THE VOICE OF GOD. =MORE than 70% off GOD'S speaking to you will be inform of impression, signs, imposes and signals and this is when many Christians are confused, because they are waiting for GOD to come in a louder voice to say your name, threaten loud voice. My son and mention your name, for a life time they don't hear it, and wandering how does the GOD speak to people? how, why are you always saying GOD is speaking to you, because they don't know that the large percentage of his voice speaking are motions of life, imposes they are transmitted through the network of the spirit, and because they don't have the health relationship with GOD, they can't pick it, there are seven of is sign first is called tenazo. MARK 7:33-34,ROMANS 8:23,HEBREWS13:17,JAMES 5:9STENAZOH,and that speaking or leading is the sermons for prayer, so anytime you began to pick a need to pray especially because of your insufficiency know that tenazo is at work ,you going to preach somewhere and you realize your preparation is not enough, so you go to a room ,you need more vocabulary ,more accuracy, because my sufficient become clearing you know you may do something ,where your children are you will be build, then now tell you the governor will watch you when you do it, you will discover that the audience has change, so you will need more competence ,so this type of thing happen when the HOLY GHOST is to worming you, that you're not prepare enough, I want to glorify you but you're not prepared enough, so you need to build up that you feel the same pose is tenazo,the platform which will announce you will disgrace you. When you enter a place and you feel insufficient ,don't worry it is a signal, the HOLY GHOST is telling you ,that you need to add more stamina's the cure is prayer, what kind of this leading, is a drawing from the place of prayer, the moment that insufficient happen ,is not that you're not qualify in GOD righteousness qualify you to stand with GOD but it is telling you that you're not preparing for occasions you need to build up by speaking in tongue in you, that is what tenazo does, and trust me, if you don't pick this signs many time you will be disgrace, after you finish you are now comeback and everything your supposed to say ,you are now remember it when you come down, the reason is because you didn't mount leap, the tanas didn't work for you. So when tenazo come it is an alarm that

be prepare enough, your insufficient will affect you, so go to prayer is a call to prayer ,THE SECOND THING IS EMBRINMAYOMAI and you find that in JOHN11:33,MARK 1:43MARK 14:5 And this type of leading is a start warning from GOD QUESTION YOU on what you should do and what you should not do, this is why you may haven't ten commandment in your head, but if you have the HOLY GHOST on your inside you will walk in accuracy ,because if the Holy ghost is alive in you, he will warn you on the steps you shouldn't take ,infect there are many certain thing you want to say, we sense it as the way of judgment and you will not say .If you have said it already you will not have peace inside, that is another way GOD relies you from inside ,is a caution is a warning ,strict dimension of GOD leading to hell a man to walk in the accrete man who does not have this signal his conscious has been sealed with ion, dump in r the spirit, if your consciously is alive ,you will pick this sign many times in all your walking, interaction and Delligatti's is why a strange Christian operate with that consciously means HOLY GHOST is not alive in his spirit, if the HOLY GHOST is there will be no words that is not checked, there is no action you will take is not check ,this dimension of GOD Leading is like a senso that monitor every decision and every action you take ,and if your health in the spirit, it will be very real to you. And if you find this type of leading is a core to walk circumspectly or to obedient ,the call to a sensitivity anything you are downing slow down, GOD is question you ,that you are about to enter error slow down, so you may not pray when you hear this type of leading but wait and check judge your action and again, verify everything you want to do and check you preconscious your intuition is your action pure, many time as you are check you discover either your action is not pure or you are about to make aner row ,that is why GOD come like that, there time you want to tell your wife something you will feel Emba mayo this thing you want to say but it Hort your heart and it is not consistency with the character of GOD, There are time when you want to go somewhere to play a game, you will notice movement ,you are not sin it, but GOD is against it, if you pick this type o leading you will be accurate, so the way to respond to this one ,it may not be prayer but to slow down, in fact anything you are doing stop and examine yourself, find out what is wrong ,what is about to do wrong and you will be corrected, The tried one is TARASO JOHN 11:33,JOHN5,4,AND 7,ACTS 15:24,GALATIANS 1;6-7,mark 6:50 This type of leading is cousins and agency to avoid danger, the different between EMBRAYOMAYOMAYO and TARASO,is that ebramayomayo is a caution against error while taraso is a caution against danger ,so taraso comes in formal of fear while ebramayomayoc comes with reverence, so one guide you from error and another guide you from danger to take a steep and you feel that movement is also very strong ,it means what you are about to inter your faith is not enable to handle it, somebody can enter but his faith can bring him out, but you have not build your faith to that level. One day APOSTLE MICHAEL ORAKPO one day he was going to preach, there was signal, but I said we are generals, and I went to the Jurney five minutes into the air, plane started falling, have you been in a plane started falling before, may you never be there. But this time the HOLY GHOST check may be I was not meditate scripture for a long time ,may be my spirit was weak, He said don't make this Jurney ,don't mistake this Jurney ,I heard the sound but I went ahead ,I neglected Taraso ,and when we enter the flight plane started fooling ,If you see Taraso the only

reason you can go ahead like I said you must pray until you receive a note of victory, if you don't receive a note of victory and you move the only way you will be saved is by grace of GOD. Trust me if the mercy and grace of GOD doesn't show up there, I will have died, the pilot HIMSELF SAY IT IS A MERCE, ever body was shocked in that plane and confused. You want to enter a business you sense there is a danger that is Taraso don't going to that business, the only reason you can go to that business is if you pray through and you receive a notice of victory. A NOTE IOF VICTORY is a leap of GOD in your heart and bring ventilation, in terms of joy or assurance that thing happen what coming is that you have battled that matter and you have overcome, but if you don't receive the note of victor don't go you will die, if you won't die it is a Merce of GOD because Merce of GOD prevailed over judgment. So Taraso is the strictly warning of GOD emergence to you to avoid danger, The last thing is PAROSUNO ACTS 17 :16,STERING this is the word evangelist like, you will find that in ACTS17:16,also in JOHN 5:4-7 Do you remember the story of the pool of Bethesda you find out there, So that one is the move of the spirit your heart relies power for sign and wanders, there are times when you want to walk miracles, because you have faith for miracles, you can walk miracles, when the spirit of faith is at work you can manifested ,for example if someone tell me he have pain ,I don't need to think ,I just rebuke it, if you tell me you have a throat in your body I don't need to think I will rebuke it, if you tell me you can't hearing well I will not need to think ,I will rebuke it ,do you know why?=It because I built my faith beyond that level, but if you came to me now and tell me That ,I have cancer of the skin, and I have no faith for skin diseased ,and I sow healing ,somebody have a skin problem ,I DON'T KNOW HOW I START PRAYING So if I am in a public and say you have a skin challenges, I may tell you let trust GOD. Now their issues faith has concurred to deal with them in JUDE1:20., In life the important thing to consider is to know how to access the voice of GOD and that is to access the voice of GOD. There is different level of faith. JUDE1:20 THE BIBLE SAY BUILD UP YOURSELVES ON YOUR MOST HOLY FAITH PRAYING IN THE HOLY GHOST. Your faith can be in different level ,even at the height of micro phone, maybe Couse of family problems, because of lack of money you counteroperation that level, there are people they have big faith but they operate low, they Qu role with some body, their conscious is not right, when you pray in tongue what happen ,your faith doesn't increase by prayer, faith come by hearing the word of GOD, But when you pray it jack you up and help you to operate in level of your faith, so if you're not pray for a while the thing that you can deal with by faith it will start reducing ,because you decline on the ladder of faith, so if your level is on that level there are certain thing you cannot handle, anywhere you go you can handle those thing by faith, and you can also handle things by the anointing sometimes you can go somewhere your faith is law and your anointing isa law, hat is where you need this operation of the Spirit, I peroxisome does not show up you're in a trouble. So what happen is that at some point you are being leap in your spirit, commanding blind eyes will be opened, you not the one is HOLY GHOST moved on your inside, at that time is not your faith at work ,it is not the anointing is a MOVE OF THE SPIRIT, So when you sense parocusumo you need urgent response ,because if you don't respond immediately that atmosphere will close, and if closes because of the level of your faith is not enough, you will talk and it will not happen again, that is why some

people are confused you see them on the altar they sat they heard GOD, there somebody with concerning will be healed, they declared but they didn't declared when the window was opened, because they don't know how Para Junor works, it is not your faith that your spending from and it is not your anoint you are spending from, you are spending from instantaneously leap of the spirit, so what parajurnal ,it require object response, if you respond immediately you have the answer, and this is one of the things that make many people archive extraordinary result ,tis are intangible but undeniable perception of the spirits that brings victory to a Christian.

THERE IS A REASON WHY YOU CANT HEAR GOD'S VOICE.=But no one is entitled to next instruction until he has obeyed the first as we saw in example of ABRAHAM and moises GOD will give an instruction ,you obey that one ,before your entitled to the next one, some people will wander, why am I not hearing GOD speak to me? because the one he has written have you obeyed it? The one that spoken to us in services have you obeyed it? **Until we obey the last we are not qualified for the next**, so we must get committed to obey whatever it is that GOD has spoken, The things that GOD has said to us, GOD has showed to us from HIS word in order to get the next instruction, it is the act of obedience that produce our change of level, I see you receiving grace as you read this book to maintain a life of active obedience in the name of JESUS CHRIST.

HOW TO BREAK FAMILY LIMITATION? =The word of GOD is what help you to break the limitation on your family, find the voice of GOD which is might in power to overcome limitation. If you are going to rise, you will need power, some people don't understand that for them to make a difference in life they will need GOD'S power, because you are dealing with the giant that conquered everyone in the family, in your blood line, your father came tried to be something ,those power silenced him, your uncle came and tried to be something ,immorality silence him, your mother came she tried to be something in life gossip finished her, So now you ,you yours're saying I am going to start something ,I am going to put an end to this and entities are there laughing, saying your mother sounded exactly like you, your father said the same thing you say, to cross line of the families, you need what they did not have, To break records of a families you will need what they did not have, to break chains in families ,to break barriers in families, you will need what they do not have, certain things must end with you and as a Christian you have an advantage. **THE EASY WAY TO ATTRACT GOD'S VOICE EASILY:** =No body has the right to inter into God's presence without the songbook's song is an invitation that GOD cannot refuse, remember every song you hear is the invitation to spirits. If the song is not for GOD, it invites demon. So, the easy way to attract GOD'S voice in your life is through songbooks song is an invitation that GOD cannot refuse, if you want to mesmerize your enemy and dazzle your enemy and to weak your enemy you rise a song unto GOD. Men and brethren, all the gates of heaven they open at the command of good song, anybody who knows how to appreciate GOD, celebrate GOD and thanks GOD nothing dies in his hand. So, JESUS GO TO THE GRAVE OF LAZARUS AND BEGAN TO GIVE THANKS. And the decomposed LAZARUS become recomposed LAZARUS. One of the big secrets to know GOD has answer your prayer is that, GOD will give the song inside you as a confirmation to your

prayer answered. The song will come automatically in you related to the things that you asked GOD during prayer. The song will come automatically in you.

HOW TO OVERCOME STRESS AND FRUSTRATION? HOW TO BE IN A GOD PRESENCE?=*The best way to be in GOD presence switch off your phone, silent everything around you ,just listen to a worship, you don't need even to be praying ,you can seat down ,you can lie down or you can just kneeling ,but just play a worship in your presence ,that's where I am strong or a message there, don't rush to your business, don't rush to the job, rest stay with GOD first, before you apply for anything ,you have trying the bossiness is not working call yourself back say let me wait for GOD, let me be in his present ,ISAIAH 40:31BUT THOSE WHO WAIT FOR THE LORD SHALL RENEW THEIR STRENGTH; THEY SHALL MOUNT UP WITH WINGS LIKE EAGLE. THEY SHALL RUN AND NOT BE WEAR, THEY SHALL WALK AND NOT FAINT[NKJV].Many Christian don't practice waiting that's why get frustrated ,that's why they faint, that why they give up, so meaning if you practice waiting before the day of fainting you will never faint again, yes you keeping on charging the phone you will never experience empty battery, witches they are calling ,all these wreaked people they know how to wait for Satan ,It's only believers that are run then they now calling ,I'm ready front ,so come and join me. 'Who is supposed to lead who? When you are waiting, you are waiting for the leading of GOD, SO GOD WANT THE CHILDREN OF ISRAEL HE SAID'. "AS WE'RE GOING TO THE PROMISED LAND, 'HE SAID YOU WILL, I'M LEADING YOU WITH TWO THINGS; The cloud and fire, then a fire for the night and the cloud for the day. The bible says whomever the cloud rest on the ark, they know it is time to rest, they don't move, until the cloud lift before starting moving, so why are moving ahead of GOD??*

THIS IS HOW GOD RESPONDS TO YOUR PRAYERS. When you pray what GOD does ,He sat down with the counsel that is in his will ,and his will come to serve HIM, He has a will he want to accomplish in your life, when HE look at you and see the state of your heart ,the person who pray and the word he pray, so GOD will answer you the way you are. And the way you are is different on what other person is You can but not differentiate a person that praying and his word it mixes together,

THE POWER OF PERSISTENT PRAYER;=Ask witch doctors they will tell you, ask witches they will tell you, They fear the Christian that can be praying in 10minutes every day or 30minutes everyday consistently ,than the one that pray five hours today and should take one week ,two weeks ,they ae scared of such people the persistence prayer warriors, not the timing ,the persistency ,be more interested with someone that don't have anything but his persistent is something good than somebody that have today and not persistence in anything Couse what we lack is not gifts, what we lack is not skills, what we lack is not abilities. What we lack is persistence, what we lack is not prayer, nut persistent prayer that is what we lack. Also, what we lack is not effort but persistent efforts that we lack. Because life is not a sprint, life is a marathon, when it comes to marathon you need endurance persistence and consistency, no tree no seed can bring fruit until you keep it. Your gift will

never bring fruit until you keep using it, keep developing it, keep applying it. Persistence never fails. Don't see yourself as a confused person when you are persistent .PERSISTENT is the act of being diligent in everything you are doing .so if somebody should come to your life and check you and discover there is nothing good that you are doing persistently .They should not expect anything good from you, but be worried when you see somebody being persistent in something good respect that person.

PART 9

HOW TO KNOW GOD HAS ANSWERED YOUR PRAYERS? =

While you are praying, a song just come to you, know that GOD have answered you, yes you are praying you have been speaking in tongue, all of sudden a song come to you and you just feel excited. He HAS answered you. GOD confirms answer of prayer through songs. So, if you enter heaven now it's only song you hear. So for heaven to interfere, they send you song to show you that they have come, It's a sign ,A sign in heaven ,there angels, they are all singing, HOLY ,HOLY, IS THE LORD Almighty's keep on doing it, They bow down the 24 elders. So that that is how GOD Confirm it you want to know if GOD have heard you, if there is a battle, there is a trouble you don't need to see the good report to be excited, You need heaven's reports, and that is the songs you get in your spirit while you are praying ,that is the song you get in your spirit when you wake up in the morning ,and that is the song that GOD have given you for deliverance when you are singing that song now, is it's not just normal song. It is more than a song, Others can be singing it, it is a song to them but for you it is more than a song. When you read the book of EXODUS 15:1 After they finished cross the red sea, MIRIAM, AND MOSES AND AARON SANG A SONG. EXODUS 15:1 THEN MOSES AND THE CHILDREN OF ISRAEL SANG THIS SONG TO THE LORD AND SPOKE, SAYING." I WILL SING TO THE LORD FOR HE HAS TRIUMPHED GLORIOUSLY! THE HORSE AND ITS RIDER, HE HAS THROWN INTO THE SEA! [NKJV].so they singing from understanding a prophetic song. Even if there is a battle you had and you were praying about that bad report, once you start hearing a song, The hearing the song that is a song of triumphal song of victory. So, as you read this book, I pray to GOD to give you a song of victory in JESUS name. There is one thing you have to understand about the secret of life. **WHEN SATAN ATTACKS YOUR HEALTH, HIS GOAL IS TO CRIPPLE YOUR ABILITY TO BELIEVE GOD! =**When Satan attacks your health, that's is not the worst thing you can do, it is your heart he wants to attack, it wants to cripple your ability to believe GOD., Because when you begin to believe GOD, the power of the most HIGH is channeled in your direction. There is power in weight of power so dose of power release perpetual to you to sustain, that substance in your heart ,that your conviction will be perpetual, it means GOD has decide to face, He is attending to you ,he cannot let you go, because it is a project, but if Satan strikes he pierces that heart ,there something some human being will do will affected you ,and you are feeling it in your heart, the pain hurt run back to intensive care unit, you are at risk of losing your pregnancy, let them

put ,put you ,use UV light to shine on it, shine on it, AH, then you'll be healed from inside, please help me preach to neighbor Satan will try to attack your heart ,Satan will attempt ,Satan will attack your heart .You have to protect your heart more than anything in your life, protect your faith. **HOW PEOPLE GET POSSESSED BY DEMON?** =You have to know your enemy in order to win the battle, there is demon that live in people they possess there are demons that follow people; they monitor, so they just go around you, they operate oppress and there are demons lives in the atmosphere for influence. There's influencing demon is oppressing demon and there are possessing demon, when there is a demon possessing you somebody else can cast it out, but when it is oppression no one will help you .When you are under oppression body will pray it out, it is the anointing in you that will break that oppression away, there are some spiritual husband you don't cast it out because they don't live in your body. Who do you want to tell, you can't tell a doctor, doctor cannot help you, if you tell your pastor, your pastor prays for you, he does not chase it away. Your dying in pain, You will scare to sleep because of the magma I will look to the hills, where comes my help, my help will come from man, help will not come from man that time, help will not come from sister or uncle ,it can only come from the anointing in you, when oppression is after you can be seat on your own ,the voice will talking to you, while your alone, it will remind you why you should cry and telling you that you are a failure, everybody at home enjoying themselves but you your just in your room you crying for no reasoning, you are pitying yourself that is oppression ,what break the yoke of oppression is anointing is already in you 1JOHN2:7,It says, But the anointing WHICH YOU HAVE RECEIVED FROM HIM ABIDES IN YOU, AND YOU DO NOT NEED THAT ANYONE TEACH YOU BUT THE SAME ANOINTING TEACH YOU CONCERNING ALL THINGS ,AND IS TRUE ,AND IT IS NOT LIE ,AND JUST AS IT HAS TOUGHS YOU, YOU WILL ABIDE IN HIM.1john2:27,You do not need anyone to teach you ,any one to cast out that demon that spirit away but as the same anointing teaches you ,concerning all things, it is true and not a lie, as he was taught you it is abide in you, that anointing in you is what will set you free from oppression. **THE AUTHORITY TO CAST OUT DEMONS** :You can say to demon out and it will go, Daniel and Elijah as powerful he was ,moses as powerfully as he was ,all these people ,they were very powerful but they could not cast out even the smallest demon in the list of demons, because authority was with Satan, so the weakest demon self, they don't even hear prophet ,one benefit of the death of JESUS He give you legal ground or authority ,that is why JESUS WAS NOW STAYING ,The new believer are greater than the prophet ,the prophet ELIJAH'' Are you surprise that you are greater than Elijah that called fire? You are greater than moses had David red sea ,you are greater than DANIEL, The man that enter lion death teeth, there is power they don't have authority, when JESUS resurrect ,HE didn't say all power been given to me ,'He said all authority ,so what devil was holding against mankind is not just power is authority MATTHEW28:18 THAT'S THE FIRST STATEMENT THAT COME OUT OF HIS MOUTH, AND JESUS COME AND SPOKE TO THEM ,SAYING ,ALL AUTHORITY HAS BEEN GIVEN TO ME IN HEAVEN AND EARTH.[NKJV]So what Jesus went to get in heal is authorly, Couse ELIJAH ,ELISHA, MOSES you saw that these people are very powerfully ,moses was superior in power, the saw him divided the red sea ,that is power but if you give that person who possessed of demon to moses. He can't cast the

demon outcourse Moses don't have authorly, Moses have power. Everything JESUS did, the prophet did it ,the only thing that JESUS did that was different was casting out demon ,because you need thirty-three **IS A WAR TO FIGHT ALWAYS AS A CHRISTIAN**=I told somebody ,I said the person come to tell me ,said get attack whenever ,I sleep ,I said no that is not attack ,I said there is no realm you will reach as a Christian where there will not be confrontation'. Because the bible say We wrestle, it is not because your weak, not because you did anything wrong, not because you have offended anyone, the bible say we wrestle not against flesh and bloods every believer was born to wrestle. Even if you overcome the devil of this level, there is another devel for another level. HOU WALK IN THE FLESH WE DO NOT WAR AGAINST, SO THERE IS A WAR AND THERE IS A WRESTLE. there is a wrestle to fight, and there is a war to overcome. You say you get attack every time, it is not attack, when you are before a wrestling match and you don't know that there is wrestling, to you it becomes an attack, but when you are **aware you will know it is a fight, it is not a sudden attack**. There is an announcement of wrestling,2CORTHIAN10:3 HE SAIS FOR THOUGH WE WALK IN THE FLESH, WE DO NOT WAR ACCORDING TO THE FLESH. 4FOR THE WEAPONS OF OUR WARFARE ARE NOT CARNAL BUT MIGHT IN GOD, FOR PULLING DOWN STRONGHOLDS. The secret of life is to know you are in a war to fight against devil. You have to be strong enough to fight it. **HOW TO REMEMBER YOUR DREAM?** =This is how to remember your dreamboats if GOD, notice now that HE'S only sending you dream and you most wake up you don't care, you just go out, your daily activities will stop sending prophetic dreams. Pray in the HOLY GHOST. Don't try to get it with your understanding. No just pray in the HOLY GHOST and let it go. It will flash back on its own. It will just come like a wind. Have you ever experienced it? Your dream coming like that? Alright so, sometimes when you are praying in the spirit it can come and sometimes during your normal day activist will come like a thief in the night. So how do you prepared for dream so that you will not forget your dream? Meditate on your bed, meditate GOD'S word if you really want to get dream from, this meditation, will help you once you wake up from the sleep or before you sleep meditate within your heart. PSALM4:4BE ANGRY AND DO NOT SIN. MEDITATE WITHIN YOUR HEART ON YOUR BED AND BE STILL SELAH .[The word selah means think about this] [nkjv].Then number two prepare to meet your GOD, how do you prepare to meet your GOD.PSALIM100.INTER INTO HIS PRESENCE WITH THANKS GIVING AND TO HIS COURT WITH PRAISE ,BECAUSE GOD ARE MANY NIGHTS YOU WOOL OR YOU GOLU OR YOU MELO, But if you want to get revelation ,prophetic dream, you can program it for 21days.You're doing a lot of praise. Make sure your joy with his kingdom. **WHEN GOD SPEAKS THE DEVIL FIGHT TOO.** =Remember that every time a good word from GOD comes to you there is always prosecution waiting for you. Every time the prophesies come to you, it is not GOD IS DELAYING, IT'S that every time GOD speak, the devil fights. The devil is not interested in you if you have not spoken unto you concerning you, He is not busy doing nothing, He is busy looking for a person GOD want to speak about, if you are wise, you don't tell even your good dream to everybody. Your dream should be a secret. Some of you are very careless to open your mouths, to open your mouth and starting saying ,In my dream, I saw I build a house 'You are telling some people your dream ,1timoth1:18 THIS IS THE CHARGE I COMMIT TO YOU ,SON

TIMOTHY, ACCORDING TO THE PROPHECIES PREVIOUSLY MADE CONCERNING YOU, THAT BY THEM YOU MAY WAGE THE GOOD WARFARE.[NKJV]. Meaning prophecy provoke war, prophecies stir up affliction and prosecution., when did Joseph brother hated, JOSEPH came to them and say, I had a dream and in that dream, I saw myself gathered chaff. You gather your chaff but I saw your chaff bowing to me, and they hated HIM because of his dream, vision, dream, prophecy stir affliction. The moment JESUS receive a prophecy; the devil left HIM before He as busy on HIS own until the day was baptized. And heaven looked and GOD said everybody heard kingdom of darkness had it, this one is my beloved son in WHOM I AM WELL PLEASED. So, there is always an attack come because of prophecy, because of the honorable grace GOD have given to you before you were born. **HOW GOD SPEAKS TO US?** =GOD speak s to us through the HOLY SPIRITS, REVELATION OF JOHN 2:7. Now these are the three main areas that HOLY SPIRIT or THAT GOD SPEAKS TO HIS PEOPLE, DIRECTLY THROUGH THE WORD, THEN THROUGH THE MINISTRY OF THE HOLY SPIRIT. Now how do we connect with this, God is speaking all the time to your spirits runs a 24/7 system, but you have to tune it before YOU here HIM, *the tv set is working all the time but you have to tune in to know what is going on there.* GOD is speaking all the time but how do we tune in to get there? Access to the voice of GOD is the strong hold of faith, the voice of GOD, MAKES YOU DARE THE UNADORABLE. The voice of GOD Makes you think the unthinkable, and the voice of GOD makes you move the unmovable, the voice of GOD is the cure to every doubt of life, Your faith and my faith stands to be shake if it is not rooted in the voice of GOD, **IF YOU CAN HEAR FROM GOD, THE WORLD WILL HEAR FROM YOU**, there for sat tension to the word of GOD to access HIS voice.

DON'T LEAVE YOUR PART FOR GOD, HE WON'T PLAY IT=You have 75% responsible for your spiritual development capacity training. One day BISHOP DAVID OYEDEPO come from a trip in America he brought many books, boxes of books. Value for knowledge is vital in developing capacities have a walk through labral in his house not shelves, walk through, you find book that are expensive books. STOP WISHING TO BE A PILOT GO AND TRAIN, *there are many people who want to fly and passion of flying* but won't train., don't live your part for GOD HE WON'T play it, **The HOLY GHOST WILL NOT REMIND YOU WHAT HE HAS NOT TAUGHT YOU AND YOU CANT COPY AND COUNTER**, it is better to have one, you can't build your faith watching nonsense on you tube, reading deadly newspapers, so if you play away your youth you will bite your finger in OLD ages.

THE POWER OF WORDS AND LETTERS

Listen be so conscious and intentional with letters. Learn letters, master letters. If GOD SAY USE THE WORD, YOU HAVE TO MASTER LETTERS. Never use word like I'm unfortunate. 'don't use word like I don't think I can make it, 'don't use words like, I feel frustrated. I feel like the world is turn against me, you must understand the puzzle of scripture know when to use words, do you have car? Not yet not know I don't have. NOT YET, NOT YET. Being smart on use words, HOW ARE YOU HOW DO YOU FEELING NOW? AND THE BACK IS STILL PAINING AM STRONGER THAN USE TO BE. Because it's letters

that arrange your life, if your mis use the letter, is like misspelling. That is why it is called spell. Spelling every word, you are using it's a spell you are casting so you must be a master of words, master of letters. What they say to JESUS? 'HOW DOES THIS MAN KNOW THE LETTERS. HAVING NOT STUDIED?' It was not his utterance or HIS charisma. He knows how to use words, that is the power of JESUS on earth. It is bishop DAVID OYEDEPO went to, in that time when all African pastors travel to the western world and behaving like beggars, we were in need keep give us money we want to send to Africa, in my church they travel one-time, WHITE man ask him DAVID WAS YOUR CHURCH HAVE NEED OF MONEY? Anything He said, 'WE ARE NOT IN NEED' 'We reach out people to people's need., Think "we reach out, we are not in need to ministry. We reach to people's need." He knows how to use letters. The spirit talks to us through thought, it can be either angelic or demonic. How the dead communicate with the living. Demon can use that strategy to get a person. Do you know how many people that were killed that they are looking for vengeance ?If you pass a grave yard and they know that you are a seer, you hear, they will follow ,some of them ,their spirit is looking for who will minister to their family for them, familiar spirits, want to deliver messages .So now they are looking for those that have access. If I pass where crowd are a mall is a problem, so it comes to me like, I will just be sad because everybody's spirit is pointing, they know you. They know you can hear, okay. now all spirits want to talk to you, this is why people go to mediums. They will be telling you, your uncle says, your grandfather said. 'That's why even some of you don't even you are hearing them, the truth is that you are hearing them, whether you like it or not, they can be telling you something. If you are sitting in your house now. You hear it, and you don't remember somebody. You remember this man or you, while you are sitting in your house, you start remember all the bad thing, he has done to you, you started feeling like, I wish this thing can happen to him, I would do HIM. This thought is the voice of demon to you. So be carefully on your thought. Any negative thought rejects it; it is a demonic. You can hear demon if your thought is not connected to the word of GOD, measure every thought by scripture.

GOD WANT TO SPEAK TO YOU. HOW TO HEAR GOD VOICE? =God want to speak to you specifically, we have to pray for understanding to know when GOD'S speaking, is very important, because sometimes we said 'I FELL'. Something told me, something ministered to me, I got sign, those are GOD'S word, that are coming to you for a specific reason, but you don't understand GOD'S spoke, when you hear somebody stand up and speak. GOD JUST SPOKE TO ME; You are looking like!!!!The only different between you and that person is what ,I call understanding ,the person you have understand on ,that is HIS voice, You !! you have been hearing it, but you never understood that's why, Not that the person is more special or is more spiritual or more articulate. He just has more understanding, because the same voice is talking to you, but you're not understanding it, but now the person that understood it. Said GOD just said we should do this, then you will now be angry. GOD why are you talking to others, you are not talking to me? God, are you partial? Are you being racist?

THE VOICE OF DEVIL IS FEAR. =Devil use fear to catch person, Before the devil attack someone, first spirit he always sends to open the door is fear. Once fear open the door, other things can come in, no matter how big and swollen you have in your body and big like giant, and you are scared of a small child, that child will beat you. *So, fear does not care your size, your, ability your skills once you open doors for fear it shut everything down. IT'S like a switch; fear paralyze your abilities. You can be so skillful, intelligent, powerful, favored, beautiful. Fear trap GOD'S ABILITY IN YOU, it can trap your potential, that's why I say the fear of a man is snare, is a trap, we have not received the spirit of bondage to fear, bondage is as a result of fear, just as if GOD want to do anything in your life, faith goes to open the door for other things to come. So also, if the devil wants to do anything in your life, he brings fear.* Not the fear of GOD, but HUMAN FEAR, SATANIC FEAR, spirit of fear 2TIMOTHY1:7FOR GOD HAS NOT GIVEN US SPIRIT OF FEAR, BUT OF POWER, AND OF LOVE AND OF A SOUND MIND. [NKJV. Spirit of fear, that is the devil gives before He approach poverty, sickness, delay, setback. All these things are caused by fear. You have not received the spirit of fear, bondage to fear, but you have to received, the spirit of GOD that cries in you "ABBA" FATHER. I'M praying for you; I counsel that spirit of fear to you. **THE PRESENCE OF GOD WITH YOU:** =Eat the word of GOD, read it meditate it, do it for a long time, after a while you discovered even you are molecular structure will be beginning to change, as the word enter you, it will mandate you first, it will transform you first, and then it will began to invigorate you. You can change your word. Eat it is just what meditate is all about, and if you do after a while. Then the word beginning to talk to you. That is when obedience is requires. Because as you engage the word a point will come the word will beginning to engage you. **So, you wake up and GOD speak to you, that is the voice of GOD to** you. The voice of GOD will start firstly from the bible. The voice of GOD can speak to you through the scripture, how do you value the scripture, because as you engage the word a point will come the word will beginning to engage you. So, you wake up and GOD speak to you. Go and give that man two million. You will say LORD is that a demon? I just made 2.1 m you didn't ask me to give one on top, is it true I should give? You just have light., your light. The more you know the more you become like HIM. If you allow it, the point will come, the material body will be materialized. When Holy Spirit upgrade you, the time will come when you will start to became aware. The power will flow because of the word you have, if you lay hand to the sick you will recover. You lay hand on business, it will prosper, you will just be aware and recognize. You will become aware, just because the word is doing something inside you.2coritho5:17 Be hold, be aware, everything has become new. It is a level of illumination, when the word just starts coming to you, you will discover, your life style upgrading as you start becoming aware. The more frequence you become aware the more upgrade you will be. You will understand even in your hands there is power. JOSHUA1:8 Combining to doing what is written there. He didn't say GOD will make you are way prosperous, He say he will make your ways prosperous, you will have good success. That is when tray once life come in. You must master the art of obeying the word of GOD, so if you engage the word then the word engages you, and the word began to engage then you beginning to be the word. This is the first dimension of the ministry of the word. Now as the word beginning to come to

you. You will begin to see the manifestation that follows. What to do is to sharpen you are a receptacle to receive more that is where the art of receiving the word of GOD comes in, it will take a lot of spiritual intelligence's keep receiving the word of GOD, some ask to do with the venturesome has to do with prayer, but it will take some spiritual engagement to continually receive the word, For example JAMES1:21 One of the ways to see the word of GOD, you obey the word of GOD and you receive the outcome. You now begin to position yourself to keep receiving. JAMES1:21 There is also the demand for Meekness. There is a dimension of the word will not come to you until you sustain some level of humility. Because if you become the high minded, the word will stop coming to you. Then you discover that reading meditation, studying will take you to a level but go around to your character to become to a receptacle which word will be transferred to it. So, you will discover that to be transferred to it. So, you will that to transfer from the physical engagement to spiritual it is a transformation thing. So, when people try to offend you or try to undermine you. Instead of responding in the flesh, you now know that when you activate fleshless will dwell your senses, so because the world will show them you are a big man. You have a car of expensive car you want to show you are big but remember it is a receptacle of Meekness that receives the word from GOD. You celebrate them and let them go. Meekness has come an antenna, and you need that to make progress, are you see the way GOD make you Trayon's GOD is also transform at the same time. So, after a while you are beginning to see people look like you, and when they see you, they will see the GOD who is in you, Eventually you have become like your GOD, and all of that is tied to receive him, when people living in the flesh they are masters. When they have to do with the word, their realm is illuminated. You can't walk in darkness and prosper. job29:4 by light, I walk through darkness. When the secret of GOD up my tabernacle by light, I walk through darkness, so when you see men prosper regardless the circumstances the word coming to them. Level of illumination. The level of diagnosis experience and revelation you can live in the realm. Do you know what it means to change the economy of a nation. He knows something you enter the level of Paxinoses; you are life become an excellent flow of internal river. When people tell you that, your business will fall, tell them no they can't fall. I know something, based on what I know this business will never fall, as you study this faith subject. There are two brought of faith dimension. 1. The Abrahamic dimension and the second dimension are the faith of the son of GOD. These are the two modalities of walking in faith. The ABRAHAMIC dimension necessitate that you trust in GOD, and GOD does the work. It is behind found it. In ROMAN4:1 HE BELIEVE GOD AND it was counted to him righteousness. GENESIS 15:5-6. He didn't come from his problem he faces; He did not pay a tension to the problems but he focuses on GOD'S ability, that is the principle of Abrahamic faith covenanted didn't consider the womb of SARAH is dead but he face GOD. The ABRAHAMIC order is calling on GOD and GOD answers. But when JESUS come, he upgrades it. You are not design to call on GOD, but you can always cooperate with GOD through CHRIST Jesus. When you have problem talk to problem. Talk to GOD. ABRAHAM teach as to talk to GOD about a problem but JESUS advance it, that use the authority you have to tackle the problems. Now you must use the authority you have to talk the problem or the mountain before you. Now days

you rely GOD'S power from your spirit through the name of JESUS in you. You see it a growing in spiritual dominion. These are sure ways to living tray fancy, engage the word, *ask yourself how frequency do you hear GOD? If you don't hear GOD frequently, you are talking a lot of risk Because it is danger to be started and GOD did not speak on to face that circumstances of life. But when you hear you become a master of circumstances you missing the proceeding words it will become a problem.* Because it doesn't matter where the word finds you, it will take you to were you have to be. The bible says concerning JESUS in PSALM105:17 Until the time word comes, He was imprisonment until the time the word of GOD came, that your tray fans life in chain will be break. The chain is not your problem; the problem is bareness of hearing the word of GOD. Your hardness is due to the lack of Hearing the word of GOD in your liceities word come to you, you will see how the weakness of chain is, it will be cute off, until the time the word come, they say the king tell us to lose you. How could the king come into the scone, it because the word come, and instantly the man who live in the prisoner come and seat on the chair of senators. JOSEPH the man who living in prisoner and become the keeper of King house and you are wander what structure is that, you can't explain it, the word is a structure. JOSEPH become a prime minster. Until the time the word comes, this is when you are word come tray once life beginning was putting in the chain. The Cain is not your problem; your problem is a bareness of hearing the word. [voice of GOD]. if the word come, the king will sent people to lose you chain. A man who was living imprison become a teacher of senators' man from prison become a keeper of king house, and you are wandering what structure is that? You can't explain it; the word will structure by itself. So, you can move from prison to palace depending on what you have heard, People around you they cry about the chain but the chain is not a problem, the problem is that you are not hearing. News will come from heaven the moment the word touches you, you will discover you are progress will come constant. Did you read about the SIMON. The man who believes the promise of GOD, you must ask GOD about your course to know what is the purpose of your life, before you die you must make sure you give all GOD has given to you. You have to finish the course, there is so much to do, so I will finish before I go. This vessel must be empty before we live this world. I have to finish my course, and if I have not finished my course cannot die, and because of that awareness of death can stay somewhere even death goes back. Did you not read about Simon. The man cold not die because he was aware, He is a custodiam to his generation, the moment he carries JESUS, He says now my eyes have seen the salvation of otherworld can go in peace, and your life start moving from one level to another level of GLORY, and that is the manifestation of JESUS in you. The manifestation of faith in JESUS Christ, the just can live by faith. [faith sensitive] everything becomes new. Don't think what happen to you are bloodline or your class. Kingdom family Moses made impact, Paul made impact in the family we come from, we a power to lay down our life and take it up again. You can't kill me, that is the better way to think, but they say everybody is poor, you say but not me, Christ become poor for me, I am rich in Christ. We don't function by look we make things happen. The sign shall follow those who believe. They shall speak in new tongue they drink anything it shall not hate them [we are invisible] scorpion and snake cannot harm or hate us. We made things happen. Be born in the

spirit we are like a word, my mentality is changed, If I sell clothes or pure water, it shall be global because of the HOLY SPIRIT. **THE ONLY WAY TO INTER GOD REST IS TO HEAR HIS VOICE**. You can't enter in a dimension of rest if you are not able to hear the voice of GOD. The best way to win this life is to be able to hear GOD'S voice.

THE PRESENCE OF GOD. *=when you come across a person ,a youth that will dominate in the future, you must perceive the presence of GOD around them today, That is when people came around you, they feel something, when people look into your face, they feel something ,when people hear your voice ,they feel something* ,The extent which we feel GOD with you, is the extent you mark your world.

DON'T NEGLECT THE MINISTRY OF ANGELS, THE COVENANT GUARANTEE YOUR SUCCESS, ANGELS ARE COVENANT –ENFORCING AGENT. =So, if you neglect the ministry of angels, you might not fulfill your destiny, Now I don't know whether you ever tried to start ministry, try to start one, people will stay away by hundreds and thousands, you know why? The devil is keeping them away, this is John the Baptist in the wilderness, and he's got people from everywhere. WHAT DID JOHN BAPTIST DO? =He did something that got them people out there, JOHN the Baptist know how to pray to get angels, to go out and get the people and bring them to His ministry, wait a minutes, to bring them to His business, because you might have a business that the customers saint showing up, you have got a table empty of contracts need some business, use angels. See the covenant guarantees your success, angels are covenant enforcing agents. **THE FOLLOWING ARE 9 NINE POWERFULLY RANKS OF ANGELS**

Christian should know about. Number one are seraphine, are the highest order from the high RACH of angels, these beautiful majestic divine beings, they spend their time by worshiping and praise GOD, and here is the most interesting thing about a seraphine, they have six wings, with two they cover their eyes, with two they cover their feet, and with two they fly. Number two 2 CHERUBIM are the second high rank order of angels, this majestic powerfully beings are known to have four wings ,four faces, face of a human, face of a lion, face of an ox ,face of an eagle, they were also in the ark of the covenant protect it, is guidance ,remember when ADAM and evil driven out of the garden of Hedden ,God sent a cherub to protect the garden, this one are so powerfully that they surround the throne of GOD. Number [3] THRONES =Are the third in ranking order of angels, in the book of EZEKIEL are known as wills and the many eyes one, this one is often deployed as the charioteer surround of GOD, and believe it or not, they are the most intelligence one, they also have four faces. Number 4] DOMINION=Dominion is four in the ranking order of Angel of angels, this one they decide heeler or success of the national, what I like about them is that in their right hand they hold a golden staff and, in their left, they carry the seal of GOD. Number [5]VIRTUES this are fifth in the ranking order of Angels, this are known as a brilliant or shining one, of course this are angels of miracles encouragement and power, this are angel that are responsible for blessings and it believed the very same angel we are talking about they are the one that minister to JESUS, In the book of Matthew 4:11 Also when he was about to die, in the book of Luke 22:43. Number [6]POWERS they are responsible to maintain the order between heaven and earth ,they known as the guide ,they watch out for ant

demonic a take, when we talk about powers we talk about the major lines of defenses, protect the whole world from intrastation of demons.

[7]PRINCIPALITIES/PRINCES =They known as a protectors and leaders of the world, this legalistic majestic being ,they are known to be gordians of people in power and they are very territories ,Number [8] Archangels=with MICHAEL being the highest rank warrior Angels in GOD heavenly host, And he have a special role in the end time, and also there we have Gabriel who is the highest ranking messengers [9]GURDIAN ANGELS=They are known as the ministering spirits a corroding to the book of HEBREWS1:14 And this guardian angels they don't have wings, and each and every person who read this book ,you have to know you have a guardian Angel know into be your personal angel and your angel look exactly like you, remember in a book of ACT2.When Peater knock the door ,they said it must be his angel, when john read the book of revelation ,the bobble says and the revelation brought to Him by the angel of JESUS, In revelation19:10 confused the angel to JESUS, bow down and try to worship the angel, and the angel said do not worship me because I am you are fellow servant .I understand that I did not talk about all Angels but this are the most important one to ,that every believer should know about it, I know I didn't touch on celestials angels ,singer, I didn't touch on the suns of GOD, I didn't touch on morning stars, but this are the most important ones. THE REVELATION OF ANGEL =There is another layer of Angels that are around the thorn and stand they are called SERAPHIM'S they also have some deadly ministry some people confuse with the Cherubin have 6wings the other have four, there is a fourth installment around the throne, these one are called ORIFIMS ,So you have cherubim's ,you have seraphim's and you have Orifms and this are the one I want to concern today, there are seven numbers, ORIFIM are called what archangels, I know you think there are three archangels, MICHAEL, GABRIEL AND Lucifer, and one of them falls, so GOD has only two left, no lucifer was never arch angel, lucifer belong to the rank of cherubisms, this group, it was the anointed cherub ,Michael, GABRIEL, RAPHAEL, URIEL AND CO RAGUEL. THEY ARE THE ONE ARE CALLED ARCHANGELS. They call them or orphans because they are the highest ranking if you remove them, the other layers when they come for enforcement. So any way to drive when I am in troublemaker to turn this thig has cover we are in trouble ,how do you see the angels ,where you are ?so we parked on the side road and there was this kind of hopeless and I said LORD okay as I was praying talking to the LORD the Holy spirit now give me a reminder, He reminded me, he said the way you have local government chairman, have federal government and we have Center government, you have local government, you have ward ,He said that is how GOD'S government is broken, that angelic structure breaks down to locality ,he now break down to family, then finally breaks down to one, when you call guardian angel to individuals that is a ranking all the way to the throne, He said speak to the one in charge of this locality to leave the clouds, and that is their job , ah!! So I said ,I firstly identify myself, that I am part of that kingdom GOD'S kingdom, I am a child of GOD, I when I identify myself and I said in the name of JESUS whoever my heavenly father rule the universe ,who made it, appointed here to govern this territory and whichever is Angel that is charge of the cloud you can see our state here, levée this thing so that we can go. As I just finished speaking, I'm not telling you story

but the cloud lifted and the road cleared and we drove up. So, learn to use angel in your time of trouble. Align your mouth and your heart with the word of GOD to attract angel movement in your life.

HOW TO ACTIVATE YOUR ANGEL=Prayers unlock the angelic activities. Angels are like creatures, that depend on prayer of men to activate, to act. Without prayer your angels are stuck they are inactive, deactivated, you start uttering the tongue of the spirit they become active and strong, Then the voice of devil will come want you to cease not to pray, devil comes and say stop, stop you're tired. Stop you're tired, uttering the tongue of the spirit, the angel becomes active, now you got it, now you got it, at least this will help you to pray further, then your angels are as active, as long as you are in prayer. 1 THESSALONIANS 5:17 PRAY WITHOUT CEASING. Keep your counterpart active, keep the angel active. Keep the unlocking in heavens active. MATTHEW 16:19 FOR WHATSOEVER YOU BIND ON EARTH, SHALL BE BOUND IN HEAVEN. WHATSOEVER YOU LOOSE ON EARTH, SHALL BE LOOSED IN HEAVEN. JESUS SAID. You aren't losing nothing is been loosed on earth. You're not binding in heaven nothing is bound on earth, wakeup. So, the operations of heaven depend on the activities of men on earth. The binding and losing is your own responsibility not GOD. I said no body dies in this church period. Stop disturbing GOD.!!! OH LORD WHEN WILL YOU DO IT. Sir, the hour has come to activate your Angel. Heavens depend on your prayers. Your angels depend on your prayers. When DANIEL beginning to pray in Daniel 10. The bible says angels were unleashed in the heaven Gabriel come. And the prince of Persia withstood Gabriel and immediately the lord deployed Michael and his entourage, sir DANIEL CONTINUED PRAYING and as long as DANIEL WAS PRAYING, THERE WAS WAR IN HEAVENLIES. Thank GOD that Daniel didn't stop Cause if DANIEL had stopped, Michael would have returned back to heaven. How many of you stop in the middle of your fasting? How many of you stopped in the middle of prayer? You were supposed to pray for one hour or two hours, the HOLY GHOST woke you up to pray at least for an hour, you allowed your urges, your feelings, I am angry somebody lie against me. somebody is after me, I am in pain. HEBREW 12:1 LISTEN WE ARE SURROUNDED BY A GREAT CLOUD OF WITNESS. ACTS 16:22-26. PAUL WAS IN CHAINS, PAUL WAS CAUGHT AND WHIPPED AND PUT CHAINS CAST IN A PRISON AND THAT THE SAME NIGHT, HE REFUSE TO SLEEP, HE REFUSE TO REST He began to pray and sing unto GOD. And the bible says immediately heaven opened and they were released. So, you cannot say you have any excuses not to pray. **HOW ANGELS INCREASE IN POWER?**=Do you know angels increase in power, PSALM 103 Vs 20 YE HIS ANGELS INCREASE IN POWER, AS THEY LISTEN TO COMMANDMENTS, If this angel is here, the bible says it in this way PSALM 127:5 HAPPY IS A MAN, WHOSE QUIVER IS FULL OF ARROWS, in other words whose quiver is full of sons, FOR THEY SHALL DEFEND HIM AT THE GET, WHEN THE ENEMY COMES, But if I lack a son, what then happen is my angel that should be working for missions is now responding to an enemy, when they should be responding to mission, so now my mission are now powerless, so how do I increase power of my Angel, I try by all means, to remove clutter around me, so I can have people that are gossiping, until I remove them, my angel are responding to gossip, they are no longer listening to the commandments where are they getting the commandments, so when I am speaking, I'm speaking the word of GOD, and the angel are strengthened, when they listen to his word,

unclutter your environment ,remove the chatterbox. **THE DIFFERENCE BETWEEN TRIALS AND TEMPTATION?** =Somebody ask me what is the different between testing and temptation. Trials are exam's to decide to be promoted to the next level GOD such exam's, temptation are traps set by the devil sets by the devil to destroy people, So if you are in the house and there are rats, you want to catch them, you put a trap then you put something that the rat like, may be like fish, so the rat will come, he wants the fish, we call that in a bait in order to want to catch the fish ,the trap not catches that's temptation, Temptation is usually very luring and we'll have something attractive something like sex but what is hidden behind it's downfall ,temptation comes from Satan ,but trials and his exam's ,that GOD permits even if it is a devil bring it he permit it, the goal of trial is to develop up stamina a character ,the goal of trial is to make us partakers of GOD Holness, trials is to decide who should be promoted to the next level, so if you are not tested ,you're not trusted, that's the way it works but the goal of temptation is to destroy, to demote people, to ring people, mess them up, a trial is not sweet at all. To ring people to miss them up, a trial is not sweet at all something happen, temptation will offer a similar pleasurable front and hide poison behind, you know if you want to catch rat to kill that rat without actually setting, the other types of trap that you just put poison in the food ,and know just leave it there, the rat will come and eat, because HE has seen something, then as he's Moving he finds himself ,final dead somewhere, that's temptation he always bait something very attractive, steal that money, that's your company's money, you see it's 20million you know ,you see how temptation works there will be something nice to attract you, Trials are not nice at all, who like exam's time in school, nobody, it is like fasting, but it delivers the good end result looking for, but you see HE came to pass after this GENESIS22:1 NOW IT COME TO PASS AFTER THESE THINGS THAT GOD TESTED ABRAHAM AND SAID TO HIM, 'ABRAHAM !!AND SAID ABRAHAM ! HEREE I AM, But it delivers the good end result you are looking for ,but you see so it came to pass after this, LORD TEST Abraham and say Abraham and said here I am, he said GENESIS 22:2THEN HE SAID, TAKE NOW YOUR SON, YOUR ONLY SON ISACK, WHOM YOU LOVE, AND GO TO THE LAND OF MORIAH, AND OFFER HIM THERE AS BODY OF OFFERING ON ONE OF THE MOUNTAINS OF WHICH THE ONLY SON ONLY ,ONLY ONLY!!GO AND OFFER HIM, It is not even delegate somebody else, go and killing ,you go there ,use your own hand to do it. but Gess what, I think we are tough how to prompt Abraham obeys GOD. Guess what next verse 3,just to ABRAHAM rules of what, you see this kind of man, look what you have taken you six months to first think through it, analyze it early in the morning, he saddle his donkey took two of his young men and then two of HIS young men and then Isaack ,so Abraham plus this two men, isaack4,and he split the wood for burnt offering arose and went to the place ,Which GOD has store it in a way, go to elsewhere he lifted his hand, I don't want read a long story, he lifted a knife to strike boy please verse15 or ,a little before it, yeah, ABRAHAM STRETCHED OUT. GENESIS 22:10AND ABRAHAM STRETCHED OUT HIS HAND TOOK KNIFE TO SLAUGHTER SON. To slay his son verse 11,12 and he said ,''do not lay your hand on the lad, or do anything for him, said do not, for now I know that you fear God, Since you have not withheld your son ,your only son, from ME, How this was established, now I know ,that you fear GOD, since you have not withheld your son, your only

son from me, now promotion is about to happen ,watch the next level of ABRAHAM, YES GENESIS 22:13 THEN ABRAHAM LIFTED HIS EYES AND LOOKED, AND THERE BEHIND HIM, A RAM CAUGHT IN THICKET BY ITS HORN. Used instead of Isaac. Then verse 15 then the angel of the lord called to Abraham a second time to heaven, what happen GENESIS 22:16 AND SAID :BY MY SELF I HAVE SWORN, SAYS THE LORD, BECAUSE YOU DONE THIS THING, AND HAVE NOT WITHHELD YOUR SON, YOUR ONLY I WILL MULTIPLY. 18 IN YOUR SEED ALL THE NATIONS OF EARTH SHALL BE BLESSED, BECAUSE YOU HAVE OBEYED MY VOICE. 'The secret of life is to obey GOD'S voice.

UNDERSTANDING THE PATTERN OF LIFE=Any time you study the bible, look for patterns ,patterns are consistently recalling sequence of events revealed in a story, revile in a bible ,you know a pattern because it happens, it happens again and happen again, this time surround you studying David you see the same pattern, the other time, you are studying Joseph, you see it, You know you are dealing with a pattern, don't just read biblical stories and pass, because they are there ,to teach the major lesson, it's not a pattern if it happen once, and such thing never happen again, a biblical pattern is a sequence of events ,a chain of event, that repeats itself in a bible is there to revel a principle, a principle is a fundamental law that is immutable, that is unchanging that delivers predictable outcomes ,and a principle once discovered you have a secret a weapon in your hand ,a principle is what the bible calls the wisdom of GOD. When you are praying GOD give me wisdom like SOLOMON, what will finally happen, is that GOD is going to open your eyes, to begin to understand that principles and precepts.

NEVER DO THESE 5THINGS AFTER WAKING UP FROM A DREAM.[IT BLOCKS YOU'RE YOUR SPIRITUAL EYES]=Never do these 5things after waking up from a dream [It close your spiritual eyes]After waking from the dream it closes your spiritual eyes ,many Christian don't dream any more, some do not remember their dreams anymore because of this mistakes, by the grace of GOD it will be a restoration when you read this book. The first mistake we should never make after waking up from a dream, never wake from a dream ,with outting right down the details of the dream, believers you need to understand ,write down your dream is as important as dreaming itself, the reason it because it is like way to in a beach and you take a lot of sands on your hands and beginning to walk ,now if you walking in Lond distances, the sands keeps drop down on the flow, it keeps redosings it happen in the spirit realm the more time you waste the more details are dropping ,that is why you discover that sometimes you can feel like you remember all your dreams and you refuse to write it, to record it, you just feel like ,I will not forget and in the afternoon you discover that you have forget everything ,this is because spiritual things are sleepily, vision and dream are sleepy in nature, the more time you waste, the more time you are losing details, the bible says in JOB 20:8 LIKE A DREAM HE FILES AWAY. NO MORE TO BE FOUND, BANISHED LIKE A VISION OF THE NIGHT. JOB 20:8. Do you see how the bible says. It files away, even if you don't understand your dream written it down, that is the spiritual and prophetic action, you are taking, we so many Proft in the bible obey this law in DANIEL 7:1 Look what the bible say very powerfully scripture WROTE DOWN THE SUBSTANCE OF HIS DREAM. DANIEL 7:1.

Write down the substance of the dream, have you see what the bible says Daniel a general in a prophetic He wrote down the substance of HIS dream, if it was not important ,he wouldn't have written it down, GOD does not like mistakes, does not like wasting things, so when God's sees the believer is wasting spiritual resources, when GOD sees a believer is wasting revelation, what happen is that all of a suddenly that believer stop seen, GOD look for somebody else that is interested, you will discover when you pray again GOD have mercy on me, GOD began to shows the dreaming again, it is like a law GOD has set in the spirits, that a man that is intentional, is the man who have a lot of downloads in the realm of the spirits, so what you do is to write down the themes of the revelation, write down the date you have a dream, write down the emotion you feeling the dream, write down the people you saw in the dream, the call the scenarios you understand out in the dream write it down, that is the map to interpretation.[2]The second step to do is never interpret your dream logically. Listen believers ,this is one mistake you should never make ,it called interpretation of dream's, not translation of dreams ,it means two people can have the same dream, but that dream can mean to different things for those two people, so the fact you saw a river in your dream does not mean a marine spirits all the time, a fact when you see yourself may be in old school .or old house does not mean it is backwardness all the time, listen believer GOD speaks in parables, so you must depending on GOD for interpret nation, don't give a logical interpretation ,never forget this believer, it is called the interpretation of dreams, translation of dreams, yes because you need to understand that dreams are like parables, that GOD shares, and I am going to show you how to decode it, because most of time GOD speaks to you through parables, it is now your responsibility to seek the LORD to decode it. Listen there are two kind of dreams we have, the decoded dreams and clearly dreams, there are dreams which are imperviable while other dream they are very clear, you don't need even need an interpreter, you see the dream and you know this dream is just talking about this, but most of this dream you discovered that GOD speaks in symbols and in pairables ,look what the bible says very prophetic potion of the scripture. In JEREMIAH1:11THE WORD OF LORD COME TO ME: WHAT DO YOU SEE JEREMIAH? 'I SEE A BRANCH OF ALMOND TREE'S REPLIED.12.THE LORD SAYS TO ME, 'YOU HAVE SEEN CORRECTLY, FOR I AM WATCHING TO SEE THAT MY WORD IS FULFILLED. Are you see what the bible is saying ,that Jeremiah has a vision, that he saw the branch of almond trees and the interpretation GOD give is that, I am seeing my word been full feed, have you see ,how have you relate a branch and the word of GOD, Have you see this symbolic, do you know that same Jeremiah have another revelation, look what the bible say in JEREMIAH 1:13 THE WORD OF GOD CAME TO ME AGAIN; WHAT DO YOU SEE? 'I SEE A POT THAT IS BOILING 'I ANSWERED IT, IS TILTING TOWARD US FROM THE NORTH, 14 THE LORD SAID TO ME, 'FROM NORTH DISASTER WILL BE POURED AUT ON ALL NATION WHO LIVES IN THE LAND. Sop now Jeremiah see the revelation about the north, the interpretation had something to do in the north, you see the first revelation they don't have any chorological interpretation, but the second revelation had to do something from the firstly revelation, so the way to get interpretation from dreams when you are now writing you write the theme of the dream, write down the emotional you felt in the dream ,pay attention you write down, the people you

sow, the colors, special event that stands out for you in the dream you write it down, then one after the other ,keep of every detail in your heart ,you can keep the emotion, LORD what this emotion mean. You just keep as a thought while you are laying on your bed, with the mood of inquiry in your heart like you are asking the LORD, question, I am telling you, it will happen supernatural, all of a suddenly the clearly will come to you in your mind about it. This is the secret Peter used, Peter had a revelation all of a suddenly in, ACTS10:19 AS PETER CONTINUED TO REFLECT ON THE VISION, THE SPIRIT SAID TO HIM. It say it reflect in a vision, so that posture of reflecting on what you sow, you know you are reflecting on, with the question in your heart for understanding, pastor already elevate something in a spirit, because expectation is the Mystery in this kingdom, the model of expectation is that you give Heaven a signal, that you are speaking to heaven and heaven hear you, and heaven will respond to you. Yes the third mistake you should never make after you having a dream is [3]NEVER SHARE YOUR DREAMS WITHOUT KNOWING THE PURPOSE OF THE DREAM=Listen when you have a dream, there some dream must not be talking, unless you are meeting somebody trusted to give you an interpretation, because you need to understand in the realm of the spirit womb, there are three wombs in the spirit, the wombs of a women, when a women want to give birth, second is the wound of the earth when you plant things it grow. And there is a womb in your heart, there are somethings needed to stay long in your heart, without being said, you ponder on it you get interpretation, but if at all you want to start saying it, you are saying it to somebody that give you interpretation. That one has no issues or you are saying on fire brinded Christian ,prayer on it together pray around, or post your dreaming on social media, just tell anybody about your dream, so let them know GOD is speaking to you, that thing can abort prophecy, there are some vibes you don't need to affect your dreams, some people you tell them your dream ,some vibes of jealous can manipulate can spoil some things in the dream, there are some people have jealous spirit, you need to be conscious of this kind of people, they are not witches ,they are not wizard ,they are not bad people but that vibes of jealous is the spirit, jealous is a spirit that spirit can make a man starting having a welfare. jealous is a spirit it is not a character. NUMBERS5:14 AND THE SPIRIT OF JEALOUSY COME UPON HIM, AND BE JEALOUS OF HIS WIFE. Have you see what the bible says, the spirit of jealous, so jealous is a spirit, it calls wrong vibes, and you need to understand that great dream is not dwell in the atmosphere of jealous, so there are some things you need to keep into yourself, to avoid unusual welfare,GENESIS37:5 JOSEPH HAD A DREAM ,AND WHEN HE TOLD IT TO HIS BROTHERS, THEY HATED HIM MORE AND MORE. Are you see they hated him the qualities increase, Mary could keep things to herself, the only person she told was ELIZABETH ,which was a fellow fire brand of her, they understood each other, I don't tell you should not tell anybody about your dream, but know the kind of people you tell, you can tell your pastors you can tell your mentals, you can tell Christian Friend and give you interpretation, but going around and reviling the treasure that the GOD has giving you, it can abort a lot of things in the spirits. The forth mistake[4]Never make a mistake of seeing your dream as nothing, there are many people that they are very casual with their dreams they don't seek interpretation, they just see the dream and ignore it lets move on ,there are some people they have important details, but never pay attention in it, GOD

does not like that one at all, they are not even bothering about getting interpretation, they are just there, you know what the bible says in 1THESSALONIANS5:19-21 DO NOT QUENCH THE SPIRIT .DO NOT TREAT PROPHECIES WITH CONTENTS BUT TEST THE MALL; HOLD ON WHAT IS GOOD, have you set the bible saying, do not quench ,don't treat prophesy with contempt ,there are people have prophetic dreams but they are living their life ,don't bother the realm of the spirit brings downloads, the Holy spirit give them the download of their life, about their future, don't take their dreaming casual, understand this ,there are dreams that have no meaning actual, not all dreams have meaning ,there are some dreams are the result of you are daily activities, the business of the day. ECCLESIASTES 5:3, There are dream coming due to the business of the day, they are the reflection of a things you do in a day. Those kinds of dreaming have no meaning, the best way to know that dream is that they don't have beginning and have the end, they don't have a message, dream is just there but it like no message on it. But there is dreaming come with a warning signs ,navigate you are dream can instruct you, because when GOD reveal, GOD revile in order to redemanding's block that channels' fifth [5] mistake is NEVER GET TOO COMFORTABLE WHEN YOU DON'T DREAM.=Now pay attention to this there are two types of people, there are people that are dreaming all times, and there is people dreaming once in a while, so you need to understand yourself, the fact you dream once in a while, does not mean you're not spiritual, there are some people they have special gift for dreaming, and other which is once in a while, if you know that GOD does not real speak to you through dreams, you don't have a problem, but if you know that GOD speak to you through dreams you dreams dream, but all of a suddenly one week or two weak or three one more pass, you don't see anything you need to get worry, that is the time to rise up and pray ,other they say I don't have to worry about myself, if you notice this you have to beginning to pray before you slap .You say in the name of JESUS Let than scale fall over my eyes, you spend time praying ,if you ignore it and live your life like that ,you can miss many details ,things happen around you ,you can pick it, in this got of dreams you will discover than your prayer life is tie in your dreams life, when your prayer life drops, then your dream drops. When your prayer life rise you see clearly in the night, so sometimes it can be a pointer to tell you, to rise in a prayer spirit. Are we together now, this is not to put unnecessary pressure on you, even if you are a prophetic dreamer ,you may not dreaming every day in fact if you are not dream two days or three days, you can be laying in the spirit but GOD is not speaking in that period, but when you notice two weeks it passing you need to get worry, that is when you began to pray ,you don't stay comfortable ,to rise until the vision is restored, because you need to understand the spiritual eyes can become weak, when that get weak ,you may not peak as you use to pick before.1SAMWEL3:1-2 IN THOSE DAYS THE WORD OF THE LORD WAS RARE; THERE WERE NOT MANY VISION, ONE NIGHT ELI, WHOSE EYES WERE BECOMING SO WEAK THAT COLD BARELY SEE, WAS KLING DOWN IN HIS USUAL PLACE. Have you seen, there was no open vision why? because the prophet his eyes were weak, the bible says he lays down in his usual place, so when you notice these things happen to you, you will notice, you will be lying down in usual place, What ELAH SHOULD DONE is that, he should wake up and continual pray. Prophetical he said he lying down in his usual place, in other words he become

comfortable with blindness, with the spiritual blindness, and the bible tells there was no conversion, when Samwell came vision came, it means that the word of GOD was not rare or real scarcity because ELI was become combatable of not seeing in the spirit, that is why you rise up and pray that every power that hold my dream, let it be expired, before you sleep in the night you cover yourself with the blood of JESUS, You say LORD open my eyes, and watch out sometimes it will come frag met, sometimes it will become open full again, and this is how it works, nothing will happenings around you without you picking it first.

HOW I OPEN MY SPIRITUAL EYES WHEN I AM PREACHING IN SERVICE=Ministry prophetic to people, in that scenario are you seen vision or how do you communicate with the ANGEL of LORD, GOD has sent to minister to you. How do you communicate? There is different between seeing vision and hearing, the eyes of your spiritual being opened these two experiences are not the same. The experience of hearing you are spiritual eyes and opening and seen a vision are two different kinds of experienced. Not the same. I will explain to you and define to you in a second, When the eyes of your spirit are open your no longer see vision, you see in real time, the same way you see with natural eyes. Vision means to see, if your spiritual eyes open is not on the realm of the spirit. So that you can see spiritual thing like example right where you are there is angel need you. You can see him because of where you believe GOD, but angel is with you there. You cannot see them, because the eyes of the spirit are not open, but if you are spiritual sensitive, you will discern that spirit of GOD is there or Angels of GOD are there, but not necessary mean you can see them, because eyes of the spirits is for you to see, what is happening were you are. Seen a vision, a vision is a language in the spirit, it is like English or Swahili or Lingala. When GOD want to communicate with a human being, GOD will communicate by vision, via vision HE will show you a vision and within that vision. He will speak to you. I don't know if it makes sense but vision is a means to communicate with GOD like dreaming, open vision and close vision. The award is Catala Mbano you catch midfrequency are passing as you are seating in this room, elevation of waves is passing, Radio, the reason why you are not hearing that is because you design to hear radio waves only, but you have antenna discover that there are thought. So, if you want to go forward you must awake your antenna, and the way to awake your antenna is to engage the word. Engage the word until the word beginning to come to you. You are sleeping the word comes, to you awake up and write and you return to sleep and you will discover that can be sleeping and prospering, because anytime the word come, property is attached. There is two ways brought of GOD dimension power.[1] creative dimension [2] Resurrection dimension. CREATIVE DIMENSION POWER=is the power that give life, it is the power that create, and what created can be destroyed, RESURRECTION is a life that can live above that. Speak to the bones in EZEKIEL37;9Resurrection power is a power that live above structure, the high power that is in GOD, HOW EVER HE SAID THE OPERATION OF THIS POWER is subject to illumination. Remember the GOD will grant you wisdom, Sophia, the ability to analyze truth action out of fact and make meaning out of them. REVELATION –apocalypses is the ability to open up realms, is the unveiling so GOD brings you into realm of possibility. [3]Enlighten the word fortizo it means fire light he share upon, then you say

you came into a pignoli's experience all of this are dimension of illumination, that makes you enjoy the hope of you are calling, the riches available to the realm and result in power, everybody is supposed to live in the fullness of power, we are supposed to function in the resurrection power that brought JESUS from the death but it depending on our illumination. How come now appear hopeless, it is because that power is not at work, operation of faith is still active by what we see and what we hear. THE OPERATION OF THIS POWER IS SUBJECT TO THE POWER IS SUBJECT TO THE ILLUMINATION. Light. Sophia the ability to analyses truth, the ability to cognitively, interact with fact and make meaning out of them. If you want faith to come alive, you must talk what you hear and what you see, that is what wake up, I am a preacher, so I know what to see. If I go to the healing after I meditate on healing scripture, to receive the word from the meeting's scripture about healing is what will attract healing to your life, In the realm of the spirit you function according to the level of light you possess. If you possess light about healing, then the outcome will produce healing too. Bible says this sign shall follow them who believe will speak in tongue and they will cast out demons and lay hand to the sick and get health. You are mentality will be upgraded to the level of your light. That is the first dimension of illumination because some of us Satan is not direct be involved, the problem is the village you came from. WHEN THE WORD COME, THE FIRST THING IS TO ILLUMINATE YOUR MENTALITY. Nosis it will begin to make you think at the higher frequency, at a good frequency better. 2PETER 1:5, He says, you interact by the law of the world, that your mind start being upgraded. So, you analyze better and you think better. You reason better; you become better and more productive. Some person they don't go anywhere because fear have crimped them. The fear of the un known. I don't know who the first person who started in our family. He dead at 45 years. You confess you will die at the age of that 45. Relax listen to GOD and start you are business, but also come from Christ. So, whoever who cis in the Christ is a new creature. Become aware 1JOHN:11-13 You become aware. You have too much in you, but you have awareness in you. Become aware, you don't have to be 50 or 60 to be aware, and starting shaking the world at your age and have become aware even at 90 and say you're about to go to heaven and you say go. Arise and shine, do not allow Satan to oppress you, wake up and shine in your own world, create you are own world. If you are closer to GOD, you will receive vision that will heal you to know the direction, for your life to be good you need to hear the voice of GOD firstly. Vision of the night they are all different but it is communication, GOD communicate with you, but it is communication of GOD. This is growing GOD communicate with you, but see in the spirit doesn't mean you are hearing the voice from GOD, see it in the spirit, is just means to look into what is in the same place but you can see everything through your spirit. Spiritual eyres are the eyes that attached with the spirit men. There is the eyes of the heart which is the eyes of the soul. These are the eyes of the spirits, now those operate in that art, your soul has eyes also. Remember also there are those who operate in the kingdom of darkness can see with the spiritual eyes. Eyes are just eyes, what does it mean to see from GOD? Or not to see from GOD. Those who are in the dark means GOD is not the one who leading them to what they are looking at. But the function of the spiritual eyes is actual in everybody. That is why you find that even a man

who is not prophet they could see with their spiritual eyes, you will see if you put JESUS Infront of you, whatever happen you will see in the eyes of JESUS, WHY? Because you out JESUS Infront of you. You can see in the spirit depending on what Lence you use to operate with, the word of GOD within you is what will help you to see in the spirit. Apostle PAUL went into town he saw the Simion the soccer has possess the whole city, A call himself the GODS POWER, But Simon the soccer's Operating spiritual and went to apostle Paul and say ,can I buy your gift, Why did he have the idea to buy the gift, because he could see, he could look of what is happen in the spiritual but could not see with HIS heart, he couldn't discern that he was wrong with GOD, and he need to be changed, he will need to be transformed, need to repent in order for him to walk with GOD. Your spiritual eyes and natural eyes all they do is looking, but they don't *have the eyes of the heart which interpreted what GOD IS SAYING, because they don't have JESUS in their heart.*

THE 5WAYS TO DESTROY SPIRITUAL ATTACKS; THEY WON'T COMEBACK=The first way to destroy attacks is to turn the attacks into an alterable you need to understand this, every attack you face is sponsored by alter, because nothing happen on it 'sown, nothing just happening attack you have to respond by building an alter so now the battle will be alter against alter, please never forget this any persistent attack, financial attack or marital attack, health attack is persistence, sponsored by an altar, speak about the battle the children of ISRAEL Faced, the children of Israel will win that battle ,when the king of Moab saw, the children of Israel where wining in 2king3:26 WHEN THE KING OF MOAB SAW THAT THE BATTLE HAD GONE AGAINST HIM 27THEN HE TOOK HIS FIRSTBORN SON, WHO WAS TO SUCCEED HIM AS KING, AND OFFERED HIM AS A SACRIFICE ON THE CITY WALL. THE FURY AGAINST ISRAEL WAS GREAT; THEY WITHDREW AND RETURN TO THEIR OWN LAND. Are you see what the bible is saying, the children were breaking through, but a man sacrifice his son and the battle turn against the children of ISRAEL, Life is a Spiritual ,PAY ATTENTION, The bible didn't say that the king sharpen the sword, no, the bible doesn't show the king did deploy more army, no he sacrifice his son, and because of that sacrifice buttle turn against the Israel ,life is spiritual what that king did, HE establish the alter, you must know how to establish alter, David understood this principle that life is spiritual distraction going on ,God SET JUDGMENT AGAINST ISRAEL, but the bible say something the angels was destroying every were, destroying ,people were dying ,the angel stood at the treasure flow of IT ,Dvid went to that treasure floor to build an altar,2CHRONICAL21;26 DAVID BUILT AN ALTER TO THE LORD, THERE AND SACRIFICED BURNT OFFERINGS AND FELLOWSHIP OFFERINGS. HE CALLED ON THE LORD, AND THE LORD ANSWERED HIM WITH FIRE FROM HEAVEN ON THE ALTER OF BURNT OFFERING 1chronical21:27 THEN THE LORD SPOKE TO THE ANGEL ,AND HE PUT HIS WORD BACK INTO ITS SHEALS1CHRONICAL21;27 Are you see, an altar even stops an angel from destroying the land ,if an altar can make an angel to HOLD on, it means altar can shut down the move of the spirit. How can you build alters? Now pay attention to what David did, where destructionists, that is where David build the alter, now you are going to look about your life, the part of your life that is going through attack that is where you build an alter on. If it is financial attack, that is where destruction is going on now, if it is mortal attack, if it is your children that means that is a current place to build the alter, that where

spiritual attack is current, then build it, a prayer project. Consistent prayer project on that matter ,and when you do this take advantage on the blood of JESUS, do you know why remember that king sacrifice his son ,what happen was the blood of HIS son speak, because when the blood shed it have the voice in the spirits, in those days they didn't have the blood of JESUS., but now we have that advantages, what to do is to take advantage of the blood of JESUS, **THE BLOOD OF JESUS IS A SPEAKING BLOOD.** It speaks against attack, this is one advantage of a believer what matter is even if you have that advantage and you don't use it, it will not work. Authority unused is equal to no authority don't need to sacrifice son, you don't need to sacrifice animal, you don't need to do any sacrifice again, done the allotment sacrificial anybody tell you to bring a bloody sacrifice, bring this we council the attack, please run away from that. What JESUS have done is once and for role. Advantage of it, so you beginning to set a prayer consistent on that direction of where the attack come., every day you are praying on that matter, when you are consistent on one thing, you are building an altar. because consistency attract spiritists when you are consistent pray on one matter, I am saying every day, that one matter picking up, the advantage of the blood of JESUS. You say by the bloody of Jesus this sickness is counsel in this family, the blood of Jesus the attacks on my finance is over, when you do that every day you establish an altar, and blood of JESUS in that alter will speak for you, turn your battle into alters, the second way [2]to shut down the spiritual attack is to command the atmosphere, you need to understand believer not all attacks are targeted to you, most spiritual attack are territory, spirit ,territory am telling you that spirit are territorial., you can go to a place that everyone have the same prayer life issues, you can go to place where people find difficult to get married. You can go to another place people find hard to give birth, because the spirt dominate that atmosphere is territorial spirit, the demon of particular place. **Bible calls this spirit as the prince of air**; it controls the atmosphere and control a particular place. EPHESIANS2:2 WHEREIN IN A TIME PAST YE WALKED ACCORDING TO COURSE OF THIS WORLD ACCORDING TO THE PRINCE OF THE POWER OF THE AIR, THE SPIRIT THAT NOW WORTH IN THE CHILDREN OF DISOBEDIENCE. The prince of the power of air have you see, people who are walking according to the course of this world according to the prince of this world, what was controlling those people was the prince of the air, you are not doing by yourself but there is a territorial commander courol the atmosphere, when you are in that situation JESUS tells us a secret in MARK 4:37 BUT SOON A FIERCE STORM CAME UP. HIGH WAVES WERE BREAKING INTO THE BOAT, AND IT BEGAN TO FILL WITH WATER.49 WHEN JESUS WOKE UP, HE REBUKED THE WIND AND SAID TO THE WAVES' SILENCE! BE STILL! SUDDENLY THE WINN STOPPED, AND THERE WAS A GREAT CALM. Are you see what the bible said, HE rebukes the wind, HE said be still, rebuke be silent, mark the word He rebuke the wind, one of a suddenly you beginning to receive attack on your dream, you wake up, rebuke it, is that easy, you say IN THE NAME OF JESUS YOU ATTACK I REBUKE YOU. You notice a shift to your finances, what do you do? You say in the name of Jesus you attacking my finances, I REBUKE YOU IN THE NAME OF JESUS. What's happen you are taking authority. Never forget this any authority that is not used is equals to no authority's man may have money in his bank, but if he does not know how to use his A.T.M., he can die out of hunger, A Christian who filled with

authority and he does not know how to speak He can die from oppression of devil. The third way[3]to destroy spiritual attack is LEARN TO STIR UP REMEMBRANCE, Believer you need to remember this victory forgotten can make believer lose his ground, in the realm of the spirit ground can be lost ,if you don't remember there is a Mistry behind divine remembrance, when you are praying shut down that attack, remember intentional, previously victory or intentional meditation remember, days were victorious in the bible, you tell yourself the GOD Aas did it before will do it again. One of the big tactics of Satan, You wake up of a bad dream WHEN YOU ARE PRAYING INTENTIONAL shut down that attack by remember the previously victory, intentional meditate, remember that were victorious in the bible, tell yourself the GOD that as did it before will do it again, this is one of the major trick of Satan, he makes people pray for fear of the bad dream ,now because of the dream you were afraid, don't pray like that, because that kind of prayer cannot real shift things, when you pray what is going on within you is important as the prayer come out from your mouth, listen most bad dreams are Satan projection, so he change your picture so you afraid, that is what happen when people have a bad dreams, but irrespective of a bad dreams ,keep your remembrance keep your pictures and face the devil. In 2peter3:1STIR UP, YOUR PURE MINDS BY WAY OF REMEMBRANCE, this is a very powerfully scripture to guide you. Have you seen the bible says stir up your remembrance, in other word stir up your victorious mind by remembrance, when Satan brings an attack, what do you do? You remember what GOD did before. If you don't have any history remember what GOD did in the life of somebody., if there is no history then the bible has many stories ,you began to put GOD in remembrance ,like telling you the brake through ,this is the tactics of DAVI, When he want to go to fight goliath ,a battle he has never fight before, Do you know what David did in 1SAMWEL17:34he clear reading his past encounters, I kill the lion, I kill the bear this on is small, that is the secret of DAVID. That is why when GOD give you a break through try to record your testimony always it will produce other greater break through, you tell GOD you are the one deliver me many years ago, I am mount pressure of that grace again, in the Name of JESUS Satan take your dirty hands over my finances, are you seen ,that is how you pray, that is remembrance. Then the forth way [4]to destroy spiritual attacks is to LEARN TO INVOKE PROPHETIC MOCKERY in the spirit realm ,there is what we call the prophetic muscaris , is that when you Morck the devil, when Satan bring a dream to you ,you wake up and sought, you say Satan you lie, Satan shows the dream that somebody is about to die in your family ,instead of waking on panicking you wake up with a laugh ,you say Satan you lie, learn to mock the devil.PSALM2:4 FROM HIS THRONE IN HEAVEN THE LORD LAUGHS AND MOCK THEIR FEEBLE PLANS. So, GOD saw the enemy is planning evil and GOD was on heaven mocking their planning, that is how we should respond to. Don't wake up with fear, make a prophetic mockery, you wake up on the dream and say no, Satan you are Lier, and you are going to prayer with that atmosphere mock fear and the fear will run away. Sees every revelation from a Satan as a comedy, don't take it too seriously and say Satan has plan against me, see as a plan has already fall. For you to see it, it means it has fledged reveals to redeems long you see it you can change it, you address it in a place of fasting and praying. The fifth way to destroy demonic attack is to MOUNT PRESSURE AND VOLUME, for any matter bothering you, example you are

seeing the molestation dreams ,having an usually attacks that is a time to give yourself to a consistent fasting ,pressure to that matter you can give yourself 21days of fasting and prayer, some attacks may bow to volumes, if you just do once and live ,it will not have much effect to that matter, listen press the heat until the snake jump out. Apostle PAUL in ACTS 28:3 BUT WHEN PAUL HAD GATHERED A BUNDLE OF STICKS AND LAID THEM ON THE FIRE, A VIPER COME OUT BECAUSE OF THE HEAT. Have you seen it, the vapor jumps out because of the heat, there was fire there but the bible says when the heart gets intense, the viper jumps out. Give yourself to fire, increase heat, don't allow your life be comfortable to the enemy don't allow your finances be so comfortable for enemy to stay, prayer must go on, don't let the week pass without fasting stay without food and spend time in prayer. No matter how busy you are let your life be on fire. When Demon see fire around you, they can't come cross, because they know you are a territorial commander you go into your house and fornicate the house so much with chemical, you will shock to see hidden insect crisping out, running out away, do you know why? Because that place has become uncomfortable for them, so when you are life fills with fire, they become uncomfortable for attack to stand, because fire will produce heat to make them uncomfortable, don't forget the power of giving, you pray and pray and GOD will lead you to give. The realm of the spirit also work like hot sport, there is a realm somebody have entered ,sometimes GOD may lead you to give, that atmosphere can also over ride on your atmosphere, that are spirituals, sometimes you are praying on a particular matter and you see it is not work from the spirit you start feel, this one is not anyone forcing you, you beginning to have the prompt of the spirit why not give, obey that voice ,watch your break through will come. Giving is also a wood of fire. Increasing wood of fire by giving and prayer. THERE ARE THREE THINGS THAT WITCHES DON'T WANT YOU TO KNOW=There are three things that every witch and wizard are afraid of you to know, every occultic person ,every person ,whatever you call, them ,they are always afraid of you to know these three things, because if you will be able to acknowledge this three things that means you will be able to bring them down. You will be able to do what ,to become a captain like them, number [1]fasting ,any time you fast and pray they become weak, which can dedicate 21good days of fasting on dry fasting in order to bring you down, in order to do some kind of witch craft against your life, so when I am talking about fasting, is not only church people, it is not only Christian are fasting, native doctors are fasting, witches they are fast, occultic people they fast, if you can add in fasting to some of your spiritual activities you are going to see the difference, that is why devil would rather allow you to pray than to allow you to fasting. Some of you can weigh some kind of destruction or some kind of defiance that come during the days you want to fast, you see those fasting you can plan for yourself, I'm not talking about religious fasting, where you gather with people, no I am talking about that one you do with your spirits, you are at home you do it by yourself, it is more powerfully than what can ever imagine, fasting is one of the greatest force that can neutralize any witchcraft activities brings down a lot of negative forces, that is why you should be trying it, add it anytime you want to pray, add it anytime you to meditate .fasting and meditate is a complete prayer, then NUMBER [2]PRAYING WITH NATURE; any time you pray with nature you make watch suffer and catch fire not surrounding

you, because in all Manner of witchcraft, in all manner the things they do at night, they also use nature in their devil, so when they see or discover you also using nature .in rebuking that thing ,they have done, they will always afraid of you anytime you want to make a powerfully prayers, spiritual prayer and supplication make sure you include nature, you can locate any place which is cool and go for prayer or a nearby river, if you are living closer to where you can locate a river, you can just go there you stand there, be looking at the river and be praying at that water ,and be praying ,let GOD know your wish, if you are living closer to where you can see a bush or forest or little trees you can go just stand beside as tree and be or laying, or if you are some where you can locate a mountain, go there, the same thing you are doing at the mountain it the same thing someone at the river is doing, because all this thing are nature ,there are things nature does spiritually, any time you want to deal with the enemy make sure you forgive and prays it to the back to the sender, if you want to bless your life sweeten your mouth and speak the word of GOD over your life, quote the scripture about property and confess it, Add honey to your tongue as a sign and token, bless your life ,if there is anything you want GOD TO DO SWEETEN YOUR MOUTH add honey speak over your life, declare the word of GOD, say let my life be sweet like honey declare it to your atmosphere, original honey is very overpowerful creature by GOD.[3]The enemy don't want you to know is the use of cobwebs ,in witchcraft kingdom, Never allow cobwebs be in your house ,even in your business place, early in the morning live a cleaning area ,don't allow to live in a Dity are ,cockroach and rut are the symbols of poverty ,because it is the result of laziness, and laziness is not the character of GOD, work and clean tyros house, make sure you use broom or brush go corner of your celling or your pop corner raise it up and clear it, just go four corner of a wall weather you are seeing the cobwebs or you are not seeing it, just go four corner, because sometimes these invisible cobwebs just attach there you will not see it so make sure you always cleaning out by physical and by prayer spiritual cover your whole house by the BLOOD of JESUS, cobwebs it is the witchcraft tools, it is the witchcraft demonic and diabolic tool, they can use you ignorance to catch you and to put you under captivity were cobwebs there is witchcraft activities. So be smart and clear, clean your house, you don't make sales your neighbors have been witch you. Be clean and clear your house and cover your every corner of your house by prayer.

THERE IS A DIFFERENT BETWEEN DEVIL, DEMON AND SPIRITS=How do demons, devil and evil spirits. There is a difference between evil spirits ,demon and devils, this are completely different they are not the same, Demon are Follen Angel, Satan, Azazel, Devils are spirits of the Nephilim, they always seek to have a body because they use to have a body before ,EVIL spirits are spirits that were designed be on earth to govern certain thing on earth that also fell when the devil fell on earth .Always remember this COLOSSIANS2:15 JESUS DISARMED THE SPIRITUAL RULERS AND AUTHORITIES. HE SHAMED THEM PUBLICLY BY HIS VICTOR OVER THEM ON THE CROSS.

MEDITATION AND THINKING: Meditations upper house, thinking is lower house. When you are thinking means it is concerning your problem, the trouble you have. You cannot go into meditation because of your problem. It is just thinking, your thinks'! what will I do now? I'm tired of this world. I

don't know what is wrong with me. ..no!! I am tired, I don't know I'm fed up'. You are thinking, we don't think about the word of GOD, we meditate on the word of GOD. For faith to form within our hearts, we need to meditate on GOD'S word. And turn it over and over and over again in our hearts. The more we meditate, the more our spirit acts on GOD'S word. And when our spirits act on GOD'S word, it forms faith cannot be formed without our spirit acting, like magnet and a nail, when you carry a magnet, it attracts the nail. That is, your spirit must attract the word to form faith. Ask God to take more of you and to give more of HIM. Faithfulness, kindness, humility, holiness and goodness, not talking this way but meditation means heart.

HOW TO BLOCK SATANIC ATTACKS 24/7=HOW MUCH YOU NEED GOD. Faith is manifested in the small things in our daily life. Until you know how much you need GOD. You need GOD even to seat down, you claim you are a Christian, how many of you actually seat and say in the name of Jesus, and you want to stand up you say in the name of Jesus, do you know you need GOD even to dress up, to make your make up, to cone your hear, do you know you kneed GOD even to birth and to great, how are you sir, Satan lashes at you in area you believe you don't need GOD. That is where a Satan attack you. He always monitors your life to study and know the area you do not involve GOD. That is the area he come to attack, I want to pray, wait for me I want to pray, while you need GOD, he will be going before you go to pray, Satan strike before you go there, until you know how much you need GOD, then you being to live a wonderfully. Life of contentment. Then, you discover yourself what GOD says you can do. What GOD says you are and what GOD says you can achieve. You see one aspect you need to understanding when you are making prayer ,your mind has to be clean, in other word check how you think, cleaning your mind you can only talk okay ,may be people don't understanding, do you know prayer is equivalent to thinking, in the realm of the spirit, God SEES THINKING AS PRAYER, I did not say it is prayer. EPHESIANS 3:20NOW INTO HIM THAT IS ABLE TO DO EXCEEDINGLY ABOVE ALL THAT WE CAN ASK IN PRAYER OR THINKING. As HE is able to perform what you think, so I don't even need to go to prayer if I think right, I will get what, I need, by thinking. When you get to prayer you are too late in your brain, the people who are lazy to think just thinking a trouble its Pain their brain, or think and it says according to the power statures inside us.

HOW GOD SPEAK THROUGH PRAYER=1CORITHIANS 14:13 kjv WHEREFORE LET HIM THAT SPEAKS IN UNKNOWN TONGUE PRAY THAT HE MAY INTERPRET. Ask GOD to give you understanding on what you're saying. You your Christian life will move to another level, because of the upload you are giving you those messages *you are sending up when you pray there is also a coming back, it is like SMS you send there you receive a reply, but it is interpretation that you get the message that is being given to your back. Okay is wherefore let him that speak in unknown tongue prayer that HE may interpret ,you have to ask GOD for that interpretation and ability to understand, so whenever HE give you a message you and then your prayer become upload and download that's a two way communication, when He's one sided ,GOD is getting what you are saying but you are the one is not benefiting, mine is 2way communication, sometimes when I'm start I'm not getting it, I go on a little further and the*

things start because sometimes when you send a message, you don't get a reply immediately, but after a while. Any time you have period of praying in tongues are you finished, be quiet, you will find thought, ideas, inspired things, coming up in your spirit that you do not originate, it is not you, it wasn't originally what you were planning take note of them, that's is part of how replays come. There are 5 ways the replay come but this is one of them and ask to draw for you now, if I do an extended period of praying in tongues and I go to sleep, I have to watch out for any picture any dream any vision that follows it because ,there will be a reply, when I finish ,I go to sleep, I watch out for the first set of thoughts or information my spirit comes with once I wake up, the replay usually comes, GOD loves to talk ,HE'S not talkative, He love to communicate ,because HE'S a relational person, he's a relational ,HE'S A HIS name is FATHER GOD, HE is a relational being, is FATHER not much straight GOD, Yeah for the world HE'S A JUDGE for His children HE'S a FATHER, HE lies communication and the way you talk to Him is the way HE talk back the issue .You have to learn how to listen and how to hear your mother's and your Father's language. HIS favorite language is intuition, it's not a language of word it is a language of thoughts because ,in heaven how they can communicate, in vision, how they communicate ,is that you ,you think the other man picks it ,is how my phone communicates to your phone .Every time I GIVE YOU A MESSAGE and you pick, do you the people standing by ,do they hear it, when I send you a message you pick ,do you hear me? I send a WhatsApp text you pick you check did anybody shout, it is spirits to spirit communication, that is how GOD communicate. That's HIS favorite communication, so you pick up the signals inside, you learn to listen, you have a receiver inside and also you have a sender inside, the human spirit is the communication machine. **FROM SOUNDS OF MANIFESTATION:**=Many of you have heard sounds, but you haven't birth the sound you heard, you are not wrong on the sound, sound of greatness, you are not wrong on the sound you have that listen, you are supposed to be global and all of that, you are not wrong, don't throw away that sounds, don't give up on it, the bible says the minister of men is great on earth, because they don't the time and judgment ,ELIJAH said ,said I hear the sound of abundance of rain, when he heard the sound, He told AHAB, go and eat and drink, if HE said that then it means ,HE didn't go eat and drink, he went into prayer, he put His face between his knees, and began to pray, you may hear the sound but if you walk with that sound, there will be no rain ,because it is not yet day time. What ELIJAH did was to tarry on the sound, until the sound become manifestation. THE BIG SECRET YOU NEED TO KNOW SPIRITUAL: The truth of GOD are manifested by the law of consciousness' the truth you are conscious off Can you working it, if you are not consciously them you cannot working, you don't just live a Christian life because you are born again, you live a Christian life I you know, if you know what it is, don't see people who come always says they want to be born again, every time they come I front to I born again ,if you want to rule in the kingdom of GOD you must be consciously of what you are doing. **WHAT IS THE POWER LEVEL UPON YOUR LIFE?**=The power level that is upon your life now is consistent with your usage, the amount of usage, that you put it to, if you decide to run on 30minutes times per day, The holy spirit will create a system spiritual system of possibility and grace, that is consistent to that measure, so you see that measure of possibility in your space, and that was your

decision, if you decide to run on one hour, bringing tangoes one hour per day, that's good ,that's but that is the experience very easy, that is the measure possibility that is suited to one hour investment, and that will be your experience, if you decide to explore GOD the way astronaut us explore space. Yeah!! The experience that, you're going to have is goanna be commensurate to your extent of exploration.

HOW TO TARRY IN PRAYER?=One America president told ,IRAN, He says you can have uranium2-35 so provided you charge it, and when you're charging it, it doesn't go beyond go 6%becouse when you charge to 6% you use it for electric power, and you can light an entire city, it's light ,but if they keep charging it and it gets to 96% it becomes a nuclear bomb, The bible says building up yourselves on your most holy faith praying in holy ghost. Praying in what? In Holy ghost, that word build, the best word in Greek, translated in English to describe it, it is charge, you can pray to the point where you have light, you can pray to the point where there's explosion, I hope you know JESUS AFTER he OPENED their understanding, that the might understanding to understand the scripture, told then tarry, until you endued with power from high, there's the opening the scripture to you by a person, there's the opening of your understanding by the Holy ghost, there's tarrying with what you have seen, until you hit power, so it is very possible, I share revelation with you ,but I don't wait on GOD for that and you that heard the sound from me ,took that sound into prayer and fasting and five years' time, you are holding what I taught, but I don't have, Elijah said, I hear the what sound? Sound of abundant of rain When you hear the sound ,told Ahab go and eat and drink ,if he said that, then it means ,HE didn't go and eat and drink, he went into pray ,he put his face between and began to pray, you may hear ,the sound but if you walk out with that sound, there will be no rain. I'm telling you this all Americans they say it, they cannot understand what is going on. They will come to hear the message they said, how come what you are, what you are handling in your life. We haven't seen a fraction of it, what is going on. let me tell you what happened, you have an indigenous move of CHRIST in you. You must mix both of it, the next is nuclear bomb came out, people were, handling revelation, they did not have that intensity prayer. What's am saying is that use the power of GOD'S word in your life or Elise you will be sharing English language, and someone else will have the language of power.

THE PURPOSE OF PRAYER=The purpose of prayer is GOD communicating back to you, understand this ,it's not that we are just praying, hoping that GOD one day you will see all of your prayers, we have offered, we are saying that GOD is responsive to prayers and worship that comes to him, and he doesn't respond first on the outside, he responds first on the inside, you starting having, the ministry of the Holy spirit, get this being communicated, that's the ministry of the HOLY SPIRIT is activated on the inside of you, He begins to talk to you, you are getting to a place of communion. It's not on the outside first, which means what I am saying, that if you have an issue, you are offering up, spiritual sacrifices onto GOD? And praying about two weeks ago, by today even if there's no manifestation ,you will have more information from heaven concerning that particular thing, you will be in a better place ,you will be more persuaded about it, you'll be entering into greater level of rest ,answer to prayer is not on the outside force answer to prayer is on the inside, you can't be praying and doing this and you are in the same emotional and mental estate, you were

weeks ago, when you started praying, I am not saying it will change in four weeks, But you will change ,this thing is powerful not you see we externalize everything ,you see when the time comes ,and your own obedience is complete, which means you are ready GOD SAY LOOK, YOU HAVE TO BE PREPARED FOR THIS THING, When you are ready your obedience is complete ,there is a readiness to avenges all disobedience which means GOD is not slack ,he said I am not slacks concerning my promises, there are changes that should be made in you, if those changes are made you will see that a day is like a thousand years ,a thousand years a day, in one moment ,He will change everything, suddenly everything changes but you are the one that is ready ,and he said the reason why the promise is not being fulfilled that the individual is not ready for the fulfillment of the promise.

THE SIMPLEST EXPLANATION ON HOW TO HEAR GOD'S VOICE=Does any child go to school to school to discern the voice of his mother or father? Please come with me now, that a father will say child go to that school to learn how to hear my voice, how does a child know the voice of the mother and the father, simple relationship, relationship, how does ship the son discern the voice of the Shepard, the relationship, how can a child of **GOD discern the voice of GOD?**=Relationship, the greatest problem the believer has is not spending adequate time with GOD, So when GOD speaks it sounds strange ,when he hear that somebody say GOD spoke to me, is wander how? So he want to mechanize it and painful soul, even we preachers we try to make people feel that ,hearing the voice of GOD is a strength thin, and it is not so, it is not strange for a child to hear the mother voice, how they are together, they live *together, the child is sleep with them together, the child is eating with the mother and the child is sleeping with the mother, young leady with my wife have her children ,I was hearing how they conversed with the child 3years old child. The child will say something she heard it, she will talk to the child and the child, understood it, I was watching them, how? Relationship they are together, if you are developing relationship with GOD, you will never be hearing problem in hearing, I hear GOD every day, how? I am in a relationship with HIM, So that is why I am encourage believers please don't make your spiritual life magical, don't make it look as if GOD is unreachable ,develop deeper relationship, how did I know what to teach, in the past ,I am in a relationship with GOD, I HEAR HIM when he says, this is what to do, I hope I make sense it is the same way cultural ministry are simple, don't make people to feel it is difficult to hear GOD. Let live as spiritual to natural as possible, let spirituality become a norm to us as far as we are relation with GOD, when somebody come to tell me GOD tell me to tell you, I protest GOD am I no longer your child, why have you sent another child for me? Of course, there is a place where another child come and give you confirmation a major issue of your life, like holding ministry you should hear it by yourself, Moses heard themselves Isaiah heard themselves, hear it by yourself, calling into ministry, this is not a thing you go and say somebody talk to GOD for you. If you say somebody tell you are called, is he the one that will be leading you or guiding you, if you don't cock with elementary, how will you couple when you face battle in a ministry? So, you can discern GOD voice by developing deeper relationship with HIM, my father, are you there, this is your child crying just like a little baby, when he wakes up in the morning and mother is running around.* THE SUPER NATURAL POWER OF A BELIEVER=There are so many powers, but there is

something that we call exosuit, the exosuit means the authority of GOD, Based on revelation of your identity in Christ, it is not Dunamis ,the word Dunamis means power that explodes bullets, exactly the word that is used for dynamite, but dynamite needs to be ignited, a switch to make explode, but Dunamis needs to be consistent ,otherwise you'll have one result today ,and tomorrow you have a different result, because there is no consistency, finally my brethren ,BE STRONG IN THE LORD AND IN THE KRATOS OF HIS ISKUS, The iskus is the power of consistency, that come out of obedience, your experience with GOD, that give you a certain level of staying in power, your problem is you pray ,but you're not consistent is you pray but you're not consistent, so you have the power that coming out of prayer, then you have consistency in that prayer it produce what we call iskus consistency .**DON'T LET ANY OTHER THING LEAD YOU**=Don't be led by economy circumstances, don't be led by what others are doing, concerning the eagle He said the LORD ,the LORD alone did lead him DEUTRONOMY 32:12AND THERE WAS NO STRANGE GOD WITH HIM, THE LORD ALONE did lead HIM AND ,THERE WAS NO STRANGE GOD WITH HIM, If he said this is place we are coming here, what happens to our offering ,no! are you doing ministry for offering ,the LORD alone did lead him and we got to a forest of natural no hope to the world, the LORD alone did lead him and there was no strange God with him, now verse13 HE MADE HIM TO RIDE UPON ON THE HIGH PLACES OF THE EARTH, THAT HE MIGHT EAT THE INCREASE OF THE FIELDS, And he made him to sucks the honey out of the rock and oil out of the flinty rocks, the LORD alone did lead him, don't get out of this country, I tell you, Yes sir. The lord alone did lead him, we have never been so blessing as a commission, since that order come and complied with. **SPIRIT ALERT=One minute Dail challenge**. Demon are not afraid witches are not afraid you woke up one night and pray from 12hr to 6in the morning ,they are more afraid that you wake up every night three hours , because what you're doing it is just beyond deliverance ,you are creating a civilization and atmosphere, that we hold so much of GOD, that there is nothing, that witch craft can survive in that atmosphere again, that place has become a oligomictic zone, that is what consistency does. It is in consistency that men are established in the present truth the present revelation and the outpouring that is coming from heaven and GOD'S agenda to bring into the new move, sin effort in futility, if men are not taught on the protocols of consistency and continuity. Consistency beats talent, one steep every day is greater than everything. **DONT GIVE UP**=everyone who mocked me for my faith, now line up behind me, I'M telling you real truth, practical truth, you can mock me for my faith, my faith today, but you beg me tomorrow, everyone is tempted today, don't give up, it is in the process of people mocking you, that GOD makes you. There is no one making in a faith today that was not once mocked, it's part of the process, it is part of the process, if you are backsliding or you are backsliding get back home today your father's house is waiting for you return like the prodigal son leave the pig's food behind, you have eating enough of it, you have wallowed in sin enough, don't be like that dog that goes went back to sin ,get back to JESUS. You have gone back enough, you have played your faith enough, you live in a sin enough get back home, why must you give your life to Jesus, because of the peace HE offered now, therefore, now they are being justified by faith, we have peace with GOD because of joy of salivation, DAVID lost that joy, he had to pray for it, give me create

in me oh lord a clean heart renew a right spirit within me, cast me not away from your presence oh LORD, take not your holy spirit from me, restore to me the joy of salvation, review a right spirit within me, you step into sin ,just step out of your life, no body happily live in sin, listen to this you may not know it, but those unbelievers who are mocking you, when you are no longer there they talk about you, so they talk about you with envy, when they see you they mock you, when you are no longer there, they envy you look, let's Reall look at this matter, don't you see that fellow just ever joyful, but we have joy, we take weed but we are not joyful take champagne but we are not happy, we are not joyful have free food ,but that man is more excited than us, we live in a big house, but that man live in a small house is more excited, because what he has inside him, you don't have, they are envying you, don't join them, don't join them.

PART 10.

YOUR EYES AND YOUR EARS ARE THE GET WAY TO YOUR HEART=

What you focus on shapes your life, your habits, your company, and future, be intentional about what you allow in because your focus is the key to creating shift in your life. Your eyes and your ears are the getaways to your heart, you need to manage those gates. You now need to be intentional about what goes in there. You need to decide what your life purposes, what your life vision is, and ask whether the things you're seeing and the things you're hearing, what they will produce will take you to where you want to go in life. Line with GOD. I AM DELIBERATE ON WHAT I Redeliberate about what I watch, what I hear. WHY? because you know, like JAMES clear says in atomic habits, when something stays in your conscious mind long enough, it goes down into the subconscious mind. That's what we call heart. And he said once it goes in there, it like seed going into the soil, it takes on a life of its own and creates, something that has never been in existence before. Be intentional about what you see and hear. **THE STATURE OF YOUR HEART**=The condition of your heart, the law that follow you is the condition of your heart, if favor will follow you, it will determine the condition of your heart, if people will show you mess, it's the condition of your heart, if people will accept you, it's the condition of your heart. It says because of the hardness of this kind law was given to you. Meaning to the hard make the law hard, to the wicked heart, make the law of life wicked against this person and he said to the kind heart let everyone be kind, to the merciful heart let everyone be merciful to them ,so the stature of your heart, will determine how life will treaty you, whenever body lift up their hand to pray, it is not the new prayer point, the new style the new mountain, GOD see, if the stature is still the same, it's as if you are repeating the same thing weather you go to AMERICA, either you go to another church, go to that church, !!Mm! nothing will change, the stature still the same. If GOD look at you now, what is your inner stature? Is he convention stature, covetousness, greed, wickedness? You have to scatter that image and rebuild another image. Because your lifeway attracts that stature. Nature, people race, tongue, languages, will treaty you by that inner stature that you are. LAWS of life, principle,

ordinances of life, will treat you according to the stature of your heart. MARK10:5 THERE WERE ASKING HIM, IS IT GOOD TO DIVORCE? HE SAID "NO" 'THAT IS NOT HOW IT IS SUPPOSE TO BE.'" MARK10:5 AND JESUS ANSWERED AND SAID TO THEM, 'because OF THE HARDNESS OF YOUR HEART, HE WROTE YOU THIS, PRECEPT. [NKJV], so your heart is like a magnet that attracts life. So, it attracts things coming to you. That is why in PSALM23:6 GOODNESS AND MERCY SHALL FOLLOW ME. **So, it is the condition of your heart that control your life.** Be a man of scripture feed your heart with the word of GOD. Because GOD'S word is GOD himself, so you control **things surrounding you by GOD in you.** The law of life is to put the word of GOD in you, to let the word of GOD to dominate your mind. The best way to overcome problems is by letting the word of GOD dominate and prevailing over your thinking process. That is the real meaning of faith, **be smart to put the word of GOD Infront of you, and not problems Infront of you.** What is the status of your heart. **THE GREATEST WEAPON OF SATAN**=The greatest weapon of Satan is not to get you to do bad things. The greatest weapon of the adversary against your life is to get you involved in good things that are not the right thing for you to do, vision tells you what's right, life give you what's good, and until you find vision, you will do a lot of good things that are not right for you, and therefore you end up being busy but not effective, life is not about being busy, life is about being effective, busy going to work, working and working accomplishing nothing, let's talk a little bit then about how vision, disciplines your life, I made this comment, I want to repeated that is not, you are not born to do everything. Isn't that good news, you were not born to do everything, that thing set me free years ago, because if you are involved in so many things, that you Quite do thing, you are useless person, you ever seen, you ever seen a bird trying to be a hoarsely ever seen a fish trying to be a cat? No, you sure, have you seen a cow trying to be a bird, no we are the only creatures who keep trying to be other people. IF YOU ARE **CHOSEN AS A SAVIOR IN YOUR FAMILY**=You know bible says savior shall come from mount Zion, if you are chosen in your family you will suffer, because Satan will stand to oppose you, but if you are in prayer and fasting you will overcome that. When Satan attack you, do not think he's fights you because of you. You are too small a program for Satan to coordinate the arsenals of hell he, he is fighting all those connected to your grace, he's fighting, when he fight Elizabeth it is John the Baptist he's looking for, when he finds HANNAH it is SAMUEL he is looking for, Satan fight men because of the prophecies on the, fights men, because of the destinies connected to them, are we together? It is true this is not entertainment, I'm am teaching you how the realm of the spirit works, if he fight your finance, it is not because of your finances, what does he need it for no he's fighting, he is fighting because he knows, that finance will send your children to a goodly school, he will find his calling there will become mighty servant of GOD, Satan fights with vision he fight with fore sight, that's why bible says weapon are fashion, he uses prophecy to fashion weapons. Listen to me have a courage to stand, fight bring GOLIATH down. Satan is powerless against the word spoken in faith. **LEARN TO YIELD TO THE MINISTRY OF HOLY SPIRIT TO HEAR HIM**=Whenever I set out to pray I know it is not my responsibility to quicken myself, it is GOD responsibility to quick me, so I just begin to speak in tongues I'm waiting for HIM TO QUICKEN, IT'S NOT my business, but I know that, if I'm not quickened, I cannot walk the

journey of prayer, I know that, many of you what made you run away from a prayer room is that, was that you were trying to pray in the flesh, and I tell you, it's difficult to try that line of action if you're not quick, so one of the secret of gaining ascendancy of migrating into the high places of GOD where it is easy to pick his voice and too discern the state of His heart, is to yield to the ministry of HOLY SPIRIT that quickens, that was what Jesus was speaking about of JOHN6:63 WHICH HAPPENS to be one of the my beast scripture in the bible, HE SAYS IT IS THE SPIRITS THAT QUICKENETH, as if he was trying to give us insight to the fact that, even in GOD head, there was a division of labors all quickening business is HOLY GHOST business, are you there Is the spirit that what?=that quickened is the spirit that vitalizes ,it is the spirit that makes alive, so in quickening you ,what the HOLY GHOST does is that infuses into you higher measure of the life of GOD. **ARE YOU ABOUT TO GIVE UP ON GOD'S WORD AND PROMISES TO YOU?** =Never give up on GOD'S word and promises to you, irrespective of what you are going through. Always reply and speak faith over fear. This is a logic that has helped me when I am in the situation and it's so taught ,and then demons mind bending demons will come and say, you are still going to church, you are old, are you there, you must have an answer when demon speak into your head, you must have an answer ,you must answer, my deal I'm in league with the one that quickens the dead, the one that call those things that be not as though they were. You need to preach to him, Satan need preaching too, Satan he needs preaching get busy preach to Satan. It's only Satan preaching to you in your dream, you wake up with fear. Everything, talk wake up. I am league with the one that quickens the dead, the one calls those things that be not as though were. **WAKE UP AND TRAIN YOUR SPIRIT**=The secret is to wake up and train your spirit. Give yourself to spiritual exercises and training, if you remain docile and neglect spiritual building; through prayer, fasting obedience to the Holy spirit, and the word of GOD, you will become victims of the manipulation of darkness. Keep your heart burning consistently and pray to always receive understanding to apply from HOLY SPIRIT. Wake up, HE makes you up, that is how all of us are surpassed to be, there are many things we can change, there are many things we can avert, if only we are alive in the spirit, if you sit without understanding, until a danger that could be averted navigate all the way and manifest be you may not be able to conquer that in your life times, it's easier when it's in the embryo, when it has not yet gain expression, you can kill it while it is travelling, if it manifest ,you will need the gift of one of the wisdom, to be able to survive it and it will require another depth of traveling into the spirit you couldn't travel when it was easier, will you travel when it's deeper ,for most believers ,what we see today, are burning heart but close eyes, it is happening in the spirit but never gets to translate into the soul realm where adequate understanding is secure and it is when you have secure that understanding that you can act by wisdom, knowledge is informative in nature, understanding is comprehension in nature, wisdom is directive in nature, when that spiritual things come to the point ,where you understand it, you can't apply it. cutting edge of wisdom is not available. **AUTHORITY TO REIGN IN LIFE**=You are rises king ROMANS5:17 SAID HE GAVE THEM ABANDONED ONCE OF GRACE AND GIFT OF RIGHTEOUSNESS TO REIGN IN LIFE, to king in life, you cannot have Merce of any man, you are not at the mess of any circumstances, whatever is thrown at you it will bounce back, that is what

GOD gives you, it is what we call authority ,you present HIM, you are first in rank ,you have the ability to exercise government and you Reign in life as a king, you don't just carry glory, you just carry authority, but how do you activate it in your life? Number one you must know, that is why I am teaching you 1JOHN5:13 Said this things ,I have written to you, that you may know, you need to know you have authority ,otherwise, you will never exercise it, you need to know either you are a new creature in Christ ,He said be hold it means become aware, because if you are not aware you will function as the old creation while you are a new creation. Number two you must acknowledge. HOSEA 4:16 MY PEOPLE ARE DESTROYED FOR LACK OF KNOWLEDGE WILL ALSO REJECT THEE, THAT THOU SHALT BE NO PRIEST TO ME; SEEING THOU SHALT BE NO PRIEST TO ME: SEEING THOU HAST FORGOTTEN THE LAW OF THY GOD, I WILL ALSO FORGET THY CHILDREN. So, declare it, I have authority it is not pride it is realty. In the book of PHILEMON1:6 THAT THE COMMUNICATION OF THY FAITH MAY BECOME EFFECTUAL BY ACKNOWLEDGING OF EVERY GOOD THING WHICH IS IN YOU IN CHRIST JESUS. Guess what Satan do to us, the moment you feels pain Satan give it a name, you feel pain of the breast you say, could it be cancer, ah Hoo yes it is, you start hearing cancer ,cancer his heart She can't sleep, She wake up cancer ,cancer She dream cancer ,because Satan know that you have made it with your word, the moment you acknowledge it ,it becomes a reality, for those who know when we feel pain we don't denied that there is a pain, faith is not denied of fact but it is a refuser of fact to dominate you, so when I feel pain ,I say hey!!,HE WAS WOUNDED FOR MY TRANSGRESSION, FOR MY INQUIRES ,BY HIS STRIPE I AM Healed ,That spirit that rise JESUS from the death lives in me my body is quacked pain get out, don't graduate pain to cancer, acknowledge that you are favored, acknowledge that you are blessed, acknowledge you are growing, acknowledge that you are taking over, acknowledge you are health, if you don't acknowledge you will never have, Number 3 yield yourself to the HOLY SPIRIT, when the HOLY GHOST discover you have declared He will show up, He will lead you to the reality you are proclaiming, those who lead by the spirit are the sons of GOD ROMAN8:14 .,THERE IS ONE CAN EXERCISE GOVERNMENT, CAN Exercise DOMINION, because government is for sons, the proof that you are a son is not just you know, IT IS NOT JUST YOU ACKNOWLEDGE ,IS BE COUSE YOU ARE YIELD TO THE HOLY SPIRIT, and if you are yield always be spiritual sustain a spiritual mentality, because sometimes ,somebody may look at you and say you are a fanatic, and when you lose that spiritual mentality you will discover that everything will collapse, the bible says to be canal minded is death, but spiritual minded is life and peace. ROMANS 8:5-6 If you are not sustain spiritual mind set, everything you have built will collapse, that is the problems of many, that is why you must be careful who you listen too, Where you go, because they can collapse your world by bringing carnality into your mind, you are building something it almost completely and then will come and show up, and say take it easy are this things real, true and then you start contemplated, what this person says, no . Just refer what did the word say and not what other people say. **IF GOD IS NOT SPEAKING INTO YOUR LIFE YOU'LL BE IN TROUBLE=**In life you must learn to hear the voice of GOD, find the voice of GOD, The solution to your problem, If GOD is not speaking into your life, you will be in trouble, no matter where you worship, have you not see people mysteriously die from the

most powerful placed, because there is so much GOD can do for you because of where you are but the greatest insurance for your life is the speaking of GOD into your life, because when GOD speaks to you HIS jealously defends it, He told Simeon ,you will not see death ,until you see the salivation of Israel, even when SIMION was old ,he couldn't die because GOD has spoken, the voice of GOD, We preserve, the voice of GOD WE defend, and the voice of GOD we keep, that which He have said, there are many forces today that program men ,because when a spirit speaks ,HE'S not just speaking to create change, He's programming your life ,have you seen people before ,every decision they make, take them away from their blessing ,they went their business for 5years,in the 6years that GOD wanted to visit ,they quit the ,and the moment they quit ,they now hear the business are blowing and then they are wondering why? The reason is because demons speak into men's life, and speak into circumstances to program men into destruction, so when you begin to pray to hear the voice of GOD, you are actually reprogramming your life for victory and for success. If GOD is not speaking into your life, you will be in trouble WHEN FIRE COMES OUR GOAL IS NOT TO PRAY FOR FIVE HOURS=It is not to pray for ten hours, time is necessary, number one because prayer requires displace, time is necessary, number two. Because everything you do takes time ,but over and above time it says as soon as Zion travailed she brought forth her children, he says as soon as the Zion travailed she brought her children ,when we are on the prayer alter we want to cook a dimension, and so prayer does not stop because you have hit 20hours,prayer does not stop because you have hit seven days, if your prayer is all about time you are a pharisee, he said the pharisee take pride in praying in street corners that they will be seen of men, he said, they take pride in praying for long with reputation so that men we hail them, they have their reward but men who understand what we are pursuing ,they are not happy because you call them prayer warriors, they are not happy because you call them word machines, they are not happy ,they are not happy because you call them fasting machines, their goal is to birth something, and that What JESUS done, the bible say JESUS go to the mountain and when he's done pray, he comes down and you see a dimension, because he goes there to fetch what is in another and bring it into this world and one day HE told his decline follow me into the mountain, and see what I do ,and MATTHEW17:2,THE BIBLE SAYS THEY WENT WITH HIM AND AS HE WAS PRAYING ,IT SAID SUDDENLY THE FASHION OF HIS COUNTENANCE WAS ALTERED, His Garment began to gaster, they say suddenly MOSES and ELIJAH appear before HIM, and they now said oh this is what you come to hide to do, from that day every apostles caught a burden and when JESUS left they said that he carried is what he put to us, and so our life now is to master it, that is why when they needed to ordained coins, they say, it is not meet for us to give ourselves to tables, they said we will give ourselves to prayer and to the ministry of the word we saw the master that there was a word on his inside every time he goes to the secret place, he pulls that word out and when it comes out ,they see a wander ,if we too must be a wander ,then we must keep birthing ,yes we must keep birthing ,the word of GOD, Brith scripture to live the world of wanders and miracle life. **DO THIS TO KNOW IF THE DREAM YOU HAD IS REVELING THE PLANS OF THE ENEMY AGAINST YOUR LIFE**=Do this immediately when you wake up in the dream, are you aware, that not all bad dreams are real bad dreams, some

dreams you call bad dreams are revelation of what the enemies are planning ,and how you know that ,that bad dream is the plan of the enemy, is that you see something in your dream that has not happen in the physical for example, may be you see a relative dying in your dream, or you see something bad happening in your dream, that has not yet happen physicality means what you are seeing is not real a bad dream, it is revelation dream, GOD is telling you rise up and cancel this, for this dream is the plan of enemy, so when you wake up from search dream, that is not a time you begin to panic, that is the time you rise in intercession, so long it has not happen physically ,you can cancel it, if you read JOB33:14 THE BIBLE SAYS GOD SENDS DREAM TO INSTRUCT US AND TERRIFY US WITH WARNINGS ,AND REASON FOR US IS TO RISE AND CANCEL THE PLAN OF THE ENEMY. The secret is to walk under GOD'S presence. **RANKS AND CADRES IN THE SPIRIT=WHAT YOU NEED TO KNOW**. You see when you study the keeper of the spirit realm, you will find out something ,that after CHRIST ,you have thrones, after thrones you have dominions, after dominion you have principalities, and then you have powers, that is in COLLOSIAANS1:15-16 WHEN DOMINIONS FELL, That is lucifer the son of the morning, because he was like a man that was created was created a dominion, that's why when HE made man, HE said have dominion, And HE gave a man the earth realm as his territory, because dominion is a price that has a territory, the messenger of a dominion is a principality, and so what the bible teaching us, is that the way devil colonizes territories, is very strategic what he does ,is that HE sends a prince that does not have territory, Whose loss is to possess a territory that's why you must know how to rebuke the demon through JESUS Christ name. **THE POWER OF PRAISE OVER PRAYER=GOD WANT YOU TO EVEN PRAISE MORE THAN PRAY**. Prayer is complaining ,praise is lifting GOD, when was the last time your house ,you stood up and start dancing, no day ,only you are drinking alcohol or playing unnecessary song, if you intentionally, say I want to praise GOD, let HIM arise' 'and for one hour, you are just singing proper song and praise, and you are dancing nobody is there, you are sweeting, then you will see the GOD that sees the secret, that He can reward you public.ACT16:25 BUT AT THE MIDNIGHT PAUL AND SILAS WERE PRAYING AND SINGING HYMNS TOO GOD ,AND PRISONER WERE LISTENING TO THEM SUDDENLY THERE WAS A GREAT EARTHQUAKE, SO THE PRISON WERE SHAKEN, AND IMMEDIATELY ALL THE DOORS WERE OPENED AND EVERYONE'S CHAIN WERE LOOSED.[NKVJ]ACT 16:26.WERE WE PRAISE GOD ARISE, when you pray GOD hear. Your prayer is complaining, your songs is companiable HIM many of you in your traditional life, were your villages or anything, masquerade day, the way they dance is unusual, even you are dancing and shaking all your body, or they invite you for part, all your friends know you. Where did all those skills go when you give life to CHRIST? Even when they are singing in church, to dance is a problem. Praise facilitates prayer answer, Couse praise is a sign of GRATITUDE, because praise invoke GOD'S presence. The strongest people in the realm of the spirits are people that praise, not complain, GOD himself hates people that are complained, GOD open the heaven to the praises find that every time in the OLD Testament when the case is too big, GOD tell his children, toward, just to praise when your enemies are more than you, you don't pray, you praise. **UNDERSTANDING TIME, SEASON AND PURPOSE**=If you enter the realm of the spirit, you will discover that some people are still 2003 in the

reals, but in time physicality say they are in this year. Meanwhile the experiencing now is what GOD wrote for them in 2028. The truly is that many people herb, what GOD had prepared for you are 10years behind. You know what Solomon said in ecclesiastes3:1? TO EVERYTHING THERE IS A SEASON, A TIME FOR EVERY PURPOSE UNDER HEAVEN[NKJV]Eternity give birth to time and time give birth to season, and season give birth to purpose. This thing is only under heaven., if you cross into heaven, no more season, no more time, GOD'S want us to live, understand the frequency of eternity. That is the only way you can live a good life. A time to weep, AND TIME TO LOUGH, A TIME TO MOURN, AND TIME TO DANCE; [NKVJ]ECCELESIASTES3:4 Don't have time to weep; they only laugh. Not everybody weeps now, not everybody is living in time again., don't have time to weather only Lough, not everybody weeps now, not everybody is living in time again., there are people that Don't mooring gain, there are people they don't weep again, they dance only, and they only at joy. A time to gain, a time to lose, **is not that everybody that loss, some are only gaining, because the bible says the part of the just is like a shining light, and shine brighter and brighter.** 'If you discover that you got rich, and all of a sudden, you fall again, you are living in time. And woe to the habitant of the earth let me, tell you the woe that is on earth, you discover that the more people that are inter in the grave are young but normally, you mind who is supposed to be in the grave? The old. That is the woe to that is on earth. Woe means nothing will be all right, if you choose to live in time, there is a big woe. Always find GOD frequency to know the season you are under. **CHANGE YOUR WORDS=***Change your word, you change your world. When you change your words, you can change your word you can heal your world, when you change your world, you can heal your marriage. When you change your word, you can restore relationships. Your words.* **FAITH AND REST=**When you pray you can tell Satan where you are, you can tell Satan what is possible with you. LORD let this cancer will not killing me, so cancer can kill you ,they will go and write it down cancer can kill him, then they will channel all the energy on concern to lord these people in the village they took my name to a Shrine ,Father nothing is working OH, so they can manipulate your destiny from a shrine now, owlets enter the Shrine and then start bomb bombarding you from Shrine some of as when we pray we tell them take my name to a shrine ,whatever you see carry it what is me afraid of the Shrine ,the Shrine has idols that host demons, who am I, I host GOD, I am a mobile shrine so between me and the thing in the shrines whose to be afraid, those idols are hosting demons, I am hosting the almighty's if I enter the shrines the idol will fall, if you take my name to the idol, idol will tell you have made a mistake, this guy is my underimagined now if they report you to the 10years old boy, and then you afraid please don't beat me ok ,if the idol make mistake and come they will jump fire, it is called, it is called fate sir, it is not rehearsed it is natural .Pastor MICHAEL OROK SAID "My wife get pregnancy 7month they said amniotic fluid is drying up, I said no nothing happens outside of GOD'S plan here, the next day the same doctor look at her and said, no its malaria ,they gave birth to my second boy say Aho we are see something like hernia, We need to operate none of my sons will any metal cut their body, it is not part of the covenant, three days letter, they came he is alright , they said they were wrong diagnosis, it is not wrong diagnosis power jump power' 'You keep quiet and see your life fall over night. You are not yet talking that is

why GOD send his pastor and they are talking on your behalf, now rise up to a new level. **UNTIL YOUR EYES LEAVE MEN YOU WILL NOT SEE GOD.** As wise and intelligence there are some cases people will even threaten you and say will come and kill you. This is what trust means. God will tell you don't go to police, don't call police, don't report the case, this is a way people can be fighting you, GOD will tell you don't call any lawyer, do you know what is trust, we saw men that said that they put their life in danger for the sake of GOD and said that I am ready to go to the lion gets I am trust GOD to die, little things happen to you, you are looking for [police to call, you are looking for lawyer to claim your right. THE MORE WE STOP TRUSTING GOD, THE MORE HIS POWER FADE FROM OUR LIFE. Ok let your police, help you, okay, let your lawyer help you. Ok you still have who to call to help you when you are in, under financial, okay, let your uncle keep helping you. ISAIAH was eating in the table of UZZIAH for many years until GOD out to kill UZZIAH, AND HE saw GOD. HIS destiny changed. Who are you looking still at? What are you stilling looking at, that still at restricting your sight from seen GOD? Every day I cry to GOD "FATHER, FATHER, if they think power have faded in our generation, I don't have any power, let your own power be revealed. *I don't want to judge you, I don't want to join the generation, that will be weakening from reacting. If GOD can't do anything let it remain undone, if GOD cannot speak let nothing speak. It's either GOD or nothing, if you have not seen GOD, as your last hope, truth is than body will help you to be better than them. And nobody gives you anything that will make you better than them, the bible said, 'THE EYES OF THE LORD IS MOVING TO AND FRO ALL OVER THE EARTH TO PROVE HIMSELF STRONG TO THOSE THAT TRUST HIM.* What differentiate a master from a boy ,a boy can pray in tongues there is a situation he cannot solve it, because he cannot discern GOD in his temple, When someone that knows, god comes ,he will not even praying in tongues will see him walking like a lion, it's not as if HE'S TRYING TO WALK WITH A LIMP, NO HE IS ANGULATING oh JESUS, What he's saying in HIS heart is ,the only thing I have is you, where are you, don't hide ,then the man in his temple will begin to came out, and because he has trained himself too devotion, he can discern the way it coming. That is how you can differentiate a master to a boy. **HOW TO MOVE FORWARD IN LIFE EASILY**=One day I sat down with a man, who travels out of this country without visa, it was then I knew, there **is something called personal recognition**, they can put a stamp of a person recognition on you, you don't need visa you may call it levels ,you don't need visa you may call it levels, but it because such people the gate is open to them, it is on the ground that everything is difficult. To get admission you will pray and you will even fast to get job, you will pray you will fast, that is not a prayer point, that's not a kind of fasting ,those at the top are praying, there are people whose family has people at the get, you say you know what, I don't have this, I don't have visa ,I don't some people don't look for visa. The bible says in ACTS12 WHEN AN ANGEL HELD PETER AN ANGEL HELD THE MAN AND TWO OF THEM WERE WALKING TOGETHER ,AND THE GATE SAW THEM COMING AND OPEN TO THEM, OF HIS OWN ACCORD, They didn't have to knock it, **the reason gates are not opening to you, is because you are not working with anybody important**, there people are get recognize them and bow before them, the bible said the gates open to them,verse10 OF IT OWN ACCORD ,AND WHEN THEY WERE PAST, THE FIRST AND SECOND WALL, THEY COME INTO THE IRON

GATES THAT LEADETH INTO THE CITY, Not just any gate, iron gates which open to them of its own accord, they didn't have to do anything ,there people because **they have people at the gate**, they don't have to do anything, they just move on in life, the gates are opening to them, on their own accord, because they have people at the gate, you will pray and talk to the lord, let the most difficult gate life open to me. On his own accord gate of economy, the gate of influence the gate of access to the top, father let it open to me on his own accord. **IT'S THE HORN THAT IS OPERATIONAL=BE COUSE HE'S SITTING SOME WHERE, AS LONG AS HE BRITH THAT THING WILL WORK**, so where are u operating in the realm of the spirit?? Example bill gates, Elon musk, papa Adeboye or David Oyedepo they are rich. Some people inter into a business world as they enter ,they take over, and when you check, it's not because they are exceptionally smart ,when you check there is nothing you can put your hand on, that person has a horn for that sector, if you like, go to Havard business school, and then drop by any big university of business school, and do you have one business school here, gather all the paper all together ,it doesn't give you authority to operate, authority to operate, is by throne ,in ministry for retracement is not because of any special ability, you might find some of the strongest greatest patriarch of our time may not be gifted, like if you check the landscape of Africa, the man that stands on the pinnacle of the whole action, look at it critical, He's low on gift ,so is not a gift thing, HE'S a throne thing, when you see the kind of crowd that therearound him, and then you look at him and say, you see you non understanding, that thing by that observation it is the horn that is operational ,because he's sitting somewhere, as long as he breathes ,that thing will work, I have stop trying to understand people, Tray to know the throne, that is working behind them, if I can know that throne, through his life, I can learn about that kind of throne, because henceforth ,no we know no man after the flesh, There's nothing you can know by observing the natural, because nothing begins from here, yes this is a reaction point, **WHEN THE THINGS ARE CONCOCTED ,THIS IS WHERE THEY DISPLAYED, THIS IS WHERE THEY MANIFEST IT**. So it is not really what if you are gifted, if you are on operator, to GOD, you can add that to the table, but you may have discover that 10years of oratory might not produce ,if there is nothing overhead that is supporting your activity's the proof that you sit on the throne in the spirits' the anointing and grace, that consistently functions on your life, I am not talking about something that comes and go, and you don't understand the handle of it. **COGNITIVE=THE WEIGHT THAT ANOINTING IS PROOF OF A CERTAIN COVENANT**, an agreement, a policy, that has gone forth in the spirit and that anointing is a proof of your spiritual throne, **Authority shall be exalted like the horn of unicorn, why?** because I shall be what anointed with fresh oil, the poof of that anointing is authors of a certain area. If as you wake up in the morning and you have a signal in my spirit, that's not conative communication, how many of you have been there before you just lost your peace, haw many have you been lost your peace? And there is no reason why you should lose your peace because nothing went wrong, and you did not commit in, it is a signal it's non cognitive, it's a consciousness that are burning fire, is creating by the time you began to press forward, you begin to find out there is a signal of danger, so I have that signal of danger ,but I couldn't place my hand on what the danger was, and I began to pray and pray that means GOD is calling you to

prayed ,prayed ,prayed after 6hours of praying there was no sight, so it okay I rested, took my bible I studied, and then everybody going to sleep in the night ,I started again from 11pm ,We were supposed to travel ,our flight was 11:25,so I started eleven pm, it was 3:am ,that the knowledge of what the signal was ,I could, I pick it in, in my mind ,for many believer when you have a signal like that, you just say I cover myself with the blood of JESUS, That's not the protocol of that ,it is a sign when GOD speaks to you by signs, it means he's calling you to the place of prayer to exercise your spirit, when the flame becomes intensely mind will pick the frequency, your soul magnify the LORD because my spirit hath rejoice in the GOD of my salvation. **THE BURDEN OF GOD**=Do you know that when you begin to ask GOD, what is troubling you would not believe that you are serious. For a longtime he will not respond, when you keep asking HIM, that is why I don't have any other prayer point, is just to find how are you doing are you ok, is there any problem? Then he will take you to a place a secret place where normal people are not there, then He will show you one thing, that thing he will show you, it will become a burden of your heart, it standing on your heart by spirituals power, just one burden on your heart, can take you for 25years the enough reason for you to pray in a way normal people do not pray, because when the burden come into your spirit for prayer it is a commencement supply of the spiritual alienation to keep you open to receive things from GOD for prayer. Ask GOD what is in your heart? What do you want me to do for you GOD? The burden will be your invitation to where GOD want you to be. You will become differences, your burden is differences, your style is different, you emphasize is different, even though people may not like you, you even receive energy from their hatred, because what is driving you is not on social media. **THE DANGER OF SEEING INTO THE SPIRIT REALM ILLEGALLY**=Many people you see that are in the psychiatric hospital today, many of them are force themselves they wanted to see vision, if you are not careful you want to see, by all means. If you just enter there to see, you need a spiritual license, which spirits is licensing you into the realm of the spirit? You know, when you come to a country you need a tour guide, that is how the realm of the spirit. You need a tour guide to lead you into a vision, because if you just enter there'' demons will see. ooh, ooh you follow. come, that's why many people become mad because they force themselves. Are you thinking even people are using to do church. So, it's either a family spirit, usher you into the realm of the spirit or the HOLY spirit usher you there. **YOU AND GOD ARE ONE**=You are beyond flesh and blood. You are a GOD living in a body, many people are held in dimension because of flesh and blood, you will just continue be there, you are GOD passing through human experience you are not a human that's trying to experience GOD, anybody try to tell you are not GOD, leave them for your own good. That is why the four epigenesis said there is Luke, mark, john and Matthew, meaning there is different perspective about GOD. We know this level doesn't mean, that's where it ended. You are a GOD experiencing time.JOHN14:20 IS THE MOST POWERFUL SCRIPTURE OF YOUR DIVINITY.[AT THAT DAY YOU WILL KNOW THAT ,I AM IN MY FATHER, AND YOU IN ME, AND I IN YOU.[NKJV] at that day you choose to remember the day you choose to agree you will know that I am in my Father, the church is not come here yet that there are GOD, I am God. YES, God is me I am not exists only GOD that exists through me 'it is the same thing PAUL

westerning to say when he said, I have been crucified with Christ I no longer lead, the life I 'm living. Now it's Christ that lives in me, 'if you say it's Christ are living in you, meaning you are a Christ. GOD is not ashamed to call you brethren, to say to you that you are one with HIM, for is you, in fact if there is any day you saying, you are not GOD. Oh OOOh, I am from GOD, 'YOU divorcing yourself from HIM, and HE want us to be one with HIM. BE CAREFUL!! JUDGE ALL SPIRITS, THAT MAY BE THE HOLY SPIRIT SPEAKING =The greatest weapon Satan deceive believers is to act as the HOLY SPIRITS, because he knows that believers have opened themselves to be yield, that is another discussion, Satan hardly attack believer Satan, he comes with the discase of the Holy spirts, Satan will to act as Holy spirits. Because he knows if he comes as Satan, you will cast him. So, he will come as an angel of light, and suggesting things using scriptures, but you need a level full of maturity to say no, even though this sound goods, this is not HOLY SPIRIT, GOD does not lead that way, this is why you have to know HOLY SPIRIT before you submitted to HIM. If you sublimate to many voices, any entity and many believers they think it is the HOLY SPIRITS leading them, they will die believing it is the HOLY spirit leading them, but upon the Lense of a spiritual man the matured person fill the gap this level of submission is a demon spirit and not HOLY SPIRIT. Listen very careful, deliver service for someone, there are people they have done the stupidly things in the name of being led by the spirits, I will show you another element of being spiritual, because if the only thing you do to be to be spiritualist is submission to spirit ,you are in trouble, I told you Satan uses evil to destroy you resist it, you use good, the most important thing He wants you to be destroyed, so we have respective speaking ,we have an army of singerly people in the body of Christ, do all kinds of things and their basis of confidence they will tell you see my note book, see it GOD told me, I know what I saw, right but we need to judge the kind of influence ,there is way to judge spirits, this is why the bible says the strong meets, so you can judge spirits ,if you are open heart to night for someone it can be a deliverance service now, to ask yourself this Jurney I am taking, I don't see the light, and I am not see everything around it take me backward and going into a pit, is this real the voice of GOD? And when you check you will find out that you have been led by a demon spirits and you don't know, if Jesus had to pray FOR PEATER and say stand Desired, did you think will come as a beast with horns, Peter will have resisted him, he slept into PEATER, and use Peter compassion ,there are people who have left their place of glory and place of assignment because he heard a voice and the voice spoke beautifully, the voice came through the dream and say go to this place, the voice came and turned their destiny helper as to look like demon enemy and wake up on that dream hated people who will blessing them, listen careful ,this message is to blessing you, we are talking about the spiritual man, a spiritual man in addition to encounter, with the person and the ministry of the HOLY spirits, must submit to the lordship of the spirits, let me tell you one classic sign to know it is the HOLY SPIRT leading you, there is nothing will never tell you by force, no, you will be constrained but the HOLY SPIRIT as the spirit of GOD, will always respect will factor, the greatest gift GOD give man is salivation through Christ, and even that HE never force it to any man, anything that demand to do it by force is not the spirit of GOD. It is inconsistent with the nature of love, I SET BEFORE YOU LIFE AND DEATH set blessing and curse, I can only advice you choose

life, that is why the HOLY SPIRIT is called the councilor. With whole due respected, I have read many books, I am one of a person had a rich heritage with the journey with Holy ghost by the grace of GOD, and I read the books on revivor and I see many writings were people says things like, The Holy spirit tell them if you don't do this you will die, and I respect their level of revelation, but I can tell you by the authority of scripture it is not accurate, GOD does not work like that, if GOD did not force you to receive HIM, the moment GOD put pressure on you and takes away the will factor is no longer call obedience called oppression, the bases of obedience is that your power to choose must remain ,you cannot tell me to obey until you give me an option to disobey. That is why there two trees in the garden of Headen not one tree, there were many ,this is one of the way you judge spirits, And also this is one of the ways you judges prophesies ,anything that has to constrain you backward by force something is wrong nonomino!! given by force ,go there by force ,that language of force is not a kingdom language toward the sent ,toward the demon spirts yes sir it is, not the sent ,Not by force, so by time someone say me too I did not like GOD'S force me, carefully that is not GOD'S voice. Therefore, you are not bad but just accept that you are growing, when you grow you finally you will not be blaming GOD, it is the deception and it is not GOD. NO! NO! GOD constrains he put pressure within your heart either to go or to stay but HE will always leave the will factor ,you can choose ,I can choose as an act of my will today as a man of GOD and stand before you and stand before world ,as say you know what I am not interested in GOD again, is an act of my will, you will intercede for me but the end of it, when you interred for me let me tell you what will happens, the spirit of GOD will keep reviling to me the excellence of staying with him, and the disaster that may happen to those who as connected to my grace, but at the end of it ,when HE find that I have made my mind, HE will honor my decision and rise another person. That is how GOD works. **CAPACITY OF THE SPIRIT [SPIRITUAL CAPACITY]** =Some people are reward in the spirit very firebrand. They can pray fast for long, but if you mistakenly ,taking about money in the church, they put their head down because their spirit is renewed .when you are taking about prayer ,talking about fasting ,they will be speaking in tongue once you talk about money they say .Mumm!!This pastor is become carnal .He should talk about rapture should talk about repentance before GOD will rapture you,earth has already rapture everything you have, you don't have anything again, landlord have raptured you out of his house, the place you are renting ,they have raptured you out of your shop, they have raptured your car from you, BE COUSE THEY ARE RENEWED IN THE SPIRIT, THEIR POCKET IS NOT RENEWED.!!! AND BE RENEWED IN THE SPIRIT OF YOUR MIND. EPHESIANS 4:23, There is a renew of the spirit and there is a renew meant of your mind, GOD OPERATES WITH YOUR MIND AND SPIRITS. These are two channels where GOD express his ideas. GOD can be reduced to the size of your mental capacity. If somebody that have never seen plane closely before, see a big plane far, if you say that person, organized people that this plane will take to another country, 'The person just organize only four people because of the mentality of a car that he has in mind, because he has not seen plane, his mind limited. Tell another person please organize people this plane should take to another nation, you see that person that has seen, the plane will bring 400 people. This one that see only four will be saying, are you ok? How can

that small thing carries this? MAY YOU NOT SEE GOD SMALL. And that is the secret of life. **PRAYER IS NOT INFORMATIVE BECOUSE GOD KNOW ABOUT EVERYTHING YOU ARE GOING THROUGH=MATTHEW 6:8** THEREFORE DO NOT BE LIKE THEM. FOR YOUR FATHER KNOW THE THINGS YOU HAVE NEED OF BEFORE YOU ASK. The bible reveals that your Father that you pray to, He know what you need even before you ask HIM, **THE POINT I'M TRYING TO BRING TO YOU HERE ,IS THAT PRAYER IS NOT** Informatively think GOD doesn't know that is why you are praying ,he is ignorant, so you need to bring this matter to his attentions that HE will be aware so you are telling GOD because he does sent know, You believe that prayer is informative let us go and educate the ignorant GOD, meanwhile the bible reveals that your heavenly FATHER knows what things you need ,even before you ask. So sister HOW do you pray to GOD that knows, have you thought about it, a GOD that knows more details than you think, this is your small head that you use to read engineering in university of HAVARD and you came out and say I'M so Enlighted ,I'm so what will happen to you is that GOD will put you in a situation, where that your intelligence will count for nothing ,just for him to show you that you are limited ,you are insufficient, coming to GOD means you want to deal with GOD. And that's is seriously business, so according to this scripture you deal with GOD By faith, acknowledging that everything that GOD say GOD means everything HE says, and HE says everything HE means, so GOD doesn't use words the way we do, because GOD is operating at a level of energy such that anything HE says comes to pass. **DOMINION OVER HOUSE HOLD DEMONS**=Many years ago I was going through deliverance, you know those years foundational powers are what are troubling us, It is called the foundational power ,the more I pray the more oppression intend ,oppression makes a wise man mad, in the book of ECCLESIASTES 7:7 SURELY OPPRESSION DESTROYS A WISE MAN'S REASON, AND A BRIBE DEBASES THE HEART,[NKJV] it says oppression makes a wise man mad, whenever I see oppression ,if you are not angry that means you are not wise. The spirit of oppression is what make many believers suffering. Many believe they are oppressed by demon because they don't know the secret to overcome demonic oppression. You can be born again but you face this kind of demonic oppression because of your ignorance ,start with holy anger for you to be free from that oppression, there is a foundation power in the spirit in your family in your villages, because every building has the foundation. Every family have the foundation, if the foundation is not destroyed you cannot do anything, the more I was praying the more I was being attacked, and I was going to church and I was serving the church, and I was sick and every time I finish from church get home ,I still on oppresses I discover truly the war I was fighting ,the foundation I come from the marine spirit was oppressing's was a masquers my father was carry the biggest masquers in the villages, so our son name changed from nice okol to wingo AND THERE IS A RIVER IN THE VILLAGE CALLED WINGO, MEANING WE ARE THE CHILDREN OF WINGO, they call me my grandfather's name also, so I discover the three connection of devil. I give you history in order for you to do personal deliverance, Check your father, check your mother, check why did they give you that name, your sir name you don't know why, the name that is connected with the marine house, how did I know it was three, One night I was sleeping when it was too much our village name is WiNgo, there is a three old women that have married me,

they could see where I was going, pressed are the most high. The most abused are the highest ones. So one night when I finish praying ,three old women appear to me ,they wearing the traditional closed, they reviled themselves physicality come into my room, that we have married you, this is we, and the same occurrence are normal happening to me, if marine wife attack me, what happen you ejaculate and released, that is how I know it was them, I so them we didn't do anything but when I wake up, I say ohoo !! am in a marriage!! . Now I realize the marine kingdom attack. That is a strong captivity, this demon always hide, when the demon is living inside you and it is quietly, whenever you came to church you don't want to fall, people are praying you're not praying ,guard man, this powers that I am talking about ,when you are fasting and praying they are the one who help you to close the fasting, they will not come on the first day ,they will not come on the second day, they know the second day you are breaking, if you are praying and fasting ten days they will come on the nine day, to render your effort useless when I discover that this are three Braches of my captivity ,then I started ,I was fighting them ,spirit of masquerade fire, marine fire, then I saw that they have still have dominion over me, the LORD say one thing to me that the first prayer of deliverance is foundational prayer, ancestors powers, villages powers ,the first thing to do is to disconnect, that should be your first prayer say I DISCONNECT MY SELF FROM FOUNDATIONAL POWERS. I DISCONNECT MY SELF FRO HOUSE HOLD WEAKNESS, I DISCONNECT MY SELF FROM THE POWERS OF THAT IS FIGHTING MY FATHER, THAT IS FIGHTING MY MOTHER, I DISCONNECT MY SELF. BY THE POWER OF THE BLOOD OF JESUS. You don't fight someone in their house, you can't be in the house you are under the colony of demons, your family demons, and you are praying fire! fire! And they are there inside the house, do you come up fight inside their house, the first prayer to do is not to fighting them inside their house, their compass. Do you know JESUS want to heal the blind person he held his hand took out of his village, when HE finished, he said don't go back that is the meaning of disconnect, I disconnect, have you read your bible, when GOD wanted to use ABRAHAM GENESIS 12 :1GET OUT OF YOUR FATHERS HOUSE THAT IS DISCONNECT. In the book of GENESIS12:1 NOW THE LORD HAD SAID TO ABRAHAM; 'GET OUT OF YOUR COUNTRY, FROM YOUR FAMILY AND FROM YOUR FATHER'S HOUSE, TO A LAND THAT I WILL SHOW YOU.[NKVJ].Say I disconnect from my family and from my father's house that is how to disconnect, GOD cannot do anything for you and with you ,when you are still there, you need to come out first when you separate yourself then the battle canstart,When GOLIATH came against Israel ,he said oh you servant of soul chose one person among yourself ,they put them under the weakness of SOUL, their king scared and are you people scared, you all servant you scared like your king scared, choose one among them, When David came he didn't call himself as a servant of soul ,HE CAME AND SAY I CAME IN THE NAME OF GOD OF ISRAEL WHOLE YOU DEFILE, SO HE SEPARATED HIMSELF. You seat and call fire without disengage yourself, fire holy ghost fire, when you finish fire, when you sleep ,they said ok have you finish fairing us, So the secret of life is to disconnect yourself from demonic oppression's I disconnect, anything that connect me with my father .anything connecting me to my mother ,anything ,connect me to my foundation, I disconnect by the power in the blood of JESUS. **'DO YOU KNOW THAT IT IS YOUR BRAIN THAT TELLS YOUR BODY TO DIE? =THE**

POWER OF THE MIND. *It is your brain that tells your brain to die, once your brain receives death from the storage of your mind, brains will tell you, that once you are in a fatal accident, boom, you should die. Couse you've been programmed that is a fatal accident, you die. It is programmed that in a fatal accident, people die. Your brain that tells you your body to die? Your brain has told you that if a viper bites you, the venom will kill you. So now, the brain receives it is from the mind and the moment a viper bites you, then the nervous system will tell the spinal cord, please ask our boss the brain cell what to do and tell the body. So the brain cells now goes to the mind to see the programming of the mind, If the mind has no revelation of immortality, if the mind has no faith .DO THIS IMMEDIATELY AS YOU WAKE UP!!=This is the secret highly spiritual people don't like to share it with other people,* because it is like a major key that can transform your life, this is how to command your day, Immediately you wake up in the morning this is the first thing you must do ,if you want to see the hand of GOD upon your life, the first thing to do when you get up from bed is to shape your day, frame your day by confessing the word of GOD, never enter a day you have not spoken into, the bible says through faith, we understand that the word were framed by the word of GOD, It means GOD frame the world by his word, you too must frame your own road by your words, it means that when you get up from bed in the morning ,the first thing to do is not to take your phone and switch on your data and beginning to surf the interment ,that is not the first thing you should do, the first thing you should do anytime you get up in the morning is to put the word of GOD into your mouth ,relies word into your atmosphere ,the moment you declare words ,what will happen in the realm of the spirit is that your angel will travel into your day and begin to shape your day, they will begin to create spiritual realities in order for you to see the hand of God express in your life in that day. **DO THIS THREE THINGS IF YOU WANT TO CONFIRM IF THE VOICE YOU ARE HEARING IS REAL THE VOICE OF GOD=***Are you aware that sometimes ,the way GOD speaks is the way Satan can speak too, that is why the bible said ,beware because Satan can appear as an angel of light, but the beautifully thing is that when GOD speaks, he always leaves signature and Satan doesn't have that signature, now the first way to conform the voice of GOD when you hear the voice of GOD that you are not sure of, pretend as if you didn't hear it, this because if it is GOD, Then GOD will insist the voice will come at a random moment ,that you are not even expecting ,the bible say in PSALM62:11 ONCE GOD SPOKEN, TWICE HAVE I HEARD THIS, NOW THE SECOND WAY TO CONFIRM THE VOICE OF GOD, IS THAT, The voice you are hearing must align with the scriptures, that is why a man cannot master the spoken voice of GOD, If he has not spent time with the Witten word of GOD, for example GOD will not tell you to kill yourself, God will not tell you to end it all, GOD will not tell you ,you are good for nothing, are we together now, and the third way to confirm the voice of GOD, DON'T JOKE WITH PEACE IN YOUR HEART, Whatever you hear and there is this inner struggle, you need to check again, because when GOD speaks to you, He will give you the peace for that journey, the bible says in PHILIPPIAN 4:7 IT SAYS THE PEACE OF GOD WILL GUARD YOUR HEART, THE HAND OF GOD IS MIGHT UPON YOUR LIFE.*

HOW TO KNOW GOD IS SPEAKING TO YOU? *=The problem is not the voice of GOD or the problem is not about GOD, the problems is with us, how do we discernment the voice of GOD in our life? I*

remember priest shared once, one principle of discernment of just to understand or a way to discern whether something is coming from the spirit of GOD OR FROM THE ENEMY. You know scripture says, the enemy comes to attack, he's the father lies. And the LORD, who never the LORD is speaking into our heart, if he is bringing something to our attention, just to see, it's like hallow, let's talk about this! 'You know that, if it is the spirit of GOD, IT IS ALWAYS COME WITH KINDNESS AND GENTLENESS, AND ALWAYS BRINGS US JOY AND PEACE, EVEN IT'S HARD. The enemy will come and he is more force, He'll bite and sting, and tries to tears us down and there's a shame that comes when the enemy is coming in to attacks just remember, The HOLY SPIRITS always bring the fruit of joy, peace and all other fruits of the spirit.

HOW DO YOU DIFFERENTIATE IF IS IT GOD SPEAKING OR JUST MY MIND=How can you distinguish between something that is counterfeit, something that is real, you have to do something that is real so well that when you see a fake one or phony one you will see it like, if you take the dollar bill, people are making fake dollars, okay but if you know what a real dollar bill is supposed to look like you know it, you studied , what a real currency supposed to look like, when you see a fake one you can be like that is not have the image inside that doesn't have the light, you can tell so how can you tell if this voice is the voice of GOD, or it is your flesh, you need to know the voice of GOD, YOU FIRST speak it up from the word of GOD, as you speak the word of GOD, as you study the word of GOD, as you think to the word of GOD, He will speaking to you, and you will know very clearly how his voice sound, today I want to challenge us to you know from this very shallow this very surface level of Christianity a much more deeper relationship, the whole concept of Christianity is relationship with GOD, GOD want to establish a relationship with you ,he really does ,he wants to talk to you and in every relationship communication is the blunt line of every relationship, so GOD wants you to communicate with HIM, and he wants to communicate with you back, all the times GOD is speaking to us through a megaphone ,ok ,He speak so loud in your ears but then we get stubborn may be it is not what we want to do, maybe we afraid of what other people by saying ,may be it is so counter culture and to be like we are always with GOD I want to hear your voice, GOD speak to me, GOD is speaking and GOD is telling you what to do, but it's not popular ,because it's not popular ,yes he did not cry because you're thinking GOD is not speaking, if you came back to the word of GOD, IF YOU GROUND YOURSELF IN THE WORD OF GOD, You train your ears and your spirit might to hear the voice of the lord, and when you hear the voice of the LORD, you cannot mistaken it for the voice of anybody else, and I know many of you looking for direction, what is this and where do you want me to go, what do you want me to do, spend time in the presence of GOD, This is lone time you be,you and GOD, SOMETIMES I DO THAT MY CLOSET AND I AM LIKE, GOD it is me and you, You got to speak to this situation show me what to do. **THE SECRET OF LIFE ON HOW TO SEE THE POWER OF GOD=HOW DO YOU CONNECT TO THE POWER OF GOD=**What do you respond for? If you respond to what GOD is saying you will See the voice the power of GOD. The greeter respond to GOD is what faith is. Ask yourself, your mind is responded quick to GOD or devil??Remove your response to the power of darkness. Do not fear don't agree with devil. The moment you put fear Infront you are the moment you agree with devil. What is your response? If you fear you respond to the power of darkness, fear is

responded to the power of darkness. Faith is responded to the power of GOD. Stop responding to the power of darkness and respond to GOD'S word. If you respond to GOD, you will reap what GOD want you to become. Faith is the bridge for you to meet GOD in your life. **IF YOU ARE A WATCH MAN IN THE SPIRITS=**So there is no spiritual thing that happen suddenly ,if you are a watchman in the spirit., no surprise is surprise is supposed to break upon you suddenly, if surprise breaks upon you suddenly as a spiritual man, you need to go back into your closet and repent, there is a gap in your intimacy with GOD, No thing, no major thing happen without a sign, without a sign when you begin to offer sacrifices and you begin to stir up the spirit realm ,you must be equipped, with kind of patience, that it takes for you to begin to be able to read sign around, one of our pastor in one of the nations ,he held a 10 HOUR intercessory prayer and instead of the break through, after the 10hr of intercessory prayer stains truck, He struck plenty of the members and he cried out toon the phone, strange thing are happening here ,after our prayer this is an indication of the fact that you know you have been doing 10hours prayers all this while, and you have been dancing ,but your effort now as affected the base of the spiritual entity that is in your city ,so the spiritual entity ,is just saying ,we are finally made contact ,that's is the interpretation of all this reaction that you have seen, and the way to cure it is to kindle the flame. **WHEN YOU ALWAYS FIND YOURSELF IN TROUBLE, YOU NEED SELF EXAMINATION=**The self-examination means that their times where the trouble you are facing was caused by your carelessness are we together, by your ignorance by your violation of GOD'S principles, at that point, it's not just enough to shrug it off, and say it doesn't matter, GOD just deliver me now. when you learn from mistakes you accelerate your deliverance out of that problem faster ,every time you are in trouble, don't just sit in pride giving excuses, humble yourself and learn fast, the faster you learn and that come through self-examination, for as long as you get yourself in trouble and you still wallowing with pride ,pride that is quitted with spirituality ,you don't believe that you are the reason ,why this business went down, you don't believe it was your carelessness and disrespect and dishonor that make them to demote you, or through you out of a company or job, for as long as you're not willing to take responsibility, you will be multiplying your problems, but then sometimes after admitting your wrong, guilt can eat up your mind listen and sometimes you can feel disappointed in your destiny ,I was not seriously ,why did I insult my boss, I would have been more tempered ,that is where the issue of joy comes, no matter what happened do not allow the devil use the things around your life to kill your joy, you must keep your joy alive and you must keep it active. **CHALLENGES ARE PROVE YOU ARE MOVING FORWARD=**Remember certain challenges are proof that you are moving, if you were not taking any step you will not even confront those challenges, JESUS said, in marks gospel ,He said let us go to the other side ,I have thought-out was because they were willing to go to the other side, that storm of wind arrows, there are people whose life look free from trouble free from challenges, free from temptations and it is not because they are doing well, it because ,they are doing nothing ,they are not making any destiny progress enough to be threat to Satan, they are not making ,they are not praying ,they are not fasting, they are not growing, they don't have any vision before them nothing drives their life, are we together?, they are so docile and so and so you look their lives and think they

are doing well because it doesn't look there is no attack around their lives. **HOW TO MAKE SCRIPTURE PART OF YOU?** *=See when you read scripture ,you are not just reading to know, you are activating yourself ,That's why sometimes read the bible loud to yourself you know what you are doing activate your eyes by looking at it, you are activating your ears by hearing it, and you are quickening your heart then when you are done reading close your eyes and meditate on them ,memorize them and when you finish memorizing them, talk it to yourself ,you see when we quote scriptures like this ,you think the HOLY GHOST just put it in our heart ,it because we have first of all planted in our spirits. That's why the holy ghost now curates it during sermon.* **WHEN YOU FIND IT DIFFICULT TO MAINTAIN A CONS TANT PRAYER LIFE BE COUSE YOU GET TIRED EASLY,** *=This is why and what you should do. Your prayer experience shouldn't be determined by emotions but by the quickening power of HOLY SPIRIT. When you pray and make prayers feel dry should not stop you from continuing to pray. Pray always and rely on the HOLY SPIRIT for strength. Now see somebody playing the key body right now, okay if she decides not to touch those strings, even though the keyboard is capable of sound, it will not sound ,do you realize that ,good, The sound he's making is because of the combination of touches achieving, imagine your emotion like the keys of the keyboard then Satan through your thoughts comes and play a note, He's the one manipulating your emotion, but you don't know and then he's making that prayer experience look so dry to. So you try to make an attempt ,but he's playing on the notes of your emotion and trying manipulate ,if you are a babe in the spirit ,you will conclude that ,it is not working ,and so you will depart you back out, so it work for others it doesn't work for me, so you build psychology around that your experience, but your experience was a demonic experience ,it was an experience that is descriptive of an attack of a devil, so that believer ,that doesn't have the strength to press through ,to face through that drought never get to the point where it becomes quacked if you are not quicken ,you will not be able to discern GOD, Even if he passes as close as your breath ,because GOD is not flesh ,GOD is spirit, and in order for you to be able to design HIM, You must be quacked and so the psalmist says ,so we will not depart from the when the quicken us and we shall call upon thy name, meaning that if you are not quickened ,you will not be able to sustain a consistent life of prayer. WALKING WITH GOD=When you walk with GOD your life looks like deceptively slow, keep moving with him, GOD does not rush people ,He gives speed, there is a difference between speed and hurry, GOD builds you for a longtime ,you will look at yourself using the indicates of men and feel stupid for being serious with GOD.I161 have been a walker in this church for 4years ,LORD it looks like nothing is happening, when I started out in life and ministry, people who were running you will think after one year they will not give room for ministry again, sometimes I challenged few of them and said, calm down the way you are going about ministry you will fail, they don't understand this is how things should be done, some of them today ,I'M not sure they are even in Christ ,sincerely there are many of you I sense in my spirit, that you have committed your heart to serve GOD, YOU have served in your church ,people have laughter at you, you have even felt stupidly serving GOD. This book is for you rise up again and obey the voice of GOD. May this be a season of appearance. **WISDOM ISN'T ABOUT NOT MAKING MISTAKES BUT ABOUT LEARNING TO ESCAPE***

AFTERWARDS WITH OUR DIGNITY AND SANITY INTACT. HAVE YOU EVER ASKED THE QUESTION, GOD IS THAT YOU? OR IS JUST MY THOUGHTS? =Because you are not alone and the answer is simpler, than you think, one of the ways that GOD speak through HIS ,HOLY SPIRITS, He will never tell you to do something that contradict scripture, He always leads closer to JESUS, lets says you feel that to forgive someone ,even when you don't want to .That quiet voice keep saying let it go, that is not your emotions, that is the HOLY SPIRIT drawing you into freedom, and this is where it gets better Couse GOD'S voice might sound like a Wisper but it carries ,peace power and purpose every single time, sometimes what he says challenges you, and might stretch your faith, a little bit ,but never confuses you ,The HOLY SPIRIT won't push you with pressures he leads with peace. Peter didn't walk on water because it was safe, He walked because JESUS said come, the voice sounded risky but it was also wrapped in peace, and you have been questioning, if you hear GOD'S voice now, now it starts to walk confidently. **DO YOU KNOW HOW TO HEAR GOD'S VOICE?** =Did you go to GOD first and ask HIM, what HE SAY ABOUT IT? You can look at different area of your life, your relationship, you can look at business opportunity, you can look at school opportunities, everything in your life that is possibly looks good, do you have a strong relationship with the LORD. Where you can hear his voice and know what HE is saying about it, If you are born again Christian you should know HIS voice in that way, if you don't yet ,man this is an opportunity to realize that you are in immature in your relationship with GOD, YOU Should be able to grow, to LEARN his VOICE ,I AM NOT TRYING TO CONDEMN YOU, BY SAYING THAT ,I'M JUST CALLING YOU TO IMPROVE YOUR RELATIONSHIP WITH HIM, so many Christian around the world that have been born again ,but don't know to how to hear the LORD'S voice, and it doesn't work, you must learn to hear the voice of GOD, The word says my ship hear my voice and know my voice, He speaks by his spirit, and HE speak always in line with HIS word ,and HE will speak through circumstances ,through prayer and through the scripture and as you crowing hanging out with your heavenly FATHER, you will get to know HIS voice, more and more and more, and When HE says don't touch that, don't test that, you will trust what ,He says over what you see, and feel, and you will get a lot in your life. HOW TO HEAR THE VOICE OF GOD THROUGH HIS WORD=The moment you beginning to interact with the word of GOD, The word of GOD does not make you a theologian, the word of GOD illuminates you, in PSALM119:130 IT SAT YOUR WORD IS THE LIGHT UNTO MY PATH, The moment the word come the entrance of the word said ,HE GIVETH IT LIGHT, and give it understanding to the simple ,the moment light the word of GOD beginning to enter you ,you will discover wisdom beginning to activate, you will discover counsel, will began to activate direction will beginning to come ,strategies will beginning to come ,you are wandering how did I know this, you didn't know it because you study it ,studying is important but this one is a whisper from another dispensation. JESÚS wants this, people say I ever heard GOD'S voice. JESUS want you to hear HIS VOICE, HE want to talk to you, he has things to say, just to you, now it starts learning to hear what it voice sounds like this written word, but then we begin to hear the HOLY SPIRIT speaking to us ,the more we obey the more we hear by the way.JAMES2:23 SAYS IN THE SCRIPTURE, WAS FULFILLED which says ABRAHAM believe GOD, and was accounted to him for righteousness and he was called

the friend of GOD, GOD call Abraham his friend, that pretty cool, and HE'S the father of our faith, example so friendships is actual was all Christian are supposed to walking with GOD. PRAYER IS THE CONVERSATION THAT MEANS, we talk but we also have to pause and listen and wait, PSALM46:10 SAYS BE STILL AND KNOW THAT I AM GOD, BE COUSE SOMETIMES the clears word, you ever get from GOD comes from being in the quiet, GOD speaks trough people of requests, prayer is the conversation, Two ways communication. **GOD LIKES FIGHTING=**There is something about GOD and battles, there is something about the process of victory that brings profound glory, He likes the saints to see the process, not just a result, so many times he will ask you to watch, while HE makes a mess of the devil and situations and circumstances ,do you know it is real not the result that makes you praise HIM, is how the result comes, most times if you just brings the results you may trivialize how it came, so he will allow you to be read and you watch dimensions of HIS wisdom biting down Satan and situation and circumstances at a point you will no longer be interested in result, is a revelation of HIS glory and his love and his might that overwhelms you, you will thank GOD for the result but it will be no longer matter. **HEARING GOD'S VOICE THROUGH PRAYERS=** Because when demon want to destroy you sometimes, they programmed you into self-distraction and the gay want to travel he delays himself from Monday, delay himself from Tuesday and stood up on Wednesday to travel. And that Wednesday he wake up but keep drugging his feet until he park around eleven, the car he enter is already destiny for accident ,he didn't know why the journey should have been on Sunday was delay to Wednesday, and the Journey was delay on Wednesday, and all the car ,the one which will sum barnstormer enter ,it is because of demonic programming when the men beginnings to pray there is a voice that travel with them. Even if the program is complete ,while were not yet there, they will say no, not this one, A leady went to the airport, paid for her flight was about to take off, in fact they hurried her because they were about shouting the door, after she pleaded and beg ,they did all the necessary connection, to get out of the flight, the moment checking her logging ,she lost her peace, give me my bag ,no that say, they did give her the luggage, the flight crushed, the question is that, what about other 90% Christian on that flights is it GOD love this one special? NO! no, it is the heritage of every believer's you have to be a man of prayer in order to capture spiritual frequency easy. **HOW GOD CAN MEET YOUR NEED?=STRATEGY ON HOW TO MAKE GOD MEET YOUR NEED.=SEEK KINGDOM FIRST, EVERY OTHER THING FOLLOWS!!!**God is not going to meet your need because you are crying, HE will beginning to meet your need because you are line with HIS kingdom, your struggle to achieving HIS dreams, then the things that the gentile seek will beginning to navigate in your direction, you are not doing anything for the LORD, You're not bother about GOD kingdom, you are just bother about your life, about wife and about your small daughterly might take a longtime to survive and to stand against that luck, but the moment you Aline yourself to HIS kingdom, Aline to the kingdom to fulfill what HE has in mind for you, if you are intercessor and you are not praying, anytime you pray you are praying about money, breakthrough ,you will pay for longtime ,until you come into a point where you grow beyond seem self, and you will beginning to see GOD goal is bigger than your dream, your challenges and your purport, and make yourself available through attending on

the emphasize of GOD in your life, we are not doing ministry for money ,though money is important ,because we have faith to our GOD, our GOD does not start a project that is not willing to form, people come under pressure to relies money, find GOD and Aline your life with scripture. **HOW TO PRAY EFFECTIVELY?** Those of you who you are in a problem you are praying with your hands in your pocket ,come to the school of faith it will teach you how to pray, he said ELIJAH put his head in between his thighs ,this is not drummer nobody is watching ,there was no camera anywhere ,he was groaning in prayer ,how do you think JESUS did it in the garden of gethsemane ,those type of prayer even the eyes of another person looking at you it is a distraction, see when I pray those prayers I off every light in my room even the light becomes loud ,JESUS left 8 disciples carry three left three went alone fall on the ground to pray ,you pray out of your heart ,your bible calls it the effectual fervent prayer, that the word fervent is heartfelt continuous prayer, when you finish that prayer see that anxiety will disappear ,when you find a person who has rest he cast his cares on JESUS, HE CAST HIS ATTENTION ON JESUS, and he is subdues anxiety in prayer. **YOU WILL SHUT THE GATE AND THERE IS NOTHING SATAN CAN DO ABOUT IT=***You just arrest the whole atmosphere ,because your spirit controls your environment ,I wish you understood that ,your spirit control your environment ,if your spirit is weak anything can permeate your atmosphere, but when you are strong because you are stenosing can penetrate your atmosphere, you will shut the gate and there's nothing Satan can do about it.* **DISCOVER HOW TO HEAR GOD'S VOICE CLEARLY=***When the path feels uncertain, yet something begins guide you gently forward*, when GOD leads you clarity replaces confusion and strength rises where weakness once ruled door open the right time, not by force but by purpose, peace settles within even when storm surround you, and growth begins in places that once felt barren, relationships lift with the right people staying and the wrong one fading, patience deepens teaching you that delays are often preparation in the end, your life reflects something greater than your own effort calm in chaos, courage waiting hope in the un seen each steep through unknown. Your life will carries meaning because you are being led. Distinguish the voice that speaks to us daily is very important, in order to maintain the path that GOD has for us. Norder to obey him and access what he has in store for you; you need to be able to hear and discern. **HOW TO HEAR GOD'S VOICE CLEARLY!!**distinguish the voice that speak to us daily is very important, in order to maintain in the path that GOD has for us. In order to obey HIM and access what HE has and store for you ,you need to be able to hear and discern, the voice of GOD, **WHEN HE SPEAK AND** The first way in which you can hear GOD voice is through obedience !you heard 10commandiments?You know what you know what GOD says you should not do, it is written in the bible! You will be hearing it everywhere! your pastor has been preaching every Sunday! Now obey the one you hear first! Let your heart be a good soil in which the word can come, in which the word can germinate and bring life. If we don't obey and heed, what we clearly know, we won't be able to hear and still small voice that speaks to us, to shout to get our attention, then show our lack of maturity. The key is first do what GOD has told you to do, then his voice and the inflection of HIS voice will become more discernible for you to know, JOHN10:27 SAYS "MY SHEEP LISTEN TO MY VOICE, I KNOW THEM, AND THEY FOLLOW ME' 'Make an effort to do

what you already know GOD has called you to do. Some people believe that like that hearing the voice of GOD is just reserved for like some special um kind of class of people like only certain people can hear the voice of GOD, like that and ,that's just wrong ,wrong understanding we should all seek to hear the voice of GOD, the matter is that GOD want to speak to us, he want to speak to you, The problem is we think he can only speak to certain people or it's like a special right, that reserve to the special group or people, No GOD wants to speaks to all of HIS people ,HE wants to speaks to you so he cares about you being able to hear HIS voice. **HOW TO HEAR THE VOICE OF GOD THROUGH SPIRITUAL SONG?** Are you aware that spiritual song was inspired by HOLY SPIRIT through his holy men, so it means that spiritual song are word of GOD, WHENEVER YOU ARE SINGING SPIRITUAL SONG, pay attention to this three things, because this are the ways which Holy spirits is use to communicate with you, when you are sing spiritual song, to men it is just a song ,but to GOD it is communication, so the first way is that ,whenever you are singing spiritual song meditate on the word, pay attention don't destruct yourself, pay attention and meditate on the lyrics of the song, as you are meditate on the word of the song ,the word will speak back to you, in a way by reviles reality to you, by revile his love to you, by reviling how it power stronger to you, or by reviling a future in your life to you, or about your business or marriage, so that thought write them down, suddenly thought flowing in your mind, it is communication in the spirit realm ,write them down that is how Holy spirit revile himself to you, ask GOD revile my destiny to you. Through spiritual songs GOD relies our emotion, when you beginning to sing a particular song, you will beginning feel the love of GOD to you. You will beginning to feel a passion of GOD, You will began to feel this business will work again or this problem is passing, this is not just a feeling it is a voice of the LORD, Another way spiritual song GOD use to communicating is MEMORY, as you beginning to sing that song GOD will began to remind you a lot of things that you already know ,don't think it is a destruction it is not distraction it is the voice of GOD, MEDITATE on them write them down and see how GOD will blessing you. **THE VOICE OF THE SPIRIT OF GOD IN YOUR SPIRIT**=Is the most secured way of knowing the will of GOD, and then when we now come to conformity, discern the voice that is where you will need a prophets the scriptures the word of GOD ,bringing **confirmation** to the word that you have heard in your spirits ,when you are seen vision or you are seen trans ,or you having dreams ,please don't carry your heart and place on them ,most time dream is This is because your antenna, spirit Antena is blandly are not sensitive, so just say ok ,GOD sends dreams, trans are organized by angels, on negative when you see mascaraed in your dream chasing you, that is demonic but if you see nice dreams that come from angelic realm. NUMBERS 12:6 AND HE SAID, HEAR NOW MY WORD: IF THERE BE A PROPHET AMONG YOU, THE LORD WILL MAKE MYSELF KNOWN UNTO HIM, ON A VISION IND, WILL SPEAK UNTO HIM IN A DREAM. 12:7MY SERVANT MOSES IS NOT SO, WHO IS FAITHFULL IIN ALL MINE HOUSE.8 WITH HIM WILL SPEAK MOUTH TO MOUTH, EVEN APPARENTLY, AND NOT IN DARKS PEACHES AND THE SIMILITUDE OF THE LORD SHALL HE BEHOLD: WHEREFORE THEN WERE YE NOT AFRAID TO SPEAK AGAINST MY SERVANT. So when you say I see vision ,I see dreams, I see trans and you are Barden thinking you are high ,you need to confirm it with voice ,with the word of GOD [scripture].**THIS IS**

HOW TO KNOW IF ITS GOD OR DEVIL SPEAKING --There are many ways to know if it is God, number one it is through scripture ,scripture revile the character of GOD, So by the study of scripture, where able to learn how GOD operate, the modes operandum of the kingdom, the second way that we learn about GOD as reviled in the bible are through his names, the names of GOD are the capture of the various dimension that are contain in GOD, that we learn his name we also learn HIM, number 3 We learn GOD by studying JESUS, the bibles calls the express images of the invisible GOD, so as we study JESUS ,we have a right to vet everything the prophet says using the reference of JESUS, that means everything that attribute to GOD, If we do not see it in the life of JESUS, we have a scripture bases to say we are in arrow or it is a human limitation, for instance ,when the bible says, when ELIJAH, The laying spirit came from GOD, remember that scripture, yes, now we do not see that there is any darkness in JESUS, FULL OF GRACE, Accuracy and truth, that was a character of a chorist was reviled, that means we have a right to say, either the interpreters where wrong, or the prophet who receive it ,that word was limited, you are not in arousing the reference of JESUS, and last and final word we learn GOD about scriptures on who experience it, JOB said I have heard of you on the ear but now my eyes see it, you can imagine how powerful of this book is to seat down and read it, and in a moment light enter into your spirit ,for some by reason of what you have received now, in addition to all that you have heard you will know how to reject the speaking's Satan, because you see our focus is on letting GOD to speak not necessarily building capacity to interpreted HIS speaking and since your passion is to get GOD to speak ,Satan will help you and also speak, hear me GOD is speaking ,the question is whether he will speak but the question is to speak on your ability to accurately perceive his communication, do not limit him in a unique model of operation, because of many of as you are looking for GOD, to communicate in a certain ways, you faith is improbably limited mental ship ,still taking you to understanding the speaking of GOD only through certain ways ,He has authority as GOD to ,use the Blash ore of option ,your assignment is to insure your spirit is [roboth]means is ready for it, this is why fasting and prayer help to gain that accident like a transistor radio, there is waves all the time, but if your transistor radio cannot receive it ,it is because not tune into the frequency, and do you know sometimes your just a few digit to the frequency and yet the radio will still making a lot of noise, but the moment you tune it and get there ,this assignment of prayer and fasting to build your spirits,To rise to the frequency of communication of GOD, but if you stop there you are in trouble, but we will give ourself continually **ACT6:4 BUT WEE WILL GIVE OURSELVES CONTINUALLY TO PRAYER, AND TO THE MINISTRY OF THE WORD.** TO PRAYER FOR ASCENDANT OF OUR SPIRIT MAN BUT TO THE MINISTRY OF THE WORD TRANSFORMATION INTERPRET THE SPEAKING'S. so that we can receive HIS communication, with balance exactitude and presession.

THE VOICE OF GOD FOR FINANCIAL INCREASE.!! HOW TO ASK GOD FOR MONEY: [property]. Life is all about secrets, there are things people do in secrets that make them to shine and dominate. There are things that people know that give them edge ahead other people, so I will call trade secrets, so once you don't know what you are supposed to know, you will be wandering why people doing what they are doing. The scripture for property, Aline yourself on the word of GOD, and whatever you do

can prosper if you connect to the word of GOD, you shall be like a tree which planted by the rivers of water, and whatever you do can prosper. Aline yourself with this word of GOD, ON A DAILY BASIS LET SOMETHING inter into your spirit, you shall never know the dry season if you meditate the word of God's word CAN PROSPER IF YOU ARE CONNECTED TO HIS WORD. What you need to do is to know what GOD want you to do, whatsoever he doeth shall prosper like a tree planted in a river. *The secret of life in order to prosper in every area of life is found in PSAL1: 1-3.* HOW TO GET RICH AND STAY RICH=We invest money, so money can work for us, when we're not working. We build systems and invest in things that can make money for us when we're not working. See poor people and middle-class people can only make money when they're working. I can make money when I am not working. why? Because my money that I have invested never takes coffee break, never goes vacation, never takes time off, never get seek, and just keeps on making money. Destiny has no competition, just run your race and wish others well, the buttle is against poverty not one another. Your boss can fire you, but your clients can't. One job =to one income, and one income is =to one person can end your life style, you are not stable, you are dependent, start building something no one can fire you from. To become successful, follow the law of wealth, lbe live if you real want to become successful be carefully and follow the law of wealth, I put this way, don't do what you like, do what is right, if what you like is not what is right make what is right what you like. No one wins with money until they decide they don't care what other people think. MAKE MONEY WORK FOR YOU=I don't want to work for all of my money, I want my money working harder for me, than I work for it. That's why I build assets, assets don't get tired, assets don't call in sick, assets keep working day and night, stop trading time for dollars. I have to understand how money works so I don't have to work for all my money. I want my money work for me harder than I work for my money, are you tracking? I want my money working for me harder than I working for my money, there for, I have to create assets. The more I study successful people, the more I realize their secret isn't talent or luck. It is the willingness to feel uncomfortable while others seek comfort.

MONEY DOES NOT EXIST=Do you know that money does not exist, I learned that years ago from a very wealthy man. I was free for money that day, he says money is an idea, it's in your head, it's an idea, there is a book called, THINK AND GROW Rich. Do you know what your book says work and grow rich, the book says think and grow rice, it's a multi-million dollar seller ,when I read a book ,I said ,this book says exactly what the bible says ,that book stole all the bible principle and it selling million still, it is the bestselling book, and it doesn't say work and grow rich, we keep if we work we grow riches no, you're supposed to work not for riches, you're supposed to work for purpose ,If your think is correct wealth is attracted. Listen most people don't know that they're one idea away from changing their lives, you see people are so caught in trading time for dollars ,working 9to 5hr chasing money, think that they can work their way into wealth, it will never ever work, the only way to create wealth is by understanding that wealth is a product of you have ideas and then implementing those ideas, you may have 20ideas and 19 of them ,may be a complete flop ,but that one idea you take action on will completely change your life, so stop procrastinating and start taking action on your ideas. The secret

is to find the way to increase your value then money will come to you. Value attract money. Broke people stay busy, rich people stay focused, there is a difference, so let me explain it, if you are always busy but still broke, something is wrong, busy doesn't equal productive, you can hustle 24/7 and still go nowhere focus on leverage, focus on value-added assets don't confuse movement with progress, works matter not just harder. **YOUR GIFT IS YOU'RE YOUR SOURCE OF SIGNIFICANCE**=Whatever gift GOD *buried in you to come to the planet to manifest, you still have that gift now, even if you never used it before, you didn't come to the earth with job, with a career, the bible never says; your education or your job shall make room for you in the world,* whatever GOD created you to become is not outside of you, it is inside of you. Once you realize that your future is not around you or ahead of you, then you become peaceful, because GOD put your future, where you know you can't miss it. And we go looking for it everywhere except where it is, when a human finds their gift, they will make it anywhere. DO YOU REAL NEED MULTIPLE STREAMS INCOME? =If so, how do you build them? The right way? That's is a great question. You see, the bible offers two perspectives on this. In ECCLESIASTES 11:2 KING SOLOMON ADVISES. HE SAYS, 'INVEST WHAT YOU HAVE IN SEVERAL DIFFERENT BUSINESSES, because you don't know what disasters might happen, now this verse is about diversification just in income, but also with your investment. Now, on the flip side, the apostle PAUL in PHILIPPIANS 3:13 SAYS HE 'FOCUS ON ONE THING. 'So, he emphasized the power of single-minded dedication, so which one is right? The wisdom of SOLOMON, the richest man on earth of his time, telling you to diversify or the relentless focus of Apostle Paul telling you to stay lock in on one thing. Here's the answer. You need both. You start like Paul, and you grow into Solomon, here's what I mean by that. Most millionaires and billionaires didn't get rich by juggling ten different businesses at once. They master one thing first. JEFF BEZOS BUILD AMAZON. BILL GATES BUILD MICROSOFT. MARK ZUCKERBERG BUILD FACEBOOK, ELON MUSK, love him or hate him, focus on PayPal before Tesla and SpaceX. And all the rest of his business. You see their first venture was like the trunk of tree, which served as their foundation and once they grow strong, and I mean really strong, then they grew branches, which are the new ventures, the new investments, The new streams of income, and that is exactly what you should do. A teacher can expand into tutoring. A musician can branch into producing. A preacher can write books. MICHAEL JORDAN built a world-wide apparel brand. you see the opportunities are endless. But only after you have made one thing first, one thing first, so you don't start with SOLOMON'S strategy. You graduate to it. You start like apostle PAUL, Mastering one thing. Then you grow into a king SOLOMON. Now that's how you build multiple streams of income the right way. If you want to become successful in life, number one [1], you got change your mindset, you don't get in life, what you want, you get in life what you are. [2] PRACTICE [O.Q.P] Only quality people and the third [3] thing develop your communication skills, because once you open your mouth you tell the world who you are. There is one thing in the whole universe, over which you have complete control and that is your thought, if you wish to change any conditions of your life, you have to change the thought that proceed that condition, what is going on in your mind. whatever you believe with feeling and more emotion becomes your reality, if you believe something is positive or

believe something is negative ,So if you can believe you can do it or if you believe you cannot you are right. Most of the limitations we have do not exists in realty, they exist only in your own mind, we have a deep-down desire inside of us to remind consistent, so we're always tray to view our world rationalize the world interpreted our world, so that it is consistent with what we have, we have already decided to believe. HOWEVER, IF WE BEGIN TO CHANGE OUR BELIEF WE BEGINNING TO CHANGE OUR REALITY. Control your mind control the universe.

FIVE PLACES WHERE MONEY IS HIDING=5places where money is hiding ,if you are type of people or individual whose always complaining that you don't have money or the economy is bad, you might pay attention one of the place where money hide is inside people, money hide in people, every single person you come contact with has something types of money in him, everybody some has more than other ,but everyone has money ,the question is this what value can you produce to people for their money, you exchanges value for money, so you have to start thinking what can you do for other people initiate for money, that is why I said the money is hiding inside people.[2]The second thing you must understand is money hides inside skills and talent, every single person born on the planet was born with gift, there something you don't know how to do most people, you must figure out how can I turn the skills or talent into something that can I exchange for money, for example my skills is to communications what should I do? my knowledge or finance in major communication project value to other people and in a return I get compensation. You have something that you can offering exchange for money as well.[3] The third thing money hide inside problems. See poor people complain about problems but successful people found solution to solve the problem. So, whoever you see people what is talking about is problem, know that money is hiding in that problem. Think outside the box solution that can solve a problem identify the solution, you become wealth by become a solution provider. The fourth [4] [4] thing is that money is hiding inside product and services, every single day you wake up you use somebody product you use somebody service, every time you use product for service, somebody else is getting paid, so question. What product can you produce in a marketplace? What services can you offer to people for exchange for money. what value can you put together that value to others. Then number [5]Money ideas ,everything you see today is a person idea in somebody's mind ,and I was telling people that you have one idea way to change your life forever, the problem people they have idea but they don't take action, if you decide to starting taking action, you are idea just one ,I promise you your financial projection will be changed completely difference. Wealth is about freedom not fashion. **DO YOU KNOW WHY BILLIONAIRES ARE BILLIONAIRES? =WHY? Because they help more people than you, so if you want to be rich guess what you should do? "Help more people"**. The biggest way GOD use to talk to HIS people during prayer is to bring revelation. **Revelation** refers to the disclosure of divine truth or knowledge, or more generally, to any surprising or enlighten fact. So the best way to hear the voice of GOD is by reading your bible, Take the word of GOD and meditate upon it, and the more you meditate you get the revelation from that word you have read, the more you meditate the more you understand that scripture, that voice from scripture is what will bring you into revelation, you get the voice from the scripture. The degree of your

knowledge is the degree of you experience GOD, YOU CAN NEVER LIVE YOUR LIFE, BEYOND THE LEVEL OF YOUR REVELATION. If your revelation is not upgraded your life will be out dated, revelation is a progress, don't live your life as if you know it all. [because GOD have something more for you.]. The attitude and reaction it depending on the degree we know GOD. **UNCOVERING THE ANGEL THAT WALKS WITH YOU=WHEN THE SIGHS REPEAT! Angels revile himself through par terns**, not appearance. There are many people read this book and they want ANGEL to appear to them, and said My name is angel GABRIEL, am the angel that stand in the presence of GOD. I came to you to walk as your personal angel, from today I will be your personal Angel and I will walk with you, whatever you want me to do, sent me I will do it, and I know one of the thing you will do it, is you will sent them in the bank, to go and bring you all the dollars in the bank, you know why? because you have a lot of problem, you wish angel appear to you and tell you, and sends them to places to places you think Cause I read about KENNETH HEGAN, Where he share one day he was praying and all of a suddenly An angel of the lord appear to HIM, When the angel of the LORD appear to HIM he appear with ,they were three of them, one say, I am your angel of prophesy, another say I am your angel of protection, another say I am your angel of finance, I am angel in charge of prosperity and your finance, and he said if you're in charge of prosperity ,what then are you doing here? Go and get me money, because I need money the angel disappear and appear again with bag fool of dollars, you see when you read testimony like this You will also want the same encounter, there is a young man here who is broke than the word broke, you are own everything including food, because of what you're going thought, when you read that story you wish that all of a suddenly, angel that appear to him you want same encounter same spectacular encounter, I am here to correct that errors .Sometimes people spectacular encounter ,there testimony about their encounter, sometimes make us desire a one same encounters, unfortunately we have no idea and we don't know that is now how it is done, it goes beyond that seeing more than that, do not revile themselves on appearance alone but also revile themselves more in par tern ,this is one of the things many prophets has **ignored, and they are like kind of forgotten**, and they are struggling, Identity is very important in the realm of the spirits, you identify by not see wings or see a being but by recognize the pattern on how GOD moves with you, you identify your angel, your personal angel show up through reported time, types of revelation, so some people you have a dream and that dream is reported ,and there is angel always appear, to that dream repeated types of revelation, there is type of revelation keeps repeating, and whomever its coming there is an angel in that revelation and improbably in that revelation you are healing the sick ,you prophesy, your teaching, you are doing deliverance ,your performing miracles as it keeps repeating itself ,you should know that it is a pattern ,also identify your personal angel through **reported atmosphere ,that reported atmospheres it has something to do with their manifestation, an angel announce his presence the atmosphere exposes them, the atmosphere betray every angel that appear into the building, either angel, or demon or the devil himself, any time they are visiting the place it is the atmosphere that betray them before they get to that place, because their present will first of all announce itself before it their personality**, so the presence of angel announces itself

before the finality of the angel, JESUS announces HIMSELF before his personality, for example ,if we were in this building and the angel of Healing is coming if your smart and spiritual alien and you can pick up those frequency, quick and first they will just know this is an angel of healing, because they caring the presence of healing, so you need to be in that frequency or that alignment to know this is an angel of healing, you need to be able to pick up that atmosphere you must be spiritual, if you're not spiritual you cannot pick up the atmosphere, so if it is a demon they also manifest with their presence, fore sample if a demon of lust manifest in a building he carry the presence of lust, and I told you how I cast a demon from a prostitute ,who nearly empowered the environment ,with the spirit of lust, as I was allow her to speak ,she was try to take over the environment ,**and I told you that if you want to cast them out make sure you don't give up the permission to speak, angels also show up through repeated feelings** ,there is particular feelings ,you ask yourself what is real happening is that me, is this GOD, and that feeling could be a feeling of hit, a felling of power, a feeling of hunger a feeling of dissatisfaction over something, so when you see that there is repeated feelings, either in any part of your body or in your emotion, it give you on the idea of **type of Angel that is visiting you**, also the same instruction, so the personal angel come with instruction from GOD, And keep bringing that instruction until you grapes it, until the light of that instruction hit your spirit and you have elimination, you have understanding ,accept whatever they will not stop coming and visiting until that revelation hit your spirit, repeated instruction and repeated spiritual behavior, so there is patterns that your angel carry. And I call them your angel signature, so anytime they came there is no way they can hide; no way can they escape based on doing patterns. The amount of light in you can be measured by the darkness you remove around you. You need the word of GOD to destroy the darkness around you. **In this life, do not give up my friend, don't he discourage always remember this ONE FAILURE CAN NOT DEFINE YOU, Michael Jordan one of the best basket players cannot swim, but is he a failure, !=no. So, focus on one thing that can define your life, and rejoice over that, are you following this?** Focus on one thing that can define your life and rejoice on that.

HOW TO PERFECTLY HEAR THE VOICE OF GOD=THE MOST DIFFICULT SYLLABUS IS THE SYLLABUS OF VOICE OF GOD. And GOD voice is scars until it becomes to the point you don't figures it, spirit they only speak to you when they are sure you will obey. So, obedience is the first key to attract GOD to speak to you. It will come to a point where they say, they will not move, unless you move with us, you will not take any decision unless HE speaks, LORD what should I do? Should I take this admission? And then you sleep, and the day is remain three days and GOD did not speak, when GOD speak we will do it, Eliazar of Damascus while he was the way LORD led him, I tell my friend I trust GOD to speak on this matter, while we are waiting for GOD to speak, while we are on the way the LORD led us, and as you say you have the mind of Christ, you will never hear the voice of GOD, You will stand there until HE speaks, and when HE knows you're an honorable man, then HE will began to speak, LORD I will not go, you will stay there even if it looks as if , if you will not take a next steep things will be wrong but you will not move, you're making a statement that the voice of GOD, is your absolutely authority, at that point heaven will be JEALOUS, KENNETH HAGAN says it's better to late than to move too quickly and

mess up the whole things, I will not move unless GOD speaks, many of us we use to treat our senses and we keep navigating until we come into a junction, your senses not working any more, it is either left or right, you are in a junction you don't know even who to marry, you can't use your senses any more, then you see them walking up and down, you see people waiting for four hours to see a prophets, hoping that they will tell them something, and the way it coming the prophet will advise them, and say saw your seed, Don't move until GOD speak, it is a secret of great mean, listen to them, the secret of men is hidden in their story, when you hear it you will discover **they never move until GOD spoke**, where they say GOD told me, GOD told me, we are in a generation of weak peoples we function by assumption, it is not the superior argument to be in a spiritual matters, in the spiritual matter is the voice of GOD that is your security, and if you're not develop the art of waiting on GOD, HIS voice was scars, most of us here we are not hear the voice of GOD for a long time, so when we got our admission ,we are reading we are graduating now, it is just assumption, we are in the faster generation nobody can waiting any more, in the days of OLDS a man can go in a mountain,40 days for a GOD to speak, and when GOD doesn't speak they won't come down, what the point coming down, **if you come down you will live by your senses and it will take you nowhere**. Be waiting on GOD, That was a life of MOSES, You sees most time, if I want to exploit a doctrine, I look at the life of somebody, because their life are revelatory factors ways into the mysteries in the spirit realm, in EXODUS 3:1-2 [19].You see GOD give Moses all the details ,and even Moses entered into Egypt he depend the VOICE OF GOD, to survive, So what if he didn't wait and worry, to hear GOD, HE ENCOUNTER PHARAOH ,Then pharaoh rejected him, do you think he will come to pharaoh assuming, they would cut his head, But when pharaoh speaks, HE will go back to GOD, It doesn't mean Moses was dumb he didn't know what to say, there are many answers came into mind, but when pharaoh speaks he goes back to GOD, because he knows his self, his possibility were only locked up in the voice of GOD, EVERYTHING ABOUT YOUR DESTINY IS LOCK UP IN THE VOICE OF GOD, Everything the contradiction of 10years,can be removed by one sentence from GOD. **WHAT TO DO? WHERE TO GO?** Unless GOD doesn't speak, if HE speaks, everything changes, we pursue men too much, and that is why our life is function of many dislocation, the voice of GOD is scars in our generation, we know so much doctrine, we know a lot of things about GOD, but there are few who know GOD, because only few hear HIM, GOD speak his realities communicated, The bible said in EZEKIEL2:1-2 HE SAID AS HE SAID TO ME THE SPIRIT INTER ,THE GAY DID NOT KNOW WHAT TO DO, THE CAPACITY TO DO WAS COMMUNICATION. There is a possibility to the voice of GOD, IF you see a man who is the higher fly in the kingdom, is the one who access the VOICE OF GOD is the invisible man, you can't hold him, you can't destroy him, it is like the wind the voice of GOD, The fathers know this in the technology in the spirits for empowerment is the technology in the spirit for survival, if your life is full of contradiction, don't go too far, just shut down for three weeks, go and waiting on GOD, IT WILL CHANGE THE STORY FOR GOOD. But if you can't wait you may still struggle or suffer for another two years, life is lived once, never try on assumption. A scientist we do a lot of things on experiment, you can only afford experiment when there is a room for second chance, your second chance is in heaven, I mean heaven is a place of reward, you can't afford

experiment with your life, the only sift is in the voice of GOD, The man of GOD is the heart of understanding, there are many cases in the bible, people wait until GOD speaks. Wise man, DANIEL says there is a GOD that revile a secret, if you want to take time just take time, don't live as if you know everything, but if you cannot apprehend the voice of GOD, YOUR LIFE WILL GO SOME WHERE AND WASTED. Because settlement in life is a function of the voice of GOD, IT is the compass of navigation, this are the basic things that for most time ,they are not thought they are significant ,they are not percent enough to explode, if you know your life you don't hear GOD stop everything and hear HIM, There are many things lost on hearing on GOD to speak and HE didn't speak, but today I am happy because I can apprehend the voice of GOD .Because when GOD beginning to speaks, **there is a mystery in GOD that cause you to overtake many time that we have wasted, Elijah waited until GOD spoke**, He pray for long ,for when GOD spoke the bible said, the hand of GOD came upon ELIJAH, he iterance chariot of Ahab, **IT DOESN'T MATTER WHO PEOPLE CALLED YOU, GET THE VOICE OF GOD, IT WILL CHANGE YOUR LIFE FOR BETTER**. It will cause you to stop a struggle, you struggle so much because we don't take advantage of our resources in the spirit. The last thing I want you to know is what we call responding to summons, when GOD teaching you the technology of burden, most of time GOD can speak to us through burden, he can give you a burden to pray for something in life, your level of seriousness will determine if GOD will continue to speak, You can get or feel a burden of prayer about someone or something, you must take action on it, as soon as you can, the more you are able to respond from your heart, is the more you attract HIM to speak to you. So that is the easiest way to access the voice of GOD. Responding to the burden of prayer HE gives to you, the more you become faithful is the more you will hear HIS voice more. **THE STRATEGY OF HOW TO HEAR THE VOICE OF GOD**. There is a bigger way to hear GOD, because if you read your bible as a newspaper or novel you can't hear GOD. Even if you read it until next year, you will not hear GOD, HOW do you hear? REVELATION1:10 I WAS IN THE SPIRIT ON THE LORD'S DAY, AND HEARD BEHIND ME GREAT VOICE AS THE TRUMPET, so if you want to hear GOD be in the spirit, ROMANS 8:5 FOR THEY THAT ARE AFTER THE FLESH DO MIND THE THINGS OF THE FLESH: BUT THEY THAT ARE AFTER THE SPIRIT THE THINGS OF THE SPIRITS. 6FOR TO BE CARNALLY MINDED IS DEARTH; BUT TO BE SPIRITUAL MINDED IS LIFE AND PEACE.9, BUT YE ARE NOT IN THE FLESH, BUT IN THE SPIRIT, IF SO BE THAT, THE SPIRIT OF GOD DWELL IN YOU. NOW IF ANY MAN HAVE NOT THE SPIRIT OF CHRIST, HE IS NONE OF HIS. How? The answer is to get into the spirit; become spiritual you want to hear GOD, GET INTO THE SPIRIT IS THE SECRET TO HEAR GOD. There are things flesh wants ROMAN8:6 FOR TO BE CARNALLY MINDED IS DEATH; BUT TO BE SPIRITUAL MINDED IS LIFE AND PEACE. The spiritual man, HOSEA9:7 THE DAY OF VISITATION ARE COME, THE DAYS OF RECOMPENSE ARE COME; ISRAEL SHALL KNOW IT; THE **PROPHET IS A FOOL, THE SPIRITUAL MAN IS MAD**, FOR THE MULTITUDE OF THANE INEQUITY, AND THE GREAT HATRED. The prophet is a fool, when HE talks, he talks like a fool, and HE said by this time tomorrow you shall be rich, who is HE talking into? undergraduate, the jobless person, they say this man is a fool this pastor, Spiritual man is mad, others are busy chatting, chatting, chatting and sleep eleven to 2AM, but spiritual man can go earl into bed so he can wake up early to pray, he cutting

himself on the things of the flesh, he will lift up his voice oh GOD, MAKE ME SPIRITUAL CONSCIOUSLY, I refuse to walk in the flesh. LORD, please I want to hear you, make me spiritual consciously. So, if you want to hear GOD being in the spirit.

PART 11

HOW TO OPEN THIRD EYE-SEEING BEYOND THE PHYSICAL. =

What people call your third eye, there is no third eye, it's called enlightenment. Your eye of inspiration, that gives to you. Eyes of understanding, and that is the eyes that see, see beyond where you are. That eye becomes closed where there is no meditation, so because meditation is you transporting into the realm of the spirits, you entering another realm, you got access to the infinite world, you get access to eternity. That's why it's a man is a spirit. This eye only opens when you shut these physical eyes because when you are meditating everything around you shut, your shuts your five senses, everything shut, then that other one open and begin to give your ideas, mostly when you are meditating with GOD'S word and a book. You think with book, think and write. So, you don't need to stay with vibration in order to inter in a spirit, that is no, the big no! Some people think they need to do like vibration dance like Sangoma to inter in the spirit, no! I say again no. You don't need to do that. Once you put yourself in meditation, you have already entered the realm of the spirit. This thin was used by the ancient ones. GENESIS 24:63 AND ISAAC WENT OUT TO MEDITATE IN THE FIELD IN THE EVENING; AND HE LIFTED HIS EYES, AND LOOKED AND THERE CAMELS WERE COMING. [NKJV]. Who did he learn from, ABRAHAM his father, now GOD is advising that don't just sit like a Buddhist or be reciting a mantra you read from a book not from the scripture, HE said, PSALM 119:105 YOUR WORD IS A LAMP TO MY FEET AND A LIGHT TO MY PATHING]. Make sure there is a word you hold and you're asking GOD, 'WHAT IS THE MEANING OF THIS? BECAUSE THE AUTHOR OF THE SCRIPTURE IS HOLY SPIRIT. I it's only HIM that can explain it, and **HE will only explain it in meditation**. You meditate with GOD'S word. You don't meditate by breathing in and out, saying I am well, I am good. I am the best. You will not hear GOD'S opinion by meditating the Buddha meditation, breathing out and breathing in, listen to motivational speakers. You will not hear GOD'S opinion concerning your life or your marriage like that, you only hear GOD'S opinion when your meditation is GOD'S word. 95% of prophet in our generation, don't speak from the spirit of GOD they speak from what they inquired from people, information, and that is what you call accuracy, blind generation, this generation is very blind. Your life style, your communication, that why prophets are controversial, use the word of GOD and stand in it, GOD'S word is everything, let your bible be your everything in life, talk to your bible. Keep your bible open to hear from GOD.

HOW DEMON CAN SPEAK=If demon can speak, it is possible demon to speak into your thought, because part of the places demons want to have, on hindered presence is in your thought life, demons want to be able to preach to you, they want to be involved in the effort that is the mental

build your philosophy, and that is what the bible called the strong holds, when demons are able to whisper into your thought and you believe that, what they are saying is accurate ,you accept it, over and over above the position of the word of GOD. What you have done is that you have allow Satan to create strong hold in your mind, because Satan has the ability to speak, Satan is more dangerous and demon are more dangerous that the average believer, thinks because they are persons, they don't want you to believe that they are the forces, a thing, but they are persons, having a legitimate will, having self-awareness ,intellectual capacities, and having the ability to speak, I know the who thou heart the holy one of GOD. So, the victory is when you know your identity as a Christian, you have authority over any kind of darkness and power; use the name of JESUS to destroy any evil activities, LUKE10:19. So use the authority you have in Christ JESUS. You will never hear the HOLY SPIRIT, TELL YOU SOMETHING CONTRADICTION SCRIPTURE. If the voice you're hearing justifies compromise, it is not the spirit of truth. NUMBERS23:19SAYS" GOD NOT A MAN, SO HE DOESN'T LIE 'The HOLY SPIRIT doesn't bend holiness to fit convenience. He doesn't excuse sin because, HE understands. Not grace that's deception. When start conversing, yourself that "GOD understanding my situation. "Be careful, that trying to sound spiritual. The real voice of GOD will always call you higher, never lower. HIS word will pierce the heart. They convict before the comforts, but never lead you outside of HIS word. **If the voice you're following disagreed with scripture, stop listening, because that is not the voice of THE HOLY SPIRIT.**

"WHY IS THE BATTLE 'THE SPIRITUAL WAR BEHIND YOUR PROPHECY.

You have been asking yourself, why is the battle so intense over your life? Why all of a sudden, it looks like if the gates of hell, just open against you, there was a prophecy over you. GOD just spoke about you. And even if you don't know, the devil had it, the moment you receive that prophecy, there is a war against you. There are powers that want to terminate your life because of the prophecy. When there was no prophecy, there was no battle before, there was no hatred. But immediately the prophecy came, hey. I am seeing you there is a battle over your life because of the prophecy, you have been going through this battle, you have going through this oppression, you have going through this torment. Because the prophecy in your life. You will not die, you must fulfill, this prophecy they will not kill you because of prophecy. The bible says the moment DAVID WAS ANOINTED KING, SAUL was looking for him to kill him, even when SAUL died, the bible said,2SAMWEL, THE IMMEDIATELY DAVID WAS ANOINTED KING, THE PHILISTINES GATHERED TOGETHER TO COME AND KILL HIM. Any time there is a prophecy over you, you attract all the attentions of the pit of hell. **Because the devil is running to and for, not to look for everybody, he looks for those who have prophecy over the head, the most dangerous person the devil is scared of is the person that GOD has just spoke about now.** Prophecy is a weapon of war and prophecy does not fulfill itself, whenever you receive prophecy, it becomes a tool for prayer points. Turn your prayer you're fasting unto that prophecy, it is not an historical document, meaning everyday remind yourself of it every day meditate over it go back; you need to act different from the day you receive the prophecy. Your prophecy awake war, if any people know what prophecy is, they would be avoiding prophecy, because prophecy make you the center of attraction both heaven and heal. In the name of JESUS, I AM PRAYING FOR YOU. No devil will steal your prophecy. No devil will kill you before your prophecy manifest IN THE NAME OF JESUS.

Remember always the secret of walking and hearing the voice is obedience, if you obey the first mission, then GOD will tell you another mission to do, so obedience is the key. Don't pray when GOD tell you flee. Obedience is the key. Before one can walk as CHRIST walked, and talked, he must first begin to think as Christian though". The key to be able to hear GOD is to open your spirit for HOLY SPIRIT. ***To attract or feel aligned with HOLYSPIRIT [or spiritual clarity] cultivate the following [1] free mind [2] free heart [3] free emotions [4] free authenticity [5] free presence.*** When you're lighter inside, you become more aligned with higher guidance. Remove blockages that keep your spirit heavy. Spiritual heaviness is what hinders you to access the spirit of GOD. You will never be able to hear GOD if your spirit is heavy. A free spirit is not someone wild or reckless. -it's someone unburdened, emotionally open, and aligned with truth. **HERE ARE PRACTICAL WAYS TO CULTIVATE THAT STATE.** ;1. Relies the weight you're carrying. a spirit can't be free if the heart is full of resentment, fear, guilt, over thinking, self- judgment. Pray honestly about the things you need to let it go. Praying honestly about what you are struggling with.2. PRACTICE INNER STILLNESS. A free spirit isn't frantic. Quiet creates space for spiritual connection start a one hour of silent meditation with the word of GOD, bible. Meditate prayer. LORD speak; I am listening"]. Remove your phone keep it far for a moment. Stillness opens the door to divine guidance. Another formular is to live in authentically. The HOLY SPIRIT aligns with truth. Being free spirit means living, sincerely, without pretending, TO ATTRACT OR FEEL ALIGNED WITH HOLY SPIRIT [OR SPIRITUAL CLARITY], CULTIVATE; free mind, free heart, free emotion, free authenticity, free presence, when you're lighter inside, you become more aligned with higher guidance. In order to be able to catch the voice of GOD, **YOU MUST PRACTICE QUIET THE MIND FIRST**=Inner guidance is subtitle. To hear 'it you need mental stillness. Slow breathing, mindful silence and gentle meditation, also in order to access the voice of **GOD you need to pay attention to inner impressions. Spiritual hearing "often** shows up as, insights, intuition, suddenly clarity, a feeling or knowing repeated idea that feels peaceful, not anxious, starting nothing this impression without forcing them. *Spend a few moments each day in intentional listening; Sit quietly, ask question internally, stay open and relaxed, notice what thoughts, sensation, or emotional come up. Don't strain for a voice-most "spiritual hearing 'is symbolic or subtle, not literal sound. Trusting small intuitive nudges, check how your body reacts to decisions [tension vs. peace], intuition often becomes clearer the more you listen to it. The inner noise can block intuitive sensitivity help clear it by; Setting boundaries with stress, letting go of unsolved emotional tension, reducing overstimulation too much phone noise]. cleanse mental and emotional clutter, Stay grounded in the word of GOD. Move your attention slowly from head to toe, relaxing each area, this shift focus from thoughts to physical sensation. Put your phone away for a few minutes, sit in a quiet place, lower lights or go outside, the **mind quiets** more easily in a calmer environment. Quite the noise GOD voices are easiest to notice when the mind is calm, sitting somewhere without distraction, a quietly mind makes it easier to notice inner nudges, wisdom or peace. Read your bible always in deep and with devotion heart, for many, GOD 'SPEAKS' through scripture, poetry or teaching, read your bible a passage and noticing: What stand out, what brings comfort or challenge. Pay attentions to the inner wisdom, often what people interpret as GOD'S VOICE IS: A moral pull toward what's right, a deep sense of peace about a good decision, a warning when something feels wrong. Also learn to pay attentions to HOLY SPIRIT, look for patterns and providence in daily life. Some people notice guidance through; unexpected opportunities, repeated themes, messages from others, a sense of this feeling meant to be", this is not about seeing sign everywhere just paying attention. Just tell GOD in your pray. GOD guide me, help me understand, show me what I need to see, 'And GOD will guide you. Also learn to notice the*

fruit, a good way to discern whether something is from GOD'; ask yourself, does it lead to peace, compassion, courage, and goodness? Or does it lead to fear, shame, impulsiveness or harm?

THE REASON YOU FAIL TO HEAR GOD'S VOICE. Let me tell you something, I am a Christian who likes to hear the voice of GOD. When it comes to BRAZIL match, say the BRAZIL want to play soccer, I don't prophesy, because I know. You know I already love them. Even if I am seeing the right thing, I will be changing it inside me, like I will not agree, so I already know me and GOD will not agree, if it is BRAZIL match, or even my club match, if I even see the field, I say the lie, I don't predict for my personal **team already know I have opinion already**, so GOD'S opinion and I are not walking together. When I didn't understand this thing, every Brazil match I predict is always fail. So, I decided to avoid any prophecy concerning my team or my club, because I already have opinions, so I don't even want to hear what GOD have to say. You better know yourself like that. **THE TRUTH IS MANY OF US BEFORE WE EVEN ASK GOD, WE ARE ALREADY HAVE OUR OPINION, AND WE DON'T EVEN WANT TO HEAR THE TRUTH.** That word they say truth is bitter, we run away with truth by having our own opinion. I already know, that in this area I have my opinion, I don't like GOD'S opinion, so better I don't prophesy about it, it's better don't talk about it. Better it's between me and GOD fighting it within. If you sit down very well, if you want to change your life, check all the areas you already have opinion, and you are still deceiving yourself telling GOD, Speak,". You know you already have your opinion. Bible says, He that find a wife 'GOD says you should go and search, but when you are searching, HE wants you to remove your opinion. If you real want HIM to help you, you should remove your opinion. Your opinion can blind your spiritual eyes and ears.

HOW TO HEAR THE VOICE OF YOUR SPIRIT

One way to always hear the voice of your spirit; whenever you pray, are you aware that, you can make up your mind that this year, you will walk by the precision of the spirit, you can make a decision that, you will not live a life of guesswork. All you have to do is that 1, You must know that the details about your future, the details about your life, the business you will do, do the person you will marry, the life you will live, is already locked up inside your spirit, it is just that your mind is not yet aware, like the bible told us in 1st CORINTHIANS 2:11 IT SAYS NO ONE KNOWS THE THINGS OF A MAN, EXCEPT THE SPIRIT IN THAT MAN, SO THE GOAL NOW IS TO KNOW WHAT YOUR SPIRIT KNOWS. And the way to know, is that ,you must follow the principle of ,Psalm 46:10. THE BIBLE SAY, BE STILL AND KNOW ,SO WHENEVER YOU PRAY, Stop thinking ,many time people pray and their mind is flying everywhere ,that is internal distraction, all you do stop thinking ,let your mind focus on JESUS in the prayer, or **let your mind be focus** on the cross, or even the name of JESUS, and deep down within you, you keep an expectation that, LORD I want to hear you, as you beginning to pray or worship like that with your mind focus on one thing ,even your mind is flying, you can control it back, bring the mind back to prayer, are we together, and you will discover that ,if you can sustain that focus in prayer and worship ,this year all of a sudden you will begin to have supernatural thoughts, in prayers thought. The thought you did not think by yourself will come into your heart, what to do is write it down,

sometimes your praying ,it look as if you dozed offhand when you doze off you saw something like a vision, you write it down, when those thought drop into your mind ask yourself, am I the one thought about it, or it come's ,if you notice it came, you write it down and you judge it with the word of GOD, does this align with scripture, see that is how to really know ,if you practice this every day, I tell you the truth you will be shocked by on how prophetic you will become, Because the hand of GOD is might upon your life.

THE REASON WHY THE STORM CAME!!!=The storm came because they know the word of GOD over your life, storm never comes for anyone without the word, if there is nothing about you, the devil won't fight you, stop asking why me? why should this happen to me, who should happen to. The kind of grace on your life attracts envy, the kind of grace upon your life, don't worry that way get bad belle, why are you asking LORD, WHY THE STORM, IF NOT YOU, WHO WILL BE? Your other side is making the devil, what can I do to stop this, because if I allow this young man to get there, if I allow this young girl, to get there she will rub pepper into my eyes, you asking why? Your storm is a validation of the GOD'S hand upon your life, your storm is the signature of the most high, written boldly upon your life, if you were nobody, nobody will fight you, if you were just a standard ,nobody will come after you, but in earth vessels GOD has deposited treasures, that the Excellency might of GOD, AND NOT OF ANY MAN, I tell you dust off that depression roll of what the devil want to put-upon you, there is a greatness inside of you, say inside you I arise, let your amen provoke ANGELS.

WHY IT IS EASY TO OVERLOOK GOOD'S INSTRUCTIONS=Let me tell you something. I'M a man of GOD and I will tell you something, when GOD speaks to your spirit, it's very light and faint. Even visions. It comes too simple that it can be abused. So, GOD can just show you a vision, and you think it is a joke, you don't know when that thing happen it will shock the nation let your heart retain my word. PROVERB 4:4 HE ALSO TAUGHT ME, AND SAID TO ME: LET YOUR HEART RETAIN MY WORDS; KEEP MY COMMAND, AND LIVE. [NKJV]. Commandments give your life. It can extend your life. Just one little commandment, don't travel, can save your life, it has happened to pastor DAVID Uche, her mother ,2018 she said she wanted to travel, she told DAVID in January, and David Uche tell her don't go, she said why said, I don't know, Then April, she wanted to travel so that I would not say no again. She left on her own and when they were coming back, they got accident the car crumbled, she broke her two legs. That's how common it looks. That's why Paul was advising us, 2CORINTHIANS11:3 BUT I FEAR, LEST SOME HOW, AS THE SERPENT DECEIVED EVE BY HIS CRAFTINESS, SO YOUR MINDS MAY BE CORRUPTED FROM THE SIMPLICITY THAT IS IN CHRIST. [NKJV]. The simplicity that is in Christ. Not complexity. The things of the GOD are not complex, when you are in that realm. May you not be deceived from this simplicity? May you take every instruction serious?

YOU ARE NOT LIKE THEM! DON'T SPEAK, BEHAVE, POSTURE OR LIVE LIKE THEM. ANY THING THAT DOES NOT LOOK LIKE WHAT GOD HAS SAID ABOUT YOU, DON'T ACCEPT IT.=If you are the man of destiny, the devil will speak to you, sir I thought there is a way I will be high in the HOLY GHOST ,the

devil will no longer be talking to me, the devil will talk to you, the devil no fear of JESUS on top of 40 days fasting and praying, who you, HE will come ,the old prophet says, to the young [1KING13:14 AND WENT AFTER THE MAN OF GOD, AND FOUND HIM SITTING UNDER AN OAK AND SAID UNTO HIM, ART THOU THE MAN OF GOD THAT COMES FROM JUDAH? AND HE SAID UNTO HIM, COME HOME WITH ME, AND EAT BREAD.[1KING13:15-20 AND THE YOUNG PROPHECY SAY NO, THE LORD WARNED ME, I SHOULD NOT EATING ANYTHING, I SHOULD NOT DRINK ANYTHING ,HE SAID YAH BUT, I WANT YOU TO UNDERSTAND ,THE LORD ALSO SPOKE TO ME THE ANGEL OF THE LORD SPOKE TO ME AND SAID, YOU SHOULD COME AND EAT AND THEN THE YOUNG PROPHET FOLLOWED ,THIS IS THE PART OF THE SCRIPTURE THAT GRIVES ME AS SOON AS THEY SAT AT THE TABLE ,THE WORD OF THE LORD CAME TO THE PROPHET SIR, THERE was no problem When he heard ,there was a problem when HE sat on the table., let me tell you the suggestion of the enemy is not your mistake ,your mistake is when you follow, don't follow the sound of the voice that speaks against GOD'S will, that before he ever said that to him, he said to him, I am a prophet as thou art, listen, I am like you, forget the fact that ,I have grey hairs, I get prophetic gift, that thing you did ,we did in our days, I am a prophet as thou art, your old, I am young, the young prophet become vulnerable because **HE felt like we can mix with OLD and new together,** maybe I can listen to HIM, Because HE'S an old prophet ,I'm a prophet as that, so let mix the old and new together ,I came to tell you, you can't mix with them, there is a new grace on your life, you're not like them, there is something new GOD wants you to do with your life, it cannot be mixed listen, what they want to do is dilute you ,the language of fear ,they are speaking to your ear is because they want to dilute you, they look at you, they size you up, they try to tell you, you are no body, your nothing, they look at you and pretend like they can't see the grace of GOD upon your life, they want to dilute you ,but listen you have a word for them and let them know what I carry cannot be diluted, you know why you're not like them, GOD wanted to make a change, you were a prophet ,there HE left you and went and pick someone and you came back and tell me you are a prophet like me, if you are a prophet like me, you will have been chosen, you would have been ,the guy that the LORD would have used you, you are not like me, I was born for such a time as this, did you say you're a prophet as me, you don't know the movie of such a time as this, you don't know the move of GOD, So GOD did not you I am about to scatter the altar of JEROBOAM ,Did you say you are the prophet as me, so you were around ,and JEROBOAM was raising a wicked altar ,shout and say no, you are not like them, you were raised to change the history of your family, you are not like the bible carrying others that carried bible but they didn't know the power ,you were raised to cleanse your bloodline, you are not like them, you were raised so that the mantle of a new season, can be placed upon you, you have been raised ,to cross the line, of where your Father stopped ,you are not like them, nothing will pull you back, you are not like them, you have a different breed, you're not like them if you understand it, shout fire, I am not like them because JESUS is in you.

THE SPIRITUAL POWER IS LOCKED BEING THIS ONE PRACTICE=THE LIFE IN YOU WILL NEVER BE STRONG UNTIL AS YOU MASTER MEDITATION. A young man let me tell you something, the friend of mine, HE went to preach to a young man, and HE was talking to him, how power of GOD breaks

patterns, in family bloodline, **and the guy laughed, he says that's not the only way**, He belong to the one of the new age orders, what did HE do? They told him that ,there is a gap in his lineage, that he needed to travel back in time, to correct ,and they gave me some word to speak, at that junction, but for him to get to that junction, He needed to meditate for 3months, every day for a particular number of hours, and the guy will lock Himself in the room, and meditating ,and be meditating ,as he was meditating, suddenly ,the spirit world started to become real to him, just because he was chanting that thing, that frequency began to create resonance, and he became more sensitive, He will be meditating in his room, people will be talking **in the next flat, he will know exactly the conversation they having, because his antenna was becoming shaper ,more shaper** when he reach three month suddenly he appear in the time line of his grandfather, and he was seeing everything were doing ,he was watching their life like a movies, until what they told him was a cause, when the experience displayed out, he start to talk what they told him, and he when he was already talking, he left the vision, two month letter he exploded into millions, he become a millionaire, nobody anoint him, no body imparted him, it only through meditation he enter into astral projection and correct something by enchantment ,if they can do this ,of course demon where walking with them, they were not aware, but if they can achieve this ,**how much more of you who have HOLY GHOST?** And so the bible teach this ,that we should meditate, the word meditation is Hager, talk the word to yourself every day, He said in JOSHUA1:8,HE SAID THIS BOOK OF THE LAW SHOULD NOT DEPART OUT OF YOUR MOUTH ,HE SAID MEDITATE UPON IT DAY AND NIGHT, AND SEE DO WHAT IS WRITTEN THERE, THEN YOU SHALL MAKE YOUR WAY PROSPEROUS AND YOU SHALL HAVE GOOD SUCCESS. So, the life in you will never be strong until as you master meditation. **QUIET THE NEGATIVE VOICE IN YOUR MIND!***=Can you quite the voices that are in your mind, that want to challenges and defeat your faith, because those are the most dangerous ,can you quiet the voices in your mind, child of GOD, can you quiet the voices in your own mind ,that are telling you, you can't do it, you're done ,you're finished, you're not finished, you're here and I am here, we're not finished, and we will not be finished, the biggest thing ,I want to finish with ,and I tell you today, is to quiet the voices that tells you that you're too small, you can't do it, you can't do it, you don't have it, quite those voices, because to be honest with you and I wasn't dishonest before, they can't be seen by human eye, but they are where mind, are you agree with me they are on the mind speaking everyday even when you're sleeping, they don't sleep, thought of defeat ,fear and anxiety, are in your minds ,that is the devil voice to you.* **HOW TO KNOW THE SECRET SPIRITUAL SENSE GOD USES TO SPEAK TO YOU?****God communicates differently to different men, some hear inward, some sense impression, others receive burdens or visions. Knowing your dominant spiritual sense impression is key to understanding and responding accurately to divine instructions.** Sensitivity is developed through use obedience, and attentiveness. The more you respond correctly, the sharper the channels become. Neglect dulls it; engagements strengthen it, many believers struggle because they do not identify how personally communicates. GOD is not silent; HE is specific. Once you recognize HIS language, confusion diminishes and obedience becomes immediate. The different between spiritual guessing and certainty lies in understanding your channels. Discovering these

spiritual senses marks a transition from spiritual infancy to maturity, it positions you to respond with precision, authority and confidence in every situation.

MY ADVICE TO THIS GENERATION ALWAYS ALLOW THE HOLY SPIRIT TO LEAD YOU; You are living in that kind of world, you want to enter business with somebody and you don't hear HOLY SPIRIT? You are living in this kind of evil generation and you are wandering about ,without being led, HE SAID, The step of a righteous they are order by the LORD, LISTEN, Build your sensitivity ,those who are born of GOD, They are led off the spirit ,that generation of traveling and calling one intercessor pray for me over before you step out check ,I'm telling you check, check, even if is a 30minutes journey ,check, there are wicked men setting ambushes everywhere check, before you bring somebody to your house check, in three months your husband might become fornicator, because you brought a Jezebel to your house.

THE DEVIL'S ASSIGNMENT=The devil assignment is to make you die early, the aim of Satan is not only to make you sin, but to insure you die early, the premature death is a real target of the devil, do you know the reason for sin, when you sin you go to extra kind of traps, he bring to you all manner of sickness, fornication you construct AIDS, from that time your life is cut short, because he know your assignment. To you there is assignment, one billion Saul are tie to you, so he knows when He can kill you, then one billion souls will not be saved. You don't know. He will make sure ,he will scatter everything around you, then you will be shattered and hopeless, then your blood pressure will go up, then you will beginning to get pill for high blood pressure, and as you are taking it, he is pushing to your grave, showing hopelessness, so as long you cannot see hope you will be frustrated and die before your time, no matter the dream, so you must be careful to choose the word or your destiny, which report you will believe? JESUS says you're my servant why should you die before your time? When members leave the church and any other people whom you love died, feel lonely, and see those people you love betray you. All problem you see it is not all about that, he just wants your blood pressure to go up, he wants you to be scattered, he makes sure everyone around you frustrate you. he wants your blood pressure to be high, and your life to be shuttered, you sow everyone you love beginning to die, as you beginning to think, the blood pressure goes up, he shifts you closer, because if u your alive you're not useful, living dog is better than a dead lion. So, the assignment of the devil is to make you die early. The real target of a devil is to make you die early, pre mature death. The aim of Satan is to make you feel hopeless and useless.

PAY ATTENTION TO YOUR INNER VOICE=When you beginning to sense people emotion toward is bad, run, some of you don't know, you see your spirit can not lie to you, your spirit, can just see somebody and telling you, this person, is not good and person can be nice physically, the person is talking nice, is behaving nice. That's something inside you is not settled, you know your spirit is an international spirit, it knows yesterday today, and forever, so, if you just see something, that won't you, can just say, NO don't go. Don't, when you be seen that, everything physical is nice, please pay attention, to

intuition. It's called your intuition, because these things are your spirit that's what travel ahead to tell you there's danger, then your conscience is the one tells you, when you want other people, it is where the HOLY SPIRIT convict you from conscience. What you can't even explain, what you can't describe, what you can't put in words, your intuition can pick it up. You just see a car a vehicle, you prepare to travel certain day, your intuition, is saying, you just feel restless and you can't go, it tells you to rest. Stay one place don't go. Don't force, it is accurate. Don't force it. So, intuition, conscience, and discernments are people spirit. Be a man of spirit more than anything in your life. Also you can pray and fail to access the voice of GOD because you're not in it, *You know you can pray in tongue and your senses are not in, You are praying while you send message, you use your phone, while you saying ,I love you I'm in church, you know you can do that right, then you can get to another stage, where your body is inside, your involved, every capacity you have and every faculty out of your body is inside.*

I want to tell you the easy way to hear the voice of GOD, the best way to access GOD voice clearly is by reading your bible daily. Bible is the mouth of GOD to you. So any time before you read your bible says this word, JOB32:8 HOLY SPIRIT welcome into my heart in JESUS name, Help me to understanding and hear you clearly, then the secondly step is you to read your bible, the more you read, something will touch you from any scripture you read, and that is the direct voice of GOD to you in that moment. Something will knock your head, that is HOLY SPIRIT knock your head. That is how HOLY SPIRIT will talk to you direct, any scripture that touch your heart is the voice of GOD to you.

DIVINE DIRECTION IS VERY IMPORTANT=I was telling some pastor that, it is not everybody sick you are call to heal, the man that are in the get of beautifully, JESUS pass him, JESUS saw him and pass him, because he was born there ,two years letter after JESUS was caught up to heaven, it was Peter and JOHN, even GOD is speaking, I said it several time, even if you can pay for it you still pray for it, you see a car you can pay for it, so pray about it, because there are many car that are coruscate, there are many house that are grave yard, even, don't move to a place because you can afford it, you move to a place because your directed, so divine specific is important.

THE FIRST WAY TO KNOW WHEN YOUR SPIRIT IS TALKING TO YOU AND NOT YOUR MIND=Are you aware ,the way your mind can talk to you, and you know your mind is speaking ,so your spirit can speak to you through your mind, but there is a way to differentiate it, like the bible tell us in DANIEL4:10 IT SAYS THE VISION THAT PASSED THROUGH MY MIND DISTURBS ME, So Daniel wanted to see a vision, it was through his mind, now the way to differentiate it, it will come like a thought, but it is just this thought are not the one that thought about it, it just came naturally, like a supernatural idea, you will discover that, it comes random moments, what do I mean? for example your spirit is leading you to call somebody, and you ignore that thought, may be when you're driving or when you are cooking, you discover that when you are doing something that is not related to that thought that coming into your mind, you will just notice this unusual reminder ,call this person some people even ignore the thought, and the person call you're like do you know I was thinking about you, do you

know I was feeling I should call you, no you were not feeling, GOD was speaking to you, your spirit was communicating to you, that's why sometimes if you real want to be sure, if it is the LORD leading you on a matter, sometimes when you hear something, *just pretend as if you didn't hear that, you discover that if it's GOD it will keep coming at random moments, when you didn't even plan to think about it, that is what the bible said in* PSALM62a:11 ONCE HAVE GOD SPOKEN TWICE HAVE I HEARD YOU, You keep hearing it, if it's your mind it will fade away, if you just ignore it ,it will fade away, if it is your spirit speaking to you, there will be that supernatural emphasis .The hand of GOD is might upon your life. The only way to overcome fear is worshipping, that is the way worship do. It takes away your humanity and it give expression to divinity.

THE SPIRIT OF CONFUSION

When I see Christian or pastors who are praying, they don't know where they should go or start the ministry, they don't know the location of their assignment, and they are confused and look for prophet to tell them, where GOD want them to go to, I feel so angry, are you mad? You are going to running a ministry where many people, will come to you and say what is GOD SAYS? AND YOU DON'T HEAR FROM GOD, are you look for a prophet to tell you, when people will come to you, will you go to the man again? If you meet a man of GOD, A prophet of GOD say about my direction, is to confirm on what GOD has already told you. The voice of GOD are in the prayer, When you start to hear the voice of GOD you will understand that GOD is not a Parot, GOD does not talk 24hr per day, just talking, he cannot talk always, some people because of their hunger to hear GOD, they want GOD to tell them everything, so because of that product hunger of prophesy they become sledding waste your time, just know the secret that, the prophetic word can be in a prayer, your heart prayer is what attract the voice of GOD to you. When JESUS was born, and the wise men came, HEROD was confused, Herod FIND IT IN Matthew Chapter2.To go and check prophetical, where the child will be born, they now went to scriptures, scriptures are prophesies, the beginning to check from scripture, they get exactly time Bethlehem of Judea, the word of GOD is a prophesy. As a Christian you must hear GOD for yourself. You must know where GOD is sending you, if you have not heard it, just keep praying. When you hear it and get confirmation take action. Any problem in your life is a lack of direction. I told you a story, I was having a knock headache, the headache was terrible, I put my hand on my head I command it go, after 5minut it increase, I ask myself what is going on? I know something was wrong, any time I am in the pulpit I don't feel, when I come down, I start headache again, terrible headache, I went to the hospital, they put me in a machine, but I ask myself, have I asked the LORD? WHAT IS GOING ON? I went to HIM I ask FATHER what happen to me? My head what have I done? Then GOD speak to me drink water. Can you imagine, all this problem one month. Now I remember I wasn't drinking water, the LORD say your body lacks water, The I start drink water, enough water, three to four days. I didn't get any pain again. From that day if I see water I respect, what brought me out is divine direction, you just need one small light from GOD to run out of that pain. So, if just I ask that question early, I was just over wherewith pain, until I ask what is going on, what happen to me? be

care full even if you find anointing if you will abuse the anointing you will die. Elishah was sick and die. Don't abuse nature, take care of it. You need to be alive. GOD like conversation, talk to HIM, you will hear HIM, talk to HIM in a language of love as your FATHER and your friend. HOW DO I HEAR GOD GENUINELY? IF YOU READ YOUR BIBLE, YOU READ GOD, if you read GOD and you read it more and more, so you will hear GOD more and more, if you keep your bible shut you will not hear GOD. After wake up at night you pray to three, carry the bible, study for two hours, you drop it you go to your knees you pray, you pick your bible again you study, that voice will come out. And start grown it, it starts little by little, it can come as word of knowledge as your focus, you are growing it, because is the voice you are used to. You will start to hear GOD and see **HIM, HOW DO YOU SEE CLEARLY?** You only see in the place of study, you will see clear in a time of study, you will even be able to see what happen tomorrow before tomorrow. See it in the place of study, you can even see ten years Leiter in the place of study at the midnight between you and HOLY SPIRIT.

TO HEARING GOD IS VERY EASY.

HEBREW3:7-8 WHEREFORE [AS THE HOLY GHOST SIGHTEDLY IF YE WILL HEAR HIS VOICE, HARDEN NOT YOUR HEARTS, AS IN PROVOCATION IN THE DAY OF TEMPTATION IN THE WILDERNESS. Hearing GOD is very easy if you open your heart to HIM, your level of submission is what will determine the level of hearing and the level of your spiritual sight. If you read your bible says this, LORD thanks for this scripture, what are you saying to me from here? = "I AM SAYING THE WEAPON, THAT CAN KILL YOU HAS NOT FASHIONED. 'NO WEAPON FASHIONED AGAINST YOU SHALL PROSPER' 'That is the voice that heard. 'NO WEAPON SHALL FASHIONED AGAINST YOU SHALL PROSPER, AND ANY, AND EVERY TONGUE THAT RISES AGAINST YOU IN JUDGMENT YIU SHALL CONDEMN IT, LORD what are you say to me about this scripture, He will repeat to you that, I am saying the weapon that form against you shall not prosper, easily like that, it just come out of it that voice will come out of it, and if GOD can help you to hear that, then the same voice that can spoke to you from that passage can become the same voice that says, THIS JOURNEY YOU ARE GOING TO GO, DON'T GO, I AM NOT WITH YOU.

[AN ACKNOWLEDGEMENT]

A CALL FOR UNITY IN THE BODY OF CHRIST

WHAT IS MINISTRY? Anywhere GOD sent you to, HE sent you there to let them know that HE is coming, not just the second coming, I am arriving ,prepare, the ground **for me to show up**, I am sending you to go there for nothing,prepare the ground, that place prepare it, I am the one coming,

you are not the owner of the people, you are not the owner of the ministry, I am the one to work the work, just prepare a ground for my shown up.

"The Christian life is not for perfect people. It's for people who are imperfect like you and me".
EPHESIANS 4:2 WITH ALL LOWLINESS AND MEEKNESS, WITH LONG SUFFERING, FORBEARING ONE ANOTHER IN LOVE. Because right now pastors are fighting each other in the world, this one is undermining another one, we forget our mission on this world, do you think the spirit of the LORD is happy? do you think HE is happy right now? Do you think the spirit of the LORD is excited? because pastors are fighting? This one is fighting this one? No need to fight it is not about the age, it is not even about the stage, it is all about the grace. You can be from a low level stage and be speaking to the whole globe. **JOHN 17:11 AND NOW I AM NO MORE IN THE WORLD, BUT THESE ARE IN THE WORLD, AND COME TO THEE. HOLY FATHER KEEP THINE OWN NAME THOSE WHOM THOU HAST GIVEN ME, THAT THEY MAY BE ONE, AS WE ARE.** The aim of JESUS is to unite Christians but the strategy of Satan is to separate Christians. We are fighting against the common enemy, and that common enemy is devil, alone we can do so little in a body of Christ, but together we can do so much, none of us is smarter than all of us. The value of achievement lies in the achieving, if you want to lift yourself up, lift up someone else. Team work makes the dream work. IF YOU ARE NOT NETWORKING YOU ARE NOT WORKING. You cannot work alone without people and knowledge, it is the same as a car-when you are not putting any fuel into it, you are also not moving forward. I thank GOD for all my friends as my networking helping to spread the word of GOD in this world like GERALD AUGUSTINO MOSHA. It is possible to be armed and loose but it's not possible to be wise and lose. **With my team, greater people do not have a career, they have a mission, and our mission is to spread GOD'S words to all nations.** knowledge is light, The more you get knowledge the less Satan control you. knowledge of God's word is the key to life, if you have a key to a door, you don't struggle for access. Do not fear about what you are passing through just maintain peace in your heart, but remember peace is not the absence of trouble but the presence of GOD. Who you follow determine what follows you. Spreading GOD'S word and Prayer is a war and any soldier who relaxes on war front will be taken captive. You can't focus on Christ and be lost. You can't seek him first and be last. There are some dimensions of spiritual power that are reserved for those who spread the GOD'S word. We have to transfer the torch to another generation as LATE REV REIN HARD BONNKE wishes. I am not alone; I work with the following people to spread GOD'S word. I would like to express my gratitude to everyone who helped me in completing this project without basing on the religion factors and different ideology, but as a Christian we are one because of LOVE. I would like to thank my general manager SIAH ERICK HERI. All other Christian MINISTRY AND MY BROTHER IN THE LORD JESUS [**JOVINARY RWEMIGIRA**]. Under my team **school of wisdom ministry, the Voices that are sent by the LORD.**, Also special thanks from my team work from AMERICA [JACOB MERERE,] Aim is to spread the word of GOD, Christian unity is required, alone we can do so little, together we can do so much in a body of Christ, unity is strength, when there is team work and collaboration, wonderful things can be achieved in union there is a strength, many hands make light work, You always find a way to get it done-and done well. !!it's real admirable

how you always see projects though from conception to completion. Thank YOU. **‘TEAMWORK MAKES THE DREAM WORK ‘IS AN EASY PLATITUDE. IT MEANS THAT WHEN PEOPLE JOIN EFFECTIVELY TOGETHER IN A TASK, THEIR GOAL [DREAM] WILL BE ACHIEVED.** Our task is to preach the word of GOD by proclaiming the gospel, teaching biblical truth, and expounding on scripture with the goal of helping believers grow spiritually. TEAM WORK. **To hearing GOD is not a gift, it is an inheritance, every believer can hear, but not** every believer knows the frequency, because you only find a frequency when you stop changing station. The devil voice is loud because his throne is empty, The devil shouting because he luck present, GOD whispers because GOD is present[omnipresent],GOD does not need to shouting, because HE is there for you, if HE shouting you it will make you worry, many Christian ask and says in their prayer that GOD shout to me in order to hear you very clear, that was in the old testament, we are not on mountain Sinai or Zion today, GOD can talk with the still small voice in you, because HE is with us EMMANUEL, GOD is with us, sometimes GOD Speak in the middle of ordinary, because HE is the only one that can make that ordinary secret. GOD let them, HE guides them, HE instructed them, HE took them where they are need to be in the season, there’s some of you are asking GOD question LORD what are you are you doing in my life, what should I do? You need the guidance of GOD. In this book you get the whole principle that’s is going to help you, the question that you have, GOD can answer that question in this book, the direction you need, GOD is going to give you that direction in this book. The first direction that you ought to receive number one you ought to know the voice of GOD. **One of the most difficult thing in life is when GOD vast you and you’re not aware, because you will not thank HIM,** and you will not celebrate it, another very dangerous thing is when GOD send you people and you don’t **recognize them**, another very dangerous moment in life is when GOD sends you a person and you do not recognize who they are to you,ROMAN1:3 IS when GOD sends you a moment and you don’t cease it,ROMAN1:4 the revelation of JESUS, IS WHEN GOD give you **opportunity and** you don’t cease it. In the night when you go to sleep, pray to GOD not to wasting your sleep!!because one of the ways GOD use to speak to **people is when you sleep**,job33:14-16.You will stop wasting your sleep, every sleep become a transportation system into the realm of the spirit, that FATHER as I am lying down to sleep let 5hours not be wasted with me just snoring, let my spirit man be taken to virgin dimensions ,show me thing that are not given to mortal eyes to see, let me come back with ideas, divine strategies, that will cause the church to win, some of you ,I tell you ,because of what GOD will place in your life, you will sit on the table with presidents, I am telling you this prophetically. You will sit on the table with presidents, you will tell them, I have found security solutions or find techs knowledge solutions, I have found solution in education, that means the secret of life is to find the voice of GOD in your problems, **GOD’S voice provide solution.** You will survive!!The devil doesn’t fight you because your weak. HE fights you because of **the destiny that you carry.** Can I repeat that, the devil doesn’t fight you because, you’re weak, he fights you because of what GOD HAS deposited on you. That’s why I have told you, for every divine assignment that you carry, for every assignment GOD has called you in life, the enemy will sharpen weapons from his workshop in hell, to try to destroy you, but can I also tell you something

else, that's very interesting ,that's very appetizing, just like the devil made it his duty, to bring PETER down ,JESUS made his duty to preserve Peter, through the mountains, through the valleys, through the failures, through the successes, through the days and months weeks, and through darkness and light, hatred, AND whatever, is understanding, through rumors, but say this in your heart, I WILL SURVIVE IT. I am a survivor. THAT'S MAKES YOU NOT HEAR GOD'S VOICE? =YOU THINK IT IS SIN, and yet after ADAM had sinned, GOD still came and spoke to the sinner, and asked the sinner who told you that, you're necked and still had a discussion, after sin was committed. And today you can't hear HIM speak because of sin. which new sin now have you committed? GOD did not stop coming to the man, because he had sinned. GOD still came and they had a talk, HE, the man could still hear GOD'S voice and answer back, and this thing is well established, throughout the lineage of ADAM, CAIN kills ABEL and GOD comes, and CAIN a sinner a murdered would hear GOD'S voice, and GOD is asking him, where is your brother? Some of you. You can't even kill a chicken. You need somebody to help you. Yet at that level of mercy and innocence, you still can not perceive the GOD'S voice. So, this book gives you tactics and formular to identify to recognize GOD'S voice. **THERE ARE HUNDRED AND FORT THREE WAY TO HEAR GOD'S VOICE. For more details find the following books from the same author ON WHAT SUP NUMBER.[1] SECRET OF LIFE,[2] CUT OFF THE CHAIN OF POVERTY [4], HOW TO LIVE BEYOND THE PAIN OF LIFE,[5] SPIRITUAL FREQUENCY,[6] HOW TO OVERCOME THE DEMON OF STRESS AND DEPRESSION,[7] HOW TO TRAVEL AND VISIT A PARTICULAR PLACE IN THE SPIRIT.[8]HOW TO OVERCOME THE SPIRIT OF DISEASE AND INFIRMITY.[9] SPIRITUAL EYES [10]THE SPIRIT OF PROSPERITY [11]THE WIND OF GOD[HOW TO USE WIND OF GOD FROM THE BIBLE]**

CONCLUSION; If you are close to someone, when they call you on the phone, you will not struggle to recognize their voice. You immediately know who is speaking because you are familiar with them. But if you are not used to their voice, you may hesitate and ask, "Who am I speaking to?" The same applies when it comes to God. When God speaks to you, He often uses the Scriptures that are already in your heart. If you are familiar with His Word, you will easily recognize His voice. However, if His Word is not in you, you may become confused and ask, "Who is this speaking to me?" Therefore, the more you stay close to God and fill your heart with His Word, the easier it becomes to hear and recognize His voice.
